SECTION 1.0

GENERAL PROVISIONS

ARTICLE 1.1

RECOGNITION

- A. On May 1, 1992, the Los Angeles Port Police Association ("Association") was certified by the Employee Relations Board ("ERB") as the certified representative of employees in the Harbor Peace Officers' Unit ("Unit"). Accordingly, the City of Los Angeles ("City") hereby recognizes the Association as the exclusive representative of the employees in said Unit, in accordance with the provisions of the Los Angeles Administrative Code ("LAAC") Section 4.822.
- B. The term "employee" or "employees" as used herein shall refer only to an employee or employees employed by the City in classifications listed in Appendix A of this Memorandum Of Understanding ("MOU"), as well as such classes that may be added hereafter by the ERB.

ARTICLE 1.2

PARTIES TO THIS MOU

This MOU is entered into by the City Administrative Officer ("CAO") as the authorized management representative of the City and the authorized management representatives of the Harbor Department ("Management"), and the Association as the authorized representative of the Unit.

ARTICLE 1.3

IMPLEMENTATION OF THIS MOU

- A. This MOU constitutes a joint recommendation of Management and the Association, and shall not be binding in whole or in part on the parties unless and until:
 - 1. The Association has notified the CAO in writing that it has approved this MOU in its entirety; and,
 - 2. The City Council has approved this MOU in its entirety.
- B. Where resolutions, ordinances, or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances, or amendments will become operative on the effective date of the resolutions, ordinances, or amendments unless otherwise specified.

ARTICLE 1.4 FULL UNDERSTANDING

- A. Management and the Association acknowledge that during the meet and confer process, each had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that agreements contained in any prior or existing MOU are hereby superseded or terminated.
- B. The parties mutually understand and agree that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with the implementation provisions of this MOU.
- C. The waiver or breach of any term or condition of this MOU by any party hereto shall not constitute a precedent in the future enforcement of any of its terms and provisions.
- D. The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions of its effectiveness, in accordance with the implementation provisions of this MOU, are fully met, but in no event shall the provisions of this MOU become effective prior to 0000 hours on July 1, 2014. This MOU shall expire and otherwise be fully terminated at 2359 hours on June 23, 2018.
- B. Notwithstanding the above, provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligation under the provisions of Article 1.6, Calendar for a Successor MOU, and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR A SUCCESSOR MOU

Prior to the expiration of this MOU, the Association or Management shall call for meet and confer negotiations sessions to discuss a successor MOU. The first meet and confer session shall begin no later than 90 calendar days prior to the expiration of this MOU, unless the Association and Management mutually agree otherwise.

ARTICLE 1.7 OBLIGATION TO SUPPORT

The parties agree that prior to the implementation of this MOU and during the period of time it is being considered by the Mayor, City Council, Council Committees, and the heads of various departments, offices, or bureaus for action, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council Committees, or said department heads, nor meet or communicate with the Mayor, members of the City Council, or said department heads individually to advocate any addition or deletion, or other change to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before or communicating with the Mayor, City Council, Council Committees, or department heads, nor meeting with the Mayor, individual members of the City Council, or department heads to advocate or urge the adoption and approval of this MOU.

ARTICLE 1.8 PROVISIONS OF LAW AND SEPARABILITY

- A. The parties to this MOU mutually understand and agree that this MOU is subject to all applicable Federal and State Laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, ERB, or similar independent commissions of the City. If any part or provision of this MOU is found to be in conflict or inconsistent with such applicable provisions of Federal, State, or local laws or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations and the remainder of this MOU shall not be affected thereby.
- B. If any term or provision of this MOU is found to be in conflict with any City, State, or Federal law, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.9 ACTIONS BY THE ERB

If the ERB takes any action(s) prior to the expiration of this MOU that results in any significant change(s) to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.10 MANAGEMENT-ASSOCIATION MEETINGS

At the request of the President of the Association (or his/her designee) or the Management Representative of the department responsible for the implementation of this MOU, meetings may be scheduled at reasonable intervals for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 1.11 CITY MANAGEMENT RIGHTS

- A. Responsibility for management of the City and direction of its work force is vested in City officials and department heads whose powers and duties are specified by law. In order to fulfill this responsibility, City management has the exclusive right to: determine the mission of its constituent departments, officers, and boards; set standards of services to be offered to the public; exercise control and discretion over the City's organization and operations; to take disciplinary action for proper cause; relieve City employees from duty due to lack of work or other legitimate reasons; determine the methods, means, and personnel by which the City's operations are to be conducted; take all necessary actions to maintain uninterrupted service to the community; and, execute its mission in emergencies. However, the exercise of these rights by management shall not preclude employees or their representatives from consulting or grieving about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.
- B. Department management has the authority to transfer and assign employees of the department. Such transfers and assignments are not grievable and are not arbitrable regardless of the reason for the transfer.
- C. Nothing contained in this Article shall be deemed to amend the Articles in Section 3, Grievances.

ARTICLE 1.12 CITY-ASSOCIATION RELATIONSHIP

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Association during the term of this MOU.

B. Mutual Pledge of Accord

1. Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.
2. The purpose of this MOU is to promote and ensure harmonious relations, cooperation, and understanding between the City and the employees represented by the Association and to establish and maintain proper standards of wages, hours, and other terms and conditions of employment.

