This Memorandum of Understanding (MOU) is entered into on December 2, 2022, between the City Administrative Officer (CAO), as the authorized management representative of the Los Angeles City Council (City Council), City departments, bureaus and divisions (Management), and authorized representatives of SEIU 721 as the exclusive recognized employee organization for the Unit.

**ARTICLE 1.3            IMPLEMENTATION OF MOU**

However, this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

**ARTICLE 1.5 TERM**

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of MOU, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall this MOU become effective prior to 12:00 a.m. on January 1, 2023. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on December 30, 2023.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for a Successor MOU, to their mutual satisfaction and are continuing to meet and confer in good faith.

**ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU**

If the Union or Management of the City desires a successor MOU, said party shall serve upon the other party a notice of intent to bargain no earlier than ninety (90) days prior to the expiration of this MOU and no later than the expiration date of this MOU. Meet and confer sessions shall begin no later than thirty (30) calendar days following the notice of intent to bargain, the timeline of which may be altered by mutual consent.

**ARTICLE 1.7 AMENDMENT OF MOU TO INCLUDE NEW CLASSES**

- B.     Except as specifically provided for herein, the parties voluntarily and unequivocally waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. Notwithstanding the foregoing:

- C.     No alteration, variation, waiver, modification or amendment of any of the Articles, terms or provisions requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the City Council and approved and implemented in accordance with Article 1.3, Implementation of MOU.
  
- D.     The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

**ARTICLE 1.10        PROVISIONS OF LAW AND SEPARABILITY**

This MOU is subject to all applicable Federal and State laws, the City Charter, City ordinances, and any lawful rules and regulations enacted by the Civil Service Commission, the ERB, or similar independent City commissions. If any article, part, or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, local law, or the City Charter, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, the parties agree to meet promptly to expeditiously renegotiate the affected article, part, or provision and the remainder of this MOU shall not be affected thereby.

In the event of a work action by its members, the Union shall make concerted and reasonable efforts to ensure the return of its members to work. Failure by the Union to act or failure of the Union's actions to secure the return of striking employees shall constitute sufficient cause for the City to take whatever corrective action it deems appropriate.

The curtailing of operations by the City in whole or in part for operational or economic reasons shall not be construed as a lockout.

## **ARTICLE 2.3      PAYROLL DEDUCTION AND DUES**

The following provisions shall apply to employees in classifications listed in the Appendices herein.

A. DUES

1. a. Payroll deductions as may be properly requested and lawfully permitted will be deducted by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the Unit where the Association identifies in writing to the Controller those individuals from whom Union-related deduction(s) should be lawfully taken. Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee is not paid a minimum of twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.
- b. Employees who are on an unpaid leave of absence or otherwise on inactive status due to lack of scheduled hours shall not have dues deducted during that period.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Association will not be accepted by the Controller. For the purpose of this provision, "qualified organization" means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Under current California law, the City has no input or control over the procedure for termination of union dues taken as payroll deductions from employees subject to this MOU, nor any legal ability to stop such deductions without the specific authorization of the Union. All procedures for termination of dues deductions are the Union's unilateral dues termination procedures; the City's sole obligation is to process such dues cancellations received from the Union pursuant to this subsection, subject to any future court decisions applicable to dues termination procedures. Any employee in the Unit may terminate such Union dues pursuant to procedures established by and administered solely by the Union. The Union will provide the City the appropriate documentation to process these membership dues cancellations. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or other proper deductions to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by Union under the terms contained

herein. "Dues" shall be the result of Union certification that it has and will maintain an authorization signed by the individual employee from whose salary or wages the deductions are to be made, provided in the form of a list by the Union to the City.

- a. Remittance of the aggregate amount of all dues and other proper deductions taken from the salaries of employees covered hereunder shall be made to the Association by the Controller within thirty (30) working days after the conclusion of the month in which said dues and/or the deduction(s) were taken.
  - b. A fee of nine cents (\$.09) for the processing of each such deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.
  3. Management will provide the Union with Unit membership information pursuant to the Unit Membership List Article of this MOU.
  4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

#### C. UNION RESPONSIBILITIES

Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

#### D. CALIFORNIA GOVERNMENT CODE SECTION 1159 (a-b)

Existing California Government Code Section 1159 (a-b) states:

"(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018."

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

#### **ARTICLE 2.4      WORK ACCESS**

- A. A Union Staff Representative, with the prior approval of Management, shall be admitted to City facilities or work sites during working hours to assist Unit employees in adjusting their grievances, or to investigate complaints concerning working conditions.

If access cannot be permitted at the time requested, the Union Staff Representative will be given the date and time when such access will be permitted. It is mutually understood that only the minimum amount of time necessary to handle complaints or grievances will be utilized by the Union Staff Representative.

