Subject: **TECHNICAL CORRECTION TO THE 2015-2018 MEMORANDUM OF UNDERSTANDING FOR THE BUILDING TRADES RANK AND FILE UNIT (MOU 2)**

The following technical corrections are being made to Salary Notes C-1 and C-3 in Memorandum of Understanding No. 2 for the Building Trades Rank and File Unit.

SALARY NOTES

- C-1. **Any** Communications Electrician, Code 3686, or Senior Communications Electrician, Code 3638, when regularly assigned to the Public Safety Dispatch Section **of LAPD**, shall receive one additional premium level in addition to all other compensation per pay period. Pensionable.
- C-3. An employee in the class of Senior Communications Electrician, Code 3638, when regularly assigned responsibility for the work of subordinate employees in the Metropolitan Communications Center or the Systems Monitor Operator Console at the **LAPD** Metro and Valley Dispatch Centers, said employees will be compensated in the amount of forty five dollars and seventeen cents (\$45.17) per pay period. Pensionable.

The above corrections will enable the Los Angeles Police Department to correctly compensate the employees who are now employed by that department rather than by ITA.