C. No Strike-No Lockout

1. In consideration of the mutual desire of Management and the Association to promote and ensure harmonious relations and in consideration of the Mutual Pledge of Accord, the City stipulates that there shall be no lockout, or the equivalent, of members of the Association, and the Association and its members stipulate that there shall be no strike resulting in the withholding of service by the members during the term of this MOU. Should such a strike or action by Association members occur, the Association shall immediately instruct its members to return to work. If they do not report to work immediately after Association instruction, they shall be deemed to have forfeited their rights under this MOU. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.
2. The provisions of this paragraph shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

SECTION 2.0 ASSOCIATION SECURITY/EMPLOYEE RELATIONS

ARTICLE 2.1 NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation, creed, ancestry, medical condition, Acquired Immune Deficiency Syndrome (AIDS) - acquired or perceived, political beliefs, union activity, LGBT identity, or retaliation for having filed a discrimination complaint.

ARTICLE 2.2 NOTICE OF CHANGES IN WORK RULES

- A. Whenever written departmental work rules are established or changes are made to existing written departmental working rules which affect conditions of employment, Management shall, prior to the proposed implementation date, notify the Association in writing and offer the opportunity for the Association to meet and consult with Management on the changes.
- B. Nothing contained in this Article shall be construed as a limitation of the right of Management to implement new written departmental work rules or make changes in such existing rules in cases of emergency; provided, however, that when such new work rules or changed existing work rules, as the case may be, must be adopted immediately, without prior notice to the Association, notice shall be given and the opportunity for consultation shall be given at the earliest practical time following the adoption of such new work rules or changes in existing written department work rules, as may be the case.
- C. The Association agrees to notify Management promptly of its intent to exercise its rights granted under this Article.

ARTICLE 2.3 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will email to the Association copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Examining Division of the Personnel Department will be emailed two calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.
- B. Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time.

ARTICLE 2.4 WORK ACCESS

- A. An authorized Association representative shall have access to City facilities or work sites during working hours for the purpose of assisting employees covered under this MOU relative to their identified role in addressing grievances when such Association assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this MOU. Said representative shall request authorization for such visit by contacting a designated management representative of the department, office, or bureau for the work site. In the event immediate access cannot be authorized, the designated representative shall inform the Association representative as to the earliest time when access can be granted.
- B. The Association shall provide Management a written list of its authorized Association representatives, which shall be kept current by the Association.
- C. This Article shall not be construed as a limitation on the power of Management to restrict access to areas designated as security or confidential.

ARTICLE 2.5 USE OF CITY FACILITIES

- A. The Association may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time.
- B. The parties to this MOU mutually agree that if the use of a facility requires a fee for rental or special set-up, security, and/or cleanup service, the Association will provide or assume the cost of such service(s) or facility.

ARTICLE 2.6 BULLETIN BOARDS

The Harbor Department shall provide a bulletin board or dedicated space at each work location for use by the Association. All official communications from the Association shall be posted in the space provided. The Association shall clearly print a removal date on all posted materials.

ARTICLE 2.7 SERVICE FEES AND DUES

A. Dues and Fees

1. Each permanent employee in this unit (who is not on a leave of absence) shall, as a condition of continued employment, become a dues paying member of this Unit, or pay the Association a service fee in an amount not to exceed periodic dues and general assessments of the Association for the term of the MOU. Such amounts shall be determined by the Association and implemented by Management in the first payroll period which starts 30 days after written notice of the new amount is received by the Office of the Controller. For the purpose of this provision, a permanent employee means one who has completed six continuous months of City service from his/her original date of appointment and who is a member of a tier in the Los Angeles City Employees' Retirement System or the Fire and Police Pension Plan.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Association will not be accepted by the City Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. The CAO and Association shall jointly notify all members of the representation unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by Management.

B. Exceptions

1. Management, Supervisory, or Confidential Employees

The provisions of this Article shall not apply to management, confidential, or supervisory employees.

- a. Management and confidential employees shall be as defined in LAAC Section 4.801 and designated in accordance with LAAC Section 4.830.d.
- b. For the purpose of this section, "supervisory employee" means any individual, regardless of the job description or title, having authority,

in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them, or to adjust their grievances, or effectively to recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment.

- c. Employees whose duties are substantially similar to those of their subordinates shall not be considered to be supervisory employees.
- d. Management shall designate supervisory employees. Said designation or claim shall be reviewed jointly by Management and the Association. Any dispute shall be referred to the ERB for resolution.

2. Religious Objections

Any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c) (3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Association and as a condition of continued employment.

C. Management Responsibilities

1. The City Controller shall cause the amount of the dues or service fee to be deducted from 24 payroll checks of each employee in this Unit as specified by the Association under the terms contained herein. "Dues", as distinct from "service fee", shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees, and other proper deductions made from the salaries of employees hereunder shall be made to the Association by the City Controller within 30 working days after the conclusion of the month in which said dues, fees, and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees in 24 payroll periods in a fiscal year.
2. The City Controller shall also apply this provision to every permanent employee who becomes a member of this Unit within 60 calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
 - a. The deduction will be computed at the rate of two percent of a Unit member's regular pay.
 - b. When notice is given by the Association to change the deduction percentage rate, the City Controller is hereby authorized to change said deduction automatically in the next practical pay period following such notice.
 - c. The authorization to deduct dues and service fees shall remain in effect until written notice of cancellation is given by an employee to the Office of the City Controller on the appropriate form provided by the same for this purpose.
3. Management will provide the Association with the name, home address, and employee number of each permanent employee.
4. The City Controller shall notify the organization within 60 calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

D. Association Responsibilities

1. The Association shall keep an adequate itemized record of its financial transactions, which shall be made available annually to the City Clerk, and to all Unit employees, within 60 calendar days after the end of a fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Association certifies to the City that it has adopted, implemented, and will maintain constitutionally acceptable procedures to enable non-member service fee payers to meaningfully challenge the propriety of the uses of service funds. Those procedures shall be in accordance with the decision of the United States Supreme Court in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson*, 106 S. Ct. 1066 (1986).
3. The Association agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article. It is also agreed that neither any employee nor the Association shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Office of the City Controller within 30 calendar days after the date such deductions were or should have been made.

