The term “employee” or “employees” as used in this MOU shall refer only to employees in the classifications listed in the Appendices of this Memorandum of Understanding (MOU), as well as such classes as may be added hereafter to this Unit by the ERB.

ARTICLE 2 PARTIES TO MOU

This MOU is entered into on December 2, 2022, between the City Administrative Officer, as authorized management representative of the City, and the authorized management representatives of the Library Department, (hereinafter referred to as “Management”) and authorized representatives of the American Federation of State, County and Municipal Employees, (AFSCME), Council 36, Local 2626, AFL-CIO, (hereinafter referred to as “Union”) as the exclusive recognized employee organization for the Librarian Unit.

ARTICLE 3 IMPLEMENTATION OF MOU

This MOU constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties listed below unless and until:

- A. Union membership has ratified this MOU, and the Union has notified the City Administrative Officer (CAO) in writing that it has approved this MOU in its entirety; and
- B. The City Council has approved this MOU in its entirety.

Where resolutions, ordinances or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of the resolutions, ordinances, or amendments, unless otherwise specified.

ARTICLE 4 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation of MOU, are fully met, except to

the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall said MOU become effective prior to 12:01 a.m. on January 1, 2023. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on December 30, 2023.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed as long as the parties have met their obligations under the provisions of Article 5 (Calendar for Successor MOU) to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 5 CALENDAR FOR SUCCESSOR MOU

In the event Union or Management desires a successor MOU, said party shall serve upon the other no later than October 31, 2023, its written proposals for such successor MOU. Meet and confer sessions shall begin no later than 30 calendar days following the receipt of the proposals.

ARTICLE 6 OBLIGATION TO SUPPORT

Prior to the implementation of this MOU and during the period of time it is being considered by the Mayor, City Council, City Council Committees, and the heads of those departments, offices, or bureaus, represented in this MOU for action, neither the Union nor Management, nor their authorized representatives, will appear before the Mayor, City Council, City Council Committees, or said department, office, or bureau heads, nor meet with the Mayor, members of the City Council or said department, office, or bureau heads individually to advocate any addition, deletion, or other change to the terms and conditions of this MOU. However, this Article shall not preclude the parties to this MOU from appearing before the Mayor, City Council, City Council Committees or department, office, or bureau heads nor meeting with individual members of the City Council, or department, office, or bureau heads to advocate the adoption and approval of this MOU.

ARTICLE 7 PROVISIONS OF LAW AND SEPARABILITY

It is understood and agreed that this MOU is subject to all applicable Federal and State laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, Employee Relations Board, or the Board of Library Commissioners. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provisions shall be suspended and superseded by such applicable law or regulations and the remainder of this MOU shall not be affected thereby; the parties agree to negotiate promptly a replacement for such part or provision.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 201 *et*.

seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required thereunder and any additional benefits set forth herein if compatible with the FLSA.

ARTICLE 11 NOTICE OF CHANGES IN WORK RULES

Whenever new work rules are established or changes are made in existing work rules affecting conditions of employment, Management shall give the Union fifteen (15) calendar days to consult with Management prior to placing the new rules or changes in existing rules into effect.

The Union agrees to notify Management promptly of its intent to exercise its right of consultation granted under this Article.

Nothing contained in this Article shall be construed as a limitation of the right of Management to implement new work rules or make changes in existing rules in cases of emergency. Provided, however, when such new work rules or changes in existing work rules, as the case may be, must be adopted immediately, without prior notice to the Union, notice shall be given and the opportunity to consult shall be given within fifteen (15) calendar days following adoption of such new work rules or changes in existing work rules, as the case may be.

Notwithstanding the above, no new work rules or changes in existing work rules shall be adopted and/or implemented in a manner which conflicts with the provisions of the Meyers-Milias-Brown Act or the Employee Relations Ordinance.

ARTICLE 12 EMPLOYMENT OPPORTUNITIES

The Personnel Department will email to the Union copies of all job bulletins. Tentative examination bulletins, approved by the Head of the Selection Division of the Personnel Department, will be emailed to the Union seven (7) calendar days in advance of the public posting of the final bulletin for the examination.

A Union representative shall be granted access to Library facilities during working hours for the purpose of assisting employees covered under this MOU, in adjusting their grievances when such assistance is requested by the grievant(s) or when investigating grievances arising out of the interpretation and/or application of the provisions of this MOU. The Union representative shall request permission to access Library facilities by contacting the designated Management representative of the Library Department. In the event immediate access cannot be granted, the Union representative shall be informed as to the time when access can be granted.

The Union shall provide a list of its representatives to the head of the Library Department and shall keep the list of representatives current. Management will provide upon request special Central Library access cards for: the Librarians' Guild President, Executive Vice-President, the two (2) Chief Stewards, and Vice-President of Health, Safety and Welfare.

This Article shall not be construed as a limitation on the authority of Management to restrict access to areas designated as secure or confidential.

ARTICLE 14 USE OF CITY LIBRARY FACILITIES

The Union may use City Library facilities, on prior approval, for the purpose of holding meetings if such facilities can be made available, provided such use will not interfere with departmental operations. Employees will attend said meetings on their own time.

If the facility requires fees, Management shall waive said fees, however, it is understood that the Union will pay any facility cost(s) associated with special set-up, security, or cleanup.

ARTICLE 15 BULLETIN BOARDS

Section I

Management will continue to provide a bulletin board or space at all work locations, which may be used by the Union for the following purposes:

- a. Notices of Union meetings.
- b. Notices of Union elections and their results.
- c. Notices of Union recreational and social events.
- d. Notices of official Union business.
- e. Written material other than "a" through "d" above shall be submitted to the Department Management Representative for approval prior to posting.

Section II

All notices or written material prior to being posted shall be identified with an official stamp of Union or initials of a Union Representative and bear a removal date.

ARTICLE 16 PAYROLL DEDUCTIONS AND DUES

A. DUES

1. Payroll deductions as may be properly requested and lawfully permitted will be deducted from each employee's pay check by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the unit where the Union has provided in writing to the Controller a list or individual notice of those individuals from whom union-related deduction(s) should be lawfully taken. This list or notice shall constitute Union certification that the Union has and will maintain an authorization signed by the individual employee or employees from whose salary or wages the deductions are to be taken. Any amendment may be made by the Union in a complete list or individually.

Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee is not compensated for a minimum of twenty (20) hours.

Effective July 2, 2023, if a Unit member elects to become a member of the Union, said payroll deductions shall be assessed regardless of the number of the compensated hours in any biweekly pay period.

Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.

Employees who are members of the Union who previously elected to make union membership deductions prior to (1) starting an unpaid leave of absence, or (2) otherwise going on inactive status due to lack of scheduled hours, shall be reinstated as Union members with the automatic voluntary dues deduction immediately upon their return to work.

2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Any employees in this Unit who have authorized Union dues deductions with the Union on the effective date of this MOU or at any time subsequent to the effective date of this MOU shall continue to have such dues deductions made by the City during the term of this MOU as authorized by California Government Code Sections 1157.12 and 1159 (a) and (b).

The City shall direct employee requests to cancel or change payroll dues deductions to the Union. Deductions may be revoked or cancelled only pursuant to the terms of an employee's signed written authorization to deduct dues. The Union shall not be required by the City to provide a copy of any individual employee authorization for a dues deduction unless a dispute arises about the existence or terms of the individual employee's authorization. The City shall rely on the information provided by the Union, pursuant to Government Code Section 1157.12, in deducting dues, and the Union shall indemnify the City for any claims made by individual employees for deductions made in reliance on certification received from the Union that the Union has and will maintain a signed authorization from each individual employee. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. MANAGEMENT RESPONSIBILITIES

1. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, and/or deductions were deducted.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.
3. Management will provide the Union with the Unit Membership List Article of this MOU.
4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

C. UNION RESPONSIBILITIES

Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

D. CALIFORNIA GOVERNMENT CODE SECTION 1159 (a-b)

Existing California Government Code Section 1159 (a-b) states:

“(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.”

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

This code section is subject to the Provisions of Law and Separability article of this MOU.

ARTICLE 17 POLITICAL ACTION CONTRIBUTIONS

During the term of this MOU, a payroll deduction will be continued by the Union for the purpose of allowing employees in this Unit to contribute towards the Union's election activities.

Said contributions shall be deducted by the Controller from twenty-four (24) biweekly payroll checks of each employee in this Unit who voluntarily consents to said contribution by submitting a payroll deduction card signed by the individual employee.

Remittance of the amount of said deductions shall be sent to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said deductions were deducted.

Contributions shall be made payable as directed by the Union to the Political Action Committee, P.E.O.P.L.E., of the Union.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

It is agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within sixty (60) calendar days after the date such deductions were or should have been made.

III. COMPENSATION

ARTICLE 18 SALARIES

The salaries for employees within the Unit as set forth in the Appendix shall become operative as follows:

Appendix A – January 1, 2023

Note: The operative date for Appendix A coincides with the beginning of the payroll period.

