SECTION 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

- A. On June 24, 1982, the Los Angeles Airport Peace Officers' Association ("Association") was certified by the Employee Relations Board ("ERB") as the certified representative of employees in the Airport Peace Officers' Unit ("Unit"). Accordingly, the City of Los Angeles ("City") hereby recognizes the Association as the exclusive representative of the employees in said Unit in accordance with the provisions of Los Angeles Administrative Code ("LAAC") Section 4.822.
- B. The term "employee" or "employees" as used herein shall refer only to an employee or employees employed by the City in one of the classifications listed in the salary appendices of this Memorandum of Understanding ("MOU"), as well as such classes that may be added hereafter by the ERB.

ARTICLE 1.2 PARTIES TO THIS MEMORANDUM OF UNDERSTANDING

This MOU is entered into between the City Administrative Officer ("CAO") as the authorized management representative of the City and the authorized management representatives of the Airport Department (collectively referred to as "Management") and the Association as the authorized representative of the Unit.

ARTICLE 1.3 IMPLEMENTATION OF THIS MOU

- A. This MOU constitutes a joint recommendation of Management and Association, and shall not be binding in whole or in part on the parties unless and until:
 - 1. The Association has notified the CAO in writing that it has approved this MOU in its entirety, and,
 - 2. The City Council has approved this MOU in its entirety.
- B. Where resolutions, ordinances, or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances, or amendments will become operative on the effective date of the resolutions, ordinances, or amendments unless otherwise specified.

ARTICLE 1.4 FULL UNDERSTANDING

- A. Management and the Association acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that agreements contained in any prior or existing MOU are hereby superseded or terminated.
- B. The parties mutually understand and agree that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with implementation provisions of this MOU.
- C. The waiver or breach of any term or condition of this MOU by any party hereto shall not constitute a precedent in the future enforcement of any of its terms and provisions.
- D. The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions of its effectiveness, in accordance with implementation provisions of this MOU, are fully met, but in no event shall the provisions of this MOU become effective prior to 0000 hours on July 1, 2014. This MOU shall expire and otherwise be fully terminated at 2359 hours on June 23, 2018.
- B. Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligations under the provisions of Article 1.6 of this MOU to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR A SUCCESSOR MOU

Prior to the expiration of this MOU, the Association or Management shall call for and the parties shall schedule meet and confer sessions to discuss a successor MOU. The first meet and confer session shall begin no later than 90 calendar days prior to the expiration of this MOU, unless the parties mutually agree otherwise.

ARTICLE 1.7 OBLIGATION TO SUPPORT

The parties agree that prior to the implementation of this MOU and during the period of time it is being considered by the Mayor, City Council, Council Committees, and/or the head of the department represented herein for action, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council Committees or said department heads, nor meet with the Mayor, members of the City Council, and/or said department heads to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, City Council, Council Committees, or department heads, nor meeting with individual members of the City Council or department heads to advocate or urge the adoption and approval of this MOU.

ARTICLE 1.8 PROVISIONS OF LAW AND SEPARABILITY

- A. The parties to this MOU mutually understand and agree that this MOU is subject to all applicable Federal and State Laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, the ERB, or similar independent commissions of the City. If any part or provision of this MOU is found to be in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations and the remainder of this MOU shall not be affected thereby.
- B. If any term of provision of this MOU is found to be in conflict with any City, State, or Federal law, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.9 ACTIONS BY EMPLOYEE RELATIONS BOARD

If the ERB takes any action(s) prior to the expiration of this MOU that results in any significant change(s) to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.10 MANAGEMENT-ASSOCIATION MEETINGS

At the request of the President of the Association (or his/her designee) or the Management Representative of the department(s) responsible for the implementation of this MOU, meetings may be scheduled at reasonable intervals for the purpose of informally discussing potential employer-employee relations issues.

ARTICLE 1.11 MANAGEMENT RIGHTS

- A. Responsibility for management of the City and direction of its work force is vested in City officials and department heads whose powers and duties are specified by law. In order to fulfill this responsibility, City management has the exclusive right to: determine the mission of its constituent departments, offices, and boards; set standards of services to be offered to the public; exercise control and discretion over the City's organization and operations; select, promote, transfer, and/or discipline employees; relieve City employees from duty because of lack of work or other legitimate reasons; determine the methods, means and personnel by which the City's operations are to be conducted; take all necessary actions to maintain uninterrupted service to the community; and, execute its mission in emergencies. All management rights not specifically waived or addressed herein are retained by Management. However, the exercise of these rights by Management shall not preclude employees or their representatives from consulting or grieving about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.
- B. Department management has the authority to transfer and assign employees of the department. Nothing contained in this Article shall be deemed to amend the Articles in Section 3, Grievances.

ARTICLE 1.12 CITY-ASSOCIATION RELATIONSHIP

- A. Continuity of Service to the Public

The City is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. As such, the obligation to maintain these public services is hereby imposed both upon the City and the Association.

- B. Mutual Pledge of Accord

- 1. Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and the obligation of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.

2. The purpose of this MOU is to promote and ensure harmonious relations, cooperation, and understanding between the City and the Unit members represented by the Association and continuity of service to the public, and to establish and maintain proper standards of wages, hours, and other terms and conditions of employment.

