**SECTION 1.0 GENERAL PROVISIONS**

**ARTICLE 1.1 RECOGNITION**

The Employee Relations Board (ERB) certified the Fiscal and Policy Professionals Association (FPPA or Association) as the majority representative of the Senior Administrative Analysts and Administrative Analysts Unit (Unit) on October 22, 2007. As such, the City of Los Angeles (Management) hereby recognizes FPPA as the exclusive representative of employees in the Unit. The term "employee," as used herein, shall refer only to employees in the classifications listed in the appendices to this Memorandum Of Understanding (MOU) as well as such classes that may be added hereafter to the Unit by the ERB.

**ARTICLE 1.2 PARTIES TO THIS MOU**

This MOU is entered into by the City Administrative Officer (CAO), as the authorized Management representative of the City, and the authorized representatives of the Association.

**ARTICLE 1.3 MOU IMPLEMENTATION**

This MOU constitutes a joint recommendation of Management and the Association. It shall not be binding in whole or in part on the parties listed above unless and until:

- A. The Association has notified the CAO in writing that it has approved this MOU in its entirety; and,
- B. The City Council has approved this MOU in its entirety. Where resolutions, ordinances, or amendments to applicable codes are required, this MOU shall not be binding, in whole or in part, until all such resolutions, ordinances, or amendments become effective.

**ARTICLE 1.4 FULL UNDERSTANDING**

Management and the Association acknowledge that during the meet and confer process each party had the unlimited right and opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding the matters set forth herein. The parties mutually understand that any prior or existing understandings or agreements by the parties, whether formal or informal, are hereby superseded or terminated.

- A. The parties mutually agree that this MOU may not be opened at any time during its term for any reason, except by mutual consent of the parties hereto.

- B. The parties agree that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with Article 1.3.
- C. The waiver or breach of any term or condition of this MOU by any party hereto shall not constitute a precedent in the future enforcement of any of its terms and provisions.

**ARTICLE 1.5 TERM**

- A. The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, are fully met, but in no event shall this MOU become effective prior to July 1, 2013. This MOU shall expire and otherwise be fully terminated on June 22, 2019, at 11:59 p.m.
- B. Notwithstanding the above and unless otherwise specified in this MOU, the provisions of this MOU shall remain in effect until a successor MOU is implemented, as long as the parties have met their obligations under the provisions of Article 1.6 to their mutual satisfaction, and are continuing to meet and confer in good faith.

**ARTICLE 1.6 CALENDAR FOR A SUCCESSOR MOU**

In the event the Association or Management desires a successor MOU, said party shall serve upon the other written notice no sooner than 180 calendar days and no later than 90 calendar days prior to the expiration of this MOU. Meet and confer sessions shall begin no later than 30 calendar days following the receipt of written notice, unless agreed to and specified otherwise by mutual consent.

**ARTICLE 1.7 OBLIGATION TO SUPPORT**

During the period of time the proposed MOU is being considered by the Mayor, City Council, and Council Committees, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, City Council, or Council Committees, nor meet with the Mayor or members of the City Council individually to advocate any addition or deletion to the terms and conditions of this MOU. This Article shall not preclude the parties from appearing before the Mayor, City Council, or Council Committees, nor meeting with individual members of the City Council to advocate or urge the adoption of this MOU.

**ARTICLE 1.8 PROVISIONS OF LAW AND SEPARABILITY**

- A. If any term or provision of this MOU is found to be in conflict with any City, State, or Federal law, the parties agree to meet promptly and as often as necessary to expeditiously renegotiate said term or provision.

- B. All other terms and provisions of this MOU shall remain in full force and effect during the period of such renegotiations and thereafter until their normal expiration date.