A. SALARY STEPS

1. Steps 1 through 3 are separated by one (1) premium level.* Step placement is as follows:
 - a. Employees hired into trainee-level, Targeted Local Hire Program (TLHP) positions shall be hired at Step 1 and shall remain on Step 1 for the duration of 12 months (consists of a 6-month on-the-job

training period and a 6-month probationary period). The hourly wages of TLHP positions will begin one (1) premium level below the entry level of the targeted Civil Service classification which will not be below \$15.00 per hour.

- b. Employees hired into non-TLHP positions shall be hired at Step 2 (or appropriate higher step in accordance with applicable MOU provisions or Section 4.90 (Salary Step Placement on Initial Appointment to City Service) of the LAAC.
 - c. Employees shall remain on Steps 2 and 3 for nine (9) months each.
2. Steps 4 through 8 are separated by two (2) premium levels [Step 4 is one (1) premium level above Step 3]. Employees shall advance to each subsequent step after 12 months.
 3. Steps 9 through 12 are separated by one (1) premium level [Step 9 is one (1) premium level above Step 8]. Employees shall advance to each subsequent step after 12 months.

*On the City's salary range tables, each premium level is equal to approximately 2.75%.

B. SALARY ADJUSTMENT

The following salary adjustment is reflected in Appendix A and applies to all Unit employees (salary range, flat-rate, fixed-step do not move on a salary range):

Effective January 1, 2023, the base hourly wages for all Unit employees shall be increased by 3.0%, as reflected in Appendix A.

C. EXTENSION OF STEP ADVANCEMENT DATE

Uncompensated absences of 16 days (128 hours for employees on a work schedule other than 5/40) or less during the qualifying period and during each subsequent qualifying period shall not extend the step advancement date. The step advancement date shall be extended one (1) working day for each working day absence in excess of 16 days [or one (1) hour for each hour of aggregated uncompensated absence in excess of 128 hours]. Employees, who are injured on duty and are compensated in accordance with Division IV of the Labor Code of the State of California and Article 7 (Miscellaneous Provisions) of the LAAC, shall not have their step advancement date changed due to their workers' compensation status.

D. CONSECUTIVE APPOINTMENTS WITHIN A 12-MONTH PERIOD

Consecutive appointments or assignments to positions with the same top step salary rate in the 12 months (2,080 hours) following an appointment or assignment shall be treated as one (1) appointment or assignment for step advancement purposes.

E. APPOINTMENTS TO NEW POSITIONS WITH THE SAME OR LOWER SALARY RANGE

An employee who is appointed or assigned to a new position on the same or lower salary range shall retain the step advancement date established for the former position.

F. INTERMITTENT EMPLOYEES AND HALF-TIME EMPLOYEES EXEMPTED FROM CIVIL SERVICE

Intermittent employees and half-time employees exempted from Civil Service provisions by Charter Section 1001 shall be paid a salary rate corresponding to the entering step in the salary range for the classification in which the employee is employed. Full-time or half-time employees changing to intermittent status in the same Civil Service class shall continue to be paid at the same rate (excluding bonuses) they were last paid while a full- or half-time employee until such time as the entering step in the salary range for the class meets or exceeds the salary for the employee.

G. PROMOTIONAL DIFFERENTIAL

Notwithstanding the rate provided for in Section 4.91 (Salary Step Placement on Assignment to a Different Position in City Service) of the LAAC, employees who receive a promotion shall be moved to the salary step (Step 2 or above) that provides a minimum 5.5% increase over the rate received in the former position.* As provided in Section 4.91 (Salary Step Placement on Assignment to a Different Position in City Service) of the LAAC, any regularly assigned bonus or premium compensation amounts shall be included in calculating the step rate for the former position and added to the new salary, if applicable, after determining the appropriate salary step rate for the new position.

*As Salary Step 1 is reserved for agreed upon trainee-level, TLHP classifications, the minimum step available for promotion is Step 2, unless otherwise specified.

ARTICLE 19 OVERTIME PRACTICES

Section I – Assignment of Overtime

When Management requires the use of overtime, the assignment of staff to work overtime shall be distributed as equitably as possible consistent with other sections of this Article.

In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from the employee's supervisor and that unofficial overtime "white time" is absolutely prohibited; all hours worked by employees in this Unit shall be recorded on the employee's time sheet. Employees in this Unit may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

Section II – Rate and Method of Overtime Compensation

Compensation for overtime shall be for all hours worked in excess of 40 hours in a workweek including all absences with pay authorized by law. All employees in this Unit shall be compensated in time off at the rate of one and one-half (1.5) hours for each hour of overtime worked or in cash at one and one-half (1.5) times the employee's regular rate of pay. The method of overtime compensation shall be at the discretion of Management.

Section III – Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). On occasion, employees may accumulate CTO in excess of 80 hours for a temporary period of time. If an employee does not schedule and take CTO which is in excess of 80 hours prior to the end of the fiscal year, Management may require employees to use CTO that exceeds 80 hours prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one (1) year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO unduly disrupts the operations of the department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall CTO in excess of 240 hours be accumulated.

1040/2080 Plan

Management reserves the right to develop 26-week/1040 hour or 52-week/2080 hour work periods under FLSA Section 7(b) [29 USC §207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the National Labor Relations Board (NLRB).

ARTICLE 20 NIGHT SHIFT ASSIGNMENT AND SHIFT DIFFERENTIAL PAY

A. Night Shift Assignment Pay

Any employee shall receive additional compensation during the second night shift assignment or any additional night shift assignment. For the purpose of this Article, the second night shift assignment and any additional night shift assignment will be considered to be any scheduling requirement by Management that mandates that an employee must work more than one (1) night shift in the same calendar week, which is considered to be Sunday through the following Saturday. A night shift shall be considered to be any work shift that ends at 8:00 p.m. or later.

The compensation shall be at the second premium level rate (5.5%) above the employee's step rate of the salary range prescribed for the class of the employee working the qualifying shift.

Employees who specifically request to work a second night shift assignment and any additional night shift assignment are excluded from receiving the night shift assignment compensation. This compensation is non-pensionable.

B. Shift Differential Pay

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the LAAC where an employee qualifies to receive premium pay when 50% of their shift falls between 5:00 P.M. and 8:00 A.M., any employee who is assigned a work schedule that ends at 9:00 p.m. or later shall receive for each such day worked salary at the second premium level rate above the employee's step rate of the salary range prescribed for the class of the employee working the qualifying shift. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74, and 4.75 of the LAAC. This compensation is pensionable when regularly assigned and non-pensionable when assigned on a daily basis.

ARTICLE 21 ACTING ASSIGNMENT PAY

Effective July 1, 2015, time served in the following acting assignments shall be credited as qualifying experience for promotional purposes.

Absence of Regular Supervisor

Whenever Management initially assigns an employee to be temporarily in charge of a unit due to the absence of the regular supervisor, the employee shall become eligible for additional compensation upon completion of a qualifying period of 10 working days in the acting assignment at the employee's regular rate of pay. Management shall not divide or alternate the acting assignment of an employee temporarily in charge of a unit due to the absence of the regular supervisor during the qualifying period. The additional compensation shall begin on the 11th consecutive working day in the acting assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of the acting assignment.

Approved leave time off taken during a qualifying period shall extend the 10-day qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the 10-day qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Following the employee's assignment qualifying period, each subsequent temporary acting assignment in which the employee is in charge of a unit in the absence of a supervisor shall not require completion of a new qualifying period.

Vacant Supervisory Position

Whenever Management temporarily assigns an employee to be in charge of a unit due to a supervisory vacancy, the employee shall become eligible for additional compensation on the first day of said acting assignment.

Compensation

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level above the employee's step rate of the salary range prescribed for the class of the employee working the acting assignment. This compensation is non-pensionable.

Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment. Effective December 13, 2015, acting pay assignments shall not exceed 12 months.

When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Management will review the acting assignment with the employee every three (3) months. At that time, the employee may request to or Management may determine that the employee may be removed from the acting assignment.

Management will provide the Guild with a list of employees in acting assignments on a quarterly basis. The list will include: name of employee; date of appointment to acting assignment; location of acting assignment; review date; desire of employee to continue in acting assignment; review determination.

Management Right

Management retains the right to determine the status of a vacancy.

ARTICLE 22 BILINGUAL DIFFERENTIAL

In accordance with Section 4.84 of the LAAC, whenever Management of the Library Department determines that it is necessary or desirable that a position be filled by a person able to converse fluently in a language other than English, or speak, write and interpret a language other than English, the Library department will transmit to the Controller a written statement approving payment of a bilingual premium to the person occupying such a position and possessing such bilingual skills.

After authorizing payment of a bilingual premium, Library Management shall certify to the Controller the name of any person eligible for a bilingual premium and the Personnel Department shall certify to the Controller that the employee has qualified under its standards of fluency and proficiency for said language.

Persons qualifying for a bilingual premium shall receive one premium level rate for duties requiring that they converse fluently in a language other than English or two premium level rates for duties requiring that they interpret another language other than English, in addition to conversing fluently in that language. Such compensation shall be retroactive to the employee's first day in a bilingual position.