- B. A Union Staff Representative may also be admitted to City facilities or work sites, at reasonable intervals, for the purpose of communicating with Unit members who are off duty. Such communications shall be limited to an exchange of information concerning the lawful and legitimate activities of the Union and/or its membership. Authorization to make such visits shall be obtained by contacting either the person that has been designated by Management to grant access to a specific City facility or work site, or the Management Representative of the department, office or bureau affected.
- C. The Union shall provide Management with a list of its Union Staff Representatives. Management will provide the Union with a list of persons designated to grant access to specific City facilities or work locations.
- D. The provisions of this Article shall not be deemed to be a limitation on the authority of Management to deny access to facilities or work sites designated “security” or “confidential.”

#### **ARTICLE 2.5      USE OF CITY FACILITIES**

- A. City facilities may be used by the Union with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected.
- B. The Union will pay such usual and customary fee(s) and/or other charges as are required by the City. Such charges normally cover rentals, special set-ups cleanups, and security services.

- A. Each department, office or bureau agrees to provide a bulletin board or reasonable space at work locations which may be used by the Union for the following purposes:
  - 1. Notices of Union meetings.
  - 2. Notices of Union elections and their results.
  - 3. Notices of Union recreational and social events.
  - 4. Notices of official Union business.
  - 5. Any other communication which has received the prior approval of the Departmental Management Representative.
- B. It is agreed that copies of communications listed in 1 through 4 will be provided to the designated representative of Management at the time of posting.
- C. It is further agreed that all communications to be posted, other than 1 through 4 above, shall be submitted for approval to the designated representative of Management twenty (24) hours before posting.
- D. It is further agreed that the Union shall place a removal date on all communications to be posted.

All notices or other communications prior to being posted shall be identified with an official stamp of the Union, initialed by a full-time Union staff representative, and if requested by Management, submitted to the Management Representative of a department, office or bureau for posting.

**ARTICLE 2.7 ACTIONS BY THE EMPLOYEE RELATIONS BOARD**

Should any action(s) by the ERB prior to the expiration of this MOU, result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

**ARTICLE 2.8 EMPLOYEE RELATIONS**

Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the Management Representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.

**ARTICLE 2.9 POLITICAL ACTION COMMITTEE**

- A. The Controller shall deduct fifty cents (\$.50) per pay period from the salary to be paid to each Union member, identified on a list prepared and submitted by the

Union, as a contribution to the SEIU 721 Political Action Committee (PAC). Union members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to the PAC provided the Union provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.

- B. Remittance of the amount of the PAC deductions shall be sent to the Union by the Controller within thirty (30) working days after the end of the month in which such deductions are made.
- C. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.
- D. Neither an employee nor the Union shall have any claim against the City for a PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after the date such deduction was or should have been made.
- E. The Union indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against, any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

## **ARTICLE 2.10      CONTRACTING OF UNIT WORK**

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of Unit work:

- A. No Unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of Unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, he/she shall be retained in a position within a classification represented by the Union.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of subsection G below, the provisions of this Article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance (ERO), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform Unit work except for contracts required by bona fide emergencies.

- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
1. The City shall provide timely notice, through the existing “clearinghouse” procedure, of proposed contracts to perform Unit work. In addition, the City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.
  2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days following notice as indicated in subsection 1. above. Failure by the Union to request such meeting(s) within the prescribed fifteen (15) calendar days shall constitute a waiver of the Union's right to continue this process.
  3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
  4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with ERB Rules 11.03 and 11.04.
  5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.
  6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
  7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
  8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.

9. Arbitration fees shall be shared equally by the Union and the City.
- F.
1. Disputes over the practical consequences of the contracting of Unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of Article 3.1, Grievance Procedure of the MOU, and shall not delay the implementation of the contract if all other provisions of this Article have been met.
  2. The parties agree that the review of “practical consequence” grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of the Grievance Procedure.
- G.
- The parties agree that the Union may file a grievance regarding the Charter 1022 notification.
1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union’s knowledge of the alleged deficient notification.
  2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union’s grievance. The arbitration fees shall be shared equally between the Union and the City.
  3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator’s remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator’s decision is binding on the parties.

**ARTICLE 3.0        GRIEVANCE**

**ARTICLE 3.1        GRIEVANCE PROCEDURE**

**STATEMENT OF INTENT**

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

## **DEFINITION**

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to Unit employees. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.
- D. Assignment and scheduling of hours and personnel for intermittent and half-time employees, unless said assignment or scheduling is in violation of the departmental working rules or this MOU.

## **GENERAL PROVISIONS**

### **A. BINDING ELECTION OF PROCEDURE**

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

### **B. GRIEVANCE PROCESS RIGHTS**

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

### **C. TIME, TIME LIMITS AND WAIVERS**

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 6.3, Holidays and Holiday Pay.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

## D. MEDIATION

1. At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.
2. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
3. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
4. Notwithstanding the above, and ERO Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.
5. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

## E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process:

1. Suspensions without pay
2. Allegations of failure to accommodate medical restrictions
3. Allegations of retaliation
4. Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

## **GRIEVANCE PROCESS**

### **STEP 1      ISSUE IDENTIFICATION AND INFORMAL DISCUSSION**

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.
- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. If the issue is not resolved at this step, the immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

### **STEP 2      GRIEVANCE INITIATION (FORMAL)**

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of Management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.
- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of Management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

### **STEP 3      GRIEVANCE APPEAL**

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit

information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

#### STEP 4      ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within thirty (30) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.
- C. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.

