ARTICLE 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

Management hereby recognizes the Service Employees International Union Local 721 (SEIU 721), as the exclusive representative of the employees in the Supervisory Professional Engineering and Scientific Unit, for which SEIU 721 was certified as the majority representative by the Employee Relations Board (ERB) on November 23, 2009. SEIU 721 shall be the exclusive representative of employees in the Supervisory Professional Engineering and Scientific Unit, subject to the right of each employee to represent themselves.

The term “employee,” as used herein, shall refer only to employees in the classifications listed in the salary appendices, as well as such classes as may be added hereafter to the Unit by the ERB.

ARTICLE 1.2 PARTIES TO MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered into on April 11, 2024, between the City Administrative Officer (CAO), as the authorized management representative of the Los Angeles City Council (City Council), City departments, bureaus and divisions (Management) and authorized representatives of SEIU 721 (Union) as the exclusive recognized employee organization for the Supervisory Professional Engineering and Scientific Representation Unit.

ARTICLE 1.3 IMPLEMENTATION OF MOU

This MOU constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties hereto unless and until:

- B. The heads of those departments, offices or bureaus represented herein have taken such actions as might be required to fully implement the provisions of this MOU.
- C. The City Council has approved this MOU in its entirety; amended applicable provisions of the LAAC; amended departmental personnel ordinances and applicable codes; and, appropriated the funds necessary to implement those provisions which require funding.

ARTICLE 1.4 OBLIGATION TO SUPPORT

The Union and Management agree that during the period this MOU is being considered by the Mayor, City Council, Council Committees, or the heads of those departments, offices or bureaus who are parties hereto, neither Management, the Union, nor their

authorized representatives will meet or communicate with any of the foregoing public officials to advocate any addition, deletion or other change to the terms and conditions of this MOU. However, this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

ARTICLE 1.5 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of Memorandum of Understanding, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall said MOU become effective prior to 12:00 a.m. on December 31, 2023. This Memorandum of Understanding shall expire and otherwise be fully terminated at 11:59 p.m. on December 23, 2028.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for Successor MOU, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU

In the event the Union or Management desires a successor Memorandum of Understanding, said party shall submit a written request to begin negotiations upon the other no later than October 31, 2028, along with its written proposals for such successor MOU. Meet and confer sessions shall begin no later than thirty (30) calendar days following submittal of the proposals.

ARTICLE 1.7 NONDISCRIMINATION

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any employee because of race, ethnicity, religion, creed, color, sex, reproductive health decision-making, sexual orientation, LGBTQ+ status, gender identity, genetic information, marital status, age, disability, Union activity, national origin, ancestry, military or veteran status, political beliefs, or any other protected class per California Fair Employment and Housing Act (FEHA).

ARTICLE 1.8 FULL UNDERSTANDING

A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

- B. Except as specifically provided for herein, the parties voluntarily and unequivocally waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not be deemed to preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the articles, terms or provisions requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the City Council and approved and implemented in accordance with Article 1.3 "Implementation of MOU".
- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

ARTICLE 1.9 PROVISIONS OF LAW AND SEPARABILITY

This MOU is subject to all applicable Federal and State laws, the City Charter, City ordinances, and any lawful rules and regulations enacted by the Civil Service Commission, the ERB, or similar independent City commissions. If any Article, part, or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, local law, or the City Charter, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, the parties agree to meet promptly to expeditiously renegotiate the affected Article, part or provision and the remainder of this MOU shall not be affected thereby.

ARTICLE 1.10 CITY-UNION RELATIONSHIP

- A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Union during the term of this MOU and the certification of the Union as the exclusive representative of the employees in this Unit.

- B. Mutual Pledge of Accord

Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to

cooperate with their fellow employees and the City in the performance of their public service obligation.

The purpose of this MOU is to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Union and to establish and maintain proper standards of wages, hours and other terms or conditions of employment.

C. No Strike — No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City agrees that there shall be no lockout or the equivalent of members of the Union, and the Union and its members agree that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. In the event of a work action by its members, the Union shall make concerted and reasonable efforts to ensure that its members return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike or other concerted action while scheduled to work.

The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

The provisions of this subsection shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

ARTICLE 1.11 MANAGEMENT RIGHTS

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The Union recognizes that these rights, powers, and authority include but are not limited to, the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising grievances about the

practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.12 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Effective upon the vote by the ERB to accrete a class or bargaining unit (Unit) into the Coalition of Los Angeles City Unions (Coalition Union), the salary range(s) of the newly accreted class/unit shall be adjusted to the salary range consistent with the step structure provided for in the relevant Coalition Union MOU and all other applicable benefits and provisions of the MOU shall be provided to members of the newly accredited class/unit as contained in the relevant Coalition MOU for all other represented members.

- C. If you want additional information, you may telephone Local 721 at (877) 721-4968.

ARTICLE 2.3 PAYROLL DEDUCTION AND DUES

The following provisions shall apply to employees in classifications listed in the Appendices herein.

- A. Dues
 - 1. a. Payroll deductions as may be properly requested and lawfully permitted will be deducted by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the Unit where the Union identifies in writing to the Controller those individuals from whom Union-related deduction(s) should be lawfully taken. Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee is not paid a minimum of

twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.