Notwithstanding Section 4.84 of the LAAC, whenever Management temporarily assigns an employee to be in charge of a unit, as provided in Article 21, Acting Assignment Pay, any bilingual premium being paid to the employee at their regular assignment will continue to be paid throughout the duration of the temporary acting supervisory assignment.

Additional compensation is pensionable when regularly assigned and non-pensionable when assigned on a daily basis.

ARTICLE 23 SIGN LANGUAGE PREMIUM

Any qualified employee covered by the provisions of the MOU who has been certified as proficient in American Sign Language (ASL) to provide City services to the deaf community, and who is requested by the employing department to utilize ASL skills in the performance of their job duties, shall be compensated at the first premium level rate above their step rate of the salary range for their class for each business day the skill is utilized. Such premium pay shall be administered in accordance with and subject to all

requirements and provisions of Section 4.84.1 of the LAAC. Additional compensation is non-pensionable.

ARTICLE 24 MILEAGE

Each employee who is authorized to use their own vehicle, pursuant to Division 4, Chapter 5, Article 2 of the LAAC, in the performance of their duties shall be reimbursed for transportation expenses for all miles traveled in any biweekly period, in addition to any and all salaries and other compensation otherwise provided for by law.

Library management will provide reduced parking validation cards at the Westlawn Garage for any meeting held at Central Library attended by branch library staff.

During the term of this MOU, the cents per mile reimbursement rate shall be in accordance with an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service (IRS). The City Administrative Officer shall certify to the Controller appropriate changes, if required, to become effective the beginning of the pay period in which January 1 falls or on such other date as the IRS may determine.

ARTICLE 25 TRAVEL ALLOWANCE

The following sections shall be operative the start of the payroll period following the date of the Council's approval of this MOU.

Section I

Notwithstanding Section 4.222 of the LAAC, whenever an employee is required to travel directly between the employee's home and place of temporary job assignment location, as provided in Section 4.221 of the LAAC, the employee shall receive payment at the rate of \$4.00 for each day that travel occurs. The parties agree that all other provisions of Sections 4.220-4.226 of the LAAC, which relate to payment for travel of an employee from the employee's home to a temporary job assignment location, remain unchanged.

Section II

Notwithstanding Section 4.221 of the LAAC, whenever an employee is required by Management to travel for City business within a workday, the employee shall receive payment at the rate of \$4.00 for each day that such use occurs.

Section III

Where an employee qualifies under both Sections I and II above, such employee shall be entitled to receive \$6.00 per day.

ARTICLE 26 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow an employee time off with pay, not to exceed eight hours in any one payroll period for personal business (except for changes on the 9/80 day off or the split day) provided that such time off so allowed shall either be made up in full within the same workweek that time is taken or charged against the employee's accrued and unused vacation or overtime bank on an hourly basis.

IV. GRIEVANCE

ARTICLE 27 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed MOU.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose their right to process their grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

“Business days” shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 37 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department’s personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts

and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

STEP 4 ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within 20 business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the Employee Relations Board within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within ten (10) business days following receipt of said list. Failure of the Union to notify the Employee Relations Board of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.

- A. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.

- B. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- C. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the grievance affect more employees than are identified as grievants, the parties agree that the remedy may be applied to those employees upon their consent, if needed.

PROCEDURE:

STEP 1

The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.

The General Manager, or designee, shall provide written notification to the Employee Relations Division of the Office of the City Administrative Officer (CAO) of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

STEP 2

If the grievance is not settled at Step 1, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 28 GRIEVANCE REPRESENTATION

Section I

1. The Union may designate a reasonable number of Union Stewards or other Union representative, who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within 30 calendar days of any changes in said designations. A steward may represent a grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.
2. An employee and the employee's steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if the steward is the representative of record; is a member of the same Union as the employee; is employed by the same department, office, or bureau; and is employed within a reasonable distance from the work location of the employee.
3. If a steward must leave the steward's work location to represent an employee, the steward shall first obtain permission from the steward's supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than 48 hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure of this MOU, equal to the amount of the delay.
4. Before leaving the steward's work location, the steward shall contact the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.
5. Time spent on grievances, or the pre-disciplinary representation activities described in this Article, outside of regular working hours of the employee or the steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as provided in this Article, is limited to the actual representation of employees and does not include time for investigation, preparation, or any other preliminary activity.

Section II

1. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and Front-Line supervisors.
2. No later than September 30, 2019, or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both union stewards and front-line supervisors will be certified.
3. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under Grievance Procedure of this MOU.
4. As is practicable, grievances will be heard by certified supervisors.

V. ON-THE-JOB

ARTICLE 29 HEALTH, SAFETY AND WELFARE

Section I – INTENT

It is the intent and commitment of Management to provide a safe, secure and healthy workplace for its employees. The Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions and should report any hazardous, violent, or unsafe working condition promptly to the employee's immediate supervisor. Supervisors are expected to notify the appropriate level of Department Management so that corrective action may be taken.

Management will make every attempt to correct or eliminate unsafe conditions or threats of violence against employees, if within its authority and capability. The designated Departmental Safety Coordinator will be involved as appropriate.

Section II – UNRESOLVED COMPLAINTS

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution to the problem within a reasonable time, the employee or the employee's representative may call the City Occupational Safety Office and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

Section III – SAFETY EQUIPMENT

Safety clothing and devices, including emergency preparedness kits, currently provided by Management shall continue to be provided and updated regularly as long as the need exists, and the Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Management will provide City equipment, such as mobile devices, to produce documentation of facility repairs, public safety issues, or incident reports, where necessary, Unit members will not be required by Management to use personal devices to perform City work.

Section IV – JOINT LABOR MANAGEMENT COMMITTEE

A Joint Labor Management Committee on Health and Safety (JLMC-H&S) was established during the term of the 2007-2012 MOU. This Committee replaced the "Health and Safety Committee" described in the 2004-2007 MOU. The members of the JLMC-H&S shall include the Director of Library Human Resources, the Business Manager, the Librarians' Guild President, the Vice President for Health, Safety and Welfare, and up to two (2) additional Librarians' Guild members of the Librarians' Guild's choosing, and one (1) AFSCME Business Representative. The JLMC-H&S may invite, as needed, subject area experts for their input and recommendations. These subject area experts may include, but are not limited to, the representatives of the City of Los Angeles Personnel Department Safety and Workplace Violence Unit, and the Chief of LAPL Security.

Management will provide the Librarians' Guild access to all incident reports.

This JLMC-H&S shall be considered as a subcommittee of the City-Wide JLMC Safety Committee to enable access to greater City-wide resources that may not be available in the Library Department. The JLMC-H&S will hold regular bi-monthly meetings; more frequent meetings may be held as necessitated by circumstances. The topics that the JLMC-H&S will include are health, safety, employee well-being, safety training, major incident notification, and communication protocols for hazardous or unsafe working conditions and other types of security alerts. Library Management will provide summary reports regarding incidents that occur in the Library Department, at the JLMC-H&S meetings as they become available.

Section V – ERGONOMICS

The parties agree the JLMC-H&S will discuss ergonomic-related issues within the Department.

Library Management agrees to allocate \$30,000 during the term of this MOU for ergonomic equipment that is recommended by the Personnel Department's Ergonomist as a result of a Library workstation assessment or evaluation. Any unspent funds at the end of this MOU term shall revert to the Library's budget.

Effective July 2, 2023, the ergonomic allocation will increase from \$30,000 to \$60,000 per year for the term of this MOU.

Telephone headsets for use at the reference desk shall be provided to employees upon their written request, including justification.

Section VI – TRAUMATIC INCIDENTS

If Management closes a branch or department due to a violent incident, management will grant City time off with pay on that day to all staff members on duty at the time of the violent incident, unless a staff member requests redeployment. Management will immediately inform the Librarians' Guild.

Effective July 2, 2023, Section VI includes traumatic incidents.

If a staff member is a direct victim of criminal assault, management will grant City time off with pay on that day to the staff member if the staff member requests to go home. Management will immediately inform the Librarians' Guild.

Management shall provide information on the City's Family and Employee Assistance Program and Workers' Compensation benefits (DWC-1 and Notice of Potential Eligibility) to employees affected by a violent or traumatic incident.

ARTICLE 30 INTRADEPARTMENTAL TRANSFERS AND REASSIGNMENTS

The assignment of employees within the Library Department is the exclusive right of the appointing authority. However, Management will consult with employees at least three (3) weeks prior to the effective date of reassignment, except in emergencies. When a vacancy is determined to be available to be filled by the Department, that position will be listed on the Transfer Opportunities Sheet. However, if a position listed on the sheet is filled by the transfer of a current Department employee of the same classification, the position vacated by that employee may be filled without being required to be listed on the next Transfer Opportunities Sheet.

The Transfer Opportunities Sheet will be issued every 30 days and will be circulated to staff. Once a position appears on the sheet, employees will have a period of seven (7) business days following the date of posting to request reassignment to that position. Current employees who make themselves available for reassignment will be interviewed and considered first for the vacant positions. Only those positions available for transfer or certification will be listed on the Transfer Opportunities Sheet. The Library Department will make a concerted effort to have supervisors included on the interview panel for transfers to their respective work units.