## **ARTICLE 1.9 MANAGEMENT RIGHTS**

As the responsibility for the management of the City and direction of its work force is vested exclusively in its City officials and department heads whose powers and duties are specified by law, it is mutually understood that except as specifically set forth herein no provisions in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the effective date of this MOU. The City retains all rights of management, except as specifically enumerated herein. The Association recognizes that these rights, powers, and authority include but are not limited to the right to determine the mission of its constituent departments, offices and boards, set standards of services to be offered to the public, exercise control and discretion over the City's organization and operations, take disciplinary action for proper cause, relieve City employees from duty because of lack of work, lack of funds or other legitimate reasons, determine the methods, means and personnel by which the City's operations are to be conducted, take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies; provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

## **ARTICLE 1.10 NO STRIKE – NO LOCKOUT**

- A. The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed upon the City and the Association during the term of this MOU and the certification of the Association as the exclusive representative of the employees in this Unit.
- B. In consideration of the obligation to maintain public services, the City agrees that there shall be no lockout, or the equivalent, of the members of the Unit, and the Association agrees that there shall be no strike, sympathy strike, or other concerted action resulting in the withholding of service by the members of the Unit during the term of this MOU. In the event of a work action by the Unit members, the Association shall make concerted and reasonable efforts to ensure the return of its Unit members to work. Failure by the Association to act or failure of the Association's actions to secure the return of striking employees shall constitute sufficient cause for the City to take whatever corrective action it deems appropriate against an involved employee.

- C. The curtailment of operations by the City in whole or in part for operational or economic reasons shall not be construed as a lockout.
- D. The provisions of this Article are not intended to conflict in any way from any restrictions imposed by law on strikes, sympathy strikes, or other types of work stoppages by public employees.

**SECTION 2.0 ASSOCIATION SECURITY**

**ARTICLE 2.1 UNIT MEMBERSHIP LIST**

Within 30 business days from the effective date of this MOU, Management will provide the Association with an alphabetized list of employees subject to this MOU, which will include each employee's name, employee number, and class title. Home addresses shall be provided within 60 business days from the effective date of this MOU and at intervals of 90 business days thereafter.

**ARTICLE 2.2 USE OF CITY FACILITIES**

- A. The Association shall be permitted to use City facilities with prior Management approval for the purpose of holding meetings to the extent that such facilities are available to the public and to the extent that the use of such facilities will not interfere with normal departmental operations. Participating employees will attend said meetings on their own time.
- B. The Association will pay all required fees and costs associated with use of a facility and will address and be responsible for any and all special set-up, security, cleanup, and related needs for the facility.

**ARTICLE 2.3 BULLETIN BOARDS**

The CAO agrees to provide one bulletin board for use by the Association upon which all official communications from the Association shall be posted. The Association shall clearly print a removal date on all posted materials. Management shall have the right to remove any material that is believed to be inappropriate for placement in the workplace.

**SECTION 3.0 GRIEVANCES**

**ARTICLE 3.1 GRIEVANCE PROCEDURE**

- A. Statement Of Intent

Management and the Association have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an

adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

B. Definition

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed MOU.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

C. General Provisions

1. Binding Election of Procedure

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

2. Grievance Process Rights

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

3. Time, Time Limits And Waivers

- a. "Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 7.5 of this MOU.
- b. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant

and Management may jointly waive one level of review from this grievance procedure.

4. Mediation

- a. At any step following the Informal Discussion in the grievance process, the Association or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Association and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by the Association and Management.
- b. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
- c. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
- d. Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.
- e. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

4. Expedited Issues

- a. To resolve issues at the appropriate level, the following

issues will be automatically waived to the General Manager level of the grievance process.

- 1) Suspensions without pay
- 2) Allegations of failure to accommodate medical restrictions
- 3) Allegations of retaliation
- 4) Whistleblower complaints

b. Additional issues may be waived to the General Manager level upon mutual agreement of the Association and Management.

#### D. Grievance Process

##### Step 1 Issue Identification and Informal Discussion

1. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.
2. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the Personnel Officer, and the Personnel Officer shall inform the Association of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

##### Step 2

1. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the appropriate Assistant City

Administrative Officer (ACAO).

2. The ACAO shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The ACAO will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of the ACAO to respond within the time limit shall entitle the grievant to process the grievance to the next step.