- b. Employees who are on an unpaid leave of absence or otherwise on inactive status due to lack of scheduled hours shall not have dues deducted during that period.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision, "qualified organization" means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Under current California law, the City has no input or control over the procedure for termination of union dues taken as payroll deductions from employees subject to this MOU, nor any legal ability to stop such deductions without the specific authorization of the Union. All procedures for termination of dues deductions are the Union's unilateral dues termination procedures; the City's sole obligation is to process such dues cancellations received from the Union pursuant to this subsection, subject to any future court decisions applicable to dues termination procedures. Any employee in the Unit may terminate such Union dues pursuant to procedures established by and administered solely by the Union. The Union will provide the City the appropriate documentation to process these membership dues cancellations. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. Management Responsibilities

1. The Controller shall cause the amount of the dues or other proper deductions to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by Union under the terms contained herein. "Dues" shall be the result of Union certification that it has and will maintain an authorization signed by the individual employee from whose salary or wages the deductions are to be made, provided in the form of a list by the Union to the City.
 - a. Remittance of the aggregate amount of all dues and other proper deductions taken from the salaries of employees covered hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues and/or the deduction(s) were taken.

- b. A fee of nine cents (\$.09) for the processing of each such deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.
 2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.
 3. Management will provide the Union with Unit membership information pursuant to the Unit Membership List Article of this MOU.
 4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.
- C. Union Responsibilities

Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

- D. California Government Code Section 1159 (A-B)
Existing California Government Code Section 1159 (a-b) states:

“(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.”

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

ARTICLE 2.4 WORK ACCESS

- A. A Union Staff Representative, with the prior approval of Management, shall be admitted to City facilities or work sites during working hours to assist employees in adjusting their grievances, or to investigate complaints concerning working conditions.

If access cannot be permitted at the time requested, the Union Staff Representative shall be given the date and time when such access will be

permitted. If Management does not respond to the Union's request for access within three (3) business days from the time of the Union's request then access shall be deemed granted. It is mutually understood that only the minimum amount of time necessary to handle complaints or grievances will be utilized by the Union Staff Representative.

- B. A Union Staff Representative may also be admitted to City facilities or work sites, at reasonable intervals, for the purpose of communicating with Unit members who are off duty. Such communications shall be limited to an exchange of information concerning the lawful and legitimate activities of the Union and/or its membership. Authorization to make such visits shall be obtained by contacting either the person that has been designated by Management to grant access to a specific City facility or work site, or the Management Representative of the department, office or bureau affected.
- C. The Union shall provide Management with a list of its Union Staff Representatives. Management of each operative department shall provide the Union with a list of persons designated to grant access to specific City facilities or work locations.
- D. The provisions of this Article shall not be deemed to be a limitation on the authority of Management to deny access to facilities or work sites designated "security" or "confidential."

ARTICLE 2.5 USE OF CITY FACILITIES

The Union shall be permitted to use City facilities with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected. The Union will pay such usual and customary fee(s) and/or other charges as are required by the City. Such charges normally cover rentals, special set-ups cleanups, and security services.

ARTICLE 2.6 BULLETIN BOARDS

- A. Each department agrees to provide a Union bulletin board or space at each work location that is clearly visible in a prominent location, which may be used by the Union for the following purposes:
 - 1. Notices of Union meetings.
 - 2. Notices of Union elections and their results.
 - 3. Notices of Union recreational and social events.
 - 4. Reports of official Union business.
 - 5. Any other communication or written material which has received the prior approval of the Departmental or Bureau Management Representative, or their designee.

- B. It is agreed that copies of communications listed in 1 through 4 will be provided to the designated representative in Human Resources at the time of posting.
- C. It is further agreed that all communications to be posted, other than 1 through 4 above, shall be submitted for approval to the designated management representative in human resources three (3) business days or twenty four (24) business hours prior to posting.
- D. It is further agreed that the Union shall place a removal date on all communications to be posted.

ARTICLE 2.7 ACTIONS BY THE EMPLOYEE RELATIONS BOARD

Should any action(s) by the ERB prior to the expiration of this MOU, result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

ARTICLE 2.8 EMPLOYEE RELATIONS

Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the management representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 2.9 POLITICAL ACTION COMMITTEE

The Controller shall deduct fifty cents (\$.50) per pay period from the salary to be paid to each Union member, identified on a list prepared and submitted by the Union, as a contribution to the SEIU 721 Political Action Committee (PAC). Union members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to the PAC; provided the Union provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.

Remittance of the amount of the PAC deductions shall be sent to the Union by the Controller within thirty (30) working days after the end of the month in which such deductions are made.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.

Neither an employee nor the Union shall have any claim against the City for a PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after the date such deduction was or should have been made.

The Union indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against, any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

ARTICLE 2.10 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of unit work:

- A. No bargaining unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, they shall be retained in a position within a classification represented by the Union.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of Subsection G below, the provisions of this article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance (ERO), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
 - 1. The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform unit work. In addition, the City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.
 - 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days following the notification as indicated in Subsection E.1 above. Failure by the Union to request such meeting(s) within the prescribed fifteen (15) calendar days shall constitute a waiver of the Union's right to continue this process.
 - 3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).

4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the ERB.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- F. Disputes over the practical consequences of the contracting of unit work, other than those occurring under Subsection E.4 and Subsection E.5 above, shall be resolved in accordance with the provisions of Article. 3.1, Grievance Procedure, and shall not delay the implementation of the contract if all other provisions of this article have been met.
- The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of the Grievance Procedure.
- G. The parties agree that the Union may file a grievance regarding the notification.
1. A grievance challenging the notification shall be filed within 15 calendar days of the Union's knowledge of the alleged deficient notification.