C. No Strike—No Lockout

In consideration of the mutual desire of the parties to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City stipulates that there shall be no lockout, or the equivalent, of members of the Association, and the Association and its members stipulate that there shall be no strike or other concerted action, including sympathy strikes, resulting in the withholding of service by the members during the term of this MOU. Should such a strike or concerted action by Association members occur, the Association shall immediately instruct its members to return to work. It is mutually understood and agreed that the City has the absolute right to impose discipline and, in that regard, shall have the right to take disciplinary action, including discharge, against any employee who participates in any manner in any strike or slowdown, withholding of services, picketing in support of a strike, or other concerted action. In the event of a strike or similar job action, any member who does not immediately report to work after receiving instruction to do so by the Association shall forfeit his/her rights under this MOU. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.

- D. The provisions of this Article shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppage by public employees.

SECTION 2.0 ASSOCIATION SECURITY/EMPLOYEE RELATIONS

ARTICLE 2.1 NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any employee because of race, color, religion, national origin, sex, age, disability, marital status, sexual orientation, creed, ancestry, medical condition, Acquired Immune Deficiency Syndrome (AIDS) - acquired or perceived, political beliefs, union activity, LGBT identity, or retaliation for having filed a discrimination complaint.

ARTICLE 2.2 NOTICE OF CHANGES IN WORK RULES

- A. Whenever written departmental working rules are established or changes are made to existing written departmental working rules which affect conditions of employment, Management shall, prior to the proposed implementation date, notify Association in writing and offer the opportunity for the Association to meet and consult with Management on the changes.
- B. Nothing contained in this Article shall be construed as a limitation of the right of Management to implement new written departmental working rules or make changes in such existing rules in cases of emergency. However, when new work rules or changes to existing work rules must be adopted immediately without prior notice to the Association, notice shall be given to the Association and an opportunity for consultation shall be made available to the Association at the earliest practical time following the adoption of such new work rules or changes in existing written department work rules.
- C. The Association agrees to notify Management promptly of its intent to exercise its rights granted under this Article.

ARTICLE 2.3 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will email to the Association copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Examining Division of the Personnel Department will be emailed two calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.
- B. Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period. Each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time to or from their place of employment, if occurring during normal work hours.

ARTICLE 2.4 WORK ACCESS

- A. An authorized Association representative shall have access to City facilities or work sites during working hours for the purpose of assisting employees covered under this MOU relative to their identified role in addressing grievances when such Association assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this MOU. Said representative shall request authorization for such visit by contacting a designated Management representative of the department, office, or bureau for the work site. In the event immediate access cannot be authorized, the designated representative shall inform the Association representative as to the earliest time when access can be granted.
- B. The Association shall provide Management a written list of its authorized Association representatives, which shall be kept current by Association.
- C. This Article shall not be construed as a limitation on the power of Management to restrict access to areas designated as secure or confidential.

ARTICLE 2.5 USE OF CITY FACILITIES

- A. The Association may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time.
- B. The parties mutually agree that if the use of a facility requires a fee for rental or special set-up, security, and/or cleanup service, the Association will provide or assume the cost of such service(s) or facility.

ARTICLE 2.6 BULLETIN BOARDS

The Department of Airports shall provide a bulletin board or reasonable dedicated space at each work location for use by the Association. All official communications from the Association shall be posted in the space provided. The Association shall clearly print a removal date on all posted materials. Management shall have the right to remove any material that is believed to be inappropriate for placement in the workplace.

ARTICLE 2.7 AGENCY SHOP

A. Dues/Fees

1. Each permanent employee in this Unit (who is not on a leave of absence) shall, as a condition of continued employment, become a dues paying member of this Unit, or pay the Association a service fee in an amount not to exceed periodic dues and general assessments of the Association for the term of the MOU. Such amounts shall be determined by the Association and implemented by Management in the first payroll period which starts 30 days after written notice of the new amount is received by the Office of the Controller. For the purpose of this provision, a permanent employee is defined as one who has completed six continuous months of City service from his/her original date of appointment and who is a member of the Los Angeles City Employees' Retirement System.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Association will not be accepted by the City Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. The CAO and Association shall jointly notify all members of the Unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by Management.

B. Exceptions — Religious Objections

Any employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the Association. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Association and as a condition of continued employment.

C. Management Responsibilities

1. The City Controller shall cause the amount of the dues or service fee to be deducted from 24 biweekly payroll checks of each employee in this Unit as specified by the Association under the terms contained herein. "Dues", as distinct from "service fee", shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Association by the City Controller within 30 working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees in 24 payroll periods in a fiscal year.
2. The City Controller shall also apply this provision to every permanent employee who becomes a member of this Unit within 60 calendar days of reassignment or transfer. Such deduction shall be a condition of continued employment.
 - a. The City is authorized to deduct from each Unit member membership dues and agency shop fees. This deduction will be computed at the rate of one and one-half percent (1.5%) of an Airport Police Officer II's highest step of the salary range prescribed for that class, rounded off to the nearest tenth of a dollar.
 - b. When the City Controller receives notice from the Association to change the deduction percentage rate, the City Controller is hereby authorized to change said deduction automatically in the next practical pay period following such notice.
 - c. The authorization to deduct dues and agency shop fees shall remain in effect until written notice of cancellation is given by an employee to the City Controller's Office on the appropriate form provided by the City Controller for this purpose.
3. Management will provide the Association with the name, home address, and employee identification number of each permanent employee.
4. The City Controller shall notify the Association within 60 calendar days of any employee who, because of a change in employment status, ceases to be a Unit member no longer is subject to the provisions of this Article.