### Step 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the CAO, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The CAO or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

### Step 4 Arbitration

1. If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within 20 business days of the Step 3 meeting, the Association may elect to serve a written request for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the Personnel Officer. The request for arbitration must be filed with the Employee Relations Board within twenty (20) business days following (a) the date of service of the written response of the CAO or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Association to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.
2. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within ten (10) business days following receipt of said list. Failure of the Association to notify the Employee Relations Board of the selected arbitrator within 60 business days of receipt of said list shall constitute a waiver of the grievance.
  - a. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The

proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.

- b. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- c. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

E. Procedure for Grievances Affecting a Group of Employees

- 1. The Association may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same.
- 2. The Association shall file the grievance in writing with the CAO, or designee, within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the CAO or designee.
- 3. The CAO, or designee, shall provide written notification to the Employee Relations Division of the receipt of the grievance. The CAO, or designee, shall meet with the Association within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The CAO, or designee, may include CAO managers who have knowledge of the grievance issues and/or representatives from the Employee Relations Division in the meeting with the Association. The CAO, or designee, shall prepare a written response within twenty (20) business days of the meeting.

## **ARTICLE 3.2            GRIEVANCE REPRESENTATION**

- A.    The Association may designate a reasonable number of grievance representatives who must be employees of the Unit and shall provide the CAO with a written list of employees who have been so designated. The Association is responsible for providing Management with any updates to the list. A grievance representative, if so requested by a grievant, may represent a grievant at all levels of the grievance procedure.
- B.    The grievant and the representative may have a reasonable amount of paid time off for the purpose of grievance presentation.
- C.    The grievant's supervisor must concur regarding the necessary time off for grievance presentation at the appropriate level. The grievant shall notify the representative of the meeting arrangements.
- D.    Time spent on grievances outside of regular working hours of the grievant or the representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the work hours of the grievant and/or the representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

## **SECTION 4.0            ON THE JOB**

### **ARTICLE 4.1            SAFETY**

- A.    Management will make every reasonable effort to provide safe working conditions. The Association will encourage all employees to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Supervisors will take all available and necessary action(s) as is practicable to address the hazard(s) and the surrounding condition(s).
- B.    If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to affect a satisfactory solution to the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Office and report such hazard.
- C.    Unresolved complaints hereunder may be referred to the State for processing under the CAL/OSHA rules and regulations.

### **ARTICLE 4.2            PERSONNEL FOLDERS**

- A.    An employee shall be entitled to review the contents of any of his/her departmental personnel folder(s) at reasonable intervals, upon request, during regular work hours. Such review shall not interfere with normal business operations.

- B. No evaluatory or disciplinary document may be placed in an employee's personnel file without his/her review and a copy of the document presented to him/her for his/her records. The employee shall acknowledge that he/she has reviewed and received a copy of the document by signing it with the understanding that such signature does not necessarily indicate agreement with its contents.
- C. A written reprimand or "Notice to Correct Deficiencies" will be sealed upon the written request of an affected employee if he/she has not been involved in any subsequent, related incidents that resulted in written corrective counseling or other Management action for a period of five years from the date the most recent notice was issued or Management action taken, whichever is later.
- D. Pursuant to the above paragraph, sealed documents shall be available if subpoenaed or requested through another legitimate legal avenue.

**ARTICLE 4.3 REST AND MEAL PERIODS**

- A. Each employee shall be granted a minimum 15-minute paid rest period in each four-hour period of work; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of 15 minutes without the express consent of the designated supervisor.
- B. Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.
- C. Each employee shall be scheduled to take an unpaid meal period of at least 30 minutes in the course of a full work day. The unpaid meal period shall not be taken during the first or last hour of an employee's working day. The duration of an unpaid meal period may be longer than 30 minutes by mutual agreement between the employee and his/her supervisor.

**SECTION 5.0 WORK SCHEDULES**

**ARTICLE 5.1 WORK SCHEDULES**

- A. Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the

FLSA. Management may assign employees to work a 5/40 or 9/80 work schedule. Management may require employees to change their work schedules (working hours or change days off, except the split day) within the same FLSA work week, provided that the change is not arbitrary, capricious, or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management.

