Re: Ordinance No. 182138 -- Fidelity Corporate Citizenship in Los Angeles

Dear Ms. Daco,

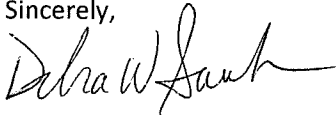

Please see below for our internal policy regarding the utilization of subcontractors which are designated as "women-owned", "minority owned" or "disabled" business enterprises.

Fidelity recognizes the value of minority- and women-owned business enterprises. We do our best to embrace them when engaging suppliers, subcontracting relationships (when Fidelity has the latitude to do so), and when that enterprise is capable of delivering the specific products, services, and expertise that Fidelity and its clients require. Fidelity tracks spending with over 600 suppliers certified across 8 classifications and can report the spending on a quarterly basis. Additionally, Fidelity has recently joined the NGLCC (National Gay and Lesbian Chamber of Commerce) as a sponsoring partner to better develop relationships and partnerships with LGBT suppliers.

If requested by the client, Fidelity can provide statistics regarding the volume of business conducted with enterprises with a diversity certification. However, Fidelity does not actively manage a supplier diversity goal for Tier 1 or Tier 2 suppliers, and therefore, would not be able to meet the target goals (if asked) of overall estimated expenditures.

Please feel free to contact me should you have any questions or require any additional information.

Sincerely,

Debra Saunders, Vice President, Public Finance, Fidelity Capital Markets