D. Association Responsibilities

1. The Association shall keep an adequate itemized record of its financial transactions, which shall be made available annually to the City Clerk, and to all Unit employees, within 60 calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet, and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Association certifies to the City that it has adopted, implemented, and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put. Those procedures shall be in accordance with the decision of the United States Supreme Court in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson*, 475 U.S. 292 (1986).
3. The Association agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article. The parties mutually agree that neither any employee nor Association shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the City Controller within 30 calendar days after the date such deductions were or should have been made.

E. Rescission

1. The agency shop provisions herein may be rescinded in accordance with the procedures contained in ERB Rule 12 adopted January 11, 1982.
2. In the event this Article is overturned by the employees in this Unit, all other MOU Articles shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 2.8 RELEASE TIME

- A. During the term of this MOU, the City will permit up to a maximum of 1,000 hours per fiscal year of time off for Association Directors to participate in employee organization representation activities, subject to the following:
 - 1. Time off is requested with seventy-two hours' notice to Management.
 - 2. Management approves.
 - 3. Minimum time off taken must be in at least four-hour increments.
 - 4. Minimum staffing is not impacted.
- B. The Department of Airports shall invoice the Association on or before September 30, December 31, March 31, and June 30 of each applicable year for actual time used at the rate of \$23.75 per hour for Airport Safety Officers on a Platoon Duty work schedule and \$33.24 per hour for all other Unit members.
- C. In addition to the 1,000 per year cited above, the City may permit one Unit member elected as an Association Director ("Director") time off for full-time employee organization representation activities.
- D. The Association shall reimburse the Department of Airports the cost of all release time for the Director in the amount of \$85,000 annually, subject to the following:
 - 1. The Association shall reimburse the Department of Airports on a quarterly basis in the amount of \$21,250 on or before September 30, December 31, March 31, and June 30 of each applicable year.
 - 2. In the event the Association does not utilize the full time services of the Director, the City shall compute the amount of reimbursement not required at the end of each fiscal year at the rate of \$40.70 per hour not used and shall reduce the amount of reimbursement required from the Association and shall notify the appropriate parties.
 - 3. Failure of the Department of Airports to receive reimbursement within 45 calendar days of the quarterly due date shall constitute the immediate revocation of this provision and the immediate reassignment of the Director to regular duties for his/her current class and pay level. At the time such payment is received, this provision will become fully reinstated.
 - 4. During the period of time the Director is in the service of the Association, the Director shall not receive any accrual of vacation or sick leave credit. These benefits are the responsibility of the Association. Likewise, no deduction from either of the benefits will be made by the City.

5. No overtime for Association activities will be authorized or paid for the Director covered by this provision nor will the Director be eligible for paid premium holiday pay provided for elsewhere in this MOU. Except, however, for police activities and qualifying, overtime will be compensated in accordance with the provisions of this MOU.
6. The Director acting in the capacity of full-time employee organization representatives is a peace officer employed by the Department of Airports. As such, he/she remains subject to the rules, regulations, and Code of Conduct provisions applicable to such representatives and all benefits and responsibilities provided for under the terms and conditions of this MOU. If a Unit member is served with a notice of intended discipline that the Association believes violates LAAC Section 4.860(a)(2), the Director shall have ten calendar days to serve the Airport Police Chief with a copy of the Unfair Employee Relations Practice claim filed with the ERB regarding the matter. The Airport Police Chief will not take the contemplated disciplinary action until the ERB has adjudicated the unfair charge. The Airport Police Chief and the Association shall request an expedited proceeding. If the ERB finds the contemplated disciplinary action to be an Unfair Employee Relations Practice, the Chief will not proceed with the disciplinary action.
7. In the event that the Director serves a suspension, the Director may continue to perform his/her duties as a Director but shall not act in the capacity of a peace officer or conduct City-related business during such suspension. At the end of each fiscal year, the Department of Airports shall compute the amount of reimbursement not required for any period of suspension served by the active Director and shall reduce the amount of reimbursement required from the Association.
8. During normal daytime business hours or while conducting City-related business, the Director shall be considered for Workers' Compensation and pension benefits as an employee of the City of Los Angeles and entitled to all benefits that other Airport peace officers are entitled to under Division 4 of the Labor Code, the LAAC, and the Los Angeles City Charter in the sections and articles applicable to Airport peace officers. This provision shall not be limited to normal daytime business hours when the Director is performing the regular duties of an Airport peace officer.
9. The Association shall indemnify, defend, and hold the City and its officers and employees harmless against any and all claims, suits, demands, or other forms of liability that might arise out of or result from any action taken by the Director in the service of the Association (excluding Workers' Compensation).