- B. Employees on a 9/80 modified work schedule shall have a designated regular day off (also known as 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).
- C. Employees who work on a schedule other than 5/40 shall have their sick leave, vacation and holiday credits accrued at the same hourly rate as employees on the 5/40 schedule.

## **SECTION 6.0        COMPENSATION**

### **ARTICLE 6.1        SALARIES**

The parties hereby agree that salary ranges shall be as set forth in the appendices to this MOU:

- Appendix E – Effective June 24, 2018

#### **EFFECTIVE JULY 1, 2013**

Salary ranges for employees shall consist of five steps, each separated by two premium levels (approximately 5.5%), as illustrated in Appendix A of this MOU.

#### **EFFECTIVE OCTOBER 4, 2015**

Salary ranges for employees shall consist of 15 steps, each separated by one premium level (approximately 2.75%), as illustrated in Appendix B of this MOU.

Beginning October 4, 2015, and ending January 8, 2017, salary anniversary dates for employees shall be frozen. During that time period, each employee, regardless of when he/she joined the Unit, who is not on step 15, shall receive one step increase effective on each of the following dates:

1.     December 27, 2015
2.     June 26, 2016

3. December 25, 2016

On January 8, 2017, when salary anniversary dates are unfrozen, the salary anniversary date for each employee shall be updated with a new year: those anniversary dates that fall between January 1 and January 8 (inclusive) shall be updated with the year “2018;” those that fall between January 9 and December 31 (inclusive) shall be updated with the year “2017.”

A City employee who joins the Unit between October 4, 2015, and January 8, 2017, shall be eligible for only those increases that are prospective, i.e., that fall on or after the employee’s entry date into the Unit, and not for those that have occurred prior to their joining the Unit.

Effective October 4, 2015, the following salary ranges shall be effective consistent with the implementation of the new 15-step salary range.

<b>Class and Pay Grade</b>	<b>Range</b>
Administrative Analyst I	2730
Administrative Analyst II	3222

Senior Administrative Analyst II	4715

Effective October 4, 2015, consistent with the implementation of a 15-step salary range, employees shall be reassigned to a new salary step according to the following conversion table.

<b>5-Step Salary Step</b>	<b>15-Step Salary Step</b>
1	6
2	8
3	10
4	12
5	14

**EFFECTIVE DECEMBER 13, 2015**

Effective December 13, 2015, through June 25, 2016, each employee shall receive on a biweekly basis a 1.5% “adds to pay” bonus of his or her base rate. This bonus is non-pensionable and does not affect an employee’s permanent rate.

## **EFFECTIVE JUNE 26, 2016**

Effective June 26, 2016, the following actions shall be implemented in the order enumerated:

1. The 1.5% “adds to pay” bonus (described immediately above) shall be eliminated.
2. Base wages for all employees shall be increased by 1.5%.\*
3. Base wages for all employees shall be increased by 2.25%.\*

\*See Appendix C.

Effective June 25, 2017, base wages for all employees shall be increased by 2.25% in accordance with Appendix D.

Effective June 24, 2018, base wages for all employees shall be increased by 2.25% in accordance with Appendix E.

## **PROMOTIONAL DIFFERENTIAL**

Notwithstanding provisions of the LAAC, if the rate of the top step of the salary range for an employee who promotes from (1) one pay grade or classification represented in this MOU to another pay grade or classification represented in this MOU or (2) a classification not represented in this MOU to a pay grade or classification represented in this MOU, and the top step rate of the salary for the new position into which the employee is promoting is higher than the top step rate of the salary range for the former position, then the employee shall be placed on the lowest step within the salary range for the new position which provides at least a 2.75% increase over the rate received in the former position. Any regularly assigned bonus or premium compensation amounts shall be included in calculating the appropriate step rate for the new position. Effective June 28, 2015, the minimum promotional differential will increase from 2.75% to 5.5%.

