ERIC GARCETTI
MAYOR

Dear Angelenos,

COVID-19 has changed our lives forever. Angelenos have lost loved ones and neighbors, jobs and paychecks, a sense of stability, security, and certainty. All of us have felt the impacts, as people and professionals, as students and workers, as individuals and as a community. All of us have made difficult decisions and sacrifices in the name of the greater good: saving lives, slowing the spread of the virus, defeating the pandemic, and finding a path back to the embrace of family and friends.

Our City government has made tough choices, too. A massive public health emergency led to a monumental fiscal emergency, furthered by the need to ramp up testing, contact tracing, and vital economic support for our most vulnerable. These were hard choices, and we would make them again in a second to keep our people safe. But it meant temporary pain for our bottom line; indeed, while our City never shut down its critical operations, we did have to tighten spending and limit services.

At this moment, we see the light at the end of this long tunnel. Our City-run vaccination sites have administered more than 1 million doses of the COVID-19 vaccine and counting. Thanks to our new leadership in Washington, D.C., the American Rescue Plan will deliver essential aid to state and local governments, enabling us to preserve critical services, protect jobs jeopardized by the pandemic, restore fiscal strength to our reserves, and place us on steadier financial footing.

With that renewed foundation in place, my budget is a bold investment — in a full and lasting recovery, in rebuilding our neighborhoods and our economy, in reimagining a fairer, more just city for generations ahead.

That starts where it must: restoring our reserves; returning to pre-pandemic levels of services like street clean-ups, tree trimming, and graffiti abatement; and expanding existing programs across many departments — from neighborhood services and park programs to job training, workforce development, and infrastructure.

When it comes to justice and equity, this budget is more aggressive and progressive than any other I've proposed as mayor. And it sets Los Angeles ahead of nearly every other city in putting dollars behind our ideals. That means a record-setting baseline

commitment of \$791 million to combat homelessness — an investment we will build upon together through State and Federal advocacy. And that means over \$300 million in equity and justice initiatives, from piloting a new guaranteed basic income program to providing direct relief to small businesses in low-income communities and expanding our Gang Reduction and Youth Development program to include ambassadors and community intervention workers.

Each of these actions addresses immediate and long-term needs for families, workers, employers, and communities across Los Angeles. Yet this budget also takes steps to ensure our long-term fiscal health. Because as we saw with COVID-19, our City can only respond swiftly and effectively to unexpected threats to life and property if we invest in our fiscal resilience and financial sustainability whenever we can. That's what we did in the years leading up to this pandemic. That's what we are doing once more, establishing a healthy reserve and giving ourselves a solid safety net to respond to future emergencies or economic downturns.

This is a budget designed to keep Los Angeles safe, strong, secure, and thriving. This is a blueprint for building back better — and a roadmap for reaching a better future, together.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Garcetti". The signature is stylized and includes a horizontal line extending to the right.

ERIC GARCETTI
Mayor

ECONOMIC AND DEMOGRAPHIC INFORMATION

Introduction

The City of Los Angeles, California (the “City”) is the second most populous city in the United States with an estimated 2020 population of 4.01 million persons. Los Angeles is the principal city of a metropolitan region stretching from the City of Ventura to the north, the City of San Clemente to the south, the City of San Bernardino to the east, and the Pacific Ocean to the west.

Founded in 1781, Los Angeles was a provincial outpost under successive Spanish, Mexican, and American rule for its first century. The City experienced a population boom following its linkage by rail with San Francisco in 1876. Los Angeles was selected as the Southern California rail terminus because its natural harbor seemed to offer little challenge to San Francisco, home of the railroad barons. But what the region lacked in commerce and industry, it made up in temperate climate and available real estate; soon, tens and then hundreds of thousands of people living in the Northeastern and Midwestern United States migrated to new homes in the region. Agricultural and oil production, followed by the creation of a deep-water port, the opening of the Panama Canal, and the completion of the City-financed Owens Valley Aqueduct to provide additional water, all contributed to an expanding economic base. The City’s population climbed to 50,000 persons in 1890, and then swelled to 1.5 million persons by 1940. During this same period, the motor car became the principal mode of American transportation, and the City developed as the first major city of the automotive age. Following World War II, the City became the focus of a new wave of migration, with its population reaching 2.4 million persons by 1960.

The City and its surrounding metropolitan region have continued to experience growth in population and in economic diversity. The City’s 470 square miles contain 11.5 percent of the area and approximately 39 percent of the population of the County of Los Angeles (the “County”). Tourism and hospitality, professional and business services, direct international trade, entertainment (including motion picture and television production), and wholesale trade and logistics all contribute significantly to local employment. Emerging industries are largely technology driven, and include biomedical, digital information technology, environmental technology and aerospace. The County is a top-ranked county in manufacturing in the nation. Important components of local industry include apparel, computer and electronic components, transportation equipment, fabricated metal, and food. Fueled by trade with the Pacific Rim countries, the Ports of Los Angeles and Long Beach combined rank first in the nation in volume of cargo shipped and received. As home to the film, television and recording industries, as well as important cultural facilities, the City serves as a principal global cultural center.

Personal Income

The U.S. Census Bureau defines personal income as the income received by all persons from all sources, and is the sum of “net earnings,” rental income, dividend income, interest income, and transfer receipts. “Net earnings” is defined as wage and salary, supplements to wages and salaries, and proprietors’ income, less contributions for government social insurance, before deduction of personal income and other taxes.

Table 5 summarizes the latest available estimate of personal income for the County, State and United States.

Retail Sales

As the largest city in the County, the City accounted for \$46.4 billion (or 29.2%) of the total \$159.3 billion in County taxable sales for 2017. Table 6 sets forth a history of taxable sales for the City for calendar years 2013 through 2017, 2017 being the last full year for which data is currently available. The State Board of Equalization reports total retail and food services sales for 2017 of \$35.3 billion with total sales from all outlets was \$46.5 billion, an increase of 3.3%.

BUDGET STATEMENT

GENERAL

The City of Los Angeles (City) was incorporated in 1850 under the provisions of a City Charter. The voters of the City approved the current City Charter on June 8, 1999 and it became operative on July 1, 2000. The voters have periodically amended the Charter since that time.

As Executive Officer, the Mayor supervises the administrative process of the City and works with the City Council on matters relating to legislation, budget, and finance. As governing body of the City, the 15-member, full-time City Council enacts ordinances, levies taxes, approves utility rates, authorizes contracts and public improvements, adopts zoning and other land use controls, and provides the necessary resources for the budgetary departments and offices of the City. City Council action is subject to the approval or veto of the Mayor. The City Council may override a Mayoral veto by a two-thirds vote.

The City provides a number of public services, including: police, fire, and paramedics; residential refuse collection and disposal; wastewater collection and treatment; street maintenance and other public works functions; enforcement of ordinances and statutes relating to building safety; public libraries; recreation and parks; community development, housing, and aging services; planning; airports and the harbor; power and water services; and the convention center.

BUDGET PROCESS

The City's fiscal year is from July 1 through June 30. The Mayor releases a budget policy letter that defines City objectives for the next fiscal year. This letter guides City departments, bureaus, and other offices in preparing their annual budget requests. The Charter requires that departments submit budget requests to the Mayor by January 1.

In conjunction with analysis by the Office of the City Administrative Officer (CAO) and each General Manager, the Mayor reviews the budget requests of every City department, bureau, and office. By March, the Mayor's Office develops revenue projections with the assistance of the Office of Finance, the CAO, and the Controller. The Charter requires that the Mayor present the Proposed Budget to the City Council by April 20 of each year. When April 20 falls on a weekend or City holiday, the Mayor must submit the Proposed Budget on the next business day.

A City Council committee examines the Proposed Budget in hearings with the Mayor's Office, General Managers, the CAO, the Chief Legislative Analyst, and staff. The committee then develops recommendations on the Proposed Budget for consideration by the full City Council. The Charter requires the City Council, by majority vote, to adopt or modify the Proposed Budget by June 1. Once the City Council has acted, the Mayor has five working days to approve or veto any changes that the City Council made to the Proposed Budget. Once the Mayor has acted, the City Council has five working days to sustain or override by two-thirds vote the Mayor's actions. The result of this entire process is the adopted budget for the next fiscal year.

BUDGET BASIS

The City prepares the annual budget on a modified cash basis of accounting. It recognizes revenues when the City receives cash, and appropriations include both cash payments and encumbrances for purchase orders and contractual services. The City will pay for encumbered appropriations that it has not paid at the end of the current year in a subsequent year. The City does not prepare the budget based on Generally Accepted Accounting Principles (GAAP) classifications. The primary differences between the City's budget and GAAP are that the City budget recognizes revenues on a cash rather than accrual basis and does not account for the depreciation of fixed assets or certain contingencies such as compensated absences for accrued vacation and sick pay. The City's budget and GAAP also

classify inter-fund transfers in a different manner. The Comprehensive Annual Financial Report for Los Angeles shows the status of the City's finances based on GAAP classifications.

BUDGET PRESENTATION

The Mayor presents the complete Proposed Budget in four budget books: Budget Summary, Proposed Budget Book, Detail of Departmental Programs (Blue Book), and Revenue Outlook. Due to the volume of budget data and the different ways in which the various types of information are used, the City presents its budget information in these separate books.

The Mayor's Budget Summary provides the reader with highlights and general information concerning the Proposed Budget. It identifies the Mayor's funding priorities and briefly describes how the proposed budget meets these priorities. It also provides a general financial overview of the City.

The Proposed Budget Book contains technical information concerning departments and special funds. It includes a basic explanation of expenditures, appropriations, and source of funds for each department, major special purpose fund, and non-departmental account, the Controller's revenue estimate, federal and state grant funding estimates, and a breakdown of the proposed budget by function.

The Detail of Departmental Programs, also known as the Blue Book, provides detailed explanations of year-over-year proposed changes to the City's annual budget base. The Blue Book presents this information for each operating department and for various funds. The Blue Book categorizes changes to differentiate between obligatory changes, such as salary adjustments, and discretionary changes, such as productivity improvements or service level changes. The Blue Book also includes schedules, by department, office, or bureau, of employment authorities and salaries and contractual services. The Contractual Services schedule details each department, office, or bureau's authority to contract for services. Finally, the Blue Book includes additional detail for selected non-departmental accounts and expenditures.

The Revenue Outlook provides an overview of the revenue anticipated, including an explanation of assumptions, changes between the prior year and program year, and a five-year General Fund revenue forecast. It also includes detailed estimates of General receipts by type, licenses, permits, and fees by department, and special funds receipts that directly finance the Proposed Budget.

BUDGET ADJUSTMENTS

Department funds are controlled at the line item or account level. Some enterprise funds are controlled at the fund level. The City can adjust spending authority throughout the fiscal year to address changes in revenue or expenditure projections or other unanticipated occurrences. The Mayor has authority to transfer funds between accounts within a department subject to a limit established by ordinance. Otherwise, the City Council, by majority vote and subject to approval by the Mayor, may adjust appropriations and transfer funds within and between departments and funds. The Mayor may veto the Council action, which the City Council can then override by a two-thirds vote.

To assist the Mayor and City Council in their consideration of interim budget adjustments, the CAO prepares financial status reports throughout the year that provide information on the condition of the City's finances. The information contained in the financial status reports includes, but is not limited to, departments' expenditure patterns, actual revenues received to date, revenue trends, the status of the Reserve Fund, and other issues that may have a fiscal impact on the City such as state or federal funding changes. The CAO makes recommendations on any requested changes to appropriations based on its financial analysis of the data, the anticipated fiscal impact of the change, and the long-term financial outlook of the City. These recommendations also address identified or projected overspending in accounts. The CAO typically issues four financial status reports each year, with the last report serving as the year-end report for the fiscal year.

FINANCIAL POLICIES OF THE CITY OF LOS ANGELES

INTRODUCTION

The City of Los Angeles is committed to implementing and maintaining strong fiscal responsibility and financial discipline and has incorporated these principles into a set of comprehensive City Financial Policies.

There are six sections of the City's Financial Policies, as follows:

- Fiscal
- Capital and Technology Improvement
- Pension and Retirement Funding
- General Fund Reserves
- General Fund Encumbrances
- Debt Management

FISCAL POLICIES

The Fiscal Policies are intended to ensure that the City functions within the limits of its financial resources. The City must make budget decisions to maintain a balance between revenues and expenditures both in the current year and on an ongoing basis so that the public can realize the benefits of a strong and stable local government that delivers municipal services to City residents. The City must base spending decisions on their impact on measureable goals. They must further adequately address the City structural costs, including those related to employees, capital property and equipment maintenance, and legal liabilities. In order to ensure adequate funding for these spending needs, the City must protect and maintain its current diverse revenue base and ensure that, where possible and appropriate, that the individuals that benefit from specialized services pay the reasonable costs of those services. While the City must make significant financial decisions as part of the budget process, it must be prepared to make required adjustment during each fiscal year. Finally, the City must ensure that its budget is transparent in order to enable public engagement. In order to achieve these goals, the Fiscal Policies require the City to:

- Achieve structural balance both in the current fiscal year and on an ongoing basis so that projected revenues cover the costs of anticipated services.
- Engage in performance budgeting to ensure that the City makes funding decisions to advance strategic plans with measurable goals that are transparent and regularly evaluated.
- Make responsible choices about employee-related costs that the City both negotiates in consideration of financial impacts and fully funds.
- Limit changes to the adopted budget.
- Protect unrestricted revenue sources, seek new and diverse revenues, and not reduce revenue during the year without corresponding expenditure reductions.
- Assess fees levels and seek to recover the reasonable cost of a service where appropriate.
- Protect the integrity of special funds, establish a goal that special funds pay all related costs, and encourage special fund administrators to establish reserves.
- Ensure transparency in financial decisions by publishing clear and accurate budget data, reporting on the City's financial condition periodically, and reporting on the financial impacts of proposals.
- Sell surplus equipment and real property at market value.
- Make adequate investment to maintain real property and equipment.
- Set aside funding to pay for settlements and judgements and report on those payments.

CAPITAL AND TECHNOLOGY IMPROVEMENT POLICY

The City is responsible for the planning, development, acquisition, construction, and maintenance of critical capital and technology infrastructure that ensures the health, safety, and well-being of its residents. The City's investment in these assets and infrastructure is essential to promote and improve its ongoing economic development and vitality. The Office of the City Administrative Officer is responsible for developing an Annual Capital and Technology Improvement Expenditure Program that the City incorporates into the annual budget development process. In order to make sound and informed decisions regarding projects with costs that span multiple years, the City will quantify and capture, to the extent possible, project costs over a five-year term and present it in a five-year Capital and Technology Improvement Plan. The City will update this Plan on an annual basis, incorporating approved projects.

The City will, to the extent feasible, invest an annual minimum target of 1.5 percent of the General Fund revenue for new capital projects, maintenance of existing assets, and information technology improvements.

PENSION AND RETIREMENT FUNDING POLICY

The City has made a commitment to its past and current employees to provide ongoing pension payments and healthcare subsidies to them during their retirement. To fulfill this commitment, and consistent with the City Charter, the City must make annual contributions to the Los Angeles City Employees' Retirement System (LACERS) and the Los Angeles Fire and Police Pension System (LAFPP) as part of the budget. These contributions will fully fund these two systems based on annual actuarial studies. It is important that the City continue to meet this commitment to ensure that the costs associated with current services are borne at the current time. To this end, this Policy recognizes the risks associated with mechanisms through which the City could defer contributions to future years. This policy also establishes a discretionary use for any true-up credit adjustment, and dictates the City's use of any savings in the case that either pension system is overfunded.

GENERAL FUND RESERVES POLICY

The General Fund Reserves Policy provides guidelines on the purpose, sizing, uses, and restoration requirements of the Reserve Fund (both the Emergency and Reserve accounts), the Budget Stabilization Fund, and the Unappropriated Balance line item for mid-year adjustments. Taken together, these three accounts compose the City's General Fund reserves. The Policy is intended to ensure that the City maintains sufficient reserves for unanticipated expenditures or revenue shortfalls, to preserve flexibility throughout the fiscal year to make adjustments in funding for programs approved in connection with the annual budget, and to prepare the City for potential revenue challenges. The objective is for the City to be in a strong fiscal position to weather future economic downturns and financial challenges.