10. The Director shall be required to qualify twice a year. Qualification shall be during the months of March and September on the combat range with the officer's primary duty handgun and factory ammunition.
11. Except for the provisions of Item 2 of this Article and misconduct that would warrant a paygrade reduction, when the Director returns to regular duties with the Department of Airports for any other reason, the Director shall be assigned to a position for his/her current classification and paygrade. It shall be the Department of Airports's option whether the Director is returned to a position for which there is hazard, bonus, or other special pay.
12. Refusal by Management for adequate reason is not subject to the grievance procedure.

ARTICLE 2.9 UNIT INFORMATION

Upon adoption of this MOU, Management will provide the Association access to a list of employees in alphabetical order, their first and last names, employee identification numbers, social security number, addresses, class titles, class codes, membership status, date of birth, and date of hire. All information shall be provided to the Association electronically in a file format or through a readily accessible database. The means of provision and the substance of the requisite information may be changed by mutual agreement.

SECTION 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE REPRESENTATION

- A. The Association may designate a reasonable number of grievance representatives who must be Unit members and shall provide the Department of Airports with a written list of employees who have been so designated. Management will accept changes to the list presented by the Association as they are made. An employee may select a non-City employee as a grievance representative in place of an Association Representative at the employee's own expense.
- B. A grievance representative if so requested may represent a grievant in the presenting of grievances at all levels of the grievance procedure for which the grievant and his/her representative may have a reasonable amount of paid time off. However, said representative will receive paid time off only if he/she is a Unit member, is employed by the same department as the grievant, and is employed within a reasonable distance from the work location of the grievant.
- C. If a grievance representative must leave his/her work location to represent a grievant, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the grievance representative will be informed when time can be made available. Such time will not be more than 48 hours, excluding scheduled days off and/or legal holidays, after the time of the grievance representative's request unless the parties mutually agree otherwise. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.
- D. Time spent on grievances outside of regular working hours of the employee and/or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 3.2 GRIEVANCE PROCEDURE

Section I - Definitions

A grievance is defined as any dispute concerning the interpretation or application of this written MOU or departmental rules and regulations governing personnel practices or working conditions applicable to Unit members covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

Section II - Responsibilities and Rights

- A. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee may elect to pursue the matter under either the grievance procedure herein provided or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- B. No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.
- C. The grievant has the responsibility to discuss his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented in a manner consistent with this Section in the informal discussion with his/her immediate supervisor, in all formal review levels, and in arbitration; provided, however, that such representative may not be an employee or officer of another qualified organization except with the written consent of the organization granted exclusive representation.
- D. By mutual agreement, the grievant and Management may extend the time limits between steps of the grievance procedure provided herein. Also by mutual agreement, the grievant and Management may waive one level of review from this grievance procedure.
- E. Management shall notify the Association of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and an authorized Association Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If the authorized Association Representative elects to attend said grievance meeting, he/she shall inform the head of the department, office, or bureau of his/her intention. The Association is to be notified of the resolution of all other formal grievances.

Section III - Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

- A. The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance. Said grievance shall be considered waived if not so presented to the immediate supervisor within ten calendar days following the day during which the event upon which the grievance is based occurred. Said ten calendar days may be waived by mutual consent of the parties involved.
- B. The immediate supervisor shall respond within five calendar days following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at Step 2.

Step 2 - First Level of Review

- A. If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the department, office, or bureau upon the person designated to review the grievance at Step 2 within seven calendar days of receipt of the grievance response at Step 1 or, in the absence of a response by the immediate supervisor, at the expiration of the time limit for the immediate supervisor to respond at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
- B. If such written notice is served, the management designee shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 3.

Step 3 - Second Level of Review

- A. If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the person designated to review the grievance at Step 3 within seven calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
- B. If such written notice is served, the management designee shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar

days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 4.

Step 4 - Third Level of Review

If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon his/her General Manager or designee within seven calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. If such notice is served, the grievance shall be heard by the General Manager or his/her designee. The General Manager or his/her designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance and shall render to the grievant and his/her representative, if any, a written decision within 30 calendar days from the date said arguments were submitted.

Step 5 - Mediation (optional)

- A. If the grievance is not resolved at Step 4, the Association or Management representative may, within ten calendar days following receipt of Management's response at Step 4, request that the grievance be submitted to a mediator prior to proceeding to arbitration. This step is optional and requires the concurrence of the Association and Management.
- B. A request for mediation must be in writing and must be submitted to the affected department's personnel officer or union representative within the above-prescribed time limits. The personnel officer or union representative shall, within ten calendar days following receipt of the mediation request, return the request to the Association or Management representative with a denial or an agreement that the parties jointly request the ERB to appoint a mediator.
- C. The Executive Director of the ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Association and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees for mediation shall be shared equally by the Association and Management.
- D. The mediation procedure shall be informal, the primary effort being to assist the parties in settling the grievance. Court reporters shall not be used, the rules of evidence shall not apply, and no record shall be made. The mediator shall determine whether witnesses are necessary.
- E. If the grievance is resolved through mediation, notwithstanding the provisions of LAAC Section 4.865, the parties may, by mutual agreement, accept the results of mediation as binding.