Written notification of selection or non-selection for a position will be provided to the employee after selections have been made.

In the event that a mutually agreed to transfer date is delayed, Management shall:

1. Notify the employee of the reason(s) for delay.
2. Effect transfer at the earliest possible date, no longer than 8 weeks.

In addition, employees may submit written requests that they will be automatically considered for reassignment to specific branches or departments within the Library whenever a reassignment opportunity exists. Such requests will be submitted and considered in accordance with procedures, which Library Management will prepare and distribute. Management need not select employees who have requested reassignment to specific locations. However, Management will consider all reassignment requests on file for the positions involved prior to making its decision.

The following guidelines, not in priority order, will be reviewed and considered when making necessary reassignments of personnel, *to the extent allowed by law*:

- Community considerations
- Department needs
- Experience and skills
- Language skills
- Medical problems (documented)
- Personal preference
- Seniority in present classification
- Subject specialty
- Travel distance from home
- Dependent care responsibilities

ARTICLE 31 LONG-TERM VACANCIES FOR NON-SUPERVISORY POSITIONS

When any position has been vacant for a 3-month period, the operational impact of that vacancy will be reviewed at both the Principal and Division Librarian level. The ability to address the operational impacts will rest with Management.

Management will make a concerted effort to assign the same person as a substitute to fulfill the maximum substitute time needed to compensate the vacancy left by each full-time long-term vacancy.

ARTICLE 32 REST PERIOD

Section I

Each employee shall be granted a minimum of fifteen (15) minutes of uninterrupted rest period in each four (4) hour period; provided, however, that no such rest period shall be

taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

Section II

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 33 MEAL PERIODS

Section I

Allowable meal periods shall not be counted as work time for any purpose. A meal period shall not be less than one-half hour nor more than one hour in length.

Any member of the Unit who is required to be on call during a scheduled meal period or to take meal breaks in the building shall be given compensatory time off for the scheduled meal period. Compensatory time off shall be taken within the same or following pay period. Compensatory time off not allowed by the end of the following pay period shall be paid in cash at the employee's regular rate.

Section II

Any member of the Unit who is assigned an eight-hour work shift on Saturday at branches having three librarians or less, and is required to be on call during the meal period, shall not be called away from the meal period for matters requiring the attention of a professional librarian that can be attended to at the completion of the meal period, unless it is determined to be an emergency or branch business of the most urgent nature.

ARTICLE 34 WORKERS' COMPENSATION

- A. Management agrees to adhere to the City's policies with regard to the Citywide Temporary Modified Duty (Return to Work) Program.

During the term of this MOU, Management agrees to continue providing Workers' Compensation benefits in accordance with Section 4.104 of the LAAC, except that salary continuation payments during absences for temporary disabilities arising from job-related injuries or illnesses shall be in an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For the purposes of this article, take-home pay is defined as an employee's biweekly gross salary rate less the mandatory deductions for Federal and State income tax withholding, and employee retirement contributions.

B. WORKERS' COMPENSATION ALTERNATIVE DISPUTE RESOLUTION PROGRAM

The following information is for informational purposes:

The parties to this agreement have entered into a Workers' Compensation Alternative Dispute Resolution (ADR) Program Agreement dated June 8, 2018. In accordance with California Labor Code Section 3201.7, this Agreement was reached separate and apart from the collective bargaining process for this MOU. The Agreement includes a Joint Labor Management Committee (JLMC), the terms of which are incorporated in the body of the ADR Agreement, and is hereby incorporated into the body of this agreement.

The Workers' Compensation ADR Program, approved by the State of California, provides a dispute prevention and resolution process designed to improve the processing and quality of workers' compensation medical benefits, improve claim resolution, reduce workers' compensation claim costs, return injured employees to work in a timely manner, and increase injured employees' satisfaction with the process.

VI. TIME OFF

ARTICLE 35 VACATION

Section I – Vacation Accrual

Management's present practices with regard to vacations will be continued during the term of this MOU. Such practices shall be in accordance with Sections 4.244-4.256 of the LAAC.

Each employee in this unit who has completed their qualifying year shall be entitled to the following number of vacation days with full pay, based on the number of years of City service completed, accrued and credited at the rates indicated:

Years of Service Completed	Number of Vacation Days	Monthly Accrual Rate in Hours/Minutes
1	11	7.20
5	17	11.20
13	18	11.20

At the completion of each year from the thirteenth through nineteenth year, and at the completion of the twenty-fifth year of City service, employees receive eight additional hours of vacation as a lump sum.

Section II – Maximum Accrual of Vacation Time

Effective September 1, 2019, notwithstanding LAAC Section 4.254, employees shall be permitted to accumulate vacation time not to exceed three (3) annual vacation accrual periods.

Section III – Active Military Service: Vacation Accrual during Leave and Cash-Out of Accrued Vacation at Commencement of Leave

Unit members called into active military service (other than temporary military service) shall, following their qualifying year of service for vacation, continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. To avoid reaching maximum accrual during an extended leave, employees may request cash payment of accrued, but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of their leave of absence. Military orders or other evidence of call-up into the armed forces of the United States must be submitted with the request.

ARTICLE 36 VACATION SCHEDULES

Vacations will be scheduled as far in advance as possible. When an employee wishes to schedule a vacation, Management will give consideration to the efficient operation of the department, division, subject department or branch where said employee is regularly assigned, the employee's seniority in grade and the date(s) desired by the employee. Unresolved vacation scheduling conflicts may be directed to the next appropriate level of supervision for review and consideration.

Unless an emergency precludes, a scheduled vacation, once approved, will not be canceled or changed without the mutual consent of the employee and Management.

- D. Any holiday declared by proclamation of the Mayor shall not be deemed to advance the last scheduled working day before a holiday for the purposes of computing any additional time off.
- E. Whenever a holiday from 1 through 13 above occurs during an employee's regularly scheduled workweek, eight (8) hours of paid leave shall be credited for the purpose of computing overtime pay for work performed after 40 hours.
- F. Whenever a holiday listed under 14 or 15 above occurs during an employee's regularly scheduled workweek, the appropriate number of hours of paid leave shall be credited for the purpose of computing overtime pay for work performed after 40 hours.

- G. Whenever a holiday falls on an employee's 9/80 or modified day off, the employee shall take an alternate day off within the same calendar week as the holiday.
- H. Employees working in excess of eight (8) hours on any holiday listed from 1 through 13 above, or hours worked in excess of any day or portion thereof declared to be a holiday by proclamation of the Mayor shall be paid at the appropriate holiday pay rate for their class, but shall not be included when calculating the employee's work week for overtime pay purposes.
- I. An FLSA non-exempt employee who works on any holiday herein will be compensated at the rate of one and one-half (1.5) of the employee's hourly rate of pay for each hour worked, in addition to the employee's regular compensation for the day, provided, however, that the employee: (1) has worked the employee's assigned shift immediately before and immediately after the holiday, or (2) has been authorized by Management, prior to the holiday, to take paid leave time off in lieu of the requirement to work the shifts. Any employee who fails to meet one of these requirements will be paid at the rate of one hour for each hour worked.
- J. For each holiday listed above which results in time off with pay for employees working a Monday through Friday work week, employees who are scheduled to work other than the Monday through Friday work week shall be entitled to such day off with pay or shall be compensated in accordance with all pertinent provisions (B through H above). If such holiday falls on the employee's scheduled day off, an alternative day off in-lieu shall be scheduled within the same calendar week as the holiday.
- K. The additional compensation for work performed on a holiday as provided herein shall not apply to employees whose regular rate of pay is bonused to include pay for holidays worked.
- L. Management shall have the sole authority and responsibility to determine whether the compensation for any holidays worked shall be in cash or paid leave time off.
- M. The unspecified holidays shall be taken in accordance with the following requirements:
 - 1. The holiday must be taken in one (1) full normal working day increment of eight (8) hours during the calendar year in which it is credited or it will be forfeited. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office, or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holiday, Management will reschedule the holiday so that it may be taken on some other reasonably satisfactory date within the calendar year.