## **ARTICLE 6.2 COMPENSATION ADJUSTMENTS**

- A. If the City authorizes a base wage compensation increase or change in the promotion differential that is different than that which affects this Unit between July 1, 2013, through July 8, 2017 (inclusive), for classifications represented in the Supervisory Administrative Unit (MOU 20) or classifications not represented by a union or association, exclusive of all represented classifications employed by the Department of Water and Power and all elected officials or classifications whose salaries are set by Charter, an equal base wage compensation increase shall be made to classifications represented in this MOU beginning on the same day that said increase is made. The provisions of this paragraph shall expire on

July 8, 2017, and shall not continue unless mutually agreed to in a successor MOU.

- B. From June 24, 2018, through June 22, 2019, if the City authorizes a base wage compensation increase for classifications represented in the Supervisory Administrative Unit (MOU 20), an equal base wage compensation increase shall be made to classifications represented in this MOU beginning on the same day that said increase is made. The provisions of this paragraph shall expire on June 22, 2019, and shall not continue unless mutually agreed to in a successor MOU.

### **ARTICLE 6.3 OVERTIME**

- A. The parties understand that some of the employees covered by this MOU may be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 210 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required thereunder and any additional benefits set forth herein if compatible with the FLSA.

- B. Distribution of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification and organizational unit. However, Management may consider special skills required to perform particular work. No employee shall work overtime without prior approval from his or her supervisor. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor, consistent with department policy. Failure to secure prior approval may result in discipline. Working and not recording the time is similarly prohibited.

- C. Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, Management will give employees required to work as much advance notice as is practicable.

- D. Rate and Method of Compensation – FLSA Non-Exempt Employees

Compensation for overtime worked shall be for all hours worked in excess of 40 hours during an employee's scheduled work week. Management shall have the discretion to determine whether overtime compensation shall be in cash or time off. Overtime compensation shall be in time off at the rate of one and-one-half (1½) hours for each hour of overtime worked or at the rate of one and-one-half (1½) times the employee's regular rate of pay.

E. Compensatory Time Off

1. Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). Occasionally, employees may accumulate CTO in excess of 80 hours for a period of time not to extend beyond the fiscal year during which the overtime was accumulated. If an employee does not schedule and take off CTO hours over 80 prior to the end of the fiscal year, Management may require the employee to use CTO prior to the end of the fiscal year; require the employee to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one additional fiscal year.
2. In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO must be permitted by Management to use such time within a reasonable time period after making the request unless doing so would unduly disrupt City or department operations. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime). Under no circumstances shall more than 240 hours of CTO be accumulated.

Notwithstanding any LAAC or MOU provisions or other City department rules and regulations to the contrary, these employees shall not be required to record specific hours of work for compensation purposes, although hours may be recorded for other purposes. These employees will be paid the predetermined salary for each biweekly pay period, as indicated in the appropriate appendices to this MOU, and shall not receive overtime compensation. Salaried employees shall not be subject to deductions from salary or any leave banks for absence from work for less than a full workday when such absences are occasional partial day absences that are authorized by the appropriate supervisor. Partial day absences that are long-term or recurring (e.g., intermittent leave/reduced work schedule for purposes of Family/Medical Leave) are subject to deductions from salary or leave banks.

- C. Salaried employees shall not be subject to disciplinary suspension for a period of less than a workweek (seven days; half of the biweekly pay period) unless based on violations of a safety rule of major significance or misconduct.
- D. The CAO may grant time off for extra hours worked due to unusual situations.

This date shall become the employee's step advancement date, except under the circumstances in section C below.

- 2. Subsequent Step Advancement

Each subsequent step advancement shall occur at the beginning of the payroll period following the completion of 2,080 additional regular paid hours and 12 months of service, except under the circumstances in section C below, until the top step has been reached.

Uncompensated absences of sixteen days (128 hours for employees on a work schedule other than 5/40) or less during the 2,080-hour qualifying period and during each subsequent 2,080-hour annual period shall not extend the step advancement date. The step advancement date shall be extended one working day for each working day absence (or one hour for each hour of aggregated uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with Division IV of the Labor Code of the State of

California and Article 7 of Division 4 of the LAAC shall not have their step advancement date changed due to their workers' compensation status.