2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within 30 days of the filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
3. The arbitrator shall determine if the City has violated the notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

ARTICLE 3.0 GRIEVANCE

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.
- D. Assignment and scheduling of hours and personnel for intermittent and half-time employees, unless said assignment or scheduling is in violation of the departmental working rules or this MOU.
- E. Employee Comment Sheet (Comment Card) – LAPD

Employee Comment Sheets (Comment Cards) are used to document positive and negative conduct or incidents. Employee Comment Sheets (Comment Cards) are not considered disciplinary in nature and shall not be placed in the employee's official personnel file. It is mutually agreed that in the Los Angeles Police Department an "Employee Comment Sheet" (Comment Card) is not grievable or arbitrable. An employee may use an Employee's Report, Form 15.7, to make a written response to the Employee Comment Sheet (Comment Card) within thirty (30) days after it is served.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose their right to process their grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as enumerated in Article 6.4, Holidays and Holiday Pay Article.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

1. At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer or designated union representative. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator

selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.

2. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
3. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
4. Notwithstanding the above and ERO Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.
5. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

1. Suspensions without pay
2. Allegations of failure to accommodate medical restrictions
3. Allegations of retaliation
4. Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2 – GRIEVANCE INITIATION (FORMAL)

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.
- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of Management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3 – GRIEVANCE APPEAL

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance

shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 - ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or management fails to provide a written response within twenty (20) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.
- C. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- D. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- E. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the

grievance affect more employees than are identified as grievants, the parties agree that the remedy may be applied to those employees, upon their consent if needed.

PROCEDURE:

STEP 1 – GROUP GRIEVANCE INITIATION (FORMAL)

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.

- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

STEP 2 – GROUP GRIEVANCE APPEAL

If the grievance is not settled at Step 1, or in the Police Department if the grievance is not resolved by the Commission, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 UNION STEWARDS

- A. The Union may designate a reasonable number of Union Stewards or other union representatives who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.

An employee and their steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if the steward is the representative of record; is a member of the same Union as the employee; is employed by the same department, office or bureau; and, is employed within a reasonable distance from the work location of the employee.

If a steward must leave their work location to represent an employee, they shall first obtain permission from their supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the grievance steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

Before leaving their work location, the steward shall contact the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.

Time spent on grievances, or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or their steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.

- B. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and Front-Line supervisors.

No later than September 30, 2019, or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and Front-Line Supervisors will be certified. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.

As is practicable, grievances will be heard by Certified Supervisors.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 HEALTH AND SAFETY

- A. Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists; the Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.
- B. Management shall provide safe working conditions. The Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said Supervisor should:
 - 1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
 - 2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.
 - 3. If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, they shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety and Health Division and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the Cal-OSHA rules and regulations with a copy to the City Occupational Safety and Health Division.

- D. If an employee is required to perform his/her duties at a treatment plant, construction site, landfill, crime scene or any designated hard hat area, safety clothing and protective devices shall be provided by Management when Management or local, State or Federal safety laws or regulations require that such clothing or devices be worn. Employees who are provided such safety clothing and protective devices shall wear such clothing and devices at all times in the designated area where it is required by Management and/or by local, State, or Federal safety laws or regulations. Such safety clothing and protective devices may include, but not be limited to, hard hats, gloves, goggles, shoes, fire and chemical retardant jackets or smocks, and high visibility vests, depending on the duties to be performed. Employees who are provided such safety clothing and/or protective devices shall ensure to the fullest extent possible that it is not lost, stolen, or damaged beyond that damage which is experienced in normal usage. The Union will encourage all members of the unit to utilize said safety clothing and devices to the fullest extent possible.

ARTICLE 4.2 PERSONNEL FOLDERS

An employee shall be entitled to review the contents of any of their departmental personnel folder(s) at reasonable intervals, upon request, during normal business hours of the department, office or bureau.

No evaluatory or disciplinary document may be placed in an employee's personnel file without their review and a copy of the document presented to them for their records. The employee shall acknowledge that they have reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.

A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written request of an affected employee if the affected employee has not been involved in any subsequent related incidents that resulted in written corrective counseling or other Management action for a period of three (3) years from the date the most recent notice was issued or Management action taken. Upon an employee's in-person review of personnel folder, management shall provide written confirmation of removal of notice.

Pursuant to the above paragraph, those documents which have been either removed from the personnel file or sealed shall be only made available upon subpoena or other appropriate legal request.

An employee may file a written response/rebuttal to any document placed in their personnel file, and that written response/rebuttal shall be attached to that document in the personnel file.

ARTICLE 4.3 REST PERIODS

- A. Each employee shall be granted a minimum fifteen (15) minute rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.
- B. Management reserves the right to suspend any rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 4.4 PERFORMANCE EVALUATIONS

- A. The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period and during the same time frame having been directly involved with the employee in the daily work assignments that the employee is to be evaluated on. If the employee has worked under more than one supervisor for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.
- B. A performance evaluation shall not include a substandard rating, i.e., "Improvement Needed" or "Unsatisfactory," that had not been previously communicated to the employee and documented during the rating period in question, including specific and job-related underlying reasons for the alleged performance deficiency and recommended action to make the needed improvement.
- C. An annual performance evaluation that has been appealed or grieved shall be retained in Department files for up to a maximum of three hundred and sixty (360) calendar days or until the appeal or grievance is resolved, whichever is greater. At that time, the original signed/acknowledged document will be placed in the employee's Personnel File unless an amended document is agreed upon by both the employee and the Department. In such instance, the amended document will be placed in the employee's Personnel File and the original signed/acknowledged document shall be destroyed.