2. Any break in service (i.e., resignation, discharge, and retirement) prior to taking the holiday shall forfeit any right thereto.
 3. The holiday shall not be utilized to extend the date of any layoff.
 4. No employee shall be entitled to an unspecified holiday until the employee has completed six (6) months of satisfactory service and has completed 500 hours of compensated time.
 5. No employee shall receive more than two (2) unspecified holidays each calendar year. Thus, (a) an employee transferring from the Department of Water and Power (DWP) to any other City department, office, or bureau will not receive an unspecified holiday after taking such holiday prior to leaving DWP, and (b) employees who resign or are terminated and then rehired during the same calendar year, will not receive an additional unspecified holiday when rehired.
- N. 1. a. A half-time employee, as defined by Section 4.110(a) of the LAAC, shall qualify for and receive the same holiday benefits as a full-time employee, including unspecified holidays except as noted in Subsection N(1)b below; provided, however, that pay for such holiday shall be prorated on the basis of the number of hours normally scheduled to be worked in relationship to the number of hours required for full-time employment in the class of position.
- b. Half-time employees must complete a period of six (6) consecutive months of service and must have been compensated for at least 500 hours before qualifying for the unspecified holiday.
- Half-time employees who transfer to full-time or full-time employees who transfer to half-time are entitled to either a full unspecified holiday (8 hours) or a prorated unspecified holiday depending on their status at the time the holiday is taken. A full-time or half-time employee who transfers to intermittent without having taken any unspecified holiday shall not be entitled to the holiday while in intermittent status.
2. Intermittent employees, as defined by Section 4.110(b) of the LAAC, shall not be entitled to holiday benefits. An intermittent employee who becomes full-time or half-time and who has not previously qualified for the unspecified holiday benefit as a full-time or half-time employee shall be required to qualify by completing six (6) consecutive months of service in the full-time or half-time status and to have been compensated for at least 500 hours. Upon completion of the qualifying period, a half-time employee will be allowed prorated benefits, as described herein.

- O. Any employee, who has been authorized by Management, prior to the holiday, to take uncompensated leave (LW or WF) for the purpose of conducting union-related business during the employee's scheduled work shift immediately before or immediately after a holiday, shall receive pay for the holiday, if the employee is an authorized union representative.

ARTICLE 39 SICK LEAVE BENEFITS

Management's practices with regard to sick leave benefits will be in accordance with Los Angeles Administrative Code Sections 4.126, 4.126.2, and 4.128, except as noted below.

Sick leave may be used for the following purposes: diagnosis, care, or treatment of a health condition, or preventive care, of an employee, or an employee's designated person, as defined in this Article, or an employee's immediate family member, as provided in Article 40 (Family Illness) of this MOU.

For purposes of this Article, "designated person" means a person identified by the employee at the time the employee requests paid sick leave. Employees are limited to only one designated person per 12-month period.

A. Sick Leave Accrual and Usage

1. Full-Time Employees

- a. Full-time employees shall begin accruing sick leave on the first day of employment. Employees shall accrue a total of one (1) day (8 hours) of sick leave at the end of the first month (30 calendar days) of employment and shall accrue one (1) additional day at the end of each subsequent month (30-calendar day period) worked until January 1. Beginning January 1, employees shall accrue sick leave as provided in Subsection A(1)(b) of this Article. Employees may use their accrued sick leave beginning on the 90th day of City employment (90 calendar days from the date of hire).
- b. Beginning the January 1 subsequent to the date of their initial City employment, full-time employees shall be provided 96 hours at 100% of full pay and 40 hours at 75% of full pay each calendar year for sick

leave, plus the hours of sick leave accrued and accumulated as provided in this Article.

- c. Any unused balance of sick leave at 100% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours. However, any unused sick leave at 100% of full pay remaining at the end of any calendar year, which, if added to an employee's accumulated sick leave at 100% of full pay, will exceed 800 hours, shall be compensated by a cash payment of 50% of the employee's salary rate current at the date of payment as soon as practicable after the end of each calendar year.

Any unused balance of sick leave at 75% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours at 75% of full pay. No payment of sick leave accrual in excess of the maximum amount shall occur.

- d. Effective January 1, 1997, if a full-time employee retires from City service or, if a full-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 100% of full pay up to a maximum of 800 hours remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 50% of the employee's salary rate on the date of retirement or death.
- e. As of January 1, 1998, any unused balance of sick leave at 50% of full pay shall be frozen with no further credits or withdrawals permitted.

Effective January 1, 1997, if a full-time employee retires from City service or, if a full-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 50% of full pay remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 25% of the employee's salary rate on the date of retirement or death.

2. Half-Time Employees

- a. Half-time employees, as defined by Section 4.110(a) of the LAAC, shall begin accruing prorated sick leave on the first day of employment. Sick leave for a half-time employee shall be prorated on the basis of total number of hours scheduled in relationship to the total number of hours required for full-time employment. Employees may use their accrued sick leave beginning on the 90th day of City employment (90 calendar days from the date of hire).
- b. Beginning the January 1 subsequent to the completion of 12 calendar months of employment following their date of hire, half-time employees shall be provided prorated sick leave hours based on the calendar year sick leave allotment for full-time employees of 96 hours at 100% of full pay and 40 hours at 75% of full pay, plus the hours of sick leave accrued and accumulated as provided in this Article. The prorated amount of 100% and 75% sick leave hours for half-time employees will be calculated on the basis of the total number of hours compensated in the previous 12-month calendar period (January 1 through December 31) in relationship to the total number of hours required for full-time employment.
- c. Any unused balance of sick leave at 100% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours. However, any unused sick leave at 100% of full pay remaining at the end of any calendar year, which, if added to an employee's accumulated sick leave at 100% of full pay, will exceed 800 hours, shall be compensated by a cash payment of 50% of the employee's salary rate current at the date of payment as soon as practicable after the end of each calendar year.
- d. Effective January 1, 1997, if a half-time employee retires from City service or, if a half-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 100% of full pay up to a maximum of 800 hours remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 50% of the employee's salary rate on the date of retirement or death.

- b. Sick leave may be accumulated up to a maximum of 48 hours each calendar year. Any accrued, unused sick leave remaining at the end of the calendar year shall carry over to the following year. Any sick leave accumulated in excess of the maximum amount shall be deemed waived and lost.
- c. Intermittent employees with accrued CPTO and/or 100% sick leave hours, who become full-time or half-time employees, shall be allowed to carry over into their 100% sick leave bank a maximum of 48 hours of unused CPTO, 100% sick leave, or any combination of such unused time. Any unused CPTO and/or sick leave in excess of the 48 hours carried over shall be deemed waived and lost. Employees shall be eligible immediately as a full-time or half-time employee to accrue and use sick leave at the appropriate rate.
- d. If an intermittent employee separates from City service and is rehired by the City within one (1) year from the date of separation, previously accrued and unused sick leave shall be reinstated.
- e. Employees who hold more than one (1) intermittent position concurrently shall be eligible to accrue sick leave in only one (1) position. Employees who work multiple assignments or centers/facilities within the same Department are considered to hold one (1) position.

B. Preventive Medical Treatment

Notwithstanding LAAC Section 4.126(d), employees may use up to 48 hours of 100% of full pay sick leave to secure preventive medical treatment for the employee, the employee's designated person, or employee's immediate family member.

ARTICLE 40 FAMILY ILLNESS

Management's present practices of allowances for leave for illness in family will be continued during the term of this MOU. The aggregate number of working days allowed in any one calendar year with full pay shall not exceed twelve (12) days. Effective

Such practice of allowance for leave for illness in family shall be in accordance with Section 4.127 of the LAAC. Upon adoption of a child, an employee will be permitted to use fifteen (15) days (120 hours) of family illness sick leave. Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

ARTICLE 41 BEREAVEMENT LEAVE

Management's present practices with regard to allowances for leave because of family deaths will be continued during the term of this MOU. Such practices of allowances for leave because of family deaths shall be in accordance with Section 4.127.1(a)(d) of the LAAC, except as provided below for simultaneous, multiple family deaths.

For the purposes of this Article, the definition of an immediate family member shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparents, great/grandchildren, step-parents, step-children, great grandparents, foster parents, foster children, a domestic partner, any relative who resided in the employee's household, a household member (any person residing in the immediate household of the employee at the time of death), and the following relatives of an employee's domestic partner: child, great/grandchild, mother, father.

Notwithstanding LAAC Section 4.127.1(a), for purposes of this Article, paid leave at full pay up to a maximum of six (6) working days will be allowed for simultaneous, multiple family deaths.

Intermittent employees as defined by Section 4.110(b) of the LAAC shall not be entitled to compensated leave because of family deaths.

Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California

Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.

Effective January 1, 2015, Unit members shall be entitled to use the bereavement leave granted under this Article up until 370 calendar days from the date of death of the qualifying immediate family member. Bereavement leave not used prior to 370 calendar days from date of said death shall be deemed waived and lost.

ARTICLE 42 TIME OFF FOR EXAMINATIONS

Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to their supervisor. Such time off with pay shall include travel time.

ARTICLE 43 BLOOD OR BONE MARROW DONATIONS

Employees shall be given reasonable time off with pay to donate blood (including apheresis/platelet donations) or bone marrow in accordance with LAAC Section 4.118.

ARTICLE 44 JURY SERVICE

Any full-time or half-time employee, as defined by Section 4.110(a) of the LAAC, who is duly summoned to attend any court for the purpose of performing jury service or has been nominated and selected to serve on a Grand Jury shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive their regular salary. The absence of any employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of Section 4.75 of the LAAC. The absence of an intermittent employee as defined by Section 4.110(b) of the LAAC for the purpose of performing jury service shall be deemed to be an authorized absence without pay.

Any money received as compensation for mileage is not to be considered as a part of the employee's pay for these purposes.

During the time the employee is actually reporting for jury service, the head of the department, office, or bureau, or their designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule

during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of their converted shift that the employee is not required by the court to perform jury service.