- D. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- E. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

## **PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES**

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the grievance affect more employees than are identified as grievants, the parties agree that the remedy may be applied to those employees, upon their consent if needed.

### **PROCEDURE:**

#### **STEP 1      GROUP GRIEVANCE INITIATION (FORMAL)**

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.
- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

#### **Los Angeles Police Department only:**

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by

the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

## **STEP 2      GROUP GRIEVANCE APPEAL**

If the grievance is not settled at Step 1, or by the Police Commission in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

## **ARTICLE 3.2      UNION STEWARDS**

- A.
1. The Union may designate a reasonable number of Union Stewards or other representatives who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.
  2. An employee and his/her steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if he/she is the representative of record; is a member of the same Union as the employee; is employed by the same department, office or bureau; and, is employed within a reasonable distance from the work location of the employee.
  3. If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.
  4. Before leaving his/her work location, the steward shall contact the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.

5. Time spent on grievances, or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.
- B.
1. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and Front-Line supervisors.
  2. No later than September 30, 2019, or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and Front-Line Supervisors will be certified.
  3. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.
  4. As is practicable, grievances will be heard by Certified Supervisors.

**ARTICLE 4.0 ON THE JOB**

**ARTICLE 4.1 SAFETY**

- A. Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists; the Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.
- B. Management will make every reasonable effort to provide safe working conditions. The Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his immediate supervisor. Said supervisor should:
1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
  2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and

location of the hazardous condition to next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.

3. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution of the problem within a reasonable time, the employee or his representative may call the City Occupational Safety Office and report such hazard.

Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the Cal-OSHA rules and regulations.

D. Decontamination Procedure

Management shall establish, review, and/or amend, as necessary, a decontamination procedure that, at a minimum, meets Cal-OSHA decontamination standards for employees, where applicable.

## **ARTICLE 4.2 PERSONNEL FOLDERS**

- A. Upon request, an employee shall be entitled to review the contents of his/her official departmental personnel file at reasonable intervals during hours his/her personnel office is open for business. Such review shall not interfere with the normal business of the department, office or bureau.
- B. No disciplinary documents shall be placed in an employee's official departmental personnel file without providing said employee with a copy; however, the Police Department may decide in lieu thereof to notify the employee that such a document has been placed in the employee's file and that it is available for review. This provision shall not apply to documents placed in said file prior to July 1, 1975.
- C. A "Notice to Correct Deficiencies" may be sealed upon the request of an affected employee if he/she has not been involved in any subsequent incidents that resulted in written corrective counseling or other management action for a period of four (4) years from the date the most recent notice was issued or management action taken; however, it is mutually understood that a "Notice to Correct Deficiencies" is not considered a form of discipline by the Police Department and a copy is not placed in the departmental personnel folder; therefore, the Police Department is excluded from the provisions of this paragraph.

### **ARTICLE 4.3 REST PERIODS**

- A. Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.
- B. Management reserves the right to suspend any rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, nor compensated for in any form.

### **ARTICLE 4.4 PERFORMANCE EVALUATIONS**

- A. The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period. If the employee has worked under more than one supervisor for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.
- B. An annual performance evaluation that has been appealed shall not be placed in an employee's personnel file until it has been determined whether the evaluation will be changed.

### **ARTICLE 4.5 CREDIT FOR TRAINING**

- A. Whenever Management approves, an employee may be permitted to assume tasks which are outside the scope of the normal duties of his/her position, for the purpose of gaining experience in the performance of duties in higher level positions or learning to operate such City equipment as is used by his/her department in order to gain work experience on such job or equipment. A qualified person shall be designated and shall be available to instruct and supervise the employee in the performance of such tasks or in the safe and proper operation of said equipment. Any dispute concerning the person's qualifications to instruct and supervise shall be decided by the employee's Departmental Management Representative.
- B. If the employee requests:
  - 1. The employee and his/her supervisor will jointly log the successful performance of such tasks on a form provided by Management. The form will be kept updated; and,
  - 2. The employee's department will provide confirmation of such performance on a form titled "Verification of Work Experience" (Personnel Department form PD 21R #11-74), so that it may be utilized by the employee whenever such verification is required to establish eligibility to take an examination.

## **ARTICLE 4.6        PART-TIME EMPLOYMENT**

### **SECTION I – EMPLOYMENT**

Notwithstanding the provisions of LAAC Section 4.110, the following provisions shall apply to part-time employees covered by this MOU.