ARTICLE 4.5 CREDIT FOR TRAINING

- A. Whenever Management approves, an employee may be permitted to assume tasks which are outside the scope of the normal duties of their position, for the purpose of gaining experience in the performance of duties in higher level positions or learning to operate such City equipment as is used by their department in order to gain work experience on such job or equipment. A qualified person shall be designated and shall be available to instruct and supervise the employee in the

performance of such tasks or in the safe and proper operation of said equipment. Any dispute concerning the person's qualifications to instruct and supervise shall be decided by the employee's Departmental Management Representative.

B. If the employee requests:

1. The employee and their supervisor will jointly log the successful performance of such tasks on a form provided by Management. The form will be kept updated; and,
2. The employee's department will provide confirmation of such performance on a form titled "Verification of Work Experience" (Personnel Department form PD 21R #11-74), so that it may be utilized by the employee whenever such verification is required to establish eligibility to take an examination.

ARTICLE 4.6 WORK SCHEDULES

A. Work Schedules

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. For employees working a rotating shift schedule or employees covering a seven (7) day operation, the workweek shall average forty (40) hours and at least two (2) consecutive rest days per week, exclusive of holidays, except in weeks where a shift change occurs. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA.

Eight (8) consecutive hours of work shall constitute a day's work for shift employees.

Employees shall have a minimum of twelve (12) hours off before the start of the next work shift. Any time worked during said minimum twelve (12) hours off is considered overtime and shall be compensated at the overtime rate for the class as established by this MOU. There shall be no pyramiding of overtime (i.e., compensation shall not be paid more than once for hours worked).

Overtime shall be computed in accordance with FLSA and this MOU (See Article 5.1, Overtime) for all bargaining unit employees.

B. Alternative Work Schedules

Management may assign or employees may request to work a four/ten, five/forty, nine/eighty or other work schedule, including but not limited to non-consecutive

days off, provided that such assignment is not arbitrary, capricious or discriminatory.

Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA work week, providing that the change is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. No employee shall be required to work a four/ten schedule against their will.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

Employees on a four/ten work schedule shall work ten hours per day for a four-day work week (or twelve hours per day for a three-day work week in the Information Technology Agency only) exclusive of lunch periods. Employees shall be entitled to rest periods in accordance with the provisions of Article 4.3, Rest Periods. Employees shall be compensated for forty (40) hours per week at the regular hourly rate for their class and pay grade.

Employees who work on a four/ten, nine/eighty or three/twelve work schedule may be required to work overtime on Saturday rather than on their day off which falls within the week. Employees who work on a schedule other than five/forty shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as an employee on the five/forty schedule.

The City reserves the right to develop 26-week/1040 hours or 52-week/2080 hours work periods under FLSA Section 7(b) [29 USC §207(b) (1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the ERB.

ARTICLE 4.7 DEPLOYMENT PERIOD (POLICE DEPARTMENT)

Notwithstanding the provisions of Sections 4.108 (Regular Hours of Work) and 4.113 (Overtime) of the Los Angeles Administrative Code to the contrary, employees in this Unit who are employed in the Police Department shall have a work schedule consisting of twenty (20) days of work in each twenty-eight (28) day deployment period. Such day may be eight (8) hours, seven and one-half (7.5) hours, or seven (7) hours as determined by the Chief of Police.

Said twenty (20) days of work or the equivalent number of days for an alternate work schedule may be scheduled at such time during two (2) biweekly pay periods as the Chief of Police may direct.

This Article shall not be construed to prohibit the implementation of flexible work schedules.

ARTICLE 4.8 72-HOUR WORK SCHEDULE

Notwithstanding Section 4.108(a) of the Los Angeles Administrative Code, whenever a full-time employee voluntarily reduces the number of their biweekly regular work hours from 80 to a number not less than 72 at the request and or with the permission of their department, office or bureau such employee shall be credited with the same rights and benefits as though they worked 80 hours in the payroll period. The employee shall not be credited for overtime worked until more than forty (40) hours have been worked in the workweek. Compensation received under the circumstances herein provided shall be considered full compensation for all employees participating in such voluntary work hour reduction.

ARTICLE 4.9 TELECOMMUTING

The Union and Management acknowledge the City of Los Angeles Telecommuting Program (C.F. #93-2250), and that employees of this Unit may be considered for eligibility by management of their respective departments/bureaus in accordance with the Telecommuting Action Plan (TAP), found on the internet here: <https://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=93-2250>

Both parties agree to comply with this Plan, the provisions of which shall be superseded by any modifications adopted by the Joint Labor/Management Committee on Employee Parking and Transportation Options or other body so authorized to make such modifications.

ARTICLE 4.10 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow any employee to modify their work schedule in any one workweek, for personal business, except for changes on the 9/80 day off or the split day. Subject to the approval of Management, such time off shall either be made up in full in the same workweek, or charged against the employee's accrued and unused vacation credits on an hourly basis.

