Subject: **TECHNICAL CORRECTION – MOU 39**

The 2014-2018 Memorandum Of Understanding (MOU) between the City of Los Angeles and the Airport Supervisory Peace Officers Unit (MOU 39) contains the following technical error that requires correction:

Appendix F and Appendix G

Note 6 Airport Police Sergeants—Canine Unit

Whenever a Unit member employed as an Airport Police Sergeant is regularly assigned full-time to the canine unit and directly supervises an Airport Police officer or officers assigned a canine, the Airport Police Sergeant shall receive addition compensation of 5.5% above his/her corresponding step rate. If the Airport Police Sergeant is transferred from the canine unit or placed on loan to another unit, regardless of duration, the member shall no longer be eligible for the bonus. This canine bonus is an “adds to pay rate” bonus and is ~~not~~ pension based.

The above change has been incorporated into a revised version of the current MOU. Because this error was inadvertent and clerical in nature, it is considered a technical correction only which is permissible under the City Council’s action in adopting the MOU.

If you have any questions regarding the above, please contact Paul Girard telephonically at (213) 978-7638 or electronically at paul.girard@lacity.org.