4. Consecutive Appointments within a 12 Month Period

Consecutive appointments or assignments to positions with the same top step salary rate in the 12 months (2,080 hours) following an appointment or assignment shall be treated as one appointment or assignment for step advancement purposes.

5. Appointments to New Positions with the Same or Lower Salary Range

An employee who is appointed or assigned to a new position on the same or lower salary range shall retain the step advancement date established for the former position.

C. Part-time Employees / Civil Service Half-Time Employees

The initial salary step advancement for a half-time, but less than full-time, employee in a position compensated on a salary range shall be in the payroll period following the completion of 1,040 regular paid hours and 12 months of service. **ARTICLE 6.6          ADDITIONAL COMPENSATION**

The CAO shall have the authority and sole discretion to provide additional compensation to any employee in the amount of one to four premium levels (in premium-level increments) above the salary step to which the employee is so assigned. A decision by the CAO to remove such additional compensation (thereby returning an employee to his/her regular base pay rate for the step to which they are so assigned) shall not be grievable or arbitrable.

Additional compensation provided for under this Article is an "add to rate" and shall be pensionable.

**ARTICLE 6.7          SUBPOENAED AS A WITNESS**

earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.

- B. In determining whether an employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service shall be required.
- C. Employees called into active military service (other than temporary military leave) shall accrue vacation time, and be entitled to the cash-out of accrued, but unused vacation time, in accordance with Article 7.6, Vacation, Section B of this MOU.

Changes in monthly subsidy amounts shall be effective at the beginning of the pay period that encompasses the Kaiser Permanente yearly premium rate change.
6. Full-time employees who work a temporary reduced schedule under the provisions of Article 7.8 shall continue to receive the full-time employee subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article.

However, for any unpaid portion of Family Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine pay periods.

2. With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).

Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

- G. Whenever an employee's 9/80 or modified day off falls on a holiday, the employee shall take an alternative 9/80 day off within the same workweek and calendar week as the holiday.
- H. Holiday Premium Pay – Any FLSA non-exempt full-time employee who works on any holiday listed above will receive eight hours (or portion thereof as specified above in A.11.) of holiday pay and one and one-half the hourly rate for all hours worked on the observed holiday; provided, however, that the employee has (1) worked his/her assigned shift immediately before, and his/her assigned shift immediately after the holiday, or (2) prior to such holiday, Management has authorized the employee to take paid leave time off in lieu of the requirement to work said shifts. Any employee who fails to meet either of these requirements will be paid at the rate of one hour for each hour worked. Employees shall not receive both overtime and Holiday Premium Pay (as defined herein) for the same hours.
- I. An employee who works (1) in excess of eight hours on any holiday listed from 1 through 10 above, or (2) in excess of any day or portion thereof declared to be a holiday by proclamation of the Mayor shall be paid at the appropriate holiday premium pay rate for his/her class. Employees shall not receive both overtime and holiday premium pay for the same hours.
- J. For each holiday listed above which results in time off with pay for employees working a Monday through Friday workweek, employees who are scheduled to work other than the Monday through Friday workweek shall be entitled to such day off with pay or shall be compensated in accordance with all pertinent provisions (B through I above). If such holiday falls on the employee's scheduled day off, an alternative day off in-lieu shall be scheduled within the same workweek and calendar week as the holiday.
- K. Management shall have the sole authority and responsibility to determine whether the compensation for any holiday worked shall be in cash or paid leave time off.
- L. The unspecified holidays shall be taken in accordance with the following requirements:
  - 1. The holidays must be taken in full normal working day increments of eight hours during the calendar year in which they are credited or they will be forfeited. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holiday, Management will reschedule the holiday so that it may be taken on some other mutually satisfactory date within the

calendar year.