E. Recision

1. The service fee provisions herein may be rescinded in accordance with the procedures contained in ERB Rule 12 adopted January 11, 1982.
2. In the event this Article is overturned by the employees in this representation unit, all other Articles of this MOU shall remain in full force and the prior agreement, rules, regulations, and past practices relating to organizational service fees and dues authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 2.8 RELEASE TIME

- A. During the term of this MOU, the City shall permit up to a maximum of 220 hours each fiscal year of time off for Association Directors to participate in employee organization representation activities, subject to the following:
 - 1. Time off is requested with 72 hours written notice to Management.
 - 2. Management approves.
 - 3. Time off must be taken in increments of four hours.
 - 4. Minimum staffing is not impacted.
- B. Refusal by Management for adequate reason is not subject to the grievance procedure contained in this MOU.
- C. The Association will reimburse the City the sum of \$50 per officer hour for all such release time.
- D. The Harbor Department will bill the Association quarterly each contract year for actual time used, and the Association will reimburse the Harbor Department quarterly no later than September 30, December 31, March 31, June 30 of each fiscal year.

SECTION 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE REPRESENTATION

- A. The Association may designate a reasonable number of grievance representatives who must be Unit members and shall provide each affected department with a written list of employees who have been so designated. Management will accept changes to the list presented by the Association as they are made. An employee may select a non-City employee as a grievance representative in place of an Association Representative at the employee's own expense.
- B. A grievance or Association representative if so requested may represent a grievant in the presenting of grievances at all levels of the grievance procedure for which the grievant and his/her representative may have a reasonable amount of paid time off. However, said representative will receive paid time off only if he/she is a member of the Association and in the same Unit as the grievant, is employed by the same department as the grievant, and is employed within a reasonable distance from the work location of the grievant.
- C. An Association Representative who must leave his/her work location to represent a grievant must first obtain permission from his/her supervisor on a form provided by his/her department for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Association Representative will be informed when time can be made available. Such time will not be more than 48 hours, excluding scheduled days off and/or legal holidays, after the time of the Association Representative's request unless otherwise mutually agreed. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.
- D. Time spent on grievances outside of regular working hours of the grievant and/or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her Association Representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 3.2 GRIEVANCE PROCEDURE

A. Definitions

A grievance is defined as any dispute concerning the interpretation or application of this written MOU or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

B. Responsibilities And Rights

1. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
2. No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.
3. The grievant is responsible for discussing his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor, in all formal review levels, and in arbitration; provided, however, that such representative may not be an employee or officer of another qualified organization except with the written consent of the organization granted exclusive representation.
4. By mutual agreement, the time limits between steps of the grievance procedure provided herein may be extended or the grievant and Management may waive one level of review from this grievance procedure.

5. Management shall notify the Association of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and an authorized Association Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If the authorized Association Representative elects to attend said grievance meeting, he/she shall inform the head of the department, office or bureau of his/her intention. The Association is to be notified of the resolution of all other formal grievances.

C. Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

1. The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance. Said grievance shall be considered waived if not so presented to the immediate supervisor within ten calendar days following the day during which the event upon which the grievance is based occurred. Said ten calendar days may be waived by mutual consent of the parties involved.
2. The immediate supervisor shall respond within five calendar days following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at Step 2.

Step 2 - First Level of Review

3. If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the department, office, or bureau upon the management designee to review the grievance at Step 2 within seven calendar days of receipt of the grievance response or, in the absence of a response by the immediate supervisor, at the expiration of the time limit for the immediate supervisor to respond at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
4. If such written notice is served, the management designee shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 3.

Step 3 - Second Level of Review

5. If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the management designee to review the grievance at Step 3 within seven calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
6. If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 4.

Step 4 - Third Level of Review

7. If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon his/her General Manager or designee within seven calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. If such notice is served, the grievance shall be heard by the General Manager or his/her designee. The General Manager or his/her designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance and shall render to the grievant and his/her representative, if any, a written decision within 30 calendar days from the date said arguments were submitted.

Step 5 - Mediation (optional)

8. If the grievance is not resolved at Step 4, the Association or Management representative may, within ten calendar days following receipt of Management's response at Step 4, request that the grievance be submitted to a mediator prior to proceeding to arbitration. This step is optional and requires the concurrence of the Association and Management.
9. A request for mediation must be in writing and must be submitted to the affected department's personnel officer or Association within the above-prescribed time limits. The personnel officer or Association representative shall, within ten calendar days following receipt of the mediation request, return the request to the Association or Management representative with a denial or an agreement that the parties jointly request the ERB to appoint a mediator.

10. The Executive Director of the ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Association and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees for mediation shall be shared equally by the Association and Management.
11. The mediation procedure shall be informal, the primary effort being to assist the parties in settling the grievance. Court reporters shall not be used, the rules of evidence shall not apply, and no record shall be made. The mediator shall determine whether witnesses are necessary.
12. If the grievance is resolved through mediation, notwithstanding the provisions of LAAC Section 4.865, the parties may, by mutual agreement, accept the results of mediation as binding.
13. If the grievance is not resolved in mediation, the mediator may be requested to provide an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. However, upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, including a brief statement of the reasons for the opinion. Such opinion, as well as confidential discussions by the parties in mediation, shall not be used during any subsequent arbitration.