- A. Except as provided in LAAC Section 4.117 and/or any Departmental Personnel Ordinance to the contrary, a work schedule of less than the number of hours of full-time employment shall be considered part-time employment. The following categories of part-time employment are hereby defined and shall be controlling for purposes of this Article:
  - 1. Half-time: Half-time employees are those who are regularly assigned to a work schedule of one thousand and forty (1,040) hours or more in a calendar year, but less than full-time. Compensation shall be prorated on the basis of the total number of hours of work in relation to the total number of hours required for full-time employment. Benefits provided in this MOU for half-time employees also shall apply on a prorated basis, as defined.
  - 2. Intermittent: Intermittent employees are those who are assigned to a regular or on-call work schedule of less than the number of working hours required for half-time employment (less than 1,040 hours) in a calendar year. The hourly rates provided in the Appendices to this MOU shall be considered full compensation for intermittent employees. Employees who concurrently hold more than one intermittent position still shall be considered intermittent, as herein defined, irrespective of the total number of hours scheduled.
- B. Intermittent and half-time employees shall receive Compensated Personal Time Off (CPTO) that may be accumulated for up to a maximum of forty-eight (48) hours. Any time accumulated in excess of such amount shall be deemed waived and lost.
  - 1. Intermittent employees with accrued CPTO hours and/or paid sick leave hours who become full-time or half-time employees, shall be allowed to carry-over into their 100% sick leave bank a maximum of 48 hours of unused CPTO, paid sick leave, or any combination of such unused time and shall be eligible immediately as a full-time or half-time employee to accrue and use sick leave at the appropriate rate.
  - 2. The City shall not provide compensation to an intermittent employee for accrued or unused sick days upon termination, resignation, retirement, or other separation from employment.

- C. Part-time employees shall be notified of their status as half-time or intermittent at the time of hire. Half-time employees shall be notified of their eligibility for prorated benefits.
- D. Intermittent and half-time employees must request permission from their primary employing department to hold more than one position concurrently. Employees must designate a primary employing department in writing with their primary and secondary employing departments and with the Controller's Office. Temporary Elections workers are exempt from this requirement.
  - 1. If an employee fails to designate a primary employing department the Controller's Office will designate the first department to hire the employee as the primary employing department.
  - 2. Employees may change their designated primary department during the Open Enrollment period of October 1-31.
  - 3. If an employee changes departments outside the Open Enrollment period, the Controller's Office will designate the first department to hire the employee as the primary employing department, unless the employee notifies the Controller's Office otherwise within thirty (30) calendar days of the effective date of the change.
  - 4. Employees who hold concurrent positions shall request permission to continue to do so within sixty (60) days of the adoption of this MOU by City Council.
- E. Intermittent employees, except those employees who were hired before February 1, 1990, who continue to accrue vacation hours shall be eligible to accrue CPTO at the rate of 2.75 minutes for every hour compensated. Employees must complete a period of six (6) consecutive months of City service and must have been compensated for at least five hundred (500) hours before qualifying to use CPTO. This benefit may be used in no less than one-half hour increments for the following:
  - 1. a. Urgent personal business, subject to approval of the supervisor;
  - b. Holidays, upon the request of the employee. The holiday must fall on the employees' regularly assigned schedule, and the employees must not be required to work on that holiday. If the qualifying employees choose not to use compensated personal time off for the holiday, the employees may be allowed, subject to approval of the supervisor, to adjust their work schedules and make up the time in full not later than the next succeeding payroll period.

2. There shall be no payment of any form for unused CPTO upon separation from City service for any reason.
3. Employees who hold more than one intermittent position concurrently shall be eligible to accrue CPTO in only one position in their primary employing department.
4. Employees who are receiving benefits as a full-time or half-time employee in another department or capacity, or are a retired member of Los Angeles City Employees' Retirement Systems (LACERS), shall not be eligible to receive CPTO benefits as an intermittent employee.
5. Notwithstanding paragraph 2 above, an employee hired on an intermittent basis who, following two consecutive years of City service, has been compensated for 1,000 or more hours during each of the two (2) consecutive service years shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Effective July 26, 2015, after 1,000 compensated hours in one service year, intermittent part-time employees shall qualify for half-time status benefits, shall be certified to LACERS, and shall be eligible to receive pro-rated benefits as of the date they reach 1,000 hours of service.
6. Upon designation as half-time under these circumstances, such employees shall be allowed to carry over into the 100% sick leave bank up to a maximum of forty-eight (48) hours of unused CPTO. Any unused personal time in excess of forty-eight (48) hours shall be deemed waived and lost.

Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use vacation, sick leave and holiday benefits at the appropriate prorated rate. Their anniversary date shall be based upon the date they are designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

7. Upon designation to half-time status, part-time employees shall continue to be eligible to use accrued CPTO until they receive the annual vacation credit. When they receive the annual vacation credit, a maximum of forty-eight (48) hours of unused CPTO shall be carried over into the 100% sick leave bank. Employees shall be eligible to use vacation time one year after they have been designated as half-time. Any unused CPTO in excess of forty-eight (48) hours shall be deemed waived and lost.
8. Half-time employees who immediately prior to such appointment were intermittent status, and who completed six consecutive months of City service and were compensated for less than 2,000 hours during the

preceding two years, shall be allowed to carry over into the 100% sick leave bank up to a maximum of forty-eight (48) hours of unused compensated personal time. Any unused personal time in excess of forty-eight (48) hours shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use sick leave and holiday benefits at the appropriate prorated rate. Employees shall not be eligible to use vacation benefits until one year from their anniversary date. Their anniversary date shall be based upon the date they were designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

F. The part-time benefits provided herein shall apply prospectively from the effective date of the MOU. However, part-time employees who were receiving benefits at the level provided herein prior to said effective date shall continue to receive such benefits as long as they retain their qualifying status without a break in service.