- F. If the grievance is not resolved in mediation, the mediator may be requested to provide an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. However upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, including a brief statement of the reasons for the opinion. Such opinion, as well as confidential discussions by the parties in mediation, shall not be used during any subsequent arbitration.

Step 6 - Arbitration

- A. If the written decision at Step 4 does not settle the grievance, or if no written decision is rendered within the time limits set forth at Step 4, and if both parties exercise the Step 5 mediation process unsuccessfully, the grievant and Association jointly may serve upon the General Manager a written notice that a written request for arbitration has been filed with the ERB. The request for arbitration must be filed with the ERB within ten calendar days following the date of service of the written decision of the General Manager or his/her designee, expiration of the time limits set forth in Step 4, or within ten days after the conclusion of mediation. Failure of the grievant and Association jointly to serve the written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the ERB, within seven calendar days following receipt of said list.
1. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual incurring same.
 2. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be advisory only.
 3. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

SECTION 4.0 ON THE JOB

ARTICLE 4.1 PERSONNEL FOLDERS

- A. An employee shall be entitled to review the contents of his/her official departmental personnel folder at reasonable intervals, upon request, during hours when the office in which records are housed is open for business. Such review shall not interfere with the normal business of the department, office, or bureau.
- B. No disciplinary document shall be placed in an employee's official departmental personnel folder without providing said employee with a copy.
- C. A "Notice to Correct Deficiencies" shall be sealed by Management upon the request of an affected employee if he/she has not been involved in any subsequent incidents of the same general nature and category as the Notice to Correct Deficiencies requested to be sealed that resulted in written corrective counseling or other management action for a period of two years from the date the most recent, related notice was issued or management action taken.

ARTICLE 4.2 SAFETY

- A. Safety clothing and devices provided by Management shall continue to be provided, as long as the need exists. The Association will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.
- B. Management will make every reasonable effort to provide safe working conditions. The Association will encourage all Unit members to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment, and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said supervisor should:
 - 1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
 - 2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability; or,

3. Promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem if elimination of the hazardous condition is not within the capability of the second level of supervision to correct.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Health and Safety Office and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

ARTICLE 4.3 A DRUG-FREE WORK PLACE

- A. The responsibilities inherent in the law enforcement profession require officers to undergo strict physical and psychological evaluations. Thorough pre-employment investigations into every facet of a police applicant's background are conducted to ensure that the candidate's profile is of an individual worthy of the public's trust. Once employed, those individuals who fail to abide by the Law Enforcement Code of Ethics will be disciplined or even terminated when appropriate. All Unit members must be willing to accept a random drug test program as yet another test in which the employee is held to a higher standard than others in society.
- B. An employee who voluntarily apprises the Department of an addiction or other drug use-related problem caused by either a valid prescription prescribed for the employee (excluding marijuana) or over-the-counter medication will be allowed to become involved in a rehabilitation program. Assistance is available through most City health plans, including the City's Employee Assistance Program. The Department will take the necessary steps to ensure that this disclosure and participation in rehabilitation by the employee is kept confidential. The Department will cooperate with the employee's participation in rehabilitation by allowing the employee to utilize sick leave or other available discretionary leave (i.e., accrued time off or vacation) as necessary.
- C. As used in this Article, the term "voluntarily apprises the Department" shall mean that the employee brought the matter to the attention of the Department:
 1. On his or her own initiative;
 2. At a point in time not in conjunction with a drug test and when no administrative investigation has been initiated by the Department concerning the employee's use of prescription or over-the-counter medication; and

3. That no acts or omissions by the employee and related to the use of prescription or over-the-counter medication involves any criminality on the part of the employee.
- D. During the term of this MOU, Management and the Association agree to negotiate a Substance Abuse Testing Program which shall apply to all Unit members.

ARTICLE 4.4 HOURS OF WORK – Work Periods

- A. Notwithstanding the provisions of LAAC sections 4.108 and 4.113, Management may, at its sole discretion, assign any Unit member--who is assigned to a law enforcement function--to work a 5/40, 4/10, or 3/12 work schedule.
- B. The work hours do not include time to consume a meal. Adjustments to an employee's work schedule may be made in order to accomplish the objective of the Department. In all cases, a regular full-time employee shall work a total of 160 hours in each 28 workday deployment period.
- C. The parties recognize and agree that the majority of Unit members who are assigned to a law enforcement function are currently assigned by Management to work a 4/10 work schedule. In addition, Unit members in special law enforcement duty assignments are currently assigned by Management to work a 5/40 work schedule. Further, the parties recognize and agree that it is a "management right" for Management to discontinue a work schedule at the conclusion of any Deployment Period. The Association specifically recognizes and agrees that Management has no obligation to meet and confer in advance of the implementation of that decision to discontinue a work schedule, provided that Management shall give the Association two Deployment Periods notice of the change and such notice shall include the scheduling system to be implemented. However, this waiver does not prevent the parties from engaging in the meet-and-confer process regarding the impact or the effects of that Management decision following the implementation of the change. If the Association requests to meet-and-confer on the impacts, then the parties agree to meet to resolve the matter no later than 30 calendar days from the Association's initial request. Additionally, Management, at its sole discretion, shall have the right to modify the work schedules.