Step 6 - Arbitration

14. If the grievance is not settled after the issuance of the written decision at Step 4 or after the mediation efforts at Step 4, or if no written decision is rendered within the time limits set forth at Step 4, the grievant and the Association jointly may serve upon the General Manager or designee a written notice that a written request for arbitration has been filed with the ERB. The request for arbitration must be filed with the ERB within ten calendar days following the date of service of the written decision of the General Manager or his/her designee, or expiration of the time limits set forth in Step 4. Failure of the grievant and the Association jointly to serve the written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
15. If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the ERB, within seven calendar days following receipt of said list.

16. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration.
17. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual incurring same.
18. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be advisory only.
19. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

SECTION 4.0 ON THE JOB

ARTICLE 4.1 PERSONNEL FOLDERS

- A. An employee shall be entitled to review the contents of his/her official departmental personnel folder at reasonable intervals, upon request, during hours when the office in which records are housed is open for business. Such review shall not interfere with the normal business of the department, office, or bureau.
- B. No evaluatory or disciplinary document may be placed in an employee's official departmental personnel folder without the employee reading and signing said document and being afforded the opportunity to attach a written response within 30 days from review. The employee's signature does not necessarily indicate agreement with the document. If after reading the evaluatory or disciplinary document, the employee refuses to sign the document, that fact shall be noted on the document by the employee's supervisor. It is mutually understood that an employee performance evaluation is not considered a disciplinary document. It may, however, be used to document behavior and/or performance deficiencies that have been brought to an employee's attention.
- C. A "Notice to Correct Deficiencies" may be sealed by Management upon the request of an affected employee if he/she has not been involved in any subsequent incidents of the same general nature and category as the Notice to Correct Deficiencies requested to be sealed that resulted in written corrective counseling or other management action for a period of two years from the date the most recent, related notice was issued or management action taken. However, such sealed documents can still be used to establish progressive discipline for similar offenses.

ARTICLE 4.2 SAFETY

- A. Safety clothing and devices provided by Management listed herein shall continue to be provided as long as the need exists. The Association will require all Unit members to utilize said safety clothing and devices to the fullest extent possible.
- B. Management will make every reasonable effort to provide safe working conditions. The Association will encourage all Unit members to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said supervisor should:
 - 1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor;

2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability; or,
 3. Promptly report the problem to the next level of supervision or inform the Departmental Safety Coordinator about the problem if elimination of the hazardous condition is not within the capability of the second level of supervision to correct.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City's Occupational Safety Office and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

ARTICLE 4.3 A DRUG-FREE WORK PLACE

- A. The responsibilities inherent in the law enforcement profession require officers to undergo strict physical and psychological evaluations. Thorough pre-employment investigations into every facet of a police applicant's background are conducted to ensure that the candidate's profile is of an individual worthy of the public's trust. Once employed, those individuals who fail to abide by the Law Enforcement Code of Ethics are disciplined or even terminated when appropriate. All Unit members must be willing to accept a random drug test program as yet another test in which the employee is held to a higher standard than others in society.
- B. An employee who voluntarily apprises the Department of an addiction or other drug use-related problem caused by either a valid prescription prescribed for the employee (excluding marijuana) or over-the-counter medication will be allowed to become involved in a rehabilitation program. Assistance is available through most City health plans, including the Harbor Department's Employee Assistance Program. The Department will take the necessary steps to ensure that this disclosure and participation in rehabilitation by the employee is kept confidential. The Department will cooperate with the employee's participation in rehabilitation by allowing the employee to utilize sick leave or other available discretionary leave (i.e., accrued time off or vacation) as necessary.

C. As used in this Article, the term “voluntarily apprises the Department” shall mean that the employee brought the matter to the attention of the Department:

1. On his or her own initiative;
2. At a point in time not in conjunction with a drug test and when no administrative investigation has been initiated by the Department concerning the employee’s use of prescription or over-the-counter medication; and
3. That no acts or omissions by the employee and related to the use of prescription or over-the-counter medication involves any criminality on the part of the employee.

ARTICLE 4.4 HOURS OF WORK

A. Work Periods

1. Notwithstanding the provisions of LAAC Section 4.108 (Hours of Work) and 4.113 (Overtime), any Unit member who is assigned to a law enforcement function may be assigned by Management to a work schedule consisting of 20 days of work in each 28-day deployment period, with eight regular days off.
2. An employee shall be in actual attendance on duty a minimum of eight hours every day he/she is assigned to work. The eight hours does not include time to consume a meal. Adjustments to an employee’s work schedule may be made in order to accomplish the objective of the Department. In all cases, a regular full-time employee shall work a total of 160 hours in each 28-workday deployment period.

B. Posting Of Deployment Period Work Schedules

Under normal circumstances, deployment period (DP) work schedules shall be posted 14 calendar days before the start of the DP.

C. Change of Shift, Rotation

1. Generally, shift rotation shall coincide with the beginning of a deployment period.

2. All change of shift requests shall be based upon the current change of watch policy except as otherwise specified herein. When requesting a change of shift, employees shall list those shifts desired, in order of preference. Whenever possible, choice of shifts will be granted based on availability and then in the order of preference listed by the employee. If more than one employee of the same rank and pay grade requests a specific shift, and there are not enough available positions on the desired shift, the commanding officer shall have the discretion to assign the shift. The selection criteria for watch assignments shall be based upon (in priority order): first, current watch; second, seniority; third, bi-lingual pay status. The commanding officer's discretion shall exclude consideration of nepotism, favoritism, or any other improper basis. Sergeants shall rotate within their respective ranks.
3. **Exception:** At the discretion of the commanding officer, employees may be loaned to another shift for no longer than four weeks to provide relief as necessary to maintain adequate coverage on all shifts. In the event of an emergency or long-term training assignment, employees may be loaned to another shift in excess of four weeks. Attempts will be made to fill such loans on a voluntary basis. Should an employee be loaned to another shift to meet Department needs, including but not limited to vacation relief, the loan period shall not be counted as time on the original shift. If an employee is activated to military duty exceeding one DP, the time of military activation shall not be counted as time on the original shift. The commanding officer may make an exception to this policy when it is in the best interest of the Department or individual employee to do so.
4. Requests for exceptions from rotation or a specific assignment as a result of a bona fide emergency or hardship situation shall be considered on a case-by-case basis. Any decision by the commanding officer shall be based on the current needs of the Department, and such decision shall not be a grievable or arbitrable matter.
5. Specialized assignments and/or units, as determined by Management, shall be exempt from the change of shift rotation, and their hours shall be set by their commanding officer. The commanding officer's discretion shall not include assignment on the basis of nepotism, favoritism, or any other improper basis. Unless there is an emergency or unusual occurrence, Unit members shall be assigned to a specialized assignment after completion of a competitive selection process.