This Article shall not apply to salaried employees, as defined in Article 5.1, Overtime.

ARTICLE 4.11 PROCUREMENT OF MATERIALS

At no time shall any Unit employee be required to use their own money to purchase parts or materials used to repair or maintain City vehicles or equipment, or for any other City-related purpose regardless of whether such money is intended to be reimbursed. Examples include but are not limited to (1) parts or materials used in vehicle repairs (not including tools), (2) field or office supplies, and (3) consumables.

Parking fees and road tolls shall be paid by the employee and reimbursed by the employing department.

ARTICLE 5.0 COMPENSATION

ARTICLE 5.1 OVERTIME

A. Distribution of Overtime

Management will assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from their supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited.

B. Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, FLSA Non-Exempt employees required to work will be given at least a forty-eight (48) hour notice.

C. Rate and Methods of Compensation – FLSA Non-Exempt Employees

1. Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek, including all absences with pay authorized by law. Compensation for employees in this unit, who are employed in a class or pay grade, if the class has multiple pay grades, with a top step biweekly rate, without bonuses (with the exception of the Project Manager bonus) at or below the top step regular biweekly rate for the class of Shift Superintendent Wastewater Treatment I shall, be in time off at the rate of one-and one-half (1.5) hours for each hour of overtime worked; or in at one-and-one-half (1.5) times the employee's regular rate of pay. The method of overtime compensation shall be at the discretion of management.

2. Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to eighty (80) hours of compensated time off (CTO). Occasionally, employees may accumulate CTO in excess of eighty (80) hours for a temporary period of time, not to exceed an additional fiscal year. If an employee does not schedule and take CTO over eighty (80) hours prior to the end of the fiscal year, Management may require the employee to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of eighty (80), Management may extend the time limit for use or payment of the excess hours for a period not to exceed one additional fiscal year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO for overtime worked must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period would unduly disrupt the operations of the City department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime.)

Under no circumstances shall compensated time off in excess of two-hundred forty (240) hours be accumulated.

D. Salaried Employees

1. Employees in this unit who qualify for exemption from the FLSA overtime provisions based upon duties and who are assigned to a class or pay grade, if the class has multiple pay grades, with a top step regular biweekly rate, without bonuses, above the top step regular biweekly rate for the class of Shift Superintendent Wastewater Treatment I shall be treated as salaried employees, in accordance with the provisions of the FLSA as identified in Los Angeles Administrative Code section 4.113(b).

Salaried employees may be assigned 5/40, 4/10, 9/80 or other schedules at the discretion of Management. Notwithstanding any LAAC and MOU provisions, or other City department rules and regulations to the contrary, these employees shall not be required to record specific hours of work for compensation purposes, although hours may be recorded for other purposes. Salaried employees shall not be subject to disciplinary suspension for a period of less than a workweek (seven days; half of the biweekly pay) unless based on violations of a safety rule of major significance. This requirement shall be superseded by the revised Department of Labor FLSA regulations pertaining to disciplinary suspensions of FLSA-exempt employees on the operative date of the FLSA regulations.

The appointing authority of each City department may grant time off for hours worked due to unusual situations.

2. In lieu of time off, the appointing authority may, with the approval of the Mayor, grant additional compensation when an employee is assigned by Management to work additional hours outside of an employee's regular work schedule, in increments of a full day (8 hours), in unusual situations (e.g., earthquake, flood, sewage spills, emergency construction response, etc.). Compensation for each additional day shall be an amount equivalent to 4.6 percent of the monthly rate of the employee's appropriate step rate, as indicated in the appropriate salary appendix.

ARTICLE 5.2 OVERTIME MEAL ALLOWANCE

for-hour overtime. The time of Call Back pay starts at the time that the employee is notified or when it is determined that returning to the work location is required.

B. Remote Access

Whenever an employee is required to perform job-related tasks either remotely or off-site or to troubleshoot, the employee shall receive compensation of no less than one (1) hour at the appropriate hourly rate. ARTICLE 5.4 ACTING PAY ASSIGNMENT

Effective July 1, 2015, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

A. Absence at Higher Level Position

Effective March 24, 2024, the following provisions in Article 5.4 A. shall be implemented. Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) cumulative working days within a twelve-month period in such assignment at their regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 11th cumulative working day in such assignment.

Each subsequent acting assignment following the employee's return to their regular assignment shall not require completion of a new qualifying period.

The provisions below in Article 5.4 A. expire on March 23, 2024, and are replaced with the provisions above.

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive working days in such assignment at their regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin

on the 11th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of assignment.

Approved leave time off taken during a qualifying period shall extend the 10-day (or 80 hour) qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to their regular assignment shall not require completion of a new qualifying period.

B. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

C. Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment and shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

At the Union's request, Management will provide a list of employees in acting positions on a yearly basis. The list will include: name of employee; date of appointment to acting position; department; assigned class; acting class.

D. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at two (2) premium levels above the appropriate step on the salary range prescribed for their class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned.

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

ARTICLE 5.5 OUT-OF-CLASS ASSIGNMENTS

A. Definition

It is the intent of Management to avoid working an employee on an out-of-class assignment. An out-of-class assignment is defined as any assignment requiring substantial work in a higher level position which is not usually included within the scope of the duties and responsibilities as defined by the class specifications for the class to which the assigned employee's regular position is allocated.