G. It is understood that Management has the right to determine the work schedules and hours of all intermittent and half-time employees. However, when an employee has been working a consistent half-time schedule, departments will provide reasonable opportunities for the employee to make up unpaid absences due to authorized leave or holidays in order to maintain half-time status. Such accommodation shall be subject to budgetary and workload considerations.

H. Part-time Hours Reports

During the term of this MOU, the Department of Recreation and Parks shall provide bi-annual reports to the Union listing hours worked by part-time employees. Other departments which employ part-time workers shall provide such reports at least annually.

I. Rosters

Part-time employees will be placed on a roster in the following order:

1. Part-time employees who have worked 600 hours or more in any one of the last three (3) service years; this roster will be ranked in order of the total number of hours worked in the last two (2) service years.
2. Part-time employees who have worked 599 or less hours in any of the last three (3) service years will be ranked in the order of the total number of hours worked in the last two (2) service years.
3. Seasonal employees.

Rosters will be purged regularly of employees who have not been compensated in 365 days.

- J. The City and the Union agree to the following principles in the employment of part-time workers:
1. Whenever possible, departments will develop and assign intermittent employees schedules in a manner that facilitates the creation of half-time positions.
  2. Departments will make every attempt to schedule employees in a manner that provides continued part-time employment for existing part-time employees prior to hiring new part-time workers.
  3. In the development of half-time positions, it is agreed that no employee will be laid off or have his/her schedule reduced so that half-time positions may be created.
  4. Wherever possible, additions in part-time hours will be used to facilitate the creation of exempt half-time positions.

## SECTION II – DISCIPLINE APPEAL PROCEDURE

The following appeal procedure for intermittent part-time and Civil Service-exempt half-time employees shall be as follows:

- A. An intermittent part-time or Civil Service-exempt half-time employee who has worked a total of at least 2,000 cumulative hours from his/her initial hire date who is subject to discipline shall be provided with the following:
1. A written description of the action(s) to be taken and the expected effective date(s).
  2. A written statement of the specific grounds upon which the disciplinary action is based.
  3. A copy of the materials upon which the action is based.
  4. A written statement informing the employee of his/her right to appeal the disciplinary decision within five business days to an advisory Hearing Officer.
  5. The City and the Union will jointly develop a list of hourly Hearing Officers knowledgeable in employee relations. Discipline cases for intermittent part-time and Civil Service exempt half-time employees who have worked a total

of at least 2,000 cumulative hours from his/her initial hire date will be heard by a Hearing Officer from this list.

6. The hearings shall take no more than four (4) hours, which the Hearing Officer will divide as equally as possible between the Parties. The hearing shall be scheduled within five (5) business days of the notice of appeal filed by the employee, unless another date is mutually agreed upon by the Department and the employee. The cost of the Hearing Officer shall be shared equally by the Union and the City.
7. The Hearing Officer shall determine if the discipline or level of discipline is based on a reasonable good faith conclusion that the employee engaged in misconduct.
8. The Hearing Officer shall issue a written decision the same day, which shall be advisory to the Department head, whose decision shall be final.

#### **ARTICLE 4.7          PROCUREMENT OF MATERIALS**

- A. At no time shall any Unit employee be required to use his/her own money to purchase parts or materials used to repair or maintain City vehicles or equipment, or for any other City-related purpose regardless of whether such money is intended to be reimbursed. Examples include, but are not limited to: (1) parts or materials used in vehicle repairs (not including tools); (2) field or office supplies; and, (3) consumables.
- B. Parking fees and road tolls shall be paid by the employee and reimbursed by the employing department.

#### **ARTICLE 5.0          COMPENSATION**

##### **ARTICLE 5.1          OVERTIME**

###### **A.          DISTRIBUTION OF OVERTIME**

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work.

Nothing herein is intended to abridge or limit the right of Management to determine the means and methods for the delivery of public services, including but not limited to decisions regarding staffing requirements and the use of overtime.

**B. NON-EMERGENCY OVERTIME**

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours' notice.

**C. WORK SCHEDULES**

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of one hundred and sixty-eight (168) consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a five/forty, four/ten, nine/eighty, or other work schedule. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty, or other modified work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious or discriminatory. The parties further agree that Management may require employees to change their work schedules (change days off, except the split day, or working hours) within the same FLSA workweek.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as the nine-eighty [9/80] day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

**D. ASSIGNMENT OF OVERTIME**

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime "white time" is absolutely prohibited. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

**E. RATE AND METHOD OF OVERTIME COMPENSATION – (FLSA) NON-EXEMPT EMPLOYEES**

Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek including all absences with pay authorized by law. Overtime compensation for all employees in this Unit shall be in time off at the rate of one

and one-half hours for each hour of overtime worked or in cash at one and one-half times the employee's regular rate of pay, at the discretion of management. (Non-pensionable)

F. COMPENSATED TIME OFF

Employees shall be permitted to accumulate up to eighty (80) hours of compensated time and take such accumulated time off for overtime worked upon request unless granting of such time would "unduly disrupt" the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime). On occasion, employees may accumulate hours in excess of eighty (80) hours for a temporary period of time. Each subsequent acting assignment following the employee's return to his/her regular assignment shall not require completion of a new qualifying period.