ARTICLE 4.5 MEAL AND REST PERIODS

- A. The meal period for Unit members shall be 30 minutes and shall not be counted as time worked for any purpose. A Unit member who is called to duty during his/her meal period shall, at Management's discretion, either be:
 - 1. Given a 30-minute meal period at a later time during the same shift; or
 - 2. Compensated in cash at the rate of one and one-half times the employee's regular rate of pay.
- B. Each Unit member shall be granted a minimum of 15 minutes rest period in each four hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's work shift nor in excess of 15 minutes without express consent of the employee's designated supervisor.
- C. Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated in any form.

ARTICLE 4.6 SUBPOENAED AS A WITNESS

When a Unit member is subpoenaed as a witness by a court of competent jurisdiction, he/she shall be compensated in accordance with LAAC Section 4.111.1 (Payment of Salary When Subpoenaed as a Witness).

ARTICLE 4.7 COMPENSATION FOR COURT APPEARANCES

The following provisions shall apply only for the payment of overtime for court appearances for employees outside of normal duty hours.

A. Basic Compensation

A Unit member shall be afforded the discretion of reporting to court when subpoenaed or remaining on-call. If electing to appear in court, the employee must notify his/her supervisor as soon as practical prior to the scheduled court appearance. An employee who decides to remain on-call must be able to appear in court not more than one hour after being notified of the required court appearance time. Appearing in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home but must be available for telephonic notification where the supervisor knows the employee is reachable.

1. An off-duty employee shall receive a minimum of four hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the four-hour minimum provided for in Paragraph A.1. above, with the exception that no compensation will be given for the initial 60 minutes of a noontime recess.
3. An employee shall not receive court on-call overtime compensation and hour-for-hour overtime compensation for the same time period.

B. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation per A.1. above for each case for a total of eight hours. In addition, he/she shall receive hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of four hours.

C. Exceptions to the Four Hour Minimum

1. Court appearances or on-call status commencing four hours or less **before** the employee's regularly assigned shift begins: compensation will be for the actual time between the commencement of the court appearance or on-call and the beginning of the employee's assigned shift with the same noon recess provisions in A.2. above.
2. Court appearances commencing four hours or less **during** or **after** the employee's regularly assigned shift ends: compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions in A.2. above.
3. Compensation for on-call status shall not exceed four hours.

ARTICLE 4.8 DMV TELEPHONIC HEARINGS

Department of Motor Vehicles (DMV) Telephonic Hearings shall be governed by the following provisions.

A. On Duty

Employees subpoenaed for a DMV Telephonic Hearing scheduled during the employee's working hours shall utilize a Department telephone at the appointed time.

B. Off Duty

1. Employees subpoenaed for a DMV Telephonic Hearing scheduled at a time when the employee is off duty may utilize a Department telephone to call the DMV at the appointed time. Alternatively, the employee may call from a private phone.
2. Employees participating in DMV Telephonic Hearings shall be entitled to a minimum of four hours of overtime compensation and hour-for-hour overtime compensation thereafter for actual participation in the hearing. The same noontime recess, as described in Article 4.7. A. 2. shall apply.
3. There shall be no on-call compensation for DMV Telephonic Hearings.
4. Employees may not receive overtime compensation for DMV Telephonic Hearings in conjunction with any other type of court overtime compensation, unless the time spent in the DMV Telephonic Hearing extends beyond the other compensated time. Employees participating in DMV Telephonic Hearings while on call or while actually in court shall only be entitled to the overtime compensation afforded by these activities. The exception to this rule is when the DMV Hearing extended past the time when the overtime compensation for the other court activity ceases. In such cases the employee shall be entitled to hour-for-hour overtime compensation for the actual time spent past the close of the other court activity.
5. Employees who utilize a Department telephone to participate in a DMV Telephonic Hearing while off duty shall not be eligible for overtime compensation for travel spent reaching that telephone.
6. Overtime shall be compensated in accordance with provisions of Article 6.4 of this MOU.

Pursuant to Charter Section 1700, et seq., any Unit member hired on or after January 8, 2006, shall be a member of the Fire and Police Pension System. Retirement benefits shall be administered and shall accrue in accordance with Charter Section 1700 et seq.

B. LACERS Tier 1

1. Any Unit member hired prior to January 8, 2006, who elected to remain a member of the Los Angeles City Employees' Retirement System shall remain in said System as a Tier 1 member, pursuant to the provisions of LAAC Section 4.1002.
2. For said Unit members identified in B.1. above, pursuant to LAAC Section 4.1003 (a), beginning November 8, 2009, all members of LACERS Tier 1 shall contribute by salary deduction six percent of their pension-based compensation, of which one-half percent shall be the survivor portion and the remaining five and one-half percent shall be the normal contribution. All contributions shall be made applicable with State and federal laws regulating pensions contributions.
3. For said Unit members identified in B.1. above, pursuant to LAAC Section 4.1003 (b), commencing July 1, 2011, and ending June 30, 2026, or when the Early Retirement Incentive Program Cost Obligation is fully paid (delineated in LAAC Section 4.1033), whichever comes first, in lieu of a six-percent retirement contribution specified in LAAC Section 4.1003 (a), Tier 1 members shall contribute by salary deduction seven percent of their pension-based compensation, of which one-half percent shall be the survivor portion, five and one-half percent shall be the normal contribution, and one percent shall be the Early Retirement Incentive Program Cost Obligation.