Compensation for mileage paid by the courts for jury service shall be retained by the employee.

A court of competent jurisdiction is defined as a court within the county in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

Section II

Notwithstanding the provisions of Section I of this Article, Management agrees that whenever an employee is subpoenaed to appear as an expert witness during their regular working hours, on matters directly related to their employment, before a governmental body, agency, board or commission of the United States, or the State of California, said employee shall be released on paid time off; provided, however, that time off with pay will not be granted in cases of appearances where expert witness fees are paid and the amount of such fees equal or exceed the employee's regular rate of pay. In cases where expert witness fees are not paid or such payment is an amount less than the employee's regular rate of pay, Management agrees to either pay the employee's regular rate of pay or pay the difference between the fees paid and the employee's regular rate of pay.

A 12-month period shall begin on the first day of leave for each individual taking such leave. The succeeding 12-month period will begin the first day of leave taken under the provisions of this Article after completion of the previous 12-month period.

Exception: Under the provisions of this Article, a pregnant employee may be eligible for up to four (4) months (nine [9] pay periods [720 hours]) for childbirth disability and up to an additional four (4) months (nine [9] pay periods [720 hours]) for purposes of bonding. (See Section IV of this Article.)

The following definitions are included to clarify family relationships as defined in the Family and Medical Leave Act and the California Family Rights Act.

financially support a child or, in the case of a parent of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

- D. Child means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

The provisions of this Article shall apply to all employees in this Unit in all City departments who have been employed by the City for at least 12 months and who have worked for at least 1,040 hours (half-time employees may include all compensated time off except IOD) during the 12 months immediately preceding the beginning of the leave.

Exception: In accordance with Pregnancy Disability Leave under the California Fair Employment and Housing Act (FEHA), on the first day of employment with the City, pregnant employees are eligible up to four (4) months (nine [9] pay periods [720 hours]) of leave if disabled due to pregnancy.

- B. Parents (including those who are domestic partners) who both work for the City may each individually take leave under the provisions of this Article at the same time to care for a new child by birth, adoption or foster care of a child.

Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to take care of a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.

Each employee must notify their employing department at the time the leave is requested of the name and department of the other City employee who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitation for spouses or domestic partners does not apply to leave taken by one employee to care for the other who is seriously ill or to care for a child with a serious health condition.

IV. Conditions

- A. Pregnancy – The start of leave for a pregnant employee shall be at the beginning of the employee’s pregnancy-related disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.

In accordance with Pregnancy Disability Leave (PDL) under the California FEHA, pregnant employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine [9] pay periods [720 hours]) of leave with medical certification certifying the employee as unable to work due to a pregnancy-related condition. PDL under the FEHA may be taken before or after the birth of the child, and shall run concurrently with pregnancy leave under the federal Family and Medical Leave Act of 1993, which must be concluded within one year of the child’s birth.

Employees (either parent) are also eligible for family leave (“bonding”) under the California Family Rights Act, which shall be limited to four (4) months (nine [9] pay periods [720 hours]) and must be concluded within one year of the child’s birth. Whereas bonding leave for the pregnant employee may be taken before or after delivery, bonding leave for the non-pregnant employee shall be taken on or after the anticipated delivery or placement date of the child except as may be necessary under Subsection IV.B “Adoption.” (The administration of such leave shall be in accordance with Sections III.B. and IV.F of this Article.)

- B. Adoption – The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may be granted prior to placement if an absence from work is required.
- C. Family Illness – The start of a family leave for a serious health condition of a family member or designated person shall begin on the date requested by the employee.
- D. Employee’s Own Illness – The start of a leave for the employee’s own serious health condition shall begin on the date requested by the employee.
- E. Serious Health Condition is defined as an illness, injury, impairment, or physical or mental condition that involves:
1. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice or residential medical care facility; or

2. A period of incapacity requiring an absence of greater than three calendar days involving continuing treatment by or under the supervision of a health care provider; or
3. Any period of incapacity (or treatment therefore) due to a chronic serious health condition: or
4. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
5. Any absences to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity for more than three consecutive days if left untreated; or
6. Any period of incapacity due to pregnancy or for prenatal care.

- F. Continuous, Intermittent, and Reduced Work Schedule Leave – All leave granted under this Article shall normally be for a continuous period of time for each incident.

An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for their own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the LAAC during the duration of their part-time schedule.

In accordance with the California Family Rights Act (CFRA), leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the basic minimum duration of bonding leave is two weeks, and on any two occasions an employee is entitled to such bonding leave for a time period of not less than two weeks' duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. Bonding leave must be concluded within one year of the birth or placement of the child.

- G. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.

- H. A personal leave beyond the four (4) month (nine [9] pay periods [720 hours]) leave provided in this Article may be requested, subject to the approval of the appointing authority and if required, the Personnel Department, as provided under other City leave provisions.
- I. Management has the right to verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
- J. Upon return from family or medical leave, an employee shall be returned to their original job or to an equivalent job.

V. Notice Requirements

A. Employee

When an employee requests family or medical leave, the employee must state the reason for the requested leave (e.g., childbirth, to care for an immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least 30 days' notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.

B. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates paid or unpaid leave as qualifying time taken by an employee as family or medical leave qualifying regardless of whether or not the employee initiates a request to take family or medical leave.

VI. Applicable Time Off

Employees who are granted leave in accordance with this Article shall take time off in the following order:

A. Childbirth (Mother)

- 1. Accrued sick leave (100% and 75%) or vacation for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth) may be taken at the employee's discretion.

2. For the non-disability portion of childbirth leave (before delivery or after [bonding]), accrued vacation available at the start of the leave shall be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

The implementation of all benefits will be subject to the receipt of the required reports from the Controller's Office to determine the appropriate benefits for all affected employees.
6. The effective date of this Article shall be January 1, 1991. Under no circumstances will there be any benefits provided for extra-time hours worked prior to that date. ARTICLE 51 FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program ("Flex Program") and any modifications thereto as

recommended by the Joint Labor-Management Benefits Committee (“JLMBC”) and approved by the City Council.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the JLMBC, the Flex Program benefits will take precedence.

Section I – Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City’s JLMBC and administered by the Personnel Department, in accordance with LAAC Section 4.303.

Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser Permanente family rate (“maximum monthly health care subsidy”) per full-time employee toward the cost of a City-sponsored health plan for employees who are members of the LACERS. During the term of this MOU, Management’s monthly subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly health care subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management will apply the subsidy first to the employee’s coverage. Any remaining balance will be applied toward the coverage of the employee’s dependents under the plan.

Management agrees to contribute for each half-time employee, as defined by Section 4.110 of the LAAC, who became a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of their Flex Program medical plan. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article. During the term of this MOU, Management’s monthly subsidy for half-time employees shall increase by the increase in the Kaiser Permanente single-party rate. Increases in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be

eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Full-time employees who work a temporary reduced schedule under the provisions of Article 46, Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding their status as a member of LACERS.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Health Plans.

Section II – Dental Plans

The dental plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department, in accordance with LAAC Section 4.303.

For full-time employees who are members of LACERS, Management will expend the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989 shall be subject to the partial subsidy provisions in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding their status as a member of LACERS.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Dental Plans.

By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the dependents of such domestic partner.

Section IV – General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V – Subsidy During Family and Medical Leave

For employees who are on family or medical leave, under the provisions of Article 46 of this MOU, Management shall continue the City's medical and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 46 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to 4 months), Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.

For employees who have approved disability claims (excluding those for work-related injuries) under the City's Flex disability insurance carrier, management shall continue the City's medical, dental, and basic life insurance plan subsidies for a maximum of two (2) years or at the close of claim, whichever is less. Coverage in this program will end if the employee retires (service or disability) or leaves City service for any reason.

ARTICLE 52 DISABILITY INSURANCE PLAN

During the term of this MOU, Management agrees to maintain a Disability Insurance Plan for active employees who are members of LACERS, provided that sufficient enrollment is maintained to continue to make the plan available. The City's JLMBC shall determine the benefits and provider of the plan.

Management shall expend for active employees of this unit who are members of LACERS the sum necessary to cover the cost of a basic disability insurance plan. Management shall also maintain a Supplemental Disability Insurance Plan, enrollment in which is at the discretion of each employee. The full cost of the Supplemental Disability Insurance Plan premiums shall be paid by the individual employees who enroll in the plan.

ARTICLE 53 DEPENDENT CARE REIMBURSEMENT ACCOUNT

During the term of this MOU, Management agrees to maintain a Dependent Care Reimbursement Account (DCRA), qualified under Section 129 of the Internal Revenue Code, for employees who are members of LACERS, provided that sufficient enrollment is maintained to continue to make the account available. Enrollment in the DCRA is at the discretion of each employee. All contributions into the DCRA and related administrative fees shall be paid by employees who are enrolled in the plan.

As a qualified Section 129 Plan, the DCRA shall be administered according to the rules and regulations specified for such plans by the Internal Revenue Service.