2. Any break in service (i.e., resignation, discharge, retirement) prior to taking the holidays shall forfeit any right thereto.
3. The holidays shall not be utilized to extend the date of any layoff.
4. No employee shall be entitled to an unspecified holiday until he/she has completed six months of satisfactory service.
5. Employees who work in intermittent, on call, vacation relief, or seasonal positions shall not be entitled to unspecified holidays.
6. No employee shall receive more than the number of unspecified holidays in A.12. above. Thus, (a) an employee transferring from the Department of Water and Power (DWP) to any other City department, office or bureau will not receive an unspecified holiday after taking such holiday prior to leaving the DWP, and (b) employees who resign or are terminated and then rehired during the same calendar year, will not receive an additional unspecified holiday when rehired.

Employees called into active military service (other than temporary military service) shall, following their qualifying year of service for vacation, continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. To avoid reaching maximum accrual during an extended leave, employees may request cash payment of accrued, but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of his/her leave of absence. Military orders or other evidence of call-up into the armed forces of the United States must be submitted with the request.

**ARTICLE 7.7 BEREAVEMENT LEAVE**

- A. An employee who is absent from work by reason of the death of a member of his/her immediate family shall, upon the approval of the appointing authority, be allowed a leave of absence with full pay for a maximum of three working days for each occurrence of a death in the employee's immediate family. Such employees shall be required to furnish a death certificate or other satisfactory proof of the death to justify the absence. "Immediate family" shall include, father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandfather, grandmother, stepparents, stepchildren, grandchildren, any relative who resided in the employee's household, the domestic partner of an employee, and the following relatives of the domestic partner: mother, father, child, grandchild. For the purpose of this Article, simultaneous, multiple family deaths will be considered as one occurrence.
- B. Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, declaring the existence of a domestic partnership with a named domestic partner.
- C. In addition to the bereavement leave granted under this Article, upon the approval of the appointing authority, any employee who has accrued unused sick leave at full pay, shall be allowed sick leave with full pay not to exceed two working days per occurrence for the purpose of bereavement leave if it is necessary for the employee to travel a minimum of 1,500 miles one way, as calculated by the Automobile Association of America (AAA). Employees requesting the use of sick leave under this provision shall furnish satisfactory proof to the appointing authority of the distance traveled. Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.

### A. Authorization for Leave

1. Up to four (4) months (nine [9] pay periods [720 hours]) of family or medical leave shall be provided for the purpose of childbirth, adoption, foster care of a child, or serious health condition of an immediate family member (as defined in Article 7.7), upon the request of the employee, or the designation of Management in accordance with applicable Federal or State law, notwithstanding any other provisions of this MOU or the LAAC to the contrary.
2. An employee may take leave under the provisions of this Article if he/she has a serious health condition that makes him/her unable to perform the functions of his/her position.
3. Leave under the provisions of this Article shall be limited to four (4) months (nine [9] pay periods [720 hours]) during a twelve (12) month period, regardless of the number of incidents. A 12-month period shall begin on the first day of leave for each individual taking such leave. The succeeding 12-month period will begin the first day of leave taken under the provisions of this Article after completion of the previous 12-month period.
4. Exception: Under the provisions of this Article, a pregnant employee may be eligible for up to four (4) months (nine [9] pay periods [720 hours]) for childbirth disability and up to an additional four (4) months (nine [9] pay periods [720 hours]) for purposes of bonding. (See Section D. of this Article.)

### B. Definitions

The following definitions are included to clarify family relationships as defined in the Family and Medical Leave Act and the California Family Rights Act.

1. **Spouse** means a husband or wife as defined or recognized under State law for purposes of marriage in this State.
2. **Domestic partner** means a named domestic partner in a confidential affidavit declaring the existence of said domestic partner and signed by the City employee, which is on file in the Employee Benefits Office, Personnel Department.
3. **Parent** means a biological, step-, adoptive or foster parent, an individual who stands or stood in loco parentis to an employee or a legal guardian. This term does not include parents-in-law. Persons who are in loco parentis include those with day-to-day

responsibilities to care for and financially support a child or, in the case of a parent of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