ARTICLE 4.4.1 PLATOON DUTY PERSONNEL – WORK SCHEDULES AND OVERTIME

A. Regular Hours of Work

1. Twenty-four hour shift personnel shall be divided into three platoons, which shall be known as the “A” Platoon, “B” Platoon, and “C” Platoon. Personnel shall be assigned to these platoons prescribed by the General Manager or designee. A tour of duty is a 24-hour shift in one of the above platoons.
2. A 24-hour period on duty shall constitute two days for the purpose of computing days worked, days off, vacation, sick leave, and bereavement leave.
3. Twenty-four hour shift personnel assigned to platoon duty shall work 243.5 days in each calendar year, with account being taken of duly authorized leaves of absence with pay.
4. Management implemented a “48/96” work schedule at Ontario International Airport on a trial basis on January 28, 2011, in accordance with FLSA rules and regulations. Management reserves the right to discontinue the “48/96” work schedule at the conclusion of any Deployment Period. The Association agrees that Management has no obligation to meet and confer in advance of the implementation of that decision to discontinue the “48/96” work schedule, provided that Management shall give the Association two Deployment Periods notice of the change and such notice shall include the scheduling system to be implemented. Certain provisions of this Section may be modified to ensure accordance with FLSA rules and regulations. However, this waiver does not prevent the parties from engaging in the meet-and-confer process regarding the impact or the effects of that Management decision following the implementation of the change. Additionally, it shall be the sole discretion of Management to modify the work schedules.

B. Holidays

1. Each 24-hour shift employee will have 13.5 days off duty each calendar year in lieu of holidays.
2. Whenever a special holiday is declared by proclamation of the Mayor with concurrence of the City Council, employees covered by this Article shall be granted an additional day off duty.
3. Holidays are selected annually in accordance with the current practice in place for annual vacation determinations.

C. Overtime

1. A Section 7(k) exemption under the FLSA is hereby declared for all employees in this Unit who are assigned to work platoon duty. The work period for such employees shall be four 24-hour shifts in 12 days.
2. Only hours worked shall be credited toward computation of overtime. Hours paid but not worked, e.g. holiday, sick, jury duty, IOD, bereavement leave, and uninterrupted meal periods shall not be considered hours worked. Vacation leave time shall be credited toward hours worked.
3. When the total hours worked in the work period are 91 or less, the hours worked in excess of the regular schedule shall be compensated at the rate of one hour for each hour worked. Such hours shall be compensated by cash payment.
4. Hours worked in excess of 91 hours, whether or not included in the regular schedule, shall be compensated by cash payment at the rate of one and one-half (1½) times the regular compensation rate for each hour of overtime worked as defined by the FLSA.
5. Notwithstanding any other provision of this Article, whenever any 24-hour shift employee is required to appear in any court outside of his/her assigned work schedule, he/she shall be deemed to have worked a minimum of four hours. Overtime compensation shall be by cash payment or time off (compensatory time off) at the rate of one and one-half (1½) times the regular compensation for each hour of overtime worked. The method of compensation, either cash or compensatory time off (CTO), shall be at the discretion of Management. CTO must be approved in advance by the General Manager or his/her designee. Accumulation of CTO shall not exceed 120 hours for each employee. At any time, the General Manager or his/her designee may direct that any CTO be paid in cash. A unit member may request to receive cash in exchange for accumulated CTO at any time and the approval of such requests are at the sole discretion of Department management.

D. Trading Time

1. The General Manager or designee may allow adjustment of the schedules of individual members by the exchange of duty time between members; provided, however, that no such adjustment shall affect the total number of days a member assigned to platoon duty is required to work. Any such adjustment shall not be deemed overtime for the member working or under-time for the member off duty.

2. Time taken off or shift worked as the result of a trade shall be “paid back” or worked within 12 months of the traded 24-hour shift. All trades within a calendar year shall be balanced and consummated no later than 2000 hours on December 31st of each year.
3. In the event the member who was scheduled to work for another member, as the result of a trade, is unable to work due to illness or other recognized leave, the member who was scheduled to be off as a result of the trade shall be allowed to take the day off. The member who is unable to work the traded assignment shall have the requisite hours deducted from the appropriate time bank. Any disputes from Unit members participating in a traded time transaction shall not be grievable.
4. The provisions in this Article shall be administered in accordance with the FLSA. The City shall be held harmless if any FLSA violations result from traded time between Unit members.

E. Special Duty

Notwithstanding any other provisions of this Article, the General Manager or designee may assign 24-hour shift employees to special departmental duties such as training and administrative assignments. When so assigned, employees shall be on duty a minimum of eight hours daily (not counting time to consume a meal) and shall be eligible for days off, vacation, sick leave, and holidays in the same manner as other Department employees.