The Reserve Fund balance must be equal to five percent of the General Fund revenues with a minimum of 2.75 percent in the Emergency Reserve Account and any additional funds allocated to the Contingency Reserve Account. This Policy sets a goal that the cumulative balances of the Reserve Fund, the Budget Stabilization Fund, and the Unappropriated Balance line item for mid-year adjustments will be equal to ten percent of General Fund revenues

Emergency Reserve Account

To use funds from the Emergency Reserve Account, a finding by the Mayor with confirmation by at least two thirds of the Council of "urgent economic necessity" will be required as well as a determination that no other viable sources of funds are available. A finding of urgent economic necessity would be based on a significant economic downturn after the budget is adopted, a natural disaster, or another significant event requiring the expenditure of resources.

Contingency Reserve Account

In the event that there are unanticipated expenses or revenue shortfalls impacting programs approved in the current year budget and the exhaustion of any funds in the Unappropriated Balance line item for mid-year adjustments, the Contingency Reserve Account will be the source of any additional funding for those

programs. Funds must be appropriated by a vote of at least a majority of the Council with Mayoral concurrence. Funds for new programs or positions added outside of the current year budget must come from other non-Reserve Fund sources.

Budget Stabilization Fund

The Budget Stabilization Fund provides a method to prevent overspending during prosperous years and provide resources to help maintain service levels during years of slow revenue growth or declining revenue.

Unappropriated Balance Line Item for Mid-Year Adjustments

Each year, the City Council and Mayor shall appropriate funds to a line item in the Unappropriated Balance intended for use as a reserve for mid-year adjustments. The purpose of this line item is to address shortfalls that arise during the fiscal year that the City cannot otherwise address through service adjustments or account transfers. The City shall use this line item to address these shortfalls prior to using the Reserve Fund.

GENERAL FUND ENCUMBRANCE POLICY

An encumbrance is a reservation of funds to cover purchase orders, contracts, or other goods and services that are chargeable to an appropriation. It records obligations for goods or services not yet received or rendered in amounts equal to their anticipated costs. An encumbrance system provides a warning as the City approaches the authorized expenditure level and thus protects the City from overspending an appropriation.

As a rule, the City shall revert any encumbered funds that remain unspent for a period longer than one fiscal year. An exception to this policy applies to encumbrances for commodities procurements, which include supplies or equipment. These encumbered funds shall revert if they remain unspent for a period longer than three years. Further exemptions apply to legal obligations, contingent liabilities such as pending legal settlements, or an appropriation for a project that the authorized department cannot complete within the allowable timeframe.

DEBT MANAGEMENT POLICY

The Debt Management Policy provides guidelines for the issuance of bonds and other forms of indebtedness to finance the acquisition of real property and equipment, capital improvements, and other matters for the City including short-term cash flow and large legal judgments. This policy incorporates the Municipal Improvement Corporation of Los Angeles Departmental Operating Policies and the Mello-Roos Policies and Procedures.

The following represent key objectives of the Debt Management Policy:

- To mitigate risk and support sound decision-making with regard to long-term financing commitments.
- To comply with federal and state laws and regulations, including disclosure and reporting requirements.
- To incorporate best practices into the City's issuance and management of its debt obligations.
- To ensure that the City's debt is consistent with the City's planning goals and objectives, and capital improvement program or budget, as applicable.
- To minimize the cost of debt.
- To maintain and improve the City's ratings on its debt.
- To establish selection criteria for retaining the best qualified financial consultants, attorneys, underwriters, and other financing participants through fair procurement processes.

FUND STRUCTURE

GENERAL FUND

The General Fund is the primary operating fund of the City. It is used to account for all financial resources except those required to be accounted for in other funds. General Fund revenues are derived from such sources as taxes, licenses, permits, fees, fines, intergovernmental revenues, charges for services, special assessments, interest income, and other resources available for discretionary funding. Expenditures are made for functions of general government, protection of persons and property, public works, health and sanitation, transportation, cultural and recreational services, community development, capital outlay, and debt service.

For purposes of the budget, the General Fund is separate and distinct from the Reserve Fund and other special funds created for a variety of restricted purposes.

RESERVE FUND

The Reserve Fund is an account in which unrestricted cash is set aside outside the budget for unforeseen expenditures and emergencies. The funds can be transferred into the budget for such purposes as necessary. At fiscal year-end, the unreserved and undesignated fund balance in the General Fund is transferred to the Reserve Fund and reported as "Reversion to Reserve Fund." The reversion to the Reserve Fund consists of excess general revenues and other unspent appropriations, as well as lapsed encumbrances.

Excess revenue or unallocated general revenue, excluding one-time receipts, reverting to the Reserve Fund is due to higher than anticipated revenue estimated in the current year. The resulting larger revenue base suggests that the revenue realized in the current year would recur the following year and are not fully one-time.

The City's Financial Policies establish a minimum Reserve Fund balance of five percent of General Fund revenues. Pursuant to the City Charter, a portion of the Reserve Fund is set aside for use in emergencies.

There are two accounts established within the Reserve Fund:

Emergency Reserve Account. This account is required to include 2.75 percent of General Fund revenues. In order to remove funds from this account, two-thirds of the City Council, with concurrence from the Mayor, must make a finding of "urgent economic necessity." A finding of urgent economic necessity is to be based on a significant economic downturn after the budget is completed, an earthquake or other natural disaster, or a significant unanticipated event requiring the expenditure of General Fund resources.

Contingency Reserve Account. After the allocation to the Emergency Reserve Account, the remainder of the Reserve Fund is to be allocated to the Contingency Reserve Account. This account is to be used for unanticipated expenditures or revenue shortfalls impacting programs already approved in conjunction with the current year budget. It is not to be used to fund new programs or positions added outside of the current year budget. Such funding must come from other sources.

BUDGET STABILIZATION FUND

The Budget Stabilization Fund establishes a method to prevent overspending during prosperous years and to provide resources to help maintain service levels during lean years. This Fund is comprised of excess revenue from seven economy-sensitive taxes, Property Tax, Utilities Users' Tax, Business Tax, Sales Tax, Transient Occupancy Tax, Documentary Tax, and Parking Users' Tax.

The rules of the Fund establish a growth threshold for these taxes based on the previous 20 years of actual ongoing growth, which the City Council and Mayor approve annually. If cumulative ongoing receipts from these taxes exceed the established growth threshold from the prior year's adopted budget level, a portion of those excess receipts are directed to the Budget Stabilization Fund. Similarly, if the cumulative ongoing receipts fall below the growth threshold, the Budget Stabilization Fund may be used to offset a portion of the lost revenue. The City Council and Mayor can suspend the policy if they declare a fiscal emergency or find that it is in the interest of the City to do so.

SPECIAL FUNDS

Special Funds are used to account for revenues derived from specific taxes, fees, governmental grants, or other revenue sources that are designated to finance particular functions and activities of the City. Special fund revenues include charges to customers or applicants for services provided, operating grants, and special assessments. Detailed explanations of each Special Fund can be found in Section 3 of the Proposed Budget. Examples of special funds to be spent for a variety of restricted purposes are:

The *Sewer Construction and Maintenance Fund* accounts for the construction, operations, and maintenance of the City's wastewater collection and treatment system.

The *Solid Waste Resources Revenue Fund* accounts for all capital and operational activities associated with solid waste collection, recycling, recovery, and disposal.

The *Building and Safety Building Permit Enterprise Fund* accounts for the fees collected for plan check, permitting, and inspection of new construction in the City; testing of construction materials and methods; and, examining the licensing of welders, equipment operators, and registered deputy building inspectors.

The *Proposition C Anti-Gridlock Transit Improvement Fund* accounts for the additional one-half cent sales tax to improve transit service and operations, reduce traffic congestion, improved air quality and the condition of streets and freeways utilized by public transit, and reduce foreign fuel dependence.

The *Proposition A Local Transit Assistance Fund* accounts for the City's 25 percent share of the additional one-half cent sales tax within the County of Los Angeles for public transit programs.

The *Special Gas Tax Street Improvement Fund* accounts for gasoline tax and Traffic Congestion Relief Fund and federal grant revenues from the Surface Transportation Program to be used for the City's local streets and road system.

The *Road Maintenance and Rehabilitation Program Special Fund* provides increased state revenues for California's transportation system from the State for basic road maintenance, rehabilitation, and critical safety projects on local streets and roads system, pursuant to Streets and Highways Code section 2032(h).

The *Community Development Trust Fund* accounts for federal grant funds for community and economic development within the City.

The *Special Parking Revenue Fund* accounts for all monies collected from parking meters in the City except those located in established vehicle parking districts for operations of meters in the City.

Allocations from Other Governmental Agencies Special Revenue Fund is not all-inclusive because the budget provides for only the portion of fund receipts that are expended to finance City department operations.

Continuing appropriations for Special Funds are carried forward to the next budget year. Funds for unspent prior-year appropriations are reserved to indicate that they are not available for new spending because they have been committed.

Exhibit F AUTHORIZED CITY STAFFING

Not including Proprietary Departments

Positions

Authorized City Staffing includes all regular position authorities, excluding Commissioner position authorities. In addition to the regular position authorities reflected in the chart, the 2021-22 Proposed Budget includes 2,438 resolution authorities. This exhibit does not include positions in the Department of Airports, Los Angeles City Employees' Retirement System, Harbor Department, Department of Pensions, and Department of Water and Power.

EXHIBIT H

REQUIRED ORDINANCE CHANGES AND OTHER BUDGETARY ACTIONS

The list below outlines actions necessary to be taken by the Mayor and Council to effectuate the 2021-22 Budget. These include ordinance changes and other actions.

I. ORDINANCE CHANGES

1. Authorize the issuance of an amount not-to-exceed \$2.01 billion in Tax and Revenue Anticipation Notes to address short-term cash flow needs and to make the full annual contribution payments to the Los Angeles City Employees' Retirement System Fund and to the Los Angeles Fire and Police Pensions Fund.

City Attorney

2. Request the City Attorney to prepare and present all revenue-generating ordinances as expeditiously as possible, but no later than 30 days after final budget adoption.

City Planning

3. Request the City Attorney to prepare and present an ordinance to amend Sections 19.00 through 19.12 of the Los Angeles Municipal Code to update fees collected in the Planning Case Processing Special Fund to ensure full cost recovery for staffing, expenses, and equipment that support functions necessary for the processing of planning and land use applications.

Community Investment for Families

4. Request the City Attorney to prepare and present an ordinance to establish the Community Investment for Families Department.

Information Technology Agency

5. Request the City Attorney to amend Section 5.97 of the Los Angeles Administrative Code to remove the restriction to deposit 40 percent of cable franchise fee receipts to the Telecommunications Development Account, and instead have these funds deposited as a General Fund receipt.
6. Request the City Attorney to draft an ordinance to create a new Special Fund for receipt of one percent public, educational, and government (PEG) fees from Time Warner Cable, in order to segregate the two sources of PEG fees into two separate funds to facilitate easier accounting and reconciliation.

Youth Development

7. Request the City Attorney to prepare and present an ordinance to establish the Youth Development Department.

II. OTHER BUDGETARY ACTIONS

City Administrative Officer

8. Instruct the Office of the City Administrative Officer, in consultation with the Mayor's Office and Chief Legislative Assistant, to report during 2021-22 with recommendations of reinstating a Hiring Freeze and reestablishing the Managed Hiring Committee in the event that the City's revenue recovery and financial performance does not meet budgetary projections.

9. Instruct the Office of the City Administrative Officer to research various law enforcement alternatives and report on options for consideration. This report should identify the resources required for implementing the various options including the amount (\$10,000,000) designated in the UB - Community Initiatives.

City Clerk

10. Instruct the City Clerk's Office to conduct a fee analysis of the Business Improvement District Trust Fund's recovery fees to allow for full cost recovery of City costs. The analysis should also include recommendations for any Charter and ordinance changes required to effectuate the plan.

Community Investment for Families

11. Instruct the Community Investment for Families Department to research and design a Basic Income Guaranteed Program and report on a plan to implement this program with the amount (\$3,000,000) designated in the UB – Community Initiatives. The funding for program participants is provided in the General City Purposes Fund.

General Services

12. Instruct the City Administrative Officer, in collaboration with the General Services Department (GSD) and City Controller, to report to the Mayor and City Council and provide a comprehensive plan for the establishment of a Citywide Leasing Fund modeled on the Citywide Water and Electricity Account to allow for the management of Citywide leasing portfolio independent of GSD's operating budget.

Municipal Improvement Corporation of Los Angeles

13. Authorize the Controller to establish a new interest-bearing fund entitled "AHSC Grant Projects" within Department 50, to receive and disburse authorized project funds, including those received from both the State and federal governments as reimbursement for projects authorized by the Council and Mayor for the Affordable Housing and Sustainable Communities (AHSC) program, grant-awarded projects, administered by the City Administrative Officer (CAO), the Housing Department, the Department of Public Works, Bureau of Engineering, the Department of Public Works, Bureau of Street Services, the Board of Public Works, and the Department of Transportation.
14. Authorize the Controller, upon proper documentation from the departments and approval of the CAO, to advance up to \$2,000,000 from the Municipal Improvement Corporation of Los Angeles, Commercial Paper Fund No. 298 to the AHSC Grant Projects Fund No. TBD, through the program duration to be repaid from State and federal reimbursements.

Personnel

15. Instruct the Personnel Department to prioritize the hiring of positions for the following Departments: a) all positions at the Department of Cannabis Regulations in order to focus on licensing efforts; b) all positions within the Livability Services Division at the Department of Public Works, Bureau of Sanitation to provide necessary staffing levels to address Citywide needs; and c) all Traffic Officers and related supervisory staff at the Department of Transportation for parking enforcement.

Board of Public Works

16. Instruct the Board of Public Works to report on a plan to conduct outreach and community engagement on the issue of climate emergency. This report should identify the resources required for implementing this plan including the amount (\$500,000) designated in the UB - Community Initiatives.

Public Works/Bureau of Street Services

17. Instruct the Bureau of Street Services, with the assistance of the City Attorney, to review Special Event permits with a balance due and report back in the Second Financial Status Report on the feasibility of transferring any remaining funds to the General Fund.
18. Instruct the City Attorney, working with the Bureau of Street Services and the City Administrative Officer, to prepare and present a fee update for work covered by the Protected Tree Ordinance.
19. Instruct the Bureau of Street Services to report on a plan to target vendor education and outreach to be done in neighborhoods that have historically been disinvested in and that have a thriving vendor community. This report should identify the resources required for implementing this plan including the amount (\$500,000) designated in the UB - Community Initiatives.

Zoo

20. Instruct the City Administrative Officer, with the assistance of the Zoo, the City Attorney, and the Chief Legislative Analyst, to identify options to increase the Zoo's share in fundraising revenues, including renegotiating the current revenue-sharing agreement with the Greater Los Angeles Zoo Association (GLAZA) and/or the feasibility of issuing a Request for Proposals for non-profit organization(s) to support the fundraising operations of the Zoo.

SECTION 2
General
Government Budget

The seal of the City of Los Angeles is a circular emblem. It features a central shield with a sun, a star, and a building. The shield is flanked by two figures: an eagle on the left and a grizzly bear on the right. Above the shield is a banner with the word "EUREKA". The entire seal is surrounded by a decorative border with the text "CITY OF LOS ANGELES" at the top and "FOUNDED 1781" at the bottom.

PART II
Budgetary Departments

THIS PAGE INTENTIONALLY LEFT BLANK

STATEMENT AND SCOPE OF PROGRAMS

The narrative statement of the scope of programs shown under each department, office, or bureau heading is presented for information only and is not to be construed as limiting or authorizing the powers and duties of these offices in any way.

EXPENDITURES AND APPROPRIATIONS

Amounts shown for each department, office, or bureau in the column headed "Total Budget 2021-22" are individual items of the budget within the meaning of the Charter sections relating to the general budget, and represent totals of appropriations for programs of planned expenditures for the fiscal year. Such programs are submitted in detail in accompanying documents and are incorporated as a part of this budget by reference. Such programs, as approved by the final adoption of the budget, constitute the program of planned expenditures mentioned in Section 320 of the Charter, subject to such other expenditure controls as may be provided by law. Provided, however, that all appropriations in excess of the amount indicated as coming from the General Fund are, to the extent of such excess, conditional and made contingent upon receipt of monies in the Special Purpose Fund indicated. Provided, further, that no liability can be assumed or be imposed in excess of the amount indicated as coming from the General Fund, and that the assuming or imposing of liabilities with respect to amounts indicated as coming from special purpose funds are limited to the amounts actually received or made available through such funds.