**B. VACANT HIGHER LEVEL POSITION**

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class\*), such employee shall become eligible for additional compensation on the first day of said assignment.

  2. Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to care for a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.
  3. Each employee must notify his/her employing department at the time the leave is requested of the name and department of the other City employee who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.
  4. The time limitation described above does not apply to leave taken by one spouse or one domestic partner to care for the other who is seriously ill, or to care for a child with a serious health condition.

### IV. CONDITIONS

#### A. **Pregnancy**

1. The start of leave for a pregnant employee shall be at the beginning of the employee's pregnancy-related disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.
2. In accordance with PDL under the FEHA, pregnant employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine [9] pay periods [720 hours]) of leave with medical certification certifying the

employee as unable to work due to a pregnancy-related condition. PDL under the FEHA may be taken before or after the birth of the child, and shall run concurrently with pregnancy leave under the federal Family and Medical Leave Act of 1993, which must be concluded within one (1) year of the child's birth.

3. Employees (each parent individually) are also eligible for family leave ("bonding") under the California Family Rights Act, which shall be limited to four (4) months (nine [9] pay periods [720 hours]) and must be concluded within one (1) year of the child's birth. Whereas bonding leave for the pregnant employee may be taken before or after delivery, bonding leave for the non-pregnant employee shall be taken on or after the anticipated delivery or placement date of the child except as may be necessary under Subsection IV.B "Adoption." (The administration of such leave shall be in accordance with Sections III.B. and IV.F of this Article.)

B. **Adoption** - The start of a family leave for adoption shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave for adoption or foster care of a child may also be granted prior to placement if an absence from work is required.

C. **Family Illness** - The start of a family leave for a serious health condition of a family member or designated person shall begin on the date requested by the employee or designated by Management.

D. **Employee's Own Illness** - The start of a leave for the employee's own serious health condition shall begin on the date requested by the employee or designated by Management.

E. **Serious Health Condition** is defined as an illness, injury, impairment, or physical or mental condition that involves:

2. A period of incapacity requiring an absence of greater than three days involving continuing treatment by or under the supervision of a health care provider; or
3. Any period of incapacity (or treatment therefore) due to a chronic serious health condition; or
4. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or

5. Any absences to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity for more than three (3) consecutive days if left untreated; or
  6. Any period of incapacity due to pregnancy or for prenatal care.
- F. **Continuous, Intermittent, and Reduced Work Schedule Leave** - All leave granted under this Article shall normally be for a continuous period of time for each incident.
1. An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with LAAC Section 4.110 during the duration of their part-time schedule.
  2. In accordance with the California Family Rights Act, leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under the California Family Rights Act, the basic minimum duration of bonding leave is two (2) weeks, and on any two (2) occasions an employee is entitled to such bonding leave for a time period of two (2) weeks' duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. Bonding leave must be concluded within one (1) year of the birth or placement of the child.
- G. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.
- H. A personal leave beyond the four (4) month (nine [9] pay periods [720 hours]) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
- I. An employee receiving temporary workers' compensation benefits (either IOD or the rate provided in Division IV of the California Labor Code) who meets the eligibility requirements in III.A of this Article shall automatically

be considered to be on family or medical leave, effective the first day of the employee's absence.

- J. Management has the right to verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least fifteen (15) calendar days to obtain the medical certification.
- K. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

## V. NOTICE REQUIREMENTS

### A. Employee

When an employee requests family or medical leave, he/she must state the reason for the requested leave (e.g., childbirth, to care for an immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least thirty (30) days' notice. However, if the leave must begin in less than thirty (30) days, the employee must provide as much advance notice as is practicable.

### B. Management

In response to employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management may designate leave, paid or unpaid, taken by an employee as family or medical leave-qualifying, regardless of whether or not the employee initiates a request to take family or medical leave.

## VI. APPLICABLE TIME OFF

Employees who are granted leave in accordance with this Article shall take time off in the following order:

### A. Childbirth (Mother)

1. Accrued sick leave (100% and 75%) or vacation for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth), may be taken at the employee's discretion.

2. For the non-disability portion of childbirth leave (before delivery or after bonding), accrued vacation available at the start of the leave shall be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (3 above). However, FLSA compensatory time off shall not be counted against the employee's four-month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

B. Childbirth (Father or Domestic Partner), Adoption, Foster Care, or Family Illness

1. Annual family illness sick leave up to fifteen (15) days may be used at the employee's discretion. Such leave may be taken before or after the vacation described in 2 below.