The additional four percent thereby results in a total flat rate employee retirement contribution rate of eleven percent in accordance with the above provisions. This additional four percent contribution shall continue in effect and be subject to modification pursuant to future MOU negotiations in accordance with applicable Charter and Administrative Code provisions.

C. Procedure for Benefits Modifications

1. Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members (in the retirement system about which modifications are proposed) are affected shall be recommended to the City Council by the CAO as affecting the membership of all employees in the retirement or pension plan. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.
2. Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

Additionally, the maximum amount of the annual increase authorized in LAAC Section 4.1111(c) shall be granted and is vested. The entitlement to retiree health benefits under this provision shall be subject to the rules under Division 4, Chapter 11 of the LAAC in effect as of the effective date of this provision. The parties further agree that as a condition of vesting the Maximum Medical Plan Premium authorized by the LAAC, the amount of employee contributions is subject to bargaining in future MOU negotiations in accordance with applicable Charter provisions.

The parties further agree that should any of the provisions of this Article, or of any subsequent MOUs which incorporate these sections, be enjoined or declared invalid or unlawful by a court of competent jurisdiction, the Maximum Medical Plan subsidy would revert to the provision of the LAAC in effect prior to April 24, 2011. Additionally, the parties shall meet and confer to achieve equal cost savings.

Any employee who fails to meet these requirements will be paid at the rate of one hour for each hour worked.

For each holiday listed above which results in time off with pay for employees working a Monday through Friday work week, employees who are scheduled to work other than the Monday through Friday work week shall be entitled to such day off with pay or shall be compensated in accordance with all pertinent provisions (B through I above). 1. The holiday must be taken in one full normal working day increment of eight hours during the calendar year in which it is credited or it will be forfeited. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holiday, Management will reschedule the holiday so that it may be taken on some other reasonably satisfactory date within the calendar year.
2. Any break in service (i.e., resignation, discharge, retirement) prior to taking the holiday shall forfeit any right thereto.
3. The holiday shall not be utilized to extend the date of any layoff.

3. Leave under the provisions of this Article shall be limited to four months (nine pay periods) during a 12-month period, regardless of the number of incidents. A 12-month period shall begin on the first day of leave for each individual taking such leave. Each employee must notify his/her employing department at the time the leave is requested of the name and department of the second family member who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.
4. The time limitation for spouses or domestic partners does not apply to leave taken by one spouse or one domestic partner to care for the other who is seriously ill or to care for a child with a serious health condition.

D. Conditions

1. **Pregnancy** – The start of a family leave for childbirth shall start at the beginning of the period of disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.

In accordance with Pregnancy Disability Leave (PDL) under the California FEHA, employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four months (nine pay periods) of leave with medical certification certifying the employee is unable to work due to a pregnancy-related condition. However, an employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position for which the employee is qualified to accommodate recurring leave periods. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with LAAC Section 4.110 during the duration of their part-time schedule.

10. In accordance with the CFRA, leave for the birth, adoption, or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the basic minimum duration of bonding leave is two weeks, and on any two occasions an employee is entitled to such bonding leave for a time period of not less than one day but less than two weeks duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. 11. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.
12. A personal leave beyond the four month leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
13. Management has the right to request and verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow employees at least 15 calendar days to obtain the medical certification.

When the necessity for a leave is foreseeable, the employee must provide at least a 30-day notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.
2. **Management** – In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall designate leave, paid or unpaid, taken by an employee as family or medical leave-qualifying regardless of whether or not the employee initiates a request to take family or medical leave.

APPENDIX H — DRUG TESTING AGREEMENT
Agreement Between the Los Angeles Harbor Department and the
Los Angeles Port Police Association
Regarding Coast Guard Mandated Drug Testing

The Harbor Department ("Department") of the City of Los Angeles ("City") and the Los Angeles Port Police Association ("Union") enter into this Agreement to specify the initial, post-accident, periodic, random, and reasonable cause drug and alcohol testing of the Port Police Officers and Port Police Sergeants ("Sworn Officers") so as to conform to the procedures set forth in the United States Coast Guard ("USCG") requirements for chemical drug and alcohol testing for commercial vessel personnel, as contained 46 CFR Parts 4, 5, and 16.

Both parties agree that this Agreement may be reviewed at the request of either party to incorporate changes in procedures made necessary by changes in applicable USCG regulations or by applicable legal decisions. It is further agreed by both parties that disputes concerning the interpretation or application of this policy and procedure may be pursued by Sworn Officers through the grievance procedure outlined in their Memorandum of Understanding.

Any disciplinary action contemplated by the Department as the result of a positive test for alcohol or drugs will be decided on an individual, case by case bases, and shall be consistent with the disciplinary action guidelines outlined in Section 2.120 of the Department's Employee Manual. Further, any such disciplinary action taken by the Department shall be subject to the grievance procedure or appeal to the City's Board of Civil Service Commissioners consistent with Section 1016 of the Los Angeles City Charter.

Additionally, any such contemplated disciplinary action may be considered by the Department independently of any action that may be taken by the USCG as a result of a positive test for drugs or alcohol. Sworn Officers will have access to and may utilize the Department's Employee Assistance Program at any time while they are employed by the Department.