SOURCE OF FUNDS

The amounts indicated for each fund are the amounts appropriated from such funds to finance the items appropriated for expenditure by the respective departments for the year 2021-22. Allocations, apportionments, and appropriations from special purpose funds as shown for each department, office, or bureau are contingent and subject to change, depending upon the proper receipt and allocation of such funds.

SUPPORTING DATA

DISTRIBUTION OF 2021-22 TOTAL COST OF PROGRAMS

Actual appropriations by object are distributed here by program or purpose of expenditure. This data represents an estimate of the cost of the various programs.

Related costs, which are summarized in Exhibit G, are itemized by departmental program to give an indication of total cost of programs for the various departments.

Aging

This Department plans, contracts, and directly administers programs for older adults residing in the City of Los Angeles and their family caregivers through a network of 16 multi-purpose senior centers and Citywide service providers. These programs include both congregate and home-delivered nutrition services, disease prevention, legal services, health promotion, social services, and transportation assistance. The programs promote healthy living, physical activity, and mental and emotional wellness for older adults. They are designed to promote an interdependent, comprehensive, accessible, culturally sensitive, and socially inclusive system of programs for older adults and caregivers. These programs are funded by federal Older Americans Act and state Older Californians Act grant funds.

City Administrative Officer

The City Administrative Officer is the chief financial advisor to the Mayor and the Council and reports directly to both. This Office conducts studies and investigations, carries out research, and makes recommendations on a wide variety of City management matters for the Mayor and Council. This Office assists the Mayor and Council in the preparation of the City budget; forecasts and manages revenue projections; plans and directs the administration of the budget; manages the City's debt program; manages the City's risk management program; and directs the development of work programs and standards. This Office represents the management of the City in negotiating all labor contracts, coordinates applications for federal and state grants and claims for disaster relief, provides support for the Innovation and Performance Commission, chairs and participates on many coordinating committees, and performs other duties required by the Mayor or the Council.

In accordance with Council action in C.F. 00-1700 adopted on July 3, 2001, the title of the Office of Administrative and Research Services was changed to City Administrative Officer.

City Attorney

The City Attorney acts as legal advisor to the City, prosecutes all misdemeanor offenses occurring within the City of Los Angeles and defends the City in civil litigation. The City Attorney represents the Municipal Corporation of the City of Los Angeles and its Council, boards, departments, officers, employees, and entities in legal proceedings and before federal and state administrative bodies. The City Attorney examines all contracts and ordinances as to form and legality, often interprets the legality of actions and activities of the City, and renders legal opinions construing federal and state laws, the Charter, and City ordinances. In conjunction with its prosecution of misdemeanors, the City Attorney administers a wide range of neighborhood based diversion and restorative justice efforts. In addition to defending the City in a wide range of civil litigation, the Office initiates a variety of affirmative litigation, including actions to protect consumers and abate nuisances in Los Angeles' neighborhoods. The Office includes four branches: Municipal Law; Civil Litigation; Proprietary; and, Criminal and Special Litigation.

Community Investment for Families

The Community Investment for Families Department will support the City's poverty reduction goals to enhance economic resilience for low-income households and the most vulnerable residents through existing programs and upcoming initiatives funded by grants and City funds. The Department administers the City Family Source Centers, domestic violence and human trafficking shelters, Children's Savings Account, and homeless prevention programs. The Department also develops and administers the annual Housing and Community Development Consolidated Plan and supports the Commission on Community and Family Services, Community Action Board, and Domestic Violence Alliance. The Department aims to implement new initiatives to support vulnerable communities through improving access to financial and childcare services, guaranteed basic income programs, and other services. The Department will oversee any programming related to early childhood education and for children ages 0-11.

Council

The Council is the governing body of the City, except as otherwise provided in the Charter, and enacts ordinances subject to the approval or veto of the Mayor. It orders elections, levies taxes, authorizes public improvements, approves contracts, and adopts traffic regulations. The Council adopts or modifies the budget proposed by the Mayor and provides the necessary funds, facilities, equipment, and supplies for the budgetary departments and offices of the City. It creates positions, fixes salaries, and authorizes the number of employees in budgetary departments. The Council confirms or rejects appointments proposed by the Mayor, prescribes duties for boards or officers not defined by Charter, and may suspend elective officers.

Cultural Affairs

The mission of the Department of Cultural Affairs is to strengthen the quality of life in the City of Los Angeles by stimulating and supporting cultural activities and ensuring access to such activities for residents and visitors to the City. The Department advances the social and economic impact of the arts and ensures access to diverse and enriching cultural activities through grant-making, marketing, fundraising and development, public art, community arts programming and arts education, as well as through partnerships with artists and arts and cultural organizations in neighborhoods throughout the City. The Department works in tandem with the Cultural Affairs Commission (CAC), a seven-member advisory board appointed by the Mayor. The CAC's current work includes acting on behalf of the City's residents to oversee the development of the built environment, specifically through design review of any building or structure built on or over City property, including public art. The Commission also accepts works of art to be acquired by the City.

The Cultural Affairs Department awards funds on an annual basis to organizations and individuals to present artistic productions citywide. These productions encompass all categories of the arts, such as visual arts, performance arts, dance, music, photography, and literary arts. Additionally, the Department produces and supports festivals, fairs and other special events, as well as programs and projects, celebrating the City's diverse cultures and traditions.

The following is the detailed list of the Department's Special Appropriations for the fiscal years of 2019-20 through 2021-22.

FOOTNOTES

1. "Special I" cultural services are distributed throughout the City of Los Angeles. All "Special Appropriations I" awarded should be recommended through the Peer Panel/Allocations Committee Review Process. The General Manager will submit the list of approved items to the Controller along with its submission of its Expenditure Plan in July each year.

The inclusion of items in the "Special Appropriations I" portion of the Cultural Affairs Budget shall, at the time of final action on the Budget, constitute an instruction to the Department to draft the appropriate contracts. The General Manager is authorized and directed to execute such contracts on behalf of the City, provided that the fund has achieved expected revenue projections. Interim appropriations to the "Special Appropriations I" portion of the Cultural Affairs Department budget are directed to be handled in a like manner. In view of the nature of Special I cultural services, when a contract is required, it is deemed more feasible to contract for services than to use City employees on a temporary basis. The Department will submit a report to the Controller every four months listing the contractors and amounts, for awards which are determined on quarterly deadlines.

2. The "Special Appropriations II" and "Special Appropriations III" portions of the Cultural Affairs Budget shall, at the time of final action on the Budget, constitute an instruction to the General Manager to draft any necessary and appropriate contracts and to submit those for review and approval in conjunction with Executive Directive No. 3. The General Manager is authorized and directed to execute such contracts and, subject to the prior review and approval by the City Attorney as to form and legality, to expend the funds authorized for presentation of the identified events upon proper demand to the Controller and in cooperation with other participating City departments and agencies. If the total funds to be expended for a Special II or Special III cultural service exceed 125 percent of the appropriation, or if the type of service is to be changed, the General Manager shall obtain additional authority from the Mayor and City Council before proceeding. Interim appropriations to the "Special Appropriations II" portion of the Budget are directed to be handled in a like manner. In view of the nature of Special II and Special III cultural services, when a contract is required, it is more feasible to contract for services than to use City employees on a temporary basis.

3. For each project contained within the Special Appropriations I, Special Appropriations II and Special Appropriations III categories, the General Manager shall provide to Council a quarterly report detailing, by line item, all expenditures including the amount originally appropriated, the balance remaining, and in the quarter it becomes available, final close-out information to provide a consistent reporting format for all Special-funded Department-sponsored activities.

4. Art instruction programs conducted by the Cultural Affairs Department are to be limited to residents of the City of Los Angeles.

Disability

This Department oversees the City's compliance with federal and state disability law including the Americans with Disabilities Act and administers services to persons with or at risk for acquiring HIV/AIDS. It plans, administers, and implements activities relevant to the accessibility of all City programs and facilities, provides Citywide in-service training and technical assistance for compliance with disability law, administers procedures for resolving accessibility grievances, and serves as a clearing house for information and referral. The Department also provides a variety of services in collaboration with the private sector and community-based entities.

Economic and Workforce Development

The Economic and Workforce Development Department initiates and promotes economic development projects to build local businesses and provide residents with tools for quality employment. The Department promotes economic and workforce development in the City through the implementation of various federal and other grant funded programs. Services include direct and indirect financing and technical assistance programs, including services available for local businesses at the City's BusinessSource Centers. The Department administers the Annual Plan of the City of Los Angeles Workforce Development Board, which includes the annual allocation of federal workforce grant funds. The Department oversees employment services for job seekers through WorkSource Centers and YouthSource Centers, and employment development for youth through the City's Hire LA and Summer Youth Employment programs.

Ethics Commission

The Ethics Commission helps to preserve the public trust by promoting elections and government decisions that are fair, transparent, and accountable. The Commission acts through its voter mandate to shape, administer, and enforce laws regarding governmental ethics, conflicts of interests, campaign financing, and lobbying. The Commission is overseen by a board of five members, each of whom is appointed by a different elected official.

Finance

The Office of Finance (Finance) provides for the efficient, effective, and responsible collection of revenue through a customer-focused environment to taxpayers and city departments; issues those licenses, permits, and tax registration certificates not issued by city departments; and makes recommendations concerning the efficient organization of the revenue collection functions of the City. Effective July 2011, the Office of the City Treasurer was consolidated into Finance (C.F. 11-0600-S40). As such, Finance serves as the custodian of all funds deposited in the City Treasury and all securities purchased by the City. This includes actively managing the City's general and special pool investment portfolios and cash and debt programs.

Housing

The Housing Department develops Citywide housing policy and supports viable urban communities by advocating for safe and livable neighborhoods through the promotion, development, and preservation of decent and safe affordable housing and by expanding economic opportunities, principally for low- and moderate- income individuals to improve access and livability through place-based strategies. The Department's key programs are Development and Finance, Asset Management, Rent Stabilization, Multi-family Residential Code Enforcement, Code and Rent Compliance, Commissions and Community Engagement, Program Operations, and Accessible Housing Program.

Mayor

The Mayor, as established by Charter, is the executive officer of the City and exercises supervision over all of its affairs. The Mayor submits proposals and recommendations to the Council, approves or vetoes ordinances passed by the Council, and is active in the enforcement of the ordinances of the City. The Mayor recommends and submits the annual budget and passes upon subsequent appropriations and transfers; appoints and may remove certain City officials and commissioners, subject to confirmation by the Council; secures cooperation between the departments of the City; receives and examines complaints made against officers and employees; and coordinates visits of foreign and domestic dignitaries with concerned public and private organizations. The Mayor is Director of the Emergency Operations Organization and manages the Gang Reduction and Youth Development Office.

Neighborhood Empowerment

The Department of Neighborhood Empowerment, as established by Charter, has the mission of promoting citizen participation in government and making government more responsive to local needs by developing a citywide system of neighborhood councils. The adopted Plan for a Citywide System of Neighborhood Councils (Plan) ensures that every part of the City is within the boundary of a neighborhood council. The Department assists neighborhoods in preparing petitions for recognition or certification, identifying boundaries that do not divide communities, and organizing themselves, in accordance with the Plan. It coordinates the bi-annual Congress of Neighborhood Council meetings and arranges training for the neighborhood councils' officers and staff.

Public Accountability

The Office of Public Accountability (OPA) is a City Charter mandated Office that was created to provide public independent analysis of Department of Water and Power (DWP) actions as they relate to water and electricity rates. OPA is charged with shedding greater light on DWP's operations and finances, and analyzing proposed changes in water and power rates independent of the DWP and City Officials. All direct and indirect costs of the OPA are reimbursed by the DWP.

Bureau of Contract Administration

This Bureau is responsible for administering contracts and permits for construction of public works such as buildings, streets, bridges, sewers, storm drains, and related improvements. It provides inspection services at construction sites and at fabrication plants engaged in manufacturing concrete and steel pipe, asphalt, and concrete paving materials; approves and processes payment for work acceptably completed; and recommends acceptance of completed public improvement projects. The Bureau is also responsible for administering the City's Contract Compliance program which includes minority business enterprise utilization, prevailing, living and minimum wage compensation, and local worker and business participation.

Bureau of Engineering

As the City's capital delivery organization for non-proprietary capital projects, with a mission and organization-wide commitment to be a national leader in the delivery of sustainable capital projects, the Bureau of Engineering annually delivers a diverse set of wastewater, municipal, recreation and park facilities as well as bridge and street improvements, streetscapes, and stormwater systems. Through data-driven performance management and the Bureau's vision to lead the transformation of Los Angeles into the world's most livable City, the Bureau continues to focus on delivering Leadership in Energy and Environmental Design (LEED) building projects and continuing its leadership role with Envision, a nationally recognized green assessment tool for civil engineering projects. In addition to the design, construction, and delivery of the City's capital projects, the Bureau provides the following services: fee-supported permits; pre-development and engineering services that are primarily related to infrastructure improvements within the public right-of-way; maintaining ownership records of real property within the City; maintaining and reproducing maps in support of various City services including Navigate LA; collecting, calculating and recording survey data; and conducting real estate and environmental assessments, investigations and research in support of Bureau operations and the City's capital projects.

Bureau of Sanitation

This Bureau collects and disposes of household refuse and dead animals; collects and processes recyclables; closes and reclaims remaining City-owned landfills for future development and beneficial reuse; plans and arranges for design of refuse collection facilities; and plans and designs refuse disposal facilities. It controls the discharge of wastewater, industrial wastes and stormwater into sewers, storm drains, open channels and navigable waters; inspects and maintains open stormwater channels; maintains, operates, and repairs all sanitary sewers, storm drains, culverts, and appurtenant structures, such as wastewater and stormwater pumping plants and sewer ventilating plants; and operates and maintains wastewater treatment plants. The Bureau administers the Stormwater Pollution Abatement Program which oversees City compliance with the terms of the permit issued under the National Pollutant Discharge Elimination System (NPDES).

Bureau of Street Services

The Bureau's objective is to enhance public safety, mobility, health, and neighborhood quality of life by revitalizing the streetscape. Its three outcome goals are to (i) improve the quality of the road surface, (ii) maintain a safe, clean and green public right-of-way, and (iii) build streetscape improvements. The four core programs that support these outcome goals are Pavement Preservation, Urban Forestry, Motorized Street Sweeping, and Enforcement. Pavement Preservation includes resurfacing, slurry seal, small asphalt repairs, and the Pavement Management System, which maintains a comprehensive database of road surface conditions throughout the city. Urban Forestry includes the management and care of street trees and landscaped median islands and the issuance of permits relating to trees on both public and private property. Motorized Street Sweeping is primarily focused on posted routes in which sweeping occurs on a weekly basis. The Bureau's Investigation and Enforcement Division issues a wide variety of permits relating to construction and special events taking place within the public right-of-way and responds to complaints regarding violation of city codes including illegal dumping, vending, and water discharge. The Bureau's Engineering and Special Projects divisions use a design-build approach to construct streetscape improvements, including curb ramps, bus pads, median islands, bikeways, and customized streetscape improvements, in response to community needs. The Bureau also enforces the weed abatement ordinance on private, unimproved parcels outside of the high fire severity zone.

BUDGETARY DEPARTMENTS FOOTNOTES

The following footnotes refer to those departments and items as listed.

COUNCIL

1. Expenditures shown under "Travel" are to be charged against budget expenditure limitations for involved Council Offices unless approved by majority vote of the Council, or by at least two of the following: President of the Council; Chairperson of the Budget and Finance Committee; Chairperson of the Rules and Elections Committee.
2. "Contingent Expense" account funds are to be apportioned on the basis of \$10,000 per Council member, chargeable on a reimbursement basis against the member's expenditure limit. The President of the Council is to have authority to expend up to an additional \$5,000 for duties related to that Office. Expenditures on a reimbursement basis will be subject only to the provisions of the Administrative Code and such additional regulations pertaining to the use of these funds as the Council may adopt by resolution of general application.
3. Authorize the Controller to transfer up to \$4,401,000 from various funds during Fiscal Year 2021-22, including Council funds and other Council discretionary funds, pursuant to a schedule to be provided by the Chief Legislative Analyst to address the Council's budget reduction contained in 2011-12, 2012-13, 2013-14, and 2020-21 Budgets.