F. Special Duty Overtime Compensation

1. A Section 7(k) exemption under the FLSA is hereby declared and continued for all Unit members assigned to Special Duty. The work period for such employees shall be 160 hours in a 28-day period, and overtime compensation shall be governed by the provisions in item 2 below.
2. Only hours worked shall be credited toward computation of overtime. Hours paid but not worked, e.g. holiday, sick, jury duty, IOD, bereavement leave, and uninterrupted meal periods shall not be considered hours worked. Vacation leave time shall be credited toward hours worked.
3. When the total hours worked in the work period are 170 or less, the hours worked in excess of the regular schedule (160 hours) shall be compensated at the rate of one hour for each hour worked. Such hours shall be compensated by cash or time off (compensatory time off). The method of compensation, either cash or compensatory time off (CTO), shall be at the discretion of Department management. CTO must be approved in advance by the General Manager or his/her designee. Accumulation of CTO shall not exceed 120 hours for each employee.

At any time, the General Manager or his/her designee may direct that any CTO be paid in cash. A unit member may request to receive cash in exchange for accumulated CTO at any time and the approval of such requests are at the sole discretion of Department management.

4. Hours worked in excess of 170 hours shall be compensated at one and one-half (1½) times the regular rate, as defined by the FLSA.

ARTICLE 4.5 MEAL AND REST PERIODS

- A. The meal period for Unit members shall be 30 minutes and shall not be counted as time worked for any purpose. An officer who is called to duty during his/her meal period shall, at Management's discretion, either be:
 1. Given a 30-minute meal period at a later time during the same shift; or
 2. Compensated in cash at the rate of one and one-half (1 ½) times the employee's regular rate of pay.
- B. Each employee shall be granted a minimum 15 minutes rest period in each four hour work period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor shall exceed 15 minutes without express consent of an employee's designated supervisor.
- C. Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.
- D. The provisions of this Article do not apply to 12-hour shift personnel.

ARTICLE 4.6 SUBPOENAED AS A WITNESS

When a Unit member is subpoenaed as a witness by a court of competent jurisdiction, he/she shall be compensated in accordance with LAAC Section 4.111.1.

ARTICLE 4.7 COMPENSATION FOR COURT APPEARANCES

A. The following provisions shall apply only for the payment of overtime for court appearances for Unit members outside of their normal duty hours.

B. Basic Compensation

1. A Unit member, at his/her option, may report to court when subpoenaed or remain on-call. If electing to appear in court, the employee must notify his/her supervisor no later than one administrative day prior to the scheduled court appearance. An employee who decides to remain on-call must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. An employee who appears in court more than an hour after having been notified shall void his/her right to on-call compensation. An employee need not remain at home but must be available for telephonic notification at a location where the supervisor knows the employee is reachable.
2. An off-duty employee shall receive a minimum of four hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
3. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the four hour minimum as provided for in B.1. above, with the exception that no compensation will be given for the initial 60 minutes of a noontime recess.
4. An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

C. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive a minimum of four hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear for each case for a total of eight hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of four hours.

D. Exceptions to the Four Hour Minimum

1. Court appearances or on-call status commencing four hours or less **before** the employee's regularly assigned shift begins will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the exception that no compensation will be given for the initial 60 minutes of a noontime recess.
2. Court appearances commencing four hours or less **during** or **after** the employee's regularly assigned shift ends will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the exception that no compensation will be given for the initial 60 minutes of a noontime recess.

- c. There shall be no on-call compensation for DMV Telephonic Hearings.

- d. An employee may not receive overtime compensation for a DMV Telephonic Hearing in conjunction with any other type of court overtime compensation, unless the time spent in the DMV Telephonic Hearing extends beyond the other compensated time. An employee participating in a DMV Telephonic Hearing while on call or while actually in court shall only be entitled to the overtime compensation afforded by these activities. The exception to this rule is when the DMV Hearing extends past the time when the overtime compensation for the other court activity ceases. In such cases the employee shall be entitled to hour-for-hour overtime compensation for the actual time spent past the close of the other court activity.
- e. An employee who utilizes a Department telephone to participate in a DMV Telephonic Hearing while off duty shall not be entitled to overtime compensation for travel time spent reaching that telephone.

Traffic control functions shall be defined as “curb enforcement, parking lot enforcement, and street traffic control”.

B. The transfer of these functions shall not directly or indirectly result in any layoff or termination of any Unit employee.

ARTICLE 4.16 ASSIGNMENT DURATION OF SPECIALIZED POSITIONS

A. Reasonable time limits in an assignment increase the opportunity for all Unit members to learn specialized skills and ensure a broader dissemination of knowledge, experience, and expertise throughout the organization. The following terms shall govern the duration of assignments to specialized positions.

B. Assignments to specialized positions are normally made for a minimum of five years. As designated by the Airport Police Chief or his/her designee, assignments that require extensive training or investment by the Department of Airports, such as the Emergency Services, Canine, or Motorcycle units, shall typically have a minimum assignment duration of seven years. The five and seven-year time period for assignment rotations under this Article shall commence on July 1, 2014.