Prior to the initiation of testing, all Sworn Officers shall be given a copy of this Agreement and at any time this testing program is in place a Sworn Officer will be provided with a copy of this Agreement upon request.

Post-Accident Testing

The Department will arrange to test a Sworn Officer for both drugs and alcohol when the Sworn Officer is directly involved in a serious marine accident as defined in 46 CFR 4.03-2. The Sworn Officer's direct involvement will be determined by the Port Warden or his/her designee. Such direct involvement is defined in 46 CFR 4.03-4.

The tests will be conducted as soon as practicable after the incident and the Sworn Officer will be accompanied to the test location by the Port Warden or his/her designee.

APPENDIX H — DRUG TESTING AGREEMENT
Agreement Between the Los Angeles Harbor Department and the
Los Angeles Port Police Association
Regarding Coast Guard Mandated Drug Testing

The testing procedure to be followed is described in Attachment #1.

Random Testing

All Sworn Officers holding licenses issued by the USCG will be subject to unannounced, random testing as described in 46 CFR 16.230. Sworn Officers will be selected for such testing through a computerized, random selection procedure conducted by the Department's Human Resources Division. The random testing selection procedure will make all Sworn Officers holding licenses issued by the USCG subject to each random test conducted.

Sworn Officers selected through this procedure will be directed by the Human Resources Division to report to the test site. Such testing will be conducted on City time and Sworn Officers will be paid for time spent undergoing such tests.

The specific testing procedure to be followed is described in Attachment #2. The number of such random tests annually conducted will be equal to at least 50% of the Sworn Officers subject to such testing.

Periodic Testing

Sworn Officers will be required to undergo a chemical test for dangerous drugs when they are required to take a physical examination as a condition of maintaining their USCG-issued license. At the present time, 46 CFR 10.709 requires that Sworn Officers undergo an annual physical examination in order to maintain their license. Therefore, the required chemical drug test will be conducted at the same time as the physical examination, and the specific testing procedure to be followed is described in Attachment #2.

Such testing will be conducted on City time and Sworn Officers will be paid for time spent undergoing such tests.

Reasonable Cause Testing

The Department may require that Sworn Officers submit to a chemical test for dangerous drugs when there is reasonable cause to suspect such usage, consistent with 46 CFR 16.250. Information concerning specific procedures for establishing reasonable cause and the specific testing procedure to be followed is described in Attachment #3.

The Union does not hereby waive any rights it has or may have to contest the applicability of USCG requirements for chemical drug and alcohol test to the Sworn Officers on any grounds.

APPENDIX H — DRUG TESTING AGREEMENT

Attachment #1

Specific Procedures to be Used When Conducting Post-Accident Chemical Drug and Alcohol Tests

1. USCG Regulations (46 CFR 4.06) require that marine employers conduct chemical testing following serious marine incidents involving vessels in commercial service. The Port Warden or his/her designee will determine whether or not an accident involving a Sworn Officer meets the criteria established for serious marine incidents as defined by the USCG.
2. If it is determined that the specific occurrence meets the criteria, and it is further determined that the Sworn Officer was directly involved in such an incident (based on criteria established in 46 CFR 4.06-5), the Sworn Officer will be directed to undergo a chemical test for drugs and alcohol.
3. When the Port Warden or his/her designee determines that a Sworn Officer has been directly involved in a serious marine incident, the Sworn Officer will be directed to undergo a chemical test for drugs and alcohol to be conducted by a medical facility authorized by the City's Medical Director. Once a determination has been made to direct the Sworn Officer to undergo such testing, the Sworn Officer shall be given a reasonable time to consult with a representative of his/her choice. Such request and consultation should not, however, delay the timely transport and testing of the Sworn Officer. The testing should be conducted as soon as practicable after the incident. The testing will be conducted on City time and the Sworn Officer will be transported to the test site accompanied by either the Port Warden or his/her designee.
4. The testing procedures to be used when conducting a chemical test for drugs are outlined in Attachment #2 of this Agreement.
5. Testing for the presence of alcohol will be done via a blood alcohol test conducted by medical staff at the City-authorized medical facility. Blood specimens will be taken only by qualified medical personnel and will be handled and shipped to a qualified testing laboratory. A proper chain of custody will be maintained and specimens will be shipped to a laboratory in a cooled condition as required by 46 CFR 4.06-40(a).
6. The laboratory will provide analysis of the specimen and produce a complete analysis report and such report will be sent to the Medical Review Officer (MRO) at the City-authorized medical facility. The MRO will review the report as required by 49 CFR 40.27 to determine whether or not there is a legitimate medical explanation. The MRO will submit his/her findings to the Department.
7. Standards for determining whether or not an individual is intoxicated are established in 33 CFR 95.020.

APPENDIX H — DRUG TESTING AGREEMENT

Attachment #2

Specific Testing Procedures to be Used When Conducting Initial, Periodic, and Random Chemical Drug Tests

1. Sworn Officers may be tested for the drugs identified in 46 CFR 16.350 (Marijuana, Cocaine, Opiates, Phencyclidine (PCP), and Amphetamines).
2. Testing procedures will conform to the urine collection and chain of custody procedures outlined in Attachment A.
3. The test will be conducted by a medical facility authorized by the City's Medical Director, and each employee shall provide a split urine sample at that location. Two portions of the sample will be collected in two separate collection kits and the samples, if necessary, will be sent to two separate laboratories. Each laboratory shall be certified by the Department of Health and Human Services as meeting the requirements of 49 CFR Part 40 (Procedures for Transportation Workplace Drug and Alcohol Testing Programs).
4. One sample shall be analyzed. If the initial screening is negative, the employee shall be deemed to have passed the test. If it is positive, a confirmatory test using Gas Chromatography/Mass Spectrometry (GC/MS) method will be conducted. If the confirmatory test is negative, the employee will be deemed to have passed the test.