DISABILITY

1. Instruct the Department of Building and Safety to transfer \$391,843 from the Certified Access Specialist (CASp) Certification and Training Fund to the Department on Disability Fund No. 100/65, Contractual Services account on July 1, 2021 for a CASp-certified vendor to assess City sites for Americans with Disabilities Act compliance.
2. Instruct the Department of Building and Safety to transfer \$82,815 from the Certified Access Specialist (CASp) Certification and Training Fund to the Department on Disability Fund No. 100/65, Salaries, General account on July 1, 2021 to provide partial funding for one Senior Project Coordinator, in which the Senior Project Coordinator position is to be filled by a CASp.

POLICE

1. The Department has 10,678 authorized sworn positions. It is anticipated that there will be a total of 9,501 on payroll on July 1, 2021, and that projected attrition will be 495. Funding is provided in the Department's budget to hire 13 classes totaling 744 Police Officers to attain a force of 9,750 by June 30, 2022.
2. Designate \$280,000 of the Department's Overtime Sworn Account and \$223,000 of the Overtime General Account for a Custody Transport Detail at the 77th Street and Van Nuys jails.
3. Designate \$1,500,000 within the Department's Overtime Sworn Account for traffic and speed enforcement details targeting high priority collision locations identified in the Vision Zero Initiative.
4. Designate \$5,000,000 within the Department's Sworn Overtime Account for investigating and enforcing laws relative to illegal cannabis businesses.
5. Designate \$1,500,000 within the Department's Sworn Overtime Account for use by the Operations Valley Bureau (\$750,000) and Operations South Bureau (\$750,000) to maintain the Human Trafficking and Prostitution Detail.
6. Designate \$40,000 within the Department's Overtime Sworn Account for the deployment of a patrol resource to respond to party-related service calls within the Operations Valley Bureau.

BUDGETARY DEPARTMENTS FOOTNOTES

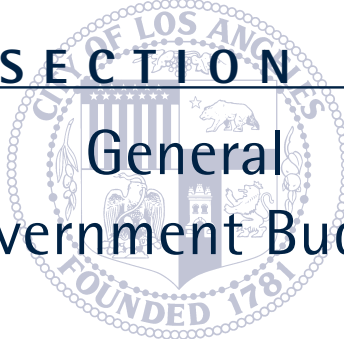

7. Designate \$1,400,000 within the Department's Overtime Sworn Account for deployment of a patrol resource to the Venice community.
8. Provide funding for the Will Rogers State Beach seasonal detail (\$1,297,800) from within budgeted funds.

PUBLIC WORKS – STREET SERVICES

1. Funding for positions assigned under the Revised Protected Tree Ordinance is contingent upon the adoption of a revised fee ordinance.

Appropriations to City Employees' Retirement

Charter Section 1160 requires the City to pay the cost of maintenance of the retirement fund, which provides retirement, disability, and death benefits for officers and employees of the City except members of the Fire and Police Pensions System and members of the Water and Power Employees' Retirement Plan. The City's General Fund contribution will be financed by the issuance of a Tax and Revenue Anticipation Note (TRAN). The Special Fund portion is the amount obligated to the Harbor, Airports, the Los Angeles City Employee's Retirement System, and the Los Angeles Fire and Police Pensions System for retirement costs for their employees.

Departmental revenue and total City Employees' Retirement System budget and supporting data are shown in Section 4.

Tax and Revenue Anticipation Notes

A sum is appropriated to this Fund for payment of the entire debt service on tax and revenue anticipation notes issued to pay the annual contributions to both the Los Angeles City Employees' Retirement System (Retirement Fund) and the Fire and Police Pension Fund (Pension Fund) in July. The additional interest earned by the Pension and Retirement Funds from this early payment is used to discount the required City contribution to both Funds without reducing its annual receipts. A sum is also appropriated to this Fund for the interest portion of the debt service on notes issued to alleviate the short-term cash flow deficits that occur early in the fiscal year when certain taxes and revenues have not yet been received. The principal portion of the notes has not been appropriated in the budget since the principal is treated as temporary borrowing rather than expenditure.

Capital Finance Administration

An annual sum is appropriated to make lease and other payments, including trustee and arbitrage fees, required by various non-general obligation, long-term City financing programs. These financing programs utilize a financing lease or "lease purchase" generally paid out of General Fund appropriations and the sale of public securities (lease revenue bonds or certificates of participation) to acquire facilities and equipment items for use by City departments.

**CAPITAL AND TECHNOLOGY IMPROVEMENT EXPENDITURE PROGRAM
TECHNOLOGY**

The Technology Capital and Technology Improvement Expenditure Program (CTIEP) includes Citywide technical infrastructure, such as radio towers, network equipment, and fiber optic infrastructure, as well as major technology projects and system replacements. The Technology CTIEP does not include items with an estimated cost of less than \$1 million, unless the project is determined to have a significant Citywide impact. Unlike Municipal Facilities, Physical Plant, and Clean Water CTIEP projects, which are budgeted centrally, technology projects are budgeted within the individual department that administers the project and are summarized herein.

Liability Claims

An annual sum is appropriated to this Fund for the payment or settlement of any monetary claims or legal action brought by or against the City of Los Angeles, or any officer or employee for which the City may be ultimately liable. Los Angeles Administrative Code Section 5.173 authorizes the City Attorney to settle claims and pay judgments against the City in an amount not to exceed \$50,000 and an additional \$50,000, not to exceed \$100,000, subject to the approval of the Claims Board. Payments of settlements or claims over \$100,000 must be approved by the Council with the concurrence of the Mayor.

Proposition A Local Transit Assistance Fund

The Proposition A Local Transit Assistance (PALTA) Fund provides for the utilization of one-half cent sales tax revenues for the planning, administration, and operation of Citywide public transportation programs. Proposed appropriations comply with the Proposition A Local Return Program Guidelines adopted by the Los Angeles County Transportation Commission, which administers this program approved by the voters in November 1980. This schedule reflects appropriations for non-departmental items. Appropriations to departmental budgets are shown in Section 2 Part II and Section 2 Part III.

Wastewater Special Purpose Fund

An annual sum is appropriated to reimburse the General Fund for the related costs (including General City Overhead) of City departments, offices and bureaus providing support to the Wastewater System Improvement Program. Provision is made for direct payment of non-salary related expense, equipment and special costs previously budgeted in operating budgets through subventions from Sewer Construction and Maintenance funds. An amount equal to 45 days operation and maintenance costs is reserved in accordance with the requirements of the General Resolution authorizing the Wastewater System Revenue Bonds. Funds are appropriated for bond redemption and interest on Wastewater System Revenue bonds.

GENERAL CITY PURPOSES

As detailed below, for items in the General City Purposes Budget, administering departments and the City Clerk's Office jointly prepare contracts, administering departments handle contract monitoring and approve payments, and the City Clerk's Office handles the payments and final close-out of contracts.

Inclusion of all items requiring contracts in General City Purposes shall, at the time of final action on the Budget, constitute an acceptance by the City of the offer made by each of the applicants and an instruction to the City Clerk's Office and the administering department to draft, subject to approval of the City Attorney, the appropriate contracts and present them to the applicants for execution except as detailed below. The Mayor, unless otherwise specified, is authorized and directed to execute such contracts on behalf of the City. The administering departments will monitor the contractor and authorize all payments. Upon written authorization for payment by the administering departments, the City Clerk's Office will prepare all documents required by the Controller for payment. The administering departments will perform initial contract close-out reviews to ensure any funds not used by the contractor or used for items not authorized are refunded to the City. Upon completion of their close-out review and any necessary action, the administering departments will forward written contract close-out statements with supporting documentation to the City Clerk's Office for final contract close-out. Subsequent to the adoption of the Budget, appropriations to General City Purposes that require contracts are directed to be handled in a like manner.

WATER AND ELECTRICITY

1. For purpose of the budget, "Total Water and Electricity" is considered the appropriated item to reimburse the Department of Water and Power for water and electricity costs maintained by the Department of General Services. Water and electricity are provided to all public buildings, fire and police stations, libraries, collection and disposal sites, maintenance yards, parkway landscape, and service yards. The Library Department fully reimburses the General Fund for their portion of water and electricity. The Department of Recreation and Parks and the Bureau of Sanitation are billed directly. The details printed on the budget pages are estimates used in arriving at the total appropriation for such services and are not to be considered as separate items of appropriation. The estimates are presented for informational purposes only.

OTHER SPECIAL PURPOSE FUNDS

1. The Emergency Operations Board, as deemed appropriate, is authorized to redirect the expenditure of Emergency Operations Fund monies identified in the 2021-22 Proposed Budget in the event grant funds are unavailable.
2. Funding is provided to pay assessments on City-owned properties within the boundaries of established Business Improvement Districts and relevant General Benefits outlined in the Management District Plan.
3. Funding is provided to the Sewer Construction and Maintenance, Citywide Recycling Trust, Household Hazardous Waste, and Multi-Family Bulky Item Revenue funds for reimbursement for prior year related cost overpayments.

FORFEITED ASSETS TRUST FUND OF THE POLICE DEPARTMENT

Section 5.520 of the Los Angeles Administrative Code establishes the Forfeited Assets Trust Fund of the Police Department. This Fund receives monies forfeited in connection with various Federal and State violations and awarded to the City pursuant to Title 21 United States Code Section 881, California Health and Safety Code Section 11489, or any other Federal or State statute relating to forfeited assets. All monies received from the State and Federal Governments under those statutes are deposited in separate accounts within this Fund. A Supplemental Police Account is established within the Fund in an amount not to exceed \$1.5 million to be administered by the Chief of Police in accordance with an expenditure plan approved by the Mayor and City Council. A 15 percent set-aside of annual State receipts is reserved for gang reduction expenditures. Both State and Federal laws require that these forfeited assets be used to enhance law enforcement resources and not to supplant resources which would have been committed to this purpose in their absence.

STORMWATER POLLUTION ABATEMENT FUND

The Environmental Protection Agency establishes regulations setting forth requirements for stormwater discharges from large municipal storm drains. The City enacted a Stormwater Pollution Abatement Charge (Article 4.2 of Chapter 6 of the Los Angeles Municipal Code) on all properties in the City in order to treat and abate stormwater. The charge is based on stormwater runoff and pollutant loading associated with property size and land use.

SPECIAL PURPOSE FUND SCHEDULES

SCHEDULE 8

COMMUNITY DEVELOPMENT TRUST FUND

The primary objective of the Community Development Block Grant (CDBG) Program is to promote viable urban communities through decent housing, expanded economic development opportunities and comprehensive social services to persons of low and moderate incomes.

The City of Los Angeles receives CDBG funds based on the ratio of population, poverty, and housing overcrowding in the City compared to the ratio within all U.S. metropolitan areas. Funds are allocated by the U.S. Department of Housing and Urban Development to specific programs or purposes, based on approved applications, and remitted to the City by a letter-of-credit arrangement.

The 2021-22 Budget reflects the receipt and use of funds for salaries, expenses, and related costs attributable to departmental budgets. The Mayor and Council are considering appropriations for additional projects and programs funded by CDBG funds as detailed in the 47th Program Year (PY) Consolidated Plan, which is authorized from July 1, 2021 through June 30, 2022 (C.F. 20-1433). Funding amounts are based on estimates and are subject to change pending receipt of actual entitlement award from the U.S. Department of Housing and Urban Development.

MOBILE SOURCE AIR POLLUTION REDUCTION TRUST FUND

Chapter 7 to Part 5 of Division 26 of the Health and Safety Code provide for a distribution of funds to cities from a fee imposed on motor vehicle registration in order to implement the California Clean Air Act of 1988. A \$6 per vehicle fee is imposed on vehicles in the South Coast Air Quality Management District. Twenty-seven percent of revenues are allocated to cities based on population. Funds are to be used for programs to reduce air pollution from motor vehicles.

Section 5.345 of the Los Angeles Administrative Code established the Mobile Source Air Pollution Reduction Trust Fund to receive fee revenues to implement mobile source air pollution reduction programs.

SPECIAL PARKING REVENUE FUND

The Special Parking Revenue Fund receives all monies collected from parking meters and City-owned parking lots in the City in accordance with Division 5 of the Los Angeles Administrative Code (LAAC). Fund monies may be used for the following purposes: 1) purchasing, leasing, installing, maintaining, operating, regulating and policing of parking meters and metered spaces, collection of meter revenue and related expenses; 2) the purchase, improvement, and operation of off-street parking facilities; 3) the painting and marking of streets and curbs required for the parking of motor vehicles within parking meter zones; and, 4) the payment of debt service costs incurred for off-street parking facilities. LAAC Section 5.117 Subsection 6 allows the City to establish surplus funding which may be transferred to the Reserve Fund for general governmental purposes, after paying, or setting aside funding for the cost of operations and maintenance for eligible activities.

SCHEDULE 15

PARK AND RECREATIONAL SITES AND FACILITIES FUND

Section 21.10.3 of the Los Angeles Municipal Code imposes the Dwelling Unit Construction Tax upon every person who constructs any new dwelling unit in the City. The tax applies to new dwelling units created by new construction or modification of existing structures and also to new mobile home park sites. The rate of tax is \$200 per dwelling unit. Funds received from this tax are used exclusively for the acquisition and development of park and recreational sites and facilities.

* Allocations to specific projects will be provided by the City Administrative Officer in accordance with Council policy or direction. The City Administrative Officer is further authorized to approve all necessary appropriation documents to implement the allocation to specific projects. For 2021-22, funding will be allocated in amounts based on final bid results for active projects currently pending award and to address funding shortfalls for Proposition K projects in order to leverage other supplemental funding sources and to satisfy the City's obligation to complete various program requirements.

TELECOMMUNICATIONS LIQUIDATED DAMAGES & LOST FRANCHISE FEES

Section 5.97 of the Los Angeles Administrative Code (LAAC) establishes the Telecommunications Liquidated Damages and Lost Franchise Fees Fund, which receives all monies collected from cable television franchise holders as liquidated damages and franchise fees lost to the City due to unexcused delays in the construction or activation of cable systems. LAAC Section 5.97 also establishes a Telecommunications Development Account within the Fund. The Account receives one percent of cable television franchise holders gross receipts to pay capital and operational costs related to providing public, educational, and government (PEG) access programming. Prior to 2021-22, this Account also received 40 percent of all cable television and other telecommunications franchise fee payments, but effective July 1, 2021 100 percent of these franchise fee payments will be deposited to the General Fund.

PROPOSITION A LOCAL TRANSIT ASSISTANCE FUND

Public Utilities Code Section 130350 provides that the Los Angeles County Transportation Commission may adopt a sales tax within the County, provided that it is approved by a majority of the electors. Funds are used to (a) improve and expand existing public transit Countywide, including reduction of transit fares, (b) construct and operate a rail rapid transit system, and (c) more effectively use State and Federal funds, benefit assessments, and fares. The City receives an allocation from a 25 percent share of the revenue collected, based on the City's percentage share of the population of Los Angeles County. Thirty-five percent of the proceeds are allocated to the Los Angeles County Transportation Commission for construction and operation of a rail system and 40 percent is allocated to the Commission for public transit purposes.

PROPOSITION C ANTI-GRIDLOCK TRANSIT IMPROVEMENT FUND

Public Utilities Code Section 130350 provides that the Los Angeles County Transportation Commission may adopt a sales tax within the County, provided that it is approved by a majority of the electors. A one-half cent sales tax is collected to improve transit service and operations, reduce traffic congestion, improve air quality, efficiently operate and improve the condition of streets and freeways utilized by public transit, and reduce foreign fuel dependence.

The City receives funds from a 20 percent share of the revenues collected based on a per capita allocation. Funds may be used for public transit, paratransit, and repairing and maintaining streets used by public transit. The Los Angeles County Metropolitan Transportation Authority retains funding from the City's total Proposition C revenue allocation for a debt service payment.