B. Waivers and Exceptions

1. Nothing in this Article shall be construed as limiting Management's authority to make temporary assignments of qualified personnel during emergencies or unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.
2. Whenever an employee performs duties outside of the normal duties of their position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by the employee. Management shall designate a knowledgeable person to supervise said training or experience.

C. Rate of Pay

An employee temporarily assigned higher level duties under the provisions of an out-of-class assignment will continue to receive the rate of pay for their regular classification and pay grade, unless or until they have been appointed to a higher classification or pay grade, except as provided in Article 5.4, Acting Pay Assignment. In the event that said assignment exceeds thirty (30) consecutive calendar days, Management will initiate a request to provide the higher level position authority, or initiate action to appoint a qualified employee to said position.

ARTICLE 5.6 MILEAGE

Each employee that is authorized to use their own vehicle, pursuant to Division 4, Chapter 5, Article 2 of LAAC, in the performance of their duties shall be reimbursed for transportation expenses for all miles traveled in any biweekly period, in addition to any and all salaries and other compensation otherwise provided for by law at an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service (IRS). The CAO shall certify to the Controller appropriate changes, if required, to become effective at the beginning of the first full pay period in which the IRS reimbursement rates change is effective.

Notwithstanding Section 4.231 of the LAAC, employees authorized to use their personal vehicles pursuant to Section 4.229 of the LAAC who are required by Management to bring the vehicle to work shall receive a minimum payment of 10 miles per day, regardless of whether the vehicle is driven for City business.

ARTICLE 5.7 EARLY REPORT PAY

A regularly assigned FLSA non-exempt (non-salaried) employee who is required to report earlier than their regularly-scheduled starting time for the convenience of their department, office or bureau, shall receive time and one-half (1.5) their regular hourly rate of pay for each hour of work performed prior to their regularly scheduled starting time. Such compensation may be made in either cash or compensatory time off at the discretion of Management.

Management maintains its authority to retain employees who are called in before the start of their regular starting time for their full, regularly scheduled shift. Hours worked prior to an employee's regularly scheduled starting time qualify the employee to receive Early Report Pay. Consistent with any department procedures that may exist, employees may or may not be retained beyond eight hours, subject to operational needs.

In the event an employee receives Early Report Pay and is required to work their full regularly scheduled shift in addition to the Early Report Pay hours, the employee shall not receive overtime for working their full, regular shift. Prescheduled shift adjustments with at least a forty-eight (48) hour notice do not qualify for Early Report Pay.

Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser family rate ("maximum monthly health care subsidy") per full-time employee toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS). During the term of this MOU, Management's monthly health care subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly health care subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management will apply the subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

Management agrees to contribute for each half-time employee, as defined by Section 4.110 of the LAAC, who became a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of their Civilian Employee Benefits Program medical plan. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article. Adjustments in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Full-time employees who work a temporary reduced schedule under the provisions of Article 6.8 Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee

shall not be eligible for such subsidy, notwithstanding their status as a member of LACERS.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans.

Section II – Dental Plans

The dental plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding their status as a member of LACERS.

However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of their converted shift that they are not required by the court to perform jury service.

The appointing authority may grant to elected officers or appointed representatives of the Union time off for employee organization representation activities. Release time under this Article shall be allowed for no more than one (1) employee in a department or Public Works Bureau, with a total of eleven (11) employees for all bargaining units (4, 8, 14, 15, 17, 18, 36, 63 and 64).

- A. The Union shall submit a written request for release of an employee to that employee's Department Management, which shall include a list of all employees currently on release time for these Units. Such request shall be submitted at least 21 calendar days prior to the effective release date, specifying the starting and ending dates of release. The Union shall provide a copy of said request to the CAO. The employee shall fill out any necessary paperwork required by Management for their release.
- B. Whenever operationally feasible, the Department shall grant the time off request. When it is not possible to immediately grant the request, the Department shall provide an explanation in writing and specify a date when the employee can be released.
- C. Release time shall be granted for a maximum of one year in any three-year period unless additional release time is approved by the CAO and the affected departments.
- D. Employees shall be paid the employee's current salary by the City while the employee is performing these duties for the Union.
- E. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.

- F. The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the CAO as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the JLMBC that become effective during this period.
- G. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- H. The CAO shall bill the Union and Union shall make payments to the CAO of all reimbursable costs identified in Section F above.
- I. An employee on release time shall submit weekly timesheets signed by the employee and the Union (General Manager or their designee) to their respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- J. Should an employee incur a work-related injury while on release time, they shall remain on release time with the Union during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the eleven (11) employee maximum, as provided for above. The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- K. When the employee returns from release time, they shall return to their civil service classification and pay grade at the time of release.
- L. The employee must have passed probation in their current class to be eligible for release time.
- M. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.

The CAO shall maintain a list of employees who have been approved for release time and the approved duration.

LETTER OF AGREEMENT
BETWEEN THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

A. PARTIES

This Agreement is made and entered into by and between the Coalition of Los Angeles City Unions (Unions) and the City of Los Angeles (City) for the following Memoranda of Understanding (MOU) for bargaining units 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 34, 36, 37, 63, and 64.

B. PURPOSE

The purpose of this Agreement is to establish a procedure for access to City new employee orientations by the exclusive representative of newly hired employees. This Agreement supersedes any MOU language or prior practice with regard to new employee orientations. Nothing in this Agreement is intended to delay, impede, or otherwise interfere with any City hiring process.