If the confirmatory test is positive, the Department shall direct that the second sample be tested using the GC/MS method. In either case, the Sworn Officer will be notified of the test result by a representative of the medical staff of the City-authorized medical facility.

That second sample will be sent to a different laboratory, certified by the Department of Health and Human Services as meeting the requirements of 49 CFR Part 40. At the employee's request, he/she may be present when the second sample is prepared to be sent to the laboratory. If the second sample is negative, the employee shall be deemed to have passed the test. If the second sample is positive, the results of all tests will be reviewed and interpreted by the MRO at the City-authorized medical facility.

5. The employee may, at his/her own expense, request that the test results be reviewed and interpreted by a medical consultant of his/her choosing. The employee's medical consultant shall have the same investigatory rights and powers of the MRO at the City-authorized facility.

APPENDIX H — DRUG TESTING AGREEMENT

Attachment #2

6. The MRO shall interview the employee and determine whether the employee has taken any medicine or food that could affect the results of the tests and/or if there are any other reasons for the positive test results other than the usage of illegal drugs. The employee shall, at his/her request, have a Union representative and medical consultant present during this interview.

The statements made by the employee, the Union representative, and/or medical consultant shall be confidential. If requested by the employee, the MRO at the City-authorized medical facility will consult with, and consider the opinion of, the employee's medical consultant prior to making a determination.

Based on all the information available, the MRO at the City-authorized medical facility shall make a preliminary determination. That preliminary determination will be communicated to the Sworn Officer, but will not become, in any fashion, part of the Sworn Officer's permanent personnel file.

7. The MRO at the City-authorized medical facility shall consult, at the request of the Sworn Officer, with the Sworn Officer's medical consultant prior to presenting his final report to the Department.
8. The Department will inform the Sworn Officer of the MRO's determination. Within two calendar days of receiving this determination, the Sworn Officer may request a review of the test results by the City's Medical Director. Upon such a request, the City's Medical Director will interview the Sworn Officer with, at the request of the Sworn Officer, a Union representative and/or medical consultant, consider the information provided by both the Sworn Officer's medical consultant and the MRO, review and interpret the test results, and make a determination that the results are either positive or negative. Such a determination made by the City's Medical Director shall be final for the purposes of satisfying the USCG requirements concerning drug testing.

APPENDIX H — DRUG TESTING AGREEMENT

Attachment #3

Specific Procedures to be Used When Conducting Reasonable Cause Chemical Drug Tests

1. Consistent with 46 CFR 16.250, the Department may require that a Sworn Officer undergo a drug test where there is a reasonable basis to believe that the Sworn Officer may be under the influence of drugs. Such a reasonable basis shall be established either by an admission on the part of the Sworn Officer or by direct observations of abnormal behavior by a supervisor or lead person provided, however, that wherever practicable, such observations shall be corroborated by a second observer.
2. When a supervisor or lead person believes there is such reasonable cause to test a Sworn Officer for drugs, the supervisor or lead person may direct the Sworn Officer to undergo such a test to be conducted by the medical staff of a medical facility authorized by the City's Medical Director.

Once a decision is made to direct the Sworn Officer to undergo such testing, the Sworn Officer shall be informed of the decision and, if requested, the Sworn Officer shall be given a reasonable opportunity to consult with the Union. Such request should not, however, delay the transport and testing of the Sworn Officer. The Sworn Officer to be tested will be accompanied to the test site by the requesting supervisor who will complete a written request to test (See Attachment #4). Any corroborating witnesses will be identified on the written request form.

3. The examining physician of the City-authorized medical facility will review the written request to test form and then interview the supervisor requesting the test and the Sworn Officer to be tested. The examining physician will then determine whether there is a sufficient basis to conduct a drug test.
4. Should the physician determine that the Sworn Officer's condition is related to a medical condition other than possible drug use, the physician will also determine whether or not the Sworn Officer is fit to return to duty and will refer the Sworn Officer to his/her personal physician. The Sworn Officer may then be taken off duty pending review and treatment by the Sworn Officer's personal physician.
5. Should the physician determine that a drug test is warranted, the testing procedure will follow the procedure described in Attachment #2. In all cases the supervisor shall wait for the Sworn Officer to complete all tests and interviews and, upon completion of the examination, will be responsible for transporting the Sworn Officer back to the Port Police Offices. All interviews and tests will be conducted on City time and Sworn Officers will be paid for time spent undergoing such tests.

APPENDIX H — DRUG TESTING AGREEMENT

Attachment #3

4. At this time, the employee is given the opportunity to declare all drugs (prescription, over-the-counter, etc.) used over the past 30 days, and this is recorded on the Chain of Custody form.
5. A copy of the Chain of Custody form is put inside a plastic bag with each bottle and the specimens are placed under refrigeration. The first bottle will be picked up and delivered by the courier to the laboratory.
6. When picking up the specimens, the courier will check the urine sample bottles to ensure they are in good condition and the seals are still intact. The courier will document this information on each Chain of Custody form and deliver the samples with the Chain of Custody forms to the laboratory.
7. The laboratory technologist/technician assigns an individual accession number to each sample and records the number, date and time received, and his/her name on the Chain of Custody form.
8. The technologist/technician also documents on the Chain of Custody form whether the sample was received in good condition with the seal intact. Should a seal be broken, testing procedures would not be conducted and a second urine sample will be requested.
9. Testing of a urine sample is begun by breaking the seal on the bottle and removing a portion of the sample for testing. The original sample bottle with the remainder of the specimen is immediately placed in a locked storage container.