CITY EMPLOYEES RIDESHARING FUND

Section 5.344 of the Los Angeles Administrative Code establishes the City Employees Ridesharing Fund. Revenues to the Fund include City employee vanpool fares and parking fees. All monies deposited in the Fund shall be used to pay the costs, exclusive of salaries, incurred in the City employee ridesharing program to provide for ridesharing enhancements that reduce City employee private vehicle usage in commuting to and from work, including transportation subsidies provided to employees. The City administers parking permit issuance and transportation subsidies in accordance with the Special Memorandum of Understanding Regarding City Employees Parking and Commute Options. The Fund is administered by the Personnel Department.

STAPLES ARENA TRUST FUND

The Staples Sports Arena is a sports and entertainment complex located adjacent to the Los Angeles Convention Center. The City entered into various agreements with the Arena Developer to advance approximately \$70 million towards the Project. Pursuant to the GAP Funding Agreement between the City and the Developer, the Developer is obligated to fully offset the City's costs for debt service on the bonds issued for the Arena, reimbursement for property conveyed to the Developer, and compensation for loss of interest earnings on cash advanced toward the Project. The Agreement specifies certain credits that will offset the Developer's obligations to the City. This schedule records all cash payments received from the Developer and tracks the reimbursements to the General Fund. All unallocated funds are carried forward as a cash balance (credit) towards the obligation for the following year.

HOUSING OPPORTUNITIES FOR PERSONS WITH AIDS FUND

The Housing Opportunities for Persons with AIDS (HOPWA) Program is authorized by the 1990 National Affordable Housing Act and is administered under the U.S. Department of Housing and Urban Development (HUD). Its purpose is to provide states and localities with resources and incentives to devise long-term comprehensive strategies for meeting the housing needs of low-income and/or homeless persons with HIV or AIDS, and their families.

The 2021-22 Budget reflects the receipt and appropriations of funds for the departmental budget. The Mayor and Council are considering appropriations for other programs funded with HOPWA funds as detailed in the 47th Program Year (PY) Consolidated Plan, which is authorized from July 1, 2021 through June 30, 2022 (C.F. 20-1433). Funding amounts are based on estimates and are subject to change pending receipt of actual entitlement award from the U.S. Department of Housing and Urban Development.

CENTRAL RECYCLING TRANSFER STATION FUND

The Central Los Angeles Recycling and Transfer Station (CLARTS) Trust Fund receives revenue for transfer services provided to private haulers engaged in providing solid waste collection services to non-City entities. Revenue is used to pay the direct cost of hauling and disposing of solid waste as well as related community amenities. Revenue, including interest, generated in excess of the direct costs associated with processing waste from private haulers is used to pay a proportionate (in relation to private hauler tonnages) share of salaries, equipment, maintenance and capital improvement projects at the facility as directed by the Mayor and City Council.

MEASURE R TRAFFIC RELIEF AND RAIL EXPANSION FUND

Public Utilities Code Section 130350 provides that the Los Angeles County Metropolitan Transportation Commission (Metro) may adopt a sales tax within the County, provided that it is approved by a majority of the electors. In 2008, the voters in Los Angeles County approved the imposition of an additional one-half cent sales tax for a period of 30 years to (a) expand the County Metro rail system, including providing a direct airport connection; (b) make local street improvements, such as signal synchronization, filling potholes, repairing streets and making neighborhood streets and intersections safer for drivers, bicyclists and pedestrians in each community; (c) enhance safety and improve the flow of traffic on freeways and highways; (d) make public transportation more convenient and affordable (especially for seniors, students, the disabled and commuters); and, (e) provide alternatives to high gas prices, stimulate the local economy, create jobs, reduce pollution and decrease dependency on foreign oil. All transit projects funded by Metro through the Measure R transit capital fund will require a three percent local match. Matching funds identified will allow Metro to deliver transit projects within the City more quickly.

SIDEWALK REPAIR FUND

The Los Angeles Administrative Code establishes the Sidewalk and Curb Repair Fund for the purpose of receiving revenues designated by the City for administration, inspection, design, and construction activities associated with the identification and remediation of conditions that impede the accessibility of sidewalks, curbs, and other Pedestrian Facilities. Pedestrian Facilities are defined as any sidewalk, curb, ramp, intersection, crosswalk, walkway, pedestrian right-of-way, pedestrian undercrossing, pedestrian overcrossing, or other pedestrian pathway.

The General Fund revenue amount includes \$3.6 million in reimbursement from the Library Department and \$5.5 million in reimbursement from the Department of Water and Power for sidewalk repair work. A total of \$4,316,364 (Direct Costs - \$3,389,764, Fringe Benefits - \$926,600) is also budgeted in the Schedule 49 Measure R Traffic Relief and Rail Expansion Fund for the installation of sidewalk access ramps. Additionally, \$15,000,000 is budgeted in the Schedule 54 Road Maintenance and Rehabilitation Program Special Fund for Sidewalk Repair - Access Request Acceleration. The City's Proprietary Departments are estimating \$370,000 in sidewalk repair work for facilities. These amounts, plus the funds budgeted in the Sidewalk Repair Fund, total \$44.5 million. This meets the City's obligation, per the Willits Settlement Agreement, to spend \$31 million per year to make sidewalks and other pedestrian facilities accessible to the disability community. 2021-22 is the fifth year of the compliance period.

SCHEDULE 52

MEASURE M LOCAL RETURN FUND

Public Utilities Code Section 130350 provides that the Los Angeles County Metropolitan Transportation Commission (Metro) may adopt a sales tax within the County, provided that it is approved by a majority of the electors. In 2016, the voters in Los Angeles County approved an increase of one-half of one percent (.5%) to the Sales Tax within Los Angeles County (County). The Sales Tax will increase to one percent (1%) on July 1, 2039, when the Measure R tax of one-half of one percent (.5%) tax imposed by Metro by Ordinance number 08-01 expires. Sales Tax revenue shall be used to meet the goals of improving freeway traffic flow; accelerating rail construction and building rail lines; enhancing local regional and express bus service, bike and pedestrian connections; improving transportation system connectivity, streets and intersections; addressing transit and highway safety; providing more accessibility, convenience, and affordability of transportation for seniors, students and the disabled; and incorporating modern technology in the transportation system.

ROAD MAINTENANCE AND REHABILITATION PROGRAM SPECIAL FUND

In April 2017, the Legislature enacted Chapter 5 (SB 1, Beall), also known as the Road Repair and Accountability Act. The administration estimates this legislation will increase state revenues for California's transportation system by an average of \$5.2 billion annually over the next decade. The Road Maintenance and Rehabilitation Program Special Fund receives monies from the State for basic road maintenance, rehabilitation, and critical safety projects on the local streets and roads system, pursuant to Streets and Highways Code section 2032(h).

SB 1 funds in 2021-22 are being used to fund eight citywide street improvements and repair programs and 29 specified street related projects, of which, three are flood control projects and four are street lighting projects. These projects will be implemented during fiscal years 2021-22 and 2022-23. The useful life of the improvements provided by these projects is estimated to range from one to 30 years.

Interim appropriations from SB 1 funds will be provided to the Department of Transportation for five positions to support the accelerated design, construction, and inspection of safety-related traffic signal projects and to the Bureau of Street Lighting for three positions to provide design, coordination, and construction engineering for various safety-related street lighting projects.

MEASURE W LOCAL RETURN FUND

Los Angeles County Ordinance 2018-0044 established the Los Angeles Region Safe, Clean Water Program (Measure W) which imposes a parcel tax in the amount of 2.5 cents per square foot of impermeable surfaces. The City receives forty percent of revenues proportional to the amount generated from within the City. Funds are to be used for programs and projects that provide a water quality or water supply benefit and a community investment benefit.

* An amount only reflects the transfer from the Reserve Fund into the budget to assist in financing the General Fund portion of the budget. All excess general revenue and general unencumbered funds at year-end are transferred into this fund. The Reserve Fund is an unbudgeted fund to finance contingencies and major emergencies that may occur. The condition of the fund is shown in Section 3 of the budget schedules and statements.

** An amount reflects unencumbered balances and unallocated revenues that revert to the Reserve Fund.

** Pursuant to the City Charter, a minimum of 2.75% of the General Fund Budget must be kept in reserves for emergencies as an Emergency Reserve account, which may only be used after a finding of "urgent economic necessity" made by the Mayor with confirmation of the City Council. The remaining available balance within the Reserve Fund is allocated to the Contingency Reserve account.

BUDGET STABILIZATION FUND

The Mayor and Council established the Budget Stabilization Fund as part of the 2009-10 budget process. The purpose of the Budget Stabilization Fund is to set aside savings during periods of robust economic growth that can then be drawn upon to stabilize revenues during economic downturns. In 2011, Charter Amendment P added the Budget Stabilization Fund to the Charter. In March 2014, Administrative Code Section 5.120.4 was adopted, which established the rules of the Fund. The Fund's rules, as stated in its accompanying policy, were revised in January 2020 (C.F. 19-0600-S171). This Fund is comprised of excess revenue from seven economy-sensitive taxes, Property Tax, Utilities Users' Tax, Business Tax, Sales Tax, Transient Occupancy Tax, Documentary Tax, and Parking Users' Tax, pursuant to the Administrative Code. When growth in the cumulative receipts from these taxes exceeds the Average Annual Ongoing Growth Threshold (the average ongoing annual growth over the prior 20 years), the budget must include a deposit into the Fund. For every one half percent that revenues exceed the Average Annual Ongoing Growth Threshold, five percent of the value of that excess revenue must be deposited into the Fund, not to exceed 25 percent of the growth. Similarly, when growth of these receipts falls short of the Average Annual Ongoing Growth Threshold, the Budget may include a withdrawal from the fund in the amount of five percent of the revenue shortfall for each one percent of growth below the Growth Threshold.

STAPLES ARENA FUNDING AGREEMENT RECONCILIATION

The Staples Sports Arena is a sports and entertainment complex located adjacent to the Los Angeles Convention Center. The City entered into various agreements with the Arena Developer to advance approximately \$70 million towards the project. Pursuant to the Gap Funding Agreement between the City and the Developer, the Developer is obligated to fully offset the City's costs for debt service on bonds issued for the Arena, reimbursement for property conveyed to the Developer, and compensation for loss of interest earnings on cash advanced toward the project. The Agreement specifies certain credits that will offset the Developer's obligations to the City. This schedule serves as an accounting of the Developer's obligations and offsetting credits.

*Debt payments are budgeted within the Capital Finance Administration Fund, with the Staples Arena Trust Fund as the source of funds. Actual cash payment to Trustee may vary from budgeted amount due to interest earnings.

**The 1998 Gap Funding Agreement authorized the Staples Developer to offset the repayment obligations with certain allowable credits. When the allowable credit exceeds the obligation amount, the Staples Developer is allowed to carry the credit forward in the following fiscal year. In 2003, Amendment No. 1 to the Gap Funding Agreement authorized the Staples Developer to prepay its repayment obligations. In exchange for the City's agreement to modify the credit enhancement requirements, the Staples Developer paid the City \$16.5 million, comprised of \$14.7 million for estimated shortfalls and \$1.8 million for additional inducement.

CITY DEBT POLICY STATEMENT

In August 1998, the City adopted a formal debt policy, and in April 2005 this debt policy was incorporated into the City's Financial Policies. The debt policy established guidelines for the structure and management of the City's debt obligations, including target and ceiling levels for certain debt ratios to be used for financial planning purposes. The policy places certain restrictions on the types of items that can be financed, limiting financing only to those items with a useful life of six years or more. In accordance with the policy, the ratio of annual debt payments cannot exceed 15 percent of General Revenues for voter-approved and non-voter approved debt overall, and cannot exceed six percent of General Revenues for non-voter approved debt alone. The six percent ceiling for non-voter approved debt may be exceeded only if there is a guaranteed new revenue stream for the debt payments and the additional debt will not cause the ratio to exceed 7.5 percent, or there is not a guaranteed revenue stream but the six percent ceiling will only be exceeded for one year.

RATIO	CEILING	ADOPTED 2020-21	REVISED 2020-21	PROPOSED 2021-22
Total Direct Debt Service as Percent of General Revenues	15%	5.39%	4.51%	5.04%

STATEMENT OF BONDED INDEBTEDNESS AND OTHER OBLIGATIONS

Charter Section 312(g) requires that the budget provide all essential facts regarding the bonded and other indebtedness of the City government. Under the California Constitution, the City may issue general obligation bonds subject to the approval of two-thirds of the voters voting on the bond proposition. An ad valorem tax on real property is levied without limitation as to rate and amount to pay principal and interest on general obligation bonds. The City may also levy special taxes on real property based on the size of improvements (rather than assessed valuation) with two-thirds voter approval. These taxes may secure bonded obligation. The City may issue revenue bonds under the State 1941 Act with approval by 50 percent plus one of the voters, and under the City Charter, the City may establish its own procedures for issuing revenue bonds. Under State law, the City may also enter into long-term lease obligations without obtaining voter approval. Lease revenue bonds and certificates of participation may be issued, which are secured by such lease-purchase agreements. Under various sections of State law, the City may establish assessment or Mello-Roos districts and issue bonds for infrastructure improvements. The bonds are secured solely by the properties in the district. The table below summarizes the outstanding general obligation bonded indebtedness of the City, judgment obligation bonds, lease revenue bonds, certificates of participation, revenue bonds and special assessment and Mello-Roos districts.

Notes:

¹ Does not include refundings and commercial paper notes, only new money bond issues.

² Total General Fund debt outstanding is \$2,070,619,781. Total outstanding City debt including revenue and assessment obligations is \$4,834,744,781.

³ Debt service amounts for 2021-22 do not include debt service for anticipated issuances in 2021-22.

⁴ The Charter limits general obligation indebtedness to 3.75% of assessed valuation. Outstanding general obligation indebtedness as of June 30, 2020 was 0.11% of assessed valuation. The ratio for June 30, 2021 is estimated at 0.09%.

⁵ Procedural Ordinance No. 182531 effective June 10, 2013 was adopted to enable revenue bond issuances that are not subject to the voter authorization limit. "Amount Issued as of 7/1/21" includes bonds issued pursuant to the voter authorization limit and under Procedural Ordinance No. 1825312. These amounts do not include repayment of State Revolving Fund Loans outstanding in the amount of \$51,973,777.

⁶ The Parking System Revenue Bonds, Series 1999-A and Series 2003-A (the "Parking Bonds") were redeemed in full effective November 1, 2013. Taxable lease revenue commercial paper notes were issued to redeem the Parking Bonds. As of July 1, 2021, the outstanding taxable lease revenue commercial paper notes is \$18,000,000.

⁷ Backed solely by assessments on participating properties.

⁸ Series 2003-A issued \$135,000,000 in bonds for the project; was refunded as Series 2014-A during 2014-15.

⁹ Formerly known as "Silver Oaks."

**Based on projected revenues for 2021-22 plus incremental revenue from self-supporting debt, including General Obligation Bonds and the Staples Arena debt.

1) 2019-20 Actual Receipts and Expenditures are derived from LAFPP's Audited Financial Statements using the modified accrual basis. 2020-21 Estimated Receipts and Expenditures and 2021-22 Budgeted Receipts and Expenditures are calculated on a cash basis.

2) The total City Contribution (General Fund) in a given Fiscal Year is the sum of the General Fund and Excess Benefit Plan (EBP) line items. For 2021-22 these amounts total \$720,296,351. Since the EBP revenue is transferred to the Controller, however, it is excluded from LAFPP total revenue. The Harbor and Airports contributions are calculated separately and are reflected in separate line items.

3) In November 2016, voters of the City of Los Angeles approved an amendment to the City Charter to (1) enroll all new Airport Police Officers hired on or after January 7, 2018, in the Los Angeles Fire and Police Pension Plan (LAFPP) instead of the Los Angeles City Employees' Retirement System (LACERS); (2) allow all current Airport Police and Airport Safety Officers who started before January 7, 2018, to convert all of their LACERS retirement credit to LAFPP Tier 6 credit at their own expense; and, (3) give any current or future Airport Chief of Police the option of joining LACERS instead of LAFPP. The first contribution by Airports was made in January 2018.

Re: Revenue Forecast Report

Each year, in accordance with City Charter Section 311(c), my office submits a Revenue Forecast Report, which includes information gathered from City departments, recent regional economic reports and meetings with local economists. This report covers updated revenue estimates for the remainder of the current fiscal year, ending June 30, 2021, and projections for fiscal year 2022. Although forecasts inherently involve uncertainty — as exemplified by the experience of the past 12 months — this report offers our best estimates based on the available information and seeks to promote practical and responsible budgeting in the year ahead.