- D. Management shall continue the implementation of the transition plan to assign higher-ranking officers to specialized units. - F. Any Police Officer who has advanced to an Airport Police Officer III pay grade who returns to patrol from a specialized unit shall retain that pay grade, and be assigned as a Senior Officer with a level of duties and responsibilities fitting the experience and expertise required for such a pay grade, as determined by the Airport Police Chief or his/her designee.
- G. Management shall also continue the practice of undertaking a periodic selection process for specialized units, based on operational needs as determined by the Airport Police Chief or his/her designee, especially when members of specialized units have served the duration of time in said unit as specified above or given vacancies in said specialized units, as determined by the Airport Police Chief or his/her designee based on operational needs.
- H. Reassignments shall occur on a seniority basis, with those in the assignments for the longest period of time reassigned first, followed and/or supplemented by consideration of a necessary skill set, training, or expertise.

- I. Regardless of time in the assignment, a Unit member may be re-assigned if he/she:

Compensation for these employees shall be in cash or time off (compensatory time off) at the rate of one and one-half (1½) the employee's regular (permanent) rate of pay. The method of compensation, either cash or compensatory time off (CTO), shall be at the discretion of management. CTO must be approved in advance by the General Manager or his/her designee. Accumulation of CTO shall not exceed 120 hours per employee. At any time, the General Manager or his/her designee may direct that any CTO be paid in cash. A Unit member may request to receive cash in exchange for accumulated CTO at any time and the approval of such requests are at the sole discretion of Management.

ARTICLE 6.5 ACTING PAY ASSIGNMENTS

- A. Whenever Management assigns a non-supervisory employee as an acting on-site supervisor in the temporary absence of a full-time supervisor, such employee shall become eligible for additional compensation upon completion of a qualifying period of 15 working days in such assignment at his/her regular rate of compensation. Paid leave time off taken during a qualifying period shall extend the 15-day qualifying period by the length of the absence.
- B. Starting with the first working day following completion of a qualifying period, the employee shall receive the first premium level rate above the appropriate step rate of the salary range prescribed for his/her class, for each day on duty as an acting on-site supervisor. However, the maximum pay rate for such duty shall be limited to the top step of the salary or range, or the hourly wage rate which has been established as compensation for the position to which the employee has been assigned.

- C. Each acting pay assignment shall require completion of a new qualifying period each fiscal year, except that an assignment that continues into a new fiscal year shall not require a new qualifying period for that assignment.
- D. Any Management determination or decision pertaining to the implementation, interpretation, application, administration or cancellation of any or all the provisions of this Article shall be final and conclusive and shall not be subject to the grievance procedure herein.

ARTICLE 6.6 OFF-DUTY STANDBY COMPENSATION

- A. Notwithstanding any other provision of this MOU, Unit members who are assigned by the Airport Police Chief or his/her designee to standby for nights and weekends, will receive one hour of compensation at straight time for every six hours they are required to standby. The use of standby is based solely on operational needs and may be relinquished at any time. Under no circumstances shall Unit members be assigned to standby in the Patrol Unit, unless in an emergency.
- B. Time spent on duty during the period of standby will be deducted from the total time the employee is on standby, not from the time accumulated as compensated standby time.
- C. Example: An employee is on weekend standby. The total time of standby is sixty hours. The employee is required to report for duty for six hours. The six hours are subtracted from sixty hours leaving fifty-four hours of total standby time. Fifty-four is divided by six, which equals nine hours of straight time compensation for standby. The employee will also receive six hours of time-and-one-half overtime for responding to the call out.
- D. For purposes of computing the amount of compensation due for time spent on duty, the time spent on duty will commence at the time the individual reports to the designated place of assignment and will terminate at the time when the employee is released from duty. Under no condition will time be allowed for travel.

ARTICLE 6.7 ADMINISTRATIVE CODE SECTION 4.61

Consistent with previous agreement, the noise provisions of Note K contained in LAAC Section 4.61 shall no longer apply to members of this Unit.

ARTICLE 6.8

SALARY OVERPAYMENTS/UNDERPAYMENTS

- A. In the event a Unit member is erroneously overpaid by the City, the member will be notified in writing of the amount of the overpayment and will be provided with an explanation of the circumstances which led to the overpayment. The notification will also contain a proposed repayment schedule and shall give the member a specific period of time to dispute the overpayment or request an alternative repayment schedule. Any such alternative repayment plan must be acknowledged in writing by the member and the authorized Department representative. If the member does not dispute the overpayment or request an alternative repayment schedule in the specified time period, the Department will commence payroll deductions to recoup the amount of the overpayment in accordance with the proposed repayment schedule in cases involving the City's failure to deduct negotiated health care premiums or pension contributions. In all other cases, the Department may refer the matter to the Office of Finance for collection. The biweekly deduction amounts shall not exceed the biweekly amounts that were overpaid to the member unless the member agrees in writing to an increased amount. (For example, if a member was overpaid \$50 biweekly, the repayment will occur at a rate of no more than \$50 biweekly).
- B. In the event a Unit member is erroneously underpaid by the City, the member will notify the City in writing of the amount of the underpayment. An authorized Department representative will verify the Unit member's claim and determine the appropriate amount of the underpayment. Upon approval by the Department representative, the Unit member will receive the underpayment amount within a reasonable and timely manner.

IN WITNESS WHEREOF, the parties have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month, and year first above written.
