Re: 2019 RBP Form

Dear Ms. Brill,

Please see below for our internal policy regarding the utilization of subcontractors which are designated as “women-owned”, “minority owned” or “disabled” business enterprises.

Fidelity recognizes the value of minority- and women-owned business enterprises. We do our best to embrace them when engaging suppliers, subcontracting relationships (when Fidelity has the latitude to do so), and when that enterprise is capable of delivering the specific products, services, and expertise that Fidelity and its clients require. Fidelity tracks spending with over 600 suppliers certified across 8 classifications and can report the spending on a quarterly basis. Additionally, Fidelity is a member of the NGLCC (National Gay and Lesbian Chamber of Commerce) as a sponsoring partner to better develop relationships and partnerships with LGBT suppliers.

If requested, Fidelity can provide statistics regarding the volume of business conducted with enterprises with a diversity certification. In 2018, Fidelity spent nearly $140 million with diverse suppliers, including minority, women, disabled, veteran, and disabled veteran owned businesses. Roughly 85 percent of this spend is with minority-owned and women-owned businesses.

Please feel free to contact me should you have any questions or require any additional information.

Sincerely,

Elizabeth Hanify