This Fiscal Year

The City's adopted budget this fiscal year, FY21, totals \$10.53 billion. Two-thirds of that, \$6.68 billion, consists of General Fund revenues, while the rest, \$3.85 billion, comes from hundreds of special purpose funds and available balances. Our updated estimate of General Fund receipts for the current fiscal year is \$6.14 billion, 8.3% lower than the budgeted amount and 3.7% below the last fiscal year. This means the General Fund will have a \$549 million revenue shortfall. We anticipate that property tax revenues will increase by 6.1% and cannabis business taxes by 79% (\$139 million), but will be offset by dramatic shortfalls in transient occupancy tax (down 66%), parking occupancy tax (down 44%), and telephone users tax (down 15%) receipts, among others.

Next Fiscal Year

While the economy remains unsettled given the ongoing public health crisis, based on the widening availability of vaccines, my office is cautiously optimistic that the overall economic recovery could start slowly this summer around the beginning of FY22, which would also lead to an uptick in City revenues.

General Fund receipts for FY22 are projected to be \$6.4 billion, an increase of 4.4% over FY21 estimates. The revenues growing in the current year should continue to increase, along with 5.8% growth in business tax receipts and a 6.7% increase in sales tax receipts. Transient occupancy tax receipts are likely to increase in the second half of FY22, but will remain well below pre-pandemic levels. This revenue category has been hit the hardest by COVID-19 as travel and hospitality slowed to a near stop once the pandemic took hold and is expected to take the longest to recover.

Long, winding road to recovery

Although my office is not assuming an overly aggressive timetable for economic recovery, it is entirely possible that the recovery may not happen that quickly. If the pandemic worsens in the coming months, next year's revenues could come in lower, perhaps considerably lower, than projected in this forecast. However, despite a year of uncertainty, the available local and national data give reason for encouragement. More stabilization in our local economy leading to eventual upward trends is quite feasible in the coming months, provided the pandemic continues to subside. If that comes to pass, recovery will be a long and winding road, to be sure, but steady growth should happen over the course of FY22.

Another factor that looms large when discussing the City's recovery is the prospective infusion of additional federal and state relief funds, which would bolster L.A.'s coffers considerably. Under the current plan before Congress, the City could receive more than \$1.2 billion to replace lost revenue, protect core services and assist with pandemic response efforts. Because this relief funding has not yet been secured, it is not included in my office's revenue projections.

Even with external funding, there is no doubt about it — the end of this fiscal year will be tough and troubling for the City's finances, making the coming budget process even more difficult than the last. Despite the very real prospect of recovery in FY22, no promises can be made at this time, only projections based on the economic and public health information at the City's disposal. For this reason, the City must enter this budget season with a careful, deliberate eye on maintaining services to the extent possible during this trying time.

RON GALPERIN
L.A. Controller

REVENUE FORECAST REPORT

FISCAL YEARS 2021-22

RON GALPERIN
LA CONTROLLER

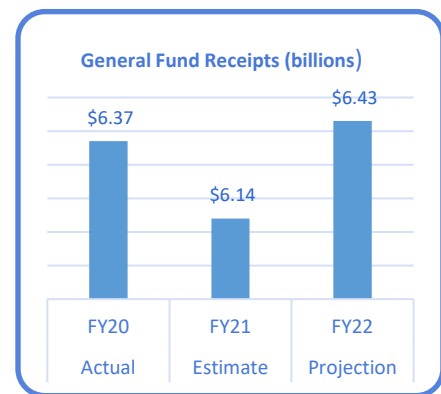

This Revenue Forecast Report for the City of Los Angeles provides revenue estimates for fiscal years 2020-21 and 2021-22 in advance of the City’s upcoming budget process. Also included are the estimated requirements for debt service and General Fund cash flow borrowing. The Forecast is issued pursuant to the Controller’s City Charter mandate to monitor and report on all matters relating to the City’s fiscal health, to keep the City’s official financial records, and to supervise City expenditures.

This Office based these estimates on information received from departments, consultation with local economic experts and academics, and historical as well as recent trends.

Financial Outlook

Current Year: 2020-21

The current fiscal year has seen the brunt of a dramatic economic slowdown. Safer-at-home orders at some level have been in place since before the fiscal year began and are anticipated to remain in place through most, if not all, of the remaining four months. This enforced shutdown of large sectors of the economy has resulted in the first significant decrease in City revenues since the Great Recession.

Overall, we estimate that actual General Fund revenues will fall by 3.7% from the prior fiscal year, to a total of \$6.14 billion. In the context of the budget, this means the General Fund will have a \$549 million shortfall.

Next Year: 2021-22

Our projection for the upcoming year is based on the assumption that state and local safer-at-home orders will be loosened over time beginning this summer, and the 2021-22 fiscal year will bring forth the beginning of the recovery for the local economy as well as the City’s revenues.

For the General Fund, the year is expected to see 4.7 percent revenue growth over the current fiscal year estimate, led by recoveries in most of the economically-sensitive revenues. This \$6.43 billion would be \$289 million more than 2020-21, and \$54 million more than 2019-20.

Debt

The estimated City debt service requirement for 2021-22 is \$568.1 million, which is \$5.9 million more than 2020-21, excluding debt service on the Tax and Revenue Anticipation Notes (TRAN). A total of \$119.3 million of this amount is for principal and interest payments on the City's \$772 million in outstanding General Obligation Bonds (GOB). GOBs are general obligations of the City payable from ad valorem taxes levied on all of the taxable property of the City. The remaining debt service covers the Municipal Improvement Corporation of Los Angeles (MICLA), Wastewater, Solid Waste Resources, Site-Specific Tax, and Judgment Obligation Bonds.

In total, debt service is projected to be 4.97 percent of projected 2021-22 General Fund receipts, well under the 15 percent limit set by the City's Debt Policy.

General Fund Cash Flow

Annually, the Controller estimates an amount of borrowing needed to meet the City's short-term cash flow requirements in the first half of the following fiscal year. Based on revenue and expenditure patterns, the likely cash flow borrowing requirement in 2021-22 is between \$450 and \$550 million.

In addition to the TRAN, the Controller is authorized to enter into short-term borrowing from the Reserve Fund when cash flow is required. However, this can cause concern when the Reserve Fund balance is close to the five percent target set by the City's financial policies. In order to balance this concern against cash flow needs and legal caps on the TRAN, the Controller will work closely with the City Administrative Officer to determine the most appropriate amount to borrow, and to explore alternatives to the TRAN, including internal sources of funds.

Revenue Projections for 2020-21 and 2021-22

EXHIBIT 1 TOTAL GENERAL FUND REVENUE (dollar amounts expressed in thousands)

Controller's March 1, 2021				
Estimated Receipts			% Change	
2020-21 Approved Budget	2020-21 Estimate	2021-22 Estimate	2020-21 Estimate/ 2020-21 Budget	2021-22 Projected/ 2020-21 Estimate
(a)	(b)	(c)	(b) / (a)	(c) / (b)
\$ 6,687,342	\$ 6,138,255	\$ 6,427,702	-8.21%	4.72%

The City's General Fund revenue comes from a wide variety of sources, the largest of which is property tax, which represents just under one-third of all General Fund revenue. Other major revenue sources include utility users' tax, sales tax, business tax, transient occupancy tax, the power revenue transfer, documentary transfer tax, and licenses, permits, fees and fines. The chart below illustrates the aforementioned variety of funds.

This year's estimates and projections are based on the assumption that the existing state and local safer-at-home orders and associated restrictions on public activities will continue in place for most, if not all, of the remaining four months of the fiscal year. Looking into the following year, it is assumed that the current orders will be gradually loosened beginning this summer, and the portions of the economy impacted by the related restrictions will begin to recover during fiscal year 2021-22.

The City is estimated to realize General Fund revenues in the current fiscal year of approximately \$6.14 billion (excluding the \$125 million transfer from COVID 19 Federal Relief Fund, which was immediately passed through to repay a loan from the Building and Safety Building Permit Enterprise Fund). This is \$549.1 million (8.2 percent) lower than the \$6.69 billion 2020-21 Approved Budget.

Total 2021-22 General Fund revenues are projected to be \$6.43 billion, an increase of \$289.4 million (4.7 percent) over 2020-21 estimates. It should be noted that the estimate does not include discretionary one-time transfers from the Reserve Fund or other funds identified during the budget process.

This Office based these estimates on information received from departments, consultation with local economic experts and academics, and historical as well as recent trends.

To the extent that the primary assumptions relative to the pandemic are not realized, the City's revenues in fiscal year 2021-22 would likely be significantly lower. If, for instance, the City faces another wave of COVID-19 cases next winter as we faced this past winter, revenues could fall another 2 percent below the current year trend. This would represent a swing of more than \$400 million from where this report projects fiscal year 2021-22 revenues.

It should also be noted that these estimates do not directly include any of the significant emergency relief funding that has been provided by the state and federal governments during the pandemic. The largest of these funding packages, the CARES Act, provided more than \$700M to the City at the end of fiscal year 2019-20. This funding, as well as all of the funding provided in the current year, was accounted for within special purpose funds created for these programs, and has not had a direct impact on General Fund revenue.

The complete list of estimated City receipts for 2020-21 and 2021-22 is presented in Schedule 1.

Economy-Sensitive General Fund Revenues

The seven major revenue sources considered “Economy-Sensitive” include property tax, utility users’ tax, business tax, sales tax, transient occupancy tax, documentary transfer tax, and parking users’ tax. Together, they represent more than 70 percent of General Fund revenues.

Exhibit 2 presents the City’s economy-sensitive General Fund receipts in the 2020-21 Approved Budget, and the Controller’s estimates for 2020-21 and 2021-22.

Note: Property Tax revenue include Miscellaneous Other Property Tax receipts previously included in License, Permits, Fees and Fines and excludes the ex-CRA Property Tax Increment.

General Fund economy-sensitive revenues are estimated to finish fiscal year 2020-21 6.47 percent less than the Approved Budget, and by fiscal year 2021-22 are projected to still be 0.65 percent short of the original 2020-21 target. Exhibit 3 presents explanations of the estimates of General Fund economy-sensitive revenues for 2020-21 and 2021-22.

EXHIBIT 3

**GENERAL FUND ECONOMY-SENSITIVE REVENUES
YEAR-TO-YEAR CHANGES**

Property Tax

• Fiscal Year 2020-21

Total property tax receipts are estimated \$2.26 billion which is \$130.7 million (6.1%) above the prior year, mainly due to growth in assessed valuations.

• Fiscal Year 2021-22

Total property tax receipts are projected to increase by \$131.6 million (5.8%) and reach \$2.39 billion.

Utility Users' Tax (Electric, Telephone, and Gas)

• Fiscal Year 2020-21

Electric users' tax receipts are estimated to be \$415.0 million based on DWP estimates.

Telephone users' tax receipts are estimated to be \$110.8 million based on current trends.

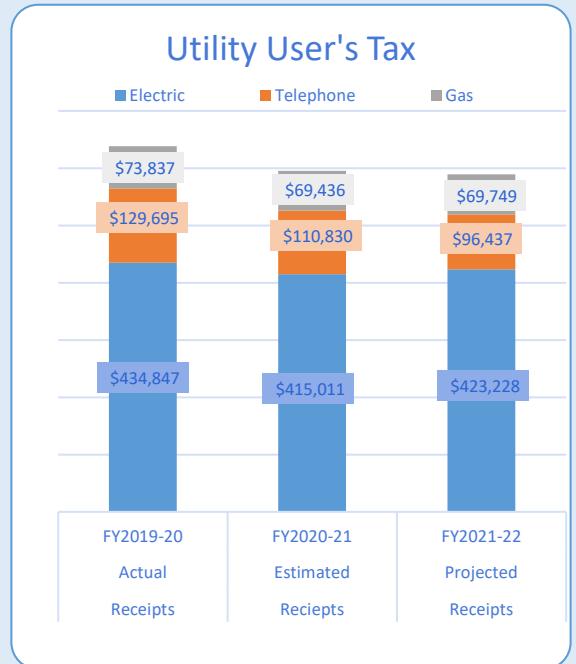

Gas users' tax receipts are estimated to be \$69.4 million based on current trends.

• Fiscal Year 2021-22

Electric users' tax receipts are estimated to be \$423.2 million (1.98% growth) based on DWP estimates.

Telephone users' tax receipts are estimated to be \$96.4 million (13.0% reduction) based on prior year trends.

Gas users' tax receipts are estimated to be \$69.7 million, roughly flat from year to year.

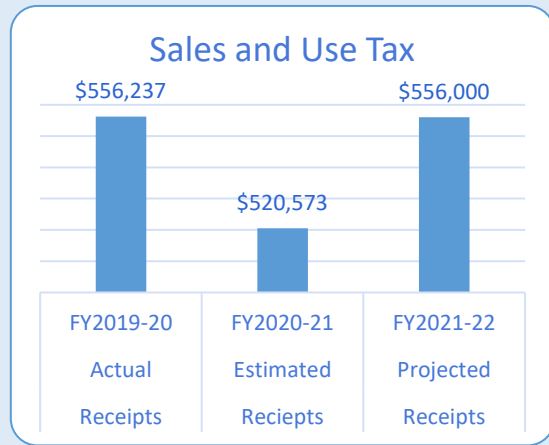

Business Tax

- Fiscal Year 2020-21**
 Business Tax receipts are estimated to be \$662.5 million. Non-cannabis Business tax receipts are estimated to decrease by \$54.6 million (9.5%) based on economic estimates, while cannabis Business Tax is estimated to grow by \$61.2 million based on recent trends.
- Fiscal Year 2021-22**
 Non-cannabis Business tax receipts are estimated to grow by 4.2% based on six months of reduced activity and six months of recovery. Cannabis Business Tax is estimated to grow by 11.4% based on conservative estimates of new permit approvals and business growth.

Sales Tax

- Fiscal Year 2020-21**
 Sales and use taxes are estimated to fall by \$35.7 million (6.4%) based on current year trends.
- Fiscal Year 2021-22**
 Sales and use taxes are projected to recover quickly, growing by 6.8% and getting back to long term growth trends by the end of the fiscal year.

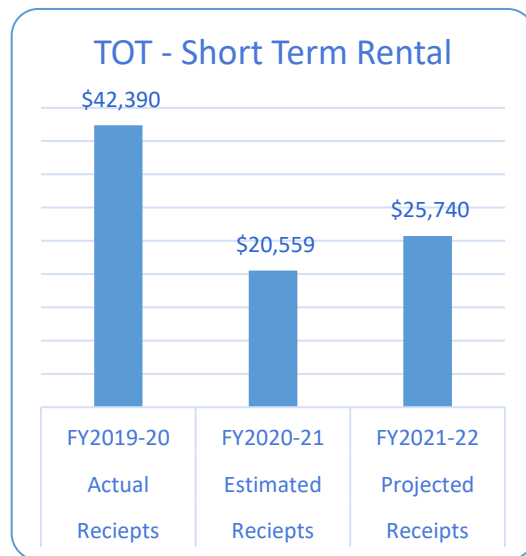

Transient Occupancy Tax (TOT)

- Fiscal Year 2020-21**
 TOT is currently coming in around 75% less than pre-recession levels, and is estimated to finish the fiscal year 65% under the prior year, which was already lower due to the first months of the pandemic.
- Fiscal Year 2021-22**
 TOT is projected to grow by 24.1% year over year, based on hospitality industry forecast and an assumed slow start to the recovery in this sector.

TOT – Short-term Rental

- Fiscal Year 2020-21**
 The short-term rental market has not been reduced quite as much as the hotel market, but receipts are still estimated to fall by 51.5% from FY2019-20.
- Fiscal Year 2021-22**
 The projected \$5.2 million growth is based on the same assumptions as used for the rest of TOT.