C. TERM

This Agreement has been executed by the parties on the day, month, and year written above and shall continue until such time as the parties cancel or negotiate otherwise.

D. AMENDMENTS, MODIFICATIONS, OR OTHER CHANGES

The parties recognize the need to update this Agreement as the City automates and centralizes its new employee orientation process and as changes in employer culture occur. In the event either the Unions or the City desire(s) to amend, modify, or make any other changes to this Agreement, that party shall submit to the other, written notice of its desire to meet and confer. Meet and confer sessions shall begin no later than thirty (30) calendar days following receipt of the written notice or another date mutually agreed upon by the parties. If the parties are unable to reach agreement within thirty (30) calendar days, the matter shall be subject to the provisions of California Government Code Section 3557.

E. ENFORCEABILITY

The parties mutually agree that the intent of this Agreement is to ensure compliance with the provisions of State law requiring an employer to provide the exclusive representative ten (10) calendar days' of notice and mandatory access

to the employer's new employee orientations. To that end, the parties agree to the following resolution for insufficient notice and a failure to provide union access.

If the City fails to provide sufficient notice to the Union(s), except where allowed under this Agreement, and/or fails to provide Union access to the City's new employee orientations, and/or fails to provide release time in accordance with the provisions of this Agreement:

1. The Union and employing department shall discuss and arrange a new date and time for Union access. The discussion between the Union and employing department shall occur no later than one (1) day following the initially scheduled new employee orientation.
2. The Union and employing department shall mutually agree to a make-up date for Union access. Union access to new employees shall be provided not more than five (5) business days from the initial new employee orientation date or some other date mutually agreed upon by the Union and employing department.
3. After mutual agreement on a make-up date, the employing department shall confirm in writing to the Union the new union access date, time, and location.
4. The employing department shall require the subject new hires to attend the Union's presentation on the make-up date.
5. If a dispute remains after implementation of this provision or for any other matters relating to this Agreement, the parties agree that they may advance a grievance directly to the step just prior to arbitration, and continue processing in accordance with the applicable MOU grievance and arbitration provisions.

F. DEFINITIONS

For purposes of this Agreement, the following terms shall have the following meanings:

Union or Exclusive Representative – A qualified employee organization or joint council of qualified organizations which has been certified by the Employee Relations Board as the majority representative of employees in an appropriate employee representation unit in accordance with the provisions of Los Angeles Employee Relations Ordinance Section 4.822.

New Hire – Any new employee who is new to each Union regardless of job status (e.g., full-time, part-time, temporary, etc.).

New Employee Orientation – The onboarding process of a newly hired City employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

G. UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

1. The City shall provide the Union access to new employee orientations:
 - a. within thirty (30) calendar days of placing a new hire on the City payroll; or,
 - b. within forty-five (45) business days of the physical start date of a new hire; or,
 - c. on some other date and time mutually agreed upon by the Union and employing department.
2. Attendance at a new employee orientation by all new hires shall be mandatory.

H. NOTICE OF NEW EMPLOYEE ORIENTATION

1. The City shall provide written notice of new employee orientations to the impacted Union(s) no less than ten (10) calendar days prior to the event, regardless of the number of employees. [A single new hire is sufficient to require notice to the Union(s).]
2. Shorter notice than ten (10) calendar days may be provided to the Union(s) by the City in instances where there is an urgent hiring need critical to City operations that was not reasonably foreseeable, and where an employing department is awaiting the results of pre-employment information upon which hiring is contingent. This provision shall not be construed to regularly permit notice of less than ten (10) calendar days.
3. The written notice shall contain the anticipated number of new hires, their job class code and title, work location, and bargaining unit number and the designated time for the Unions' presentation.

I. UNION PRESENTATION DURING NEW EMPLOYEE ORIENTATION

1. Representatives of the Union shall be permitted to make a presentation of not more than thirty (30) minutes, and to present written materials during this period.

2. If more than one Union is presenting during a new employee orientation, not more than a total of thirty (30) minutes will be permitted for the Unions to use collectively.
3. Management will continue its practices of the dissemination of Union information to each new employee in accordance with applicable MOU provision(s), and any additional Union materials may be provided by the Union during the presentation.
4. Management shall determine the appropriate segment of the orientation for the Union presentation.
5. Both Union and Management representatives shall not interfere with the presentation of the other and shall at all times conduct themselves in a professional manner avoiding and refraining from any conduct that would tend to disparage the other during any new employee orientations.

J. RELEASE TIME FOR UNION STEWARDS TO ATTEND NEW EMPLOYEE ORIENTATIONS

1. At the request of the Union, paid City time off (release time) shall be granted for a union steward of record to participate in the Union presentation segment of a new employee orientation. The release time shall be granted for a maximum of thirty (30) minutes, not including reasonable travel time, during those hours that coincide with the union steward's regular work shift. The same union steward of record shall participate in no more than two (2) new employee orientations per month unless the employing department holds more than two orientations per month or permits otherwise.
2. Only one (1) union steward of record per individual Union shall be released to participate in a new employee orientation. The union steward shall be an employee of the employing department for which the new employee orientation is provided unless the parties agree otherwise.
3. Permission to leave work shall be granted by the employing department unless the absence would cause an undue interruption of work. If permission cannot be granted, the employing department shall provide the Union an alternative presentation date and time that is not more than five (5) business days beyond the initial new employee orientation date. This date will be specifically reserved for Union presentation up to the time limits prescribed in this Agreement. All new hires present for the initial new employee orientation shall be notified of the special date and time of the Union presentation and shall be required to attend on City time.