ARTICLE 54 EMPLOYEE ASSISTANCE PROGRAM

Management will expend for employees who are members of the LACERS, and their eligible dependents, the sum necessary to cover the cost of an Employee Assistance Program (Support Plus). The benefits and services of the Support Plus and the Support Plus provider shall be determined by the City's JLMBC.

Information on the current Support Plus provider is available through the Personnel Department, Employee Benefits Division, by telephone at (213) 978-1655 or on the Division's website at: <https://www.liveandworkwell.com/content/en/public.html>.

An employee shall be entitled to review the contents of their departmental personnel folder at reasonable intervals, upon request, during hours when the departmental personnel office is open for business. Such review shall not be scheduled at a time when it will interfere with the business of the office.

No evaluatory or disciplinary document may be placed in an employee's personnel file without their review and a copy of the document presented to the employee for their records. The employee shall acknowledge that the employee has received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon written request of an affected employee if the employee has not been involved in any subsequent related incidents that resulted in written corrective counseling or other disciplinary action for a period of four years from the date the most recent notice was issued. There will be no reference in the personnel folder to said material.

Pursuant to the above paragraph, those documents, either removed from the personnel file or sealed, shall be available upon subpoena or other appropriate legal request.

An employee may submit a written rebuttal within thirty (30) calendar days to any disciplinary or adverse document placed in their departmental personnel folder. Such rebuttal shall identify the disciplinary or adverse document and shall be filed in the employee's departmental personnel folder for as long as the adverse document remains. This provision shall not apply to documents placed in said folder prior to the effective date of this MOU.

Upon request by the employee, adverse documents in the employee's personnel folder shall be sealed after three (3) years, provided that there have been no other adverse documents placed in the folder since that time. Adverse documents, which have been sealed, will be stored separate and apart from the departmental personnel folder. There will be no reference in the personnel folder to said material. Employee evaluations are not considered adverse documents for the purposes of this paragraph.

If sealing is not recommended, the employee shall be given a written response detailing the reasons for denial of the request and the reasons shall also be discussed with the employee. The written response and the reasons for not sealing the document shall not be grievable.

ARTICLE 56 PERFORMANCE EVALUATIONS

The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period.

The supervisor who observed the employee for the longest period of time during the evaluation period shall prepare and sign the rating if that supervisor is available to do so.

When no immediate supervisor who supervised the employee during the rating period is available to prepare the rating, the rating shall be prepared and signed by the second-level supervisor.

The resources that will be used on a system-wide basis may include, but not be limited to, agency regular staffing, use of substitutes, part-time employees working extra time and the use of overtime for regular full-time employees.

Under the expanded hours of service proposed for the Los Angeles Public Library, all Rank and File and Supervisory Librarians will be required to work no more than a one-in-four rotation of Sunday work assignments, except for emergency situations.

It is the understanding of the parties to this MOU that the Sunday work shift shall normally consist of five (5) hours of work. Full-time employees scheduled to work the Sunday shift shall be compensated for a full workday (8 hours). Employees who work the reduced 72 hours per pay period schedule for the purpose of this agreement shall be considered full-time employees. Half-time employees scheduled to work the Sunday shift shall be compensated for the five-hour work shift and an additional three (3) hours of extra time. Intermittent employees shall be compensated for only the hours that they work. Sunday compensation shall not be considered as a premium or bonus compensation, unless it results in overtime as defined in Article 19 (Overtime Practices) of this MOU, and the employee's hourly rate shall not change as a result of the reduced hour shift. It is also understood that if an employee is required to work more than five (5) hours on Sunday, no additional compensation for full-time or half-time employees will be provided, as long as the Sunday shift does not exceed eight (8) hours.

The Board of Library Commissioners is committed to providing the fairest work schedules possible to its employees, while providing the highest level of public service possible with the resources available. However, notwithstanding any of the above stated terms and conditions, nothing contained in this Article shall be construed to limit the Board or the Library Department's ability to adequately staff and provide public service at all of its agencies. Nor shall it be construed that, by entering into this agreement, the Board or the Department will relinquish any of its management rights to assign staff as required to serve the needs of the City during the term of this agreement or after it has expired. Nor by this agreement shall it be construed that the Librarians' Guild has relinquished any of its rights under the City's Employee Relations Ordinance or applicable law during the term of this agreement or after it has expired.

XIII. OTHER

ARTICLE 60 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Effective upon the vote by the ERB to accrete a class or bargaining unit into the Coalition of Los Angeles City Unions (Coalition), the salary range(s) of the newly accreted class/unit shall be adjusted to the salary range consistent with the step structure provided for in the relevant Coalition MOU and all other applicable benefits and provisions of the MOU shall be provided to members of the newly accreted class/unit as contained in the relevant Coalition MOU for all other represented members.

ARTICLE 61 WORK SCHEDULES

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The

designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA.

Management may assign employees to work a 5/40, 4/10, 9/80, or other work schedule. Employees may request modified work schedules, if such schedules are generally available in the employee's department/work group. Management may refuse such requests, or require employees to revert to a 5/40 work schedule, provided the exercise of this right is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory, in accordance with Article 27 (Grievance Procedure).

Employees on a 9/80 modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee is prohibited unless it is intended for the employee to work additional hours (overtime).

ARTICLE 62 UNION RELEASE TIME

The appointing authority may grant to elected officers or appointed representatives of the Union time off for employee organization representation activities not to exceed ten days (80 hours) per calendar year as provided below. No more than one employee in a work unit shall be allowed the 10 days (80 hours) per calendar year of release time at the same time.

Effective July 2, 2023, no more than one elected officer at a time, from either MOU 6 or MOU 16, may be granted up to an additional 1,040 hours of release time in the aggregate per calendar year.

Effective July 2, 2023, additional Union release time may be granted at Management's discretion based on operational needs.

- A. The employee shall submit the request for release at least fourteen (14) calendar days prior to the effective release date, specifying the starting and ending dates of release.
- B. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for the Union.
- C. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.
- D. The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave,

compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the CAO as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the JLMBC that become effective during this period.

- E. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- F. The Union shall make quarterly payments to the Controller of all reimbursable costs identified in Section E above or in a manner prescribed by the CAO.
- G. Employees on release time shall submit weekly timesheets signed by the employee and the Union (Executive Director of their designee) to their respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- H. Injuries incurred while on Union release time shall not qualify for IOD or workers' compensation benefits.
- I. The employee must have passed probation in their current class to be eligible for release time.
- J. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.
- K. The CAO shall maintain a list of employees who have been approved for release time and the approved duration.
- L. In addition to the Union release hours provided under this Article, the appointing authority may grant to the Librarians' Guild President and an additional Librarian's Guild Officer up to two days (16 hours) per month per employee for employee organization representation activities pursuant to the same criteria outlined above. Effective July 2, 2023, the Executive Vice President may also be granted up to an additional two days (16 hours) per month.

ARTICLE 63 FULL UNDERSTANDING

Management and the Union acknowledge that during the meet and confer process, each had the unlimited right and opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals.

The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties hereto.

It is mutually understood that any changes mutually agree to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 3.

The waiver or breach of any term or condition of this MOU by any party hereto, shall not constitute a precedent in the future enforcement of any of its terms and provisions.

ARTICLE 64 RETIREE SUBSTITUTE EMPLOYEES

Librarians may request information about consideration of reemployment in accordance with City Charter Section 1164, Employment by the City of a Retired Member of the System. As provided under 1164(b) a retired LACERS member may be reemployed with Mayoral approval for a period not to exceed 120 days in a fiscal year.

ARTICLE 65 SERVICE AND WORKFORCE RESTORATION

- A. The City and Union will mutually designate trainee-level positions in applicable bargaining units and design training programs for targeted entry-level Civil Service classifications.
- B. Trainee-level positions will only be used by mutual agreement of the parties, contingent and specifically conditioned on the City funding Civil Service positions in department budgets.

ARTICLE 66 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of unit work:

- A. No bargaining unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, the employee shall be retained in a position within a classification represented by AFSCME, Local 2626.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of paragraph 6 below, the provisions of this article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance (ERO), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform unit work except for contracts required by bona fide emergencies.

- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
1. The City shall provide timely notice, through the existing “clearinghouse” procedure, of proposed contracts to perform unit work. In addition, the City shall provide the union a list of individuals responsible for coordinating contracting information in each department.
 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days of the Charter 1022 notification. Failure by the union to request such meeting(s) within the prescribed fifteen (15) days shall constitute a waiver of the union's right to continue this process.
 3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the Employee Relations Board.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.

9. Arbitration fees shall be shared equally by the Union and the City.

F. Disputes over the practical consequences of the contracting of unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of the Grievance Procedure, Article 19 of the MOU, and shall not delay the implementation of the contract if all other provisions of this article have been met.

The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step (Step 6) of the Grievance Procedure. Effective January 1, 2008, Arbitration is Step 4 of the Grievance Procedure.

G. The parties agree that, effective December 13, 2015, the Union may file a grievance regarding the Charter 1022 notification.

1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.

2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.