5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (3 above). However, FLSA compensatory time off shall not be counted against the employee's four-month (nine [9] pay periods

[720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

C. Personal Medical Leave

1. Accrued 100% sick leave may be used at the employee's discretion. Such leave may be taken before or after the vacation described in 3 below.

3. Accrued vacation time.
4. Unpaid leave.
5. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (1 above). However, FLSA compensatory time off shall not be counted against the employee's four-month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

Management agrees to adhere to the City's policies with regard to the Citywide Temporary Modified Duty (Return to Work) Program.

During the term of this MOU, Management agrees to continue providing Workers' Compensation benefits in accordance with LAAC Section 4.104, except that salary continuation payments during absences for temporary disabilities arising from job-related injuries or illnesses (injury on duty [IOD]) shall be in an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For the purposes of this Article, take-home pay is defined as an employee's biweekly gross salary rate less the mandatory deductions for Federal and State income tax withholding, and employee retirement contributions.

## **ARTICLE 6.10            WORKERS' COMPENSATION ALTERNATIVE DISPUTE RESOLUTION PROGRAM**

The following information is for informational purposes.

The parties to this agreement have entered into a Workers' Compensation Alternative Dispute Resolution (ADR) Program Agreement approved by the State on or about October 2, 2018. Said Agreement includes a Joint Labor Management Committee (JLMC), the terms of which are incorporated in the body of the ADR Agreement, and is hereby incorporated into the body of this agreement.

The Workers' Compensation ADR Program, approved by the State of California, provides a dispute prevention and resolution process designed to improve the processing and quality of workers' compensation medical benefits, improve claim resolution, reduce workers' compensation claim costs, return injured employees to work in a timely manner, and increase injured employees' satisfaction with the process.

**C. Vacation Accrual During Active Military Service - Cash Out of Accrued Vacation at Commencement of Leave**

Unit members called into active military service (other than temporary military leave) shall, following their qualifying year of service for vacation continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. In order to avoid reaching maximum accrual during an extended leave, employees may request cash payment of accrued but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of their leave of absence and verified by military orders or other evidence of call-up into the armed forces of the United States.

Personal leave may be taken in one-hour increments. No employee shall be entitled to personal leave until the employee has completed six (6) months of satisfactory service. Under no circumstances shall such time be compensated in cash upon separating from City service, retirement, transfer to another bargaining unit, or any other reason.

On January 1<sup>st</sup> of each year, each part-time unit member shall, in addition to all other compensatory time, accrue personal leave based on hours compensated in the prior calendar year not to exceed 40 hours in a calendar year. All other terms and conditions as provided for full-time employees are applicable.

- B. This Article does not apply to any employee:

The Union shall provide a copy of said request to the CAO. The employee shall fill out any necessary paperwork required by Management for his/her release.
- B. Whenever operationally feasible, the Department shall grant the time off request. When it is not possible to immediately grant the request, the Department shall provide an explanation in writing and specify a date when the employee can be released.
- C. Release time shall be granted for a maximum of one year in any three-year period unless additional release time is approved by the CAO and the affected department.

The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the CAO as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the JLMBC that become effective during this period.
- G. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- H. The CAO shall bill the Union and Union shall make payments to the CAO of all reimbursable costs identified in Section F above.
- I. An employee on release time shall submit weekly timesheets signed by the employee and the Union (General Manager or his/her designee) to their respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- J. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the Union during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the eleven (11) employee maximum, as provided for above. The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- K. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
- L. The employee must have passed probation in his/her current class to be eligible for release time.
- M. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.

LETTER OF AGREEMENT  
BETWEEN  
THE COALITION OF LOS ANGELES CITY UNIONS  
AND THE CITY OF LOS ANGELES

**RELEASE TIME PILOT PROGRAM**

The City of Los Angeles has determined there are specific Union activities that confer a public benefit for which bargaining unit members (Released Employees) of the Coalition of Los Angeles City Unions (Coalition) should be released from their official duties (City work) in order to perform the specific Union activities. The Coalition agrees to ensure performance, supervise, and manage the activities of the Released Employees. Full-Time and Part-Time employees shall be eligible to be designated as a Released Employee.

The parties agree that during the term of the 2018-2021 MOU, a reasonable number of bargaining unit members shall be designated by individual Coalition Unions for the purpose of directly communicating, sharing, and collecting information from all bargaining unit members. Furthermore, as a means of controlling administrative and litigation costs associated with employee matters in a large and complex City, and with the goal of resolving matters at the earliest possible stage, Released Employees will assist bargaining unit employees, the Union, and Management during the following processes and procedures:

1. Union approved work-site meetings of the bargaining unit membership.
2. Membership meetings in order to assist with communicating issue(s) relevant to the work-force.

**Reporting and Accountability of Released Employee Time**

In order to ensure the City maintains control over public resources, a designee of each Coalition Union will notify Management in advance in writing of the need to release an employee and confirm the employee has been released. The Union shall provide advance notice no less than 48 hours prior to the commencement of union release time.