4. **Child** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

#### C. Eligibility

1. The provisions of this Article shall apply to all employees in this Unit who have been employed by the City for at least 12 months and who have worked for at least 1,250 hours (half-time employees may include all compensated time off except IOD) during the 12 months immediately preceding the beginning of the leave.
2. Exception: In accordance with Pregnancy Disability Leave under the California Fair Employment and Housing Act (FEHA), on the first day of employment with the City, pregnant employees are eligible up to four (4) months (nine [9] pay periods [720 hours]) of leave if disabled due to pregnancy.
3. Parents (including those who are domestic partners) who both work for the City may take leave under the provisions of this Article at the same time to care for a new child by birth, adoption or foster care of a child. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee. Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to take care of a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.
4. Each employee must notify his/her employing department at the time the leave is requested of the name and department of the other City employee who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.
5. The time limitation for spouses or domestic partners does not apply to leave taken by one employee to care for the other who is seriously ill, or to care for a child with a serious health condition.

## D. Conditions

1. Pregnancy - The start of leave for a pregnant employee shall be at the beginning of the employee's pregnancy-related disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.
  - a. In accordance with Pregnancy Disability Leave (PDL) under the California FEHA, pregnant employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine (9) pay periods [720 hours]) of leave with medical certification certifying the employee as unable to work due to a pregnancy-related condition. PDL under the FEHA may be taken before or after the birth of the child, and shall run concurrently with pregnancy leave under the federal Family and Medical Leave Act of 1993, which must be concluded within one year of the child's birth.
  - b. Employees (either parent) are also eligible for family leave ("bonding") under the California Family Rights Act, which shall be limited to four (4) months (nine (9) pay periods [720 hours]) and must be concluded within one year of the child's birth. Whereas bonding leave for the pregnant employee may be taken before or after delivery, bonding leave for the non-pregnant employee shall be taken on or after the anticipated delivery or placement date of the child except as may be necessary under Section D.2. of this Article. (The administration of such leave shall be in accordance with Sections C.2. and D.5.f. of this Article.)
2. Adoption - The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may be granted prior to placement if an absence from work is required.
3. Family Illness - The start of a family leave for a serious health condition of a family member shall begin on the date requested by the employee or designated by Management.
4. Employee's Own Illness - The start of a leave for the employee's own serious health condition shall begin on the date requested by the employee or designated by Management.
5. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

- a. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice or residential medical care facility; or
  - b. A period of incapacity requiring an absence of greater than three days involving continuing treatment by or under the supervision of a health care provider; or
  - c. Any period of incapacity (or treatment therefor) due to a chronic serious health condition: or
  - d. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
  - e. Any absences to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity for more than three consecutive days if left untreated; or
  - f. Any period of incapacity due to pregnancy or for prenatal care.
6. Continuous, Intermittent, and Reduced Work Schedule Leave - All leave granted under this Article shall normally be for a continuous period of time for each incident.
- a. An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the LAAC during the duration of their part-time schedule.
  - b. In accordance with the California Family Rights Act (CFRA), leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the basic minimum duration of bonding leave is two weeks, and on any two occasions an employee is entitled to such bonding leave for a time period of not less than one day but less than two weeks' duration. Any other form of intermittent

leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. Bonding leave must be concluded within one year of the birth or placement of the child.

- c. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.
- d. A personal leave beyond the four (4) month (nine [9] pay period [720 hours]) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
- e. An employee receiving temporary workers' compensation benefits (either IOD or the rate provided in Division IV of the California Labor Code) who meets the eligibility requirements in C.1. of this Article shall be automatically considered to be on family or medical leave, effective the first day of the employee's absence.
- f. Management has the right to request and verify the medical certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
- g. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

#### E. Notice Requirements

##### 1. Employee

When an employee requests family or medical leave, he/she must state the reason for the requested leave (e.g., childbirth, to care for an immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least 30 days' notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.

##### 2. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's

annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates leave, paid or unpaid, taken by an employee as family or medical leave-qualifying, and notify the employee accordingly, regardless of whether or not the employee initiates a request to take family or medical leave.