3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

Except for the Articles, Appendices, and Letter of Agreement added or amended herein, all other Articles, provisions, Appendices, Letters of Intent, and Letters of Agreement of the 2023 MOU No. 06 shall remain in full force and effect during the term of January 1, 2023 through December 30, 2023, of this MOU.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month, and year first above written.

LETTER OF AGREEMENT
BETWEEN
THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

RELEASE TIME PILOT PROGRAM

The City of Los Angeles has determined there are specific Union activities that confer a public benefit for which bargaining unit members (Released Employees) of the Coalition of Los Angeles City Unions (Coalition) should be released from their official duties (City work) in order to perform the specific Union activities. The Coalition agrees to ensure performance, supervise, and manage the activities of the Released Employees. Full-Time and Part-Time employees shall be eligible to be designated as a Released Employee.

The parties agree that during the term of the 2018-2021 MOU, a reasonable number of bargaining unit members shall be designated by individual Coalition Unions for the purpose of directly communicating, sharing, and collecting information from all bargaining unit members. Furthermore, as a means of controlling administrative and litigation costs associated with employee matters in a large and complex City, and with the goal of resolving matters at the earliest possible stage, Released Employees will assist bargaining unit employees, the Union, and Management during the following processes and procedures:

1. Union approved work-site meetings of the bargaining unit membership.
2. Membership meetings in order to assist with communicating issue(s) relevant to the work-force.

Reporting and Accountability of Released Employee Time

In order to ensure the City maintains control over public resources, a designee of each Coalition Union will notify Management in advance in writing of the need to release an employee and confirm the employee has been released. The Union shall provide advance notice no less than 48 hours prior to the commencement of union release time.

Each Coalition Union shall designate employees and notify Management in advance in writing when a Released Employee is designated by the Union. The designated employees shall be released for only the time necessary to bring about the efficient outcome(s) contemplated in this Agreement and/or identified going forward. Permission to leave official duties (City work assignment) will be granted unless the absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Union will be informed when time can be made available. Release of an employee shall not be unreasonably withheld.

The payroll code "UB" shall be entered for all release time used under this Program. No employee shall be paid overtime or accrue Compensated Time Off (CTO) while released under this Program.

Bank of Hours

Each Union shall be afforded a bank of hours equaling two (2) hours for each full-time bargaining unit member and one (1) hour for each part-time bargaining unit member.

The total number of calculated release time hours for each Union in accordance with this Agreement is as follows:

Union	Total Hours/ Calendar Year
AFSCME	15,566
SEIU	20,351
LIUNA	1,656
Building Trades	2,216
IUOE	582
Teamsters	360

The bank of hours shall reset July 1st of each year and not carryover or be shared between Unions. Unused hours shall be deemed waived and lost. This provision shall remain in full-force and effect during the term of this MOU.

LETTER OF AGREEMENT
BETWEEN THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

A. PARTIES

This Agreement is made and entered into by and between the Coalition of Los Angeles City Unions (Unions) and the City of Los Angeles (City) for the following Memoranda of Understanding (MOU) for bargaining units 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 34, 36, 37, 63, and 64.

B. PURPOSE

The purpose of this Agreement is to establish a procedure for access to City new employee orientations by the exclusive representative of newly hired employees. This Agreement supersedes any MOU language or prior practice with regard to new employee orientations. Nothing in this Agreement is intended to delay, impede, or otherwise interfere with any City hiring process.

C. TERM

This Agreement has been executed by the parties on the day, month, and year written above and shall continue until such time as the parties cancel or negotiate otherwise.

D. AMENDMENTS, MODIFICATIONS, OR OTHER CHANGES

The parties recognize the need to update this Agreement as the City automates and centralizes its new employee orientation process and as changes in employer culture occur. In the event either the Unions or the City desire(s) to amend, modify, or make any other changes to this Agreement, that party shall submit to the other, written notice of its desire to meet and confer. Meet and confer sessions shall begin no later than thirty (30) calendar days following receipt of the written notice or another date mutually agreed upon by the parties. If the parties are unable to reach agreement within thirty (30) calendar days, the matter shall be subject to the provisions of California Government Code Section 3557.

E. ENFORCEABILITY

The parties mutually agree that the intent of this Agreement is to ensure compliance with the provisions of State law requiring an employer to provide the exclusive representative ten (10) calendar days' of notice and mandatory access

to the employer's new employee orientations. To that end, the parties agree to the following resolution for insufficient notice and a failure to provide union access.

If the City fails to provide sufficient notice to the Union(s), except where allowed under this Agreement, and/or fails to provide Union access to the City's new employee orientations, and/or fails to provide release time in accordance with the provisions of this Agreement:

1. The Union and employing department shall discuss and arrange a new date and time for Union access. The discussion between the Union and employing department shall occur no later than one (1) day following the initially scheduled new employee orientation.
2. The Union and employing department shall mutually agree to a make-up date for Union access. Union access to new employees shall be provided not more than five (5) business days from the initial new employee orientation date or some other date mutually agreed upon by the Union and employing department.
3. After mutual agreement on a make-up date, the employing department shall confirm in writing to the Union the new union access date, time, and location.
4. The employing department shall require the subject new hires to attend the Union's presentation on the make-up date.
5. If a dispute remains after implementation of this provision or for any other matters relating to this Agreement, the parties agree that they may advance a grievance directly to the step just prior to arbitration, and continue processing in accordance with the applicable MOU grievance and arbitration provisions.

F. DEFINITIONS

For purposes of this Agreement, the following terms shall have the following meanings:

Union or Exclusive Representative – A qualified employee organization or joint council of qualified organizations which has been certified by the Employee Relations Board as the majority representative of employees in an appropriate employee representation unit in accordance with the provisions of Los Angeles Employee Relations Ordinance Section 4.822.

New Hire – Any new employee who is new to each Union regardless of job status (e.g., full-time, part-time, temporary, etc.).

New Employee Orientation – The onboarding process of a newly hired City employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

G. UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

1. The City shall provide the Union access to new employee orientations:
 - a. within thirty (30) calendar days of placing a new hire on the City payroll; or,
 - b. within forty-five (45) business days of the physical start date of a new hire; or,
 - c. on some other date and time mutually agreed upon by the Union and employing department.
2. Attendance at a new employee orientation by all new hires shall be mandatory.

H. NOTICE OF NEW EMPLOYEE ORIENTATION

1. The City shall provide written notice of new employee orientations to the impacted Union(s) no less than ten (10) calendar days prior to the event, regardless of the number of employees. [A single new hire is sufficient to require notice to the Union(s).]
2. Shorter notice than ten (10) calendar days may be provided to the Union(s) by the City in instances where there is an urgent hiring need critical to City operations that was not reasonably foreseeable, and where an employing department is awaiting the results of pre-employment information upon which hiring is contingent. This provision shall not be construed to regularly permit notice of less than ten (10) calendar days.
3. The written notice shall contain the anticipated number of new hires, their job class code and title, work location, and bargaining unit number and the designated time for the Unions' presentation.

I. UNION PRESENTATION DURING NEW EMPLOYEE ORIENTATION

1. Representatives of the Union shall be permitted to make a presentation of not more than thirty (30) minutes, and to present written materials during this period.

2. If more than one Union is presenting during a new employee orientation, not more than a total of thirty (30) minutes will be permitted for the Unions to use collectively.
3. Management will continue its practices of the dissemination of Union information to each new employee in accordance with applicable MOU provision(s), and any additional Union materials may be provided by the Union during the presentation.
4. Management shall determine the appropriate segment of the orientation for the Union presentation.
5. Both Union and Management representatives shall not interfere with the presentation of the other and shall at all times conduct themselves in a professional manner avoiding and refraining from any conduct that would tend to disparage the other during any new employee orientations.

J. RELEASE TIME FOR UNION STEWARDS TO ATTEND NEW EMPLOYEE ORIENTATIONS

1. At the request of the Union, paid City time off (release time) shall be granted for a union steward of record to participate in the Union presentation segment of a new employee orientation. The release time shall be granted for a maximum of thirty (30) minutes, not including reasonable travel time, during those hours that coincide with the union steward's regular work shift. The same union steward of record shall participate in no more than two (2) new employee orientations per month unless the employing department holds more than two orientations per month or permits otherwise.
2. Only one (1) union steward of record per individual Union shall be released to participate in a new employee orientation. The union steward shall be an employee of the employing department for which the new employee orientation is provided unless the parties agree otherwise.
3. Permission to leave work shall be granted by the employing department unless the absence would cause an undue interruption of work. If permission cannot be granted, the employing department shall provide the Union an alternative presentation date and time that is not more than five (5) business days beyond the initial new employee orientation date. This date will be specifically reserved for Union presentation up to the time limits prescribed in this Agreement. All new hires present for the initial new employee orientation shall be notified of the special date and time of the Union presentation and shall be required to attend on City time.

4. Union stewards shall not receive overtime for participating in or performing activities associated with the union presentation segment of any new employee orientation.
5. The Union shall provide the CAO with a written list of a reasonable number of employees who have been designated Union Stewards and revised lists within thirty (30) calendar days of any changes in these designations. The union stewards must be members of the Union.