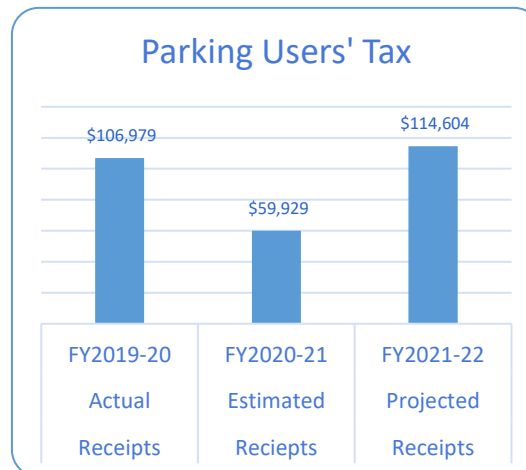

Documentary Transfer Tax

- Fiscal Year 2020-21**
 Documentary Transfer Tax is estimated to grow by 6.0% based on current year trends.
- Fiscal Year 2021-22**
 The FY2021-22 projection assumes that receipts will remain high but fall slightly as high prices further limit the number of sales.

Parking Users' Tax

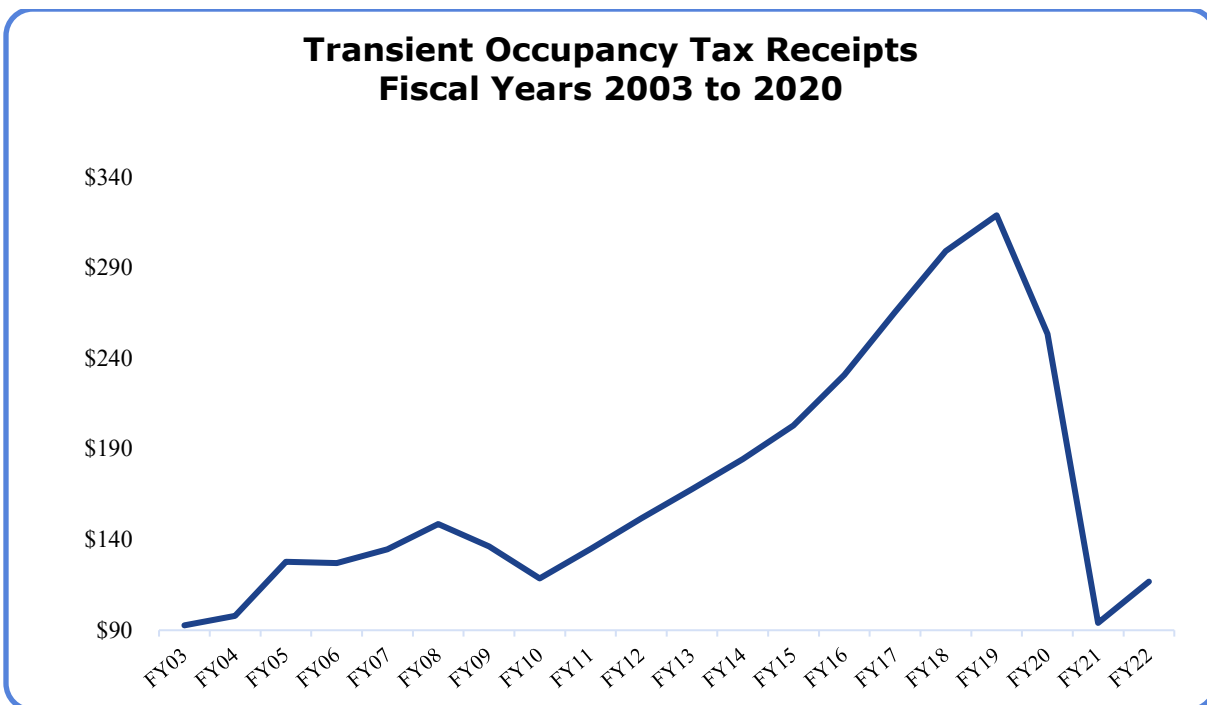

- Fiscal Year 2020-21**
 Parking users' tax is estimated to finish the year 44.0% below the prior year based on current year trends.
- Fiscal Year 2021-22**
 The projected \$114.6 million is based on the assumption that the repeal of gathering restrictions will generate business activity which results in increased parking.

Spotlight: Transient Occupancy Tax

Transient Occupancy Tax (also known as Hotel Tax or TOT) is levied on rooms rented for 30 days or less, and is paid by guests. TOT revenue is correlated with room rates, occupancy and hotel room supply, though in recent years it has been impacted by the rapid growth of online home-sharing platforms. This revenue category experienced the most dramatic impact from COVID-19, since travel and hospitality virtually stopped, and will be the last to fully recover. CBRE Hotels research forecasts an average national occupancy level of 44.4 percent during first half of 2021, and then 55.7 percent during the year's second half, but occupancy levels for Los Angeles may be much lower.

As shown in the chart below, TOT revenue dipped in the aftermath of the September 11 terrorist attacks, then rebounded by more than 30 percent by 2004-05, only to decline again during the Great Recession in 2008-09 and 2009-10. During next nine years we have experienced an average year-over-year growth of 11.4 percent. That growth was completely reversed in two fiscal years. The actual receipts in 2019-20 were \$253.5 million which is 20.5 percent or \$65.4 million lower than 2018-19, and 2020-21 will see a 65 percent drop from there before beginning to recover in 2022.

The 2016-17 fiscal year was the first time the City collected short-term rental TOT revenue based on the collection agreement with Airbnb. A collection agreement with another short-term rental site was subsequently adopted.

While in 2016-17 traditional hotel tax receipts represented \$233.8 million (88 percent) of total TOT revenue, in 2019-20 it was 83 percent or \$211.1 million, with average 3 year negative trend of 2.7 percent.

Meanwhile short term rental receipts grew from \$31.8 million (12 percent of total TOT revenue) in 2016-17 to \$42.4 million (17 percent) in 2019-20. See the Chart below.

In the first six months receipts of the current year for both categories are much lower than 2019-20 actual collected revenues. Short-term rental receipts are down by 67.5 percent, and regular hotel tax revenue 74.5 percent. We have assumed that by the end of the year both revenues will recover to shrink the difference to 51.5 percent for short-term rental revenues, and 65.2 percent for regular TOT revenue. Estimated receipts are \$20.6 million and \$73.4 million respectively.

In 2021-22, regular TOT revenue is projected to be \$91.4 million based on estimated increase of 24.1% in occupancy and short-term rentals \$25.7 million based on estimated increase of 25.2 percent in demand of rooms per Hotel Management forecast.

Licenses, Permits, Fees and Fines

For purposes of analysis, Licenses, Permits, Fees and Fines (LPFF) revenues, which represents 20 percent of the Approved Budget General Fund receipts, and are broken into four sub-categories: LPFF, Services to Proprietary Departments, Ambulance Billing, and Reimbursements from Other Funds.

City department services to proprietary departments, such as fire protection, construction inspection, and City Attorney legal services for Airports, Water and Power, and Harbor make up the "Services to Proprietary Departments" category. The largest category, "Reimbursement from Other Funds", consists of special fund reimbursements for costs that are paid for by the General Fund for central services such as payroll, leasing and fleet, and fringe benefits such as health insurance and retirement, as well as reimbursements to the City from other governmental agencies such as Metro and LAUSD, for services like policing and election administration. Ambulance Billing represents cost recovery for emergency transport provided by the Fire Department. The remaining revenues (23.6 percent) consist of fees for special services such as animal licenses, engineering permits, fire brush clearance fees, as well as numerous other smaller revenues.

Exhibit 4 presents the budgeted and estimated 2020-21 and projected 2021-22 LPFF revenues by category.

EXHIBIT 4

** FY2020-21 Reimbursement from Other funds excludes the \$125 million transfer from COVID 19 Federal Relief Fund

In 2020-21, total LPFF is estimated to be \$1,274.7 million, \$60.6 million (\$185.6 million without COVID 19 Federal Relief Fund transfer) below budget. For purposes of discussion, comparison, and budget balancing, we have excluded the \$125 million transfer from the COVID 19 Federal Relief Fund which was used to repay a 2019-20 loan from the Building and Safety Building Permit Enterprise Fund. After excluding this amount the total is \$1,149.7 million, \$48.6 million below the 2019-20 total. We expect shortfalls in all categories but most notably in permits and fees (\$74.5 million) due to substantial reduction in services provided, and related costs reimbursements for various departments (\$48.9 million excluding the COVID 19 Federal Relief Fund transfer), mainly attributable to vacancies. The 2021-22 LPFF, projected to \$1,163.1 million, is 1.17 percent above the 2020-21 estimated actuals excluding the \$125 million transfer, and 12.89 percent below the 2020-21 Approved Budget.

Other Significant Revenues

Exhibit 5 depicts other revenues such as Franchise Income, Parking Fines, Power Revenue Transfer, and Ex-CRA Tax Increment. The revenue estimates are provided by various departments responsible for administration of the program(s) and/or collection and transmittal of the receipts to the General Fund.

Franchise income is collected from City franchisees, including distributors of natural gas, cable TV operators, and others such as official police garages. RecycLA, the solid waste collection franchise system for commercial, industrial

and large multi-family buildings, was implemented during 2017-18 and is now the largest element of Franchise Income. Current year Franchise income revenue is estimated to be \$77.1 million, and 2021-22 is projected to be \$76.7 million based on departmental estimates.

The Parking Fines estimates are based on actual collection trend.

The Department of Water and Power (DWP) provides a portion of certain revenue from the prior year to the City as Power Revenue Transfer. DWP has approved a transfer of \$218.4 million this fiscal year. The 2021-22 forecast of \$219.1 million is based on average of low and high estimates provided by DWP.

Ex-CRA Tax Increment current year and 2021-22 revenue are projected based on trend analysis.

Special Purpose Fund Revenues

Special Purpose Fund revenues represent 30.5 percent of total 2020-21 Adopted Budget receipts, while Available Balances, which are projected cash balances at the beginning of the fiscal year, represent 6.0 percent of the Adopted Budget revenues. Schedule I presents a breakdown of 2019-20 actual, 2020-21 estimated and 2021-22 projected revenues by budgeted Special Funds. Available Balances are excluded from this report.

Based on departmental estimates, 2020-21 total Special Fund revenues are estimated to be \$3.19 billion, \$24.5 million below budget. 2021-22 Special Fund revenues are projected to be \$3.03 billion, a decrease of \$163.4 million or 5.1 percent under current year estimated revenues.

General Fund Cash Flow Borrowing

Current and Prior Year Experience

Due to the timing difference between receipts and expenditures, the Controller annually requests issuance of Tax and Revenue Anticipation Notes (TRAN) to ensure that the General Fund has sufficient cash to cover expenditures during the first half of the fiscal year. The Controller also has the ability to initiate Reserve Fund and interfund borrowing during the year for cash flow purposes. Exhibit 6 illustrates cash flow borrowings for 2011-12 through 2020-21.

EXHIBIT 6

GENERAL FUND CASH FLOW BORROWINGS FOR FISCAL YEARS 2011-12 THROUGH 2020-21 (amounts expressed in thousands)

Fiscal Year	Total Annual Cash Flow Borrowings			
	Reserve Fund	Other Funds	TRAN	Total
2011-12	--	--	400,000	400,000
2012-13	--	--	425,000	425,000

2019-20	--	--	450,000	450,000
2020-21	--	25,000	550,000	575,000

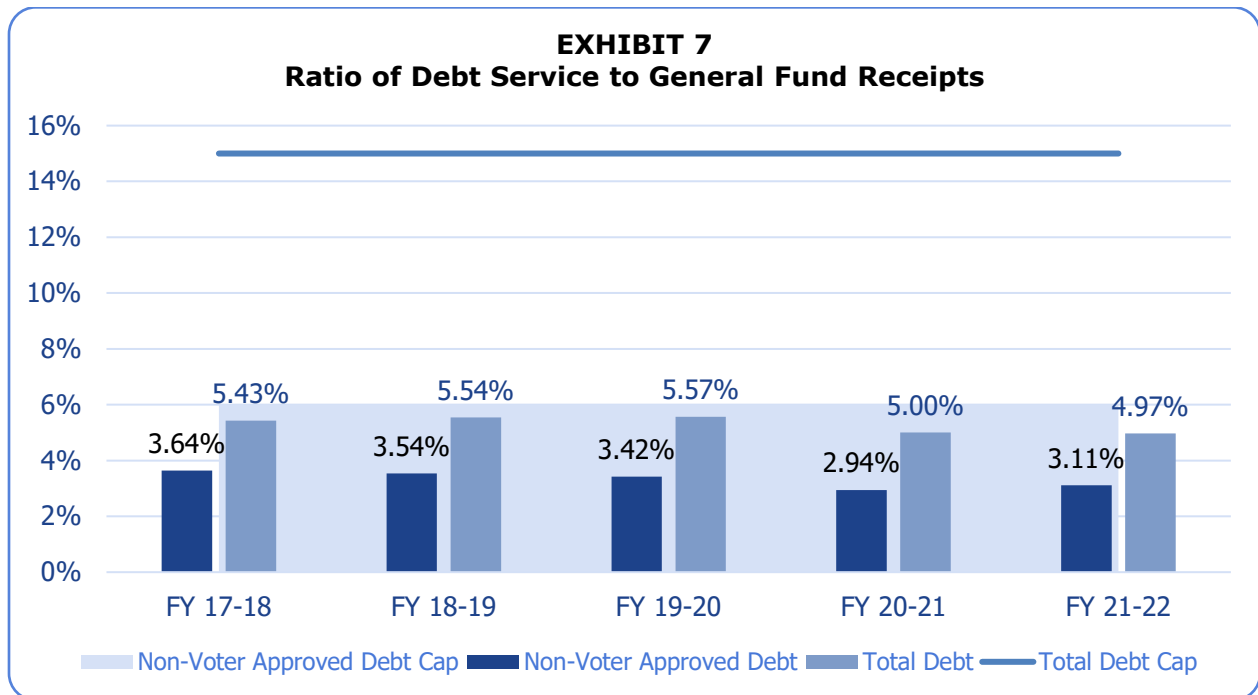

Annually, the Controller estimates an amount of borrowing needed to meet City short-term cash flow requirements in the first half of the next fiscal year. The Controller's Office will work with the Mayor and City Administrative Officer (CAO), as in prior years, to determine the amount of borrowing required as better information becomes available. The cash flow borrowing requirement in 2021-22 will likely be between \$450 million to \$550 million.

As the amount borrowed for cash flow needs is sometimes insufficient to meet General Fund cash flow needs, the Controller is authorized to enter into short-term borrowing from the Reserve Fund. However, this can cause concern when the Reserve Fund balance is close to the five percent target set by the City's financial policies. In order to balance this concern against cash flow needs and legal caps on the TRAN, the Controller's Office will work closely with the City Administrative Officer to determine the most appropriate amount to borrow and to explore options other than the TRAN, including internal sources of funds.

Debt and Debt Service Requirements

City Debt Policy

Exhibit 7 below illustrates the City’s debt service in relation to General Fund receipts and demonstrates compliance with the City’s debt management policies.

Note: FY 2017-18 to FY 2019-20 ratios are based on actual General Fund receipts. FY 2020-21 and FY 2021-22 ratios are based on estimated and projected receipts.

The City’s debt policy established maximum levels for voter and non-voter approved debt. The maximum debt service level for non-voter approved debt is not to exceed six percent of General Fund revenues (with certain exceptions). As you can see, the City has managed its debt issuance very conservatively, with debt service well below the policy limits. Based on the current ratio of debt service to total projected receipts in 2020-21, the City has the capacity to issue additional non-voter approved debt with an annual debt service requirement of up to \$191.5 million or 3.06 percent of General Fund receipts. Assuming long term debt at five percent interest, this would equate to approximately \$3 billion in additional debt capacity.

The City's total debt service level for voter and non-voter approved debt shall not be greater than 15 percent of General Fund revenues. After the \$191.5 million, the City has the capacity to issue voter approved debt with an annual debt service requirement of no more than \$434.7 million. Again, assuming long term debt at five percent interest, this would equate to more than \$6 billion in additional voter-approved debt capacity.

(1) All years with capitalized interest have been adjusted upwards to reflect bond proceeds to pay for capitalized interest. For 2011-12; 2012-13; and 2013-14, the adjustments are \$2,942,063; \$4,928,625; \$3,308,633; respectively. In addition, receipts for all fiscal years include revenues from the Staples Center.