Each Coalition Union shall designate employees and notify Management in advance in writing when a Released Employee is designated by the Union. The designated employees shall be released for only the time necessary to bring about the efficient outcome(s) contemplated in this Agreement and/or identified going forward. Permission to leave official duties (City work assignment) will be granted unless the absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Union will be informed when time can be made available. Release of an employee shall not be unreasonably withheld.

The payroll code "UB" shall be entered for all release time used under this Program. No employee shall be paid overtime or accrue Compensated Time Off (CTO) while released under this Program.

### **Bank of Hours**

Each Union shall be afforded a bank of hours equaling two (2) hours for each full-time bargaining unit member and one (1) hour for each part-time bargaining unit member.

The total number of calculated release time hours for each Union in accordance with this Agreement is as follows:

<b>Union</b>	<b>Total Hours/ Calendar Year</b>

SEIU	20,351
LIUNA	1,656

This Agreement has been executed by the parties on the day, month, and year written above and shall continue until such time as the parties cancel or negotiate otherwise.

**D. AMENDMENTS, MODIFICATIONS, OR OTHER CHANGES**

2. The Union and employing department shall mutually agree to a make-up date for Union access. Union access to new employees shall be provided not more than five (5) business days from the initial new employee orientation date or some other date mutually agreed upon by the Union and employing department.
3. After mutual agreement on a make-up date, the employing department shall confirm in writing to the Union the new union access date, time, and location.
4. The employing department shall require the subject new hires to attend the Union's presentation on the make-up date.
5. If a dispute remains after implementation of this provision or for any other matters relating to this Agreement, the parties agree that they may advance a grievance directly to the step just prior to arbitration, and continue processing in accordance with the applicable MOU grievance and arbitration provisions.

1. The City shall provide the Union access to new employee orientations:
  - a. within thirty (30) calendar days of placing a new hire on the City payroll; or,
  - b. within forty-five (45) business days of the physical start date of a new hire; or,
  - c. on some other date and time mutually agreed upon by the Union and employing department.
2. Attendance at a new employee orientation by all new hires shall be mandatory.

#### **H. NOTICE OF NEW EMPLOYEE ORIENTATION**

1. The City shall provide written notice of new employee orientations to the impacted Union(s) no less than ten (10) calendar days prior to the event, regardless of the number of employees. [A single new hire is sufficient to require notice to the Union(s).]
2. Shorter notice than ten (10) calendar days may be provided to the Union(s) by the City in instances where there is an urgent hiring need critical to City operations that was not reasonably foreseeable, and where an employing department is awaiting the results of pre-employment information upon which hiring is contingent. This provision shall not be construed to regularly permit notice of less than ten (10) calendar days.
3. The written notice shall contain the anticipated number of new hires, their job class code and title, work location, and bargaining unit number and the designated time for the Unions' presentation.

#### **I. UNION PRESENTATION DURING NEW EMPLOYEE ORIENTATION**

1. Representatives of the Union shall be permitted to make a presentation of not more than thirty (30) minutes, and to present written materials during this period.

2. If more than one Union is presenting during a new employee orientation, not more than a total of thirty (30) minutes will be permitted for the Unions to use collectively.
3. Management will continue its practices of the dissemination of Union information to each new employee in accordance with applicable MOU provision(s), and any additional Union materials may be provided by the Union during the presentation.
4. Management shall determine the appropriate segment of the orientation for the Union presentation.
5. Both Union and Management representatives shall not interfere with the presentation of the other and shall at all times conduct themselves in a professional manner avoiding and refraining from any conduct that would tend to disparage the other during any new employee orientations.

**J. RELEASE TIME FOR UNION STEWARDS TO ATTEND NEW EMPLOYEE ORIENTATIONS**

1. At the request of the Union, paid City time off (release time) shall be granted for a union steward of record to participate in the Union presentation segment of a new employee orientation. The release time shall be granted for a maximum of thirty (30) minutes, not including reasonable travel time, during those hours that coincide with the union steward's regular work shift. The same union steward of record shall participate in no more than two (2) new employee orientations per month unless the employing department holds more than two orientations per month or permits otherwise.
2. Only one (1) union steward of record per individual Union shall be released to participate in a new employee orientation. The union steward shall be an employee of the employing department for which the new employee orientation is provided unless the parties agree otherwise.
3. Permission to leave work shall be granted by the employing department unless the absence would cause an undue interruption of work. If permission cannot be granted, the employing department shall provide the Union an alternative presentation date and time that is not more than five (5) business days beyond the initial new employee orientation date. This date will be specifically reserved for Union presentation up to the time limits prescribed in this Agreement. All new hires present for the initial new employee orientation shall be notified of the special date and time of the Union presentation and shall be required to attend on City time.

4. Union stewards shall not receive overtime for participating in or performing activities associated with the union presentation segment of any new employee orientation.
5. The Union shall provide the CAO with a written list of a reasonable number of employees who have been designated Union Stewards and revised lists within thirty (30) calendar days of any changes in these designations. The union stewards must be members of the Union.