4. Union stewards shall not receive overtime for participating in or performing activities associated with the union presentation segment of any new employee orientation.
5. The Union shall provide the CAO with a written list of a reasonable number of employees who have been designated Union Stewards and revised lists within thirty (30) calendar days of any changes in these designations. The union stewards must be members of the Union.

PART-TIME EMPLOYMENT

WHEREAS, the Coalition of Los Angeles City Union (Coalition) and the City of Los Angeles (City) continue to engage in extensive discussions regarding the City's hiring and use of part-time (intermittent and half-time) employees; and,

WHEREAS, the Parties reaffirm that the use of intermittent employees should be limited to operational necessity where permanent full-time or half-time employment status is not feasible or regularly available, such as in emergencies, disasters or seasonal work; and,

WHEREAS, the City encourages and supports maximizing full-time hiring and scheduling.

THE COALITION AND THE CITY HEREBY AGREE AS FOLLOWS:

1. The Parties reaffirm the MOU provision that intermittent part-time employees shall qualify for half-time status benefits, shall be certified to LACERS, and shall be eligible to receive pro-rated benefits as of their date of hire after 1,000 compensated hours in one service year.

Additionally, the Parties agree that intermittent employees who transition to half-time who have accrued Compensatory Personal Time Off (CPTO) and/or Paid Sick Leave in accordance with Section 4.110.1 of the Los Angeles Administrative Code shall be allowed to carry over into their 100% sick leave bank a maximum of 48 hours of unused CPTO, Paid Sick Leave, or any combination of such unused time upon their designation to half-time status. 2. The parties shall convene a joint labor management committee to address part-time issues, including but not limited to: aligning contract language among the Coalition units, where applicable; assisting impacted City departments in identifying the best methods for using part-time employees; and addressing any possible misunderstandings about the available resources for part-time employees.
3. Agreed upon changes to existing MOU language shall be reflected in amendments to the relevant MOUs, where applicable. Additional provisions to the MOU shall be reflected in a side letter between the parties.

4. The City shall follow the provisions of Mayoral Executive Directive No. 15 that directs City departments to limit the use of intermittent employees to operational necessity and maximize opportunities for full-time employment.

6. The Parties shall explore and establish a mechanism(s) for assisting interested part-time employees in obtaining full-time employment with the City.
7. The Parties mutually agree upon a regular meeting schedule and shall begin meeting no later than 90 days after City Council adoption of the Coalition MOUs and continue meeting until June 30, 2021. Thereafter, the Parties may mutually determine if an additional meeting(s) is necessary.

LETTER OF AGREEMENT
BETWEEN
THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

RELEASE TIME PILOT PROGRAM

The City of Los Angeles has determined there are specific Union activities that confer a public benefit for which bargaining unit members (Released Employees) of the Coalition of Los Angeles City Unions (Coalition) should be released from their official duties (City work) in order to perform the specific Union activities. The Coalition agrees to ensure performance, supervise, and manage the activities of the Released Employees. Full-Time and Part-Time employees shall be eligible to be designated as a Released Employee.

The parties agree that during the term of the 2018-2021 MOU, a reasonable number of bargaining unit members shall be designated by individual Coalition Unions for the purpose of directly communicating, sharing, and collecting information from all bargaining unit members. Furthermore, as a means of controlling administrative and litigation costs associated with employee matters in a large and complex City, and with the goal of resolving matters at the earliest possible stage, Released Employees will assist bargaining unit employees, the Union, and Management during the following processes and procedures:

1. Union approved work-site meetings of the bargaining unit membership.
2. Membership meetings in order to assist with communicating issue(s) relevant to the work-force.

Reporting and Accountability of Released Employee Time

In order to ensure the City maintains control over public resources, a designee of each Coalition Union will notify Management in advance in writing of the need to release an employee and confirm the employee has been released. The Union shall provide advance notice no less than 48 hours prior to the commencement of union release time.

Each Coalition Union shall designate employees and notify Management in advance in writing when a Released Employee is designated by the Union. The designated employees shall be released for only the time necessary to bring about the efficient outcome(s) contemplated in this Agreement and/or identified going forward. Permission to leave official duties (City work assignment) will be granted unless the absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Union will be informed when time can be made available. Release of an employee shall not be unreasonably withheld.

The payroll code "UB" shall be entered for all release time used under this Program. No employee shall be paid overtime or accrue Compensated Time Off (CTO) while released under this Program.

Bank of Hours

Each Union shall be afforded a bank of hours equaling two (2) hours for each full-time bargaining unit member and one (1) hour for each part-time bargaining unit member.

The total number of calculated release time hours for each Union in accordance with this Agreement is as follows:

Union	Total Hours/ Calendar Year
AFSCME	15,566
SEIU	20,351
LIUNA	1,656
Building Trades	2,216
IUOE	582
Teamsters	360

The bank of hours shall reset July 1st of each year and not carryover or be shared between Unions. Unused hours shall be deemed waived and lost. This provision shall remain in full-force and effect during the term of this MOU.