Notes:

(1) Long-term debt does not include short-term commercial paper notes. However, the goal is to replace commercial paper with long term debt. As of January 2021, the balance of the MICLA and Wastewater System commercial paper notes was \$275 million and \$105 million, respectively.

(2) Includes debt service requirement supported by assessment on real property approved by the electorate of \$225,500 in 2021-22.

(3) A total of \$1,761,305,000 in TRAN were issued on July 07, 2020, with final maturity of June 24, 2021. The amount of interest to be paid in 2021-22 will depend upon the size of the TRAN and interest rates at the time of sale. The size of the TRAN will depend upon the amount of cash needed for cash flow and budgetary decisions on advance funding of City pensions and retirement contributions.

Source: Official Statements

The City strategically structures its various debt service schedules with the goal of stability. This means that, when one issuance is paid off and retired, payments are accelerated for other issuances. By scheduling the payments this way the City avoids large swings in debt service which can have negative budgetary impacts.

General Obligation Bond Payments

Exhibit 10 lists the City's General Obligation Bonds (GOB) debt service requirements for principal and interest for 2021-22, which are estimated at \$119.3 million. GOBs are general obligations of the City payable from ad valorem taxes levied upon all of the taxable property in the City. Taxes levied for the GOB debt service requirement are separate from the General Fund property tax revenue. The City issues GOB debt for capital improvement projects, including the acquisition of property and the construction of new facilities and improvements to existing facilities.

GOVERNMENT SPENDING LIMITATION

This schedule presents information with respect to compliance with Article XIII B of the State Constitution which provides for State and local government spending limitations, effective with the 1980-81 fiscal year. As originally approved, Article XIII B provided that "appropriations subject to limitation" shall not exceed the appropriations limit for the prior year adjusted for changes in the cost of living and population. "Appropriations subject to limitation" generally exclude appropriations from: user fees, except for proceeds exceeding the costs of providing the service; Federal grants; State mandated program reimbursements; and indebtedness funds. The costs of court and Federal mandates are also excluded. If the financial responsibility of providing a service is transferred to another agency or the financial source is transferred from other revenues to user fees, then the appropriations limit is to be decreased accordingly.

Article XIII B was significantly amended in 1990. The appropriations limit for 1990-91 shall be the limit for 1986-87 adjusted as follows: 1) The City may choose either the City or County population change each year; 2) The City may choose either the change in California per capita personal income or the change in the City's nonresidential new construction on the local assessment roll; 3) Appropriations for capital outlay projects (fixed assets with a useful life of ten or more years and a value of \$100,000 or more) may be excluded from the limit.

The following is a comparison of City appropriations limits and "appropriations subject to limitation." As provided by the 1990 amendments to Article XIII B, the calculation of the appropriations limit is reviewed as part of the City's annual financial audit.

Total General Budget figures are from the "Functional Distribution of 2021-22 Appropriations and Allocated Funds" exhibit also shown in this Section. Grant and Other Funds figures reflect the "Functional Distribution of Distribution of 2021-22 Appropriations and Allocated Funds" figures in addition to Proprietary Departments' estimated receipts in the "Federal and State Funding Estimates" schedule in Section 5. The financial data for the Departments of Airports, Harbor, Water and Power, and the City Employees' Retirement and Pensions Systems are presented in this schedule for informational purposes. These departments are governed by Boards of Commissioners, appointed by the Mayor and confirmed by the City Council. Their budgets are adopted exclusively by these Boards.

This tabulation represents a distribution of the 2021-22 appropriations of City funds for general budget purposes according to City functions.

Appropriations distributed to specific programs are presented on the Supporting Data pages in Section 2

Appropriations for General City Budget purposes and other funds estimated to be spent by departments (except for the proprietary departments) during the fiscal year are distributed according to subfunction of City government in the tabulation appearing in Section 6 .

A consolidated statement of all departments of City government, including the Airports, Harbor, and Water and Power departments, appears also in Section 6 and shows the economic impact of the City's budget for the fiscal year.

*Appropriations of \$27,331,290 for Capital Improvements are reflected in the Operating Budget column.

THIS PAGE INTENTIONALLY LEFT BLANK

GLOSSARY

Appropriation: A legal authorization to incur obligations and to make expenditures for specific purposes.

Assessed Valuation: The valuation that the County Assessor sets upon real estate and certain personal property in the City as a basis for levying property taxes.

Authorized Positions: Regular positions authorized for employment during the fiscal year in the budget.

Balance Available: Available cash balances at July 1 in special purpose funds that are projected to be unobligated from prior years and available for appropriation in the budget. Section 3 of the budget shows the calculations for each fund.

Board of Commissioners: The Mayor appoints commissioners, subject to confirmation by the City Council, to manage operations for certain City departments. Each Board consists of five or more members.

Bond: A bond is a debt instrument issued for a period of more than one year. The issuer is obligated to repay the bondholder a specified principal amount on a certain date, together with interest.

Bond Proceeds: The money received by the issuer of a new issue of bonds. These moneys are used to primarily finance capital projects and to pay certain costs of issuance as may be provided in the bond documents.

Budget: A plan of financial activity for a specified fiscal year indicating all planned revenues and appropriations for the year.

Budget Stabilization Fund: A fund created to prevent overspending during prosperous years and provide resources to help maintain service levels during years of slow revenue growth or declining revenue. Charter Amendment P established the Budget Stabilization Fund in the City Treasury. An ordinance and City policy establish the requirements for transfers or expenditures from the Fund.

Budget Summary Book: Supplement to the budget that concisely highlights items in the budget such as the budget goals, financial overview, and the departmental overview of its mission, goals, and budget considerations.

Bureau: A major division of the Department of Public Works that is responsible for certain tasks of the Department such as construction and maintenance of public buildings, streets, bridges, sewers, storm drains, and related improvements. The budget treats each bureau as a separate entity.

Capital and Technology Improvement Expenditure Program: Expenditures for the acquisition, construction, expansion, or rehabilitation of the City's physical plant (such as streets, sewers, and storm drains), facilities (such as fire and police stations, libraries, and shops), and information technology infrastructure and systems.

Capital Finance Administration Fund: A fund established to consolidate lease payments and related expenses from long-term financing obligations.

Certificate of Participation: A certificate of participation, which looks very much like a bond, represents a pro-rata share in the pledged revenue stream made by a public agency pursuant to a lease financing or an installment purchase agreement, subject to appropriation.

Commercial Paper: Short-term notes with maturities ranging from one to 270 days, usually backed by a letter of credit with a bank, which are intended to be "rolled over" in a series of current refinancing as portions of the issue mature from time to time. Generally, the maturity of the commercial paper sold on each rollover is determined by market conditions at the time of rollover.

GLOSSARY

Comprehensive Annual Financial Report: The annual publication of the City's financial condition at the conclusion of the fiscal year. The report is prepared to conform to Generally Accepted Accounting Principles (GAAP) for governmental units and presents the financial data in conformity with the Adopted Budget.

Debt Policy: The debt policy establishes guidelines for the structure and management of the City's debt obligations. These guidelines include target and ceiling levels for certain debt ratios to be used for planning purposes as shown in the City Debt Policy Statement Schedule in Section 3 of the budget.

Debt Service: The amount of money necessary to pay interest on the outstanding bonds, the principal of maturing or redeemed bonds, and the required contributions to a sinking fund for term bonds.

Department: A major administrative division of the City that indicates overall management responsibility for an operation or a group of related operations within a functional area. A department often has more than one budgetary program and may have more than one source of funds.

Department of Airports: The Department that, under its Board of Commissioners, is responsible for management, supervision, and control of all airports and airport facilities under the jurisdiction of the City of Los Angeles. It plans, constructs, and maintains its own buildings and controls its own funds in accordance with the City Charter. The budget is independent of the City's General Budget and it is included in Section 4 for information purposes only. The budget and supporting data are available from the Department.

Department of Water and Power: The Department that, under its Board of Commissioners, is responsible for supplying the City and its inhabitants with water and electric energy by constructing, operating, and maintaining works for importing water and electric energy throughout the City and in Mono and Inyo Counties and by importing electric energy from other western states. The Department fixes rates for water and electric service subject to approval of the City Council by ordinance. It controls its own funds and maintains an independent retirement, disability, and death benefit insurance plan. The budget is independent of the City's General Budget and it is included in Section 4 for information purposes only. The budget and supporting data are available from the Department.

Detail of Department Programs: Supplement to the budget book that identifies by department and program the incremental changes from one fiscal year to another fiscal year (also referred to as the Blue Book). The Blue Book also contains related departmental schedules including the Detail of Positions and Salaries and Contractual Services.

Direct Cost: The cost of salaries, expense, and equipment for authorized positions to perform specific work assignments. The annual budget of each department provides funding for this cost.

Economically Sensitive Revenues: Revenues that can rise or fall from year to year and usually correspond to general economic conditions.

Encumbrance: An unpaid obligation incurred for current or future services such as for professional service, materials, equipment, and capital improvements.

Expenditure: A payment made for cost of services rendered, materials, equipment, or capital improvements.

Fee: A charge to the party who benefits directly from the City's service, such as a building permit fee.

Financial Policies: The formal policies that the City adopted to govern several areas of its financial management. The adopted financial policies include the following: Fiscal Policies, Capital and Technology Improvement Policy, Pension and Retirement Funding Policy, General Fund Reserves Policy, General Fund Encumbrance Policy, and Debt Management Policy.

GLOSSARY

Fire and Police Pensions: The Department that administers the provisions of the City Charter relative to service, disability, and dependents' pensions for members of the Fire and Police Departments and certain Harbor and Airports Police members. The budget is independent of the City's General Budget and it is included in Section 4 for information purposes only. The budget and supporting data are available from the Department.

Fiscal Year: The time period for the City budget, which begins on July 1 and ends on June 30 of the following year.

Function: A group of related budgetary programs across departmental boundaries and aimed at accomplishing a broad goal or major service. The details are shown in Section 6 of the budget.

Fund: A fiscal entity with revenues and expenditures that are segregated for the purpose of carrying out a specific purpose or activity.

General Fund: The fund for deposit of general receipts that are not restricted, such as property, sales and business taxes, and various fees. The General Fund also includes subfunds (primarily by department) to track appropriations and expenditures.

General Obligation (G.O.) Bond General Obligation Bonds issued by local governments are secured by a pledge of the issuer's ad valorem taxing power and solely payable from ad valorem property taxes. Such bonds constitute debt of the issuer and, in California, require approval by two-thirds vote prior to a City's issuance.

Grant: A contribution by a government or other organization to support a particular function.

Harbor Department: The Department that, under its Board of Commissioners, is responsible for the management, supervision, and control of the Harbor District, operates the Port of Los Angeles, operates a pilotage service, and engages in the leasing of land and production of oil in the District. It constructs and maintains its own facilities and controls its own funds in accordance with the City Charter. The budget is independent of the City's General Budget and it is included in Section 4 for information purposes only. The budget and supporting data are available from the Department.

Indirect Cost: The additional costs of human resources benefits, facilities, communications, and liability claims for authorized positions to perform specific work assignments. The annual budget of those departments that perform the service provides funding for this cost.

Lease Revenue Bond: A bond from an issue that is secured by lease payments made for the use of capital equipment or facilities either by leasing the facilities financed by the issue or the lease-leaseback of existing facilities (an "asset transfer"). Typically, lease revenue bonds are used to finance construction of facilities used by a state or municipality, which leased the facilities from a financing authority. Under California case law, the state or municipality is generally obligated to appropriate funds from its general tax revenues to make lease payments as long as it has beneficial use or occupancy of the leased asset.

Los Angeles City Employees' Retirement System: The Department that administers the provisions of the City Charter relative to the retirement, disability, and death benefits provided for all City employees, except the uniformed forces of the Fire and Police Departments and the Department of Water and Power. The budget is independent of the City's General Budget and it is included in Section 4 for information purposes only. The budget and supporting data are available from the Department.

Modified Cash Budget: The basis of the general budget recognizing revenues upon receipt and appropriating planned expenditures and obligations for the fiscal year. Revenue is recognized when cash is received, regardless of when it is earned, whereas the appropriation is made for the planned operations during the concerned fiscal year.

GLOSSARY

Municipal Improvement Corporation of Los Angeles (MICLA): A non-profit corporation established by the City of Los Angeles in 1984 to serve as the lessor in lease-purchase transactions involving the City. MICLA was organized for social welfare purposes within the meaning of Section 501(c)(4) of the Internal Revenue Code. MICLA plays no active role in either the procurement of funds or equipment, but must review and approve the projects proposed by the City for financing through MICLA.

Obligatory Changes: Changes to a program that are required to maintain the current level of effort, including legally mandated changes.

Program: A group of related budgetary activities performed by a department to accomplish a function for which the City is responsible.

Property Tax (Ad Valorem): There are two distinct types of property tax levies authorized by State legislation, as follows: One Percent and General Obligation Bond Debt Service. The County administers the levies as assessor and tax collector.

Property Tax - One Percent: The tax based on one percent of the assessed market value of properties, except for certain adjustments. The City is entitled to its pro rata share of the County collection under a formula dating from 1978, following the major change to the tax structure under Proposition 13.

Proposed Budget: The budget document that includes a line item listing by account of funding levels provided for each department.

Proposition 13: The State proposition that limited the amount of ad valorem taxes on real property to one percent of full cash value as determined by the County Assessor. The percent of the tax is only adjusted by additional ad valorem on bonded indebtedness for acquisition or improvement of real property approved on or after July 1, 1978 by two-thirds of the voters on such indebtedness.

Regular Position Authority: A position funded in the budget and approved for filling by ordinance. The need for this position is permanent.

Related Cost: A cost necessary for the functioning of a City department as a whole that is budgeted outside that department. Such costs include, but are not limited to, pensions, health insurance, utilities, pool vehicles, and custodial services.

Reserve Fund: The fund in which general unrestricted cash is set aside outside the budget for unforeseen expenditures and emergencies. The City can transfer these funds into the budget for such purposes. Unallocated general revenue and unencumbered General Fund appropriations to departments at the close of the fiscal year are transferred into this fund. The Reserve Fund is comprised of two accounts - a Contingency Reserve Account and an Emergency Reserve Account. The Contingency Reserve Account is available to cover unexpected expenditures and/or General Fund revenue shortfalls upon authorization by the City Council and Mayor. The Emergency Reserve Account, which is set at a minimum of 2.75 percent of the General Fund revenues, may not be used for funding unless the City Council and Mayor determine that there is an urgent economic necessity and conclude that no other viable sources of funds are available.

Resolution Position Authority: A position funded in the budget and approved for filling by a Council resolution. The need for the position is expected to be temporary.

Revenue: Cash or credits the City receives during the fiscal year as income to finance general or restricted operations. They include items such as taxes, fees from specific services, interest earnings, and grants from the state or federal governments.

GLOSSARY

Revenue Bond: A bond that is payable from a specific source of revenue and to which an issuer's taxing power or general fund revenues are not pledged. Generally, no voter approval is required prior to [issuance](#) of such obligations.

Revenue Outlook Book: Supplement to the budget that lists sources of General Fund revenue and includes graphs and pertinent financial data and detail of departmental receipts by class and source for each operating department.

Source of Funds: The section in the budget of each department or fund indicating whether it is financed from the General Fund or special purpose funds.

Special Purpose Funds: Funds that account for proceeds of specific revenue sources that are legally restricted to expenditure for specified purposes. The budget schedules for these funds are included in Section 3, which lists the expenditure restrictions, revenue available, appropriations, and expenditures for three fiscal years.

Substitute Position Authority: A position not funded in the budget. Positions are temporary, usually a year or less, and must be funded through departmental savings.

Table of Common Acronyms: Various budget books and documents include common acronyms to provide the reader with account information. Each salary account line item has a separate acronym. Expense, equipment, and special account line items have general acronyms.

Taxes: Compulsory charges levied by a government to finance services performed for the common benefit of people. This term does not include specific charges made against particular individuals or property for current or permanent benefit, such as special assessments.

GLOSSARY

Unappropriated Balance: A budgetary reserve to meet contingencies and emergencies as they may arise during the fiscal year.

Unrestricted Revenues: Revenues that the City can use for any general expenditure. All unrestricted revenues accrue to the General Fund. Certain General Fund receipts resulting from fees imposed on various city services, however, are “restricted” in the sense that the funds collected are used to offset the cost of the service provided.
