

REPORT FROM

## OFFICE OF THE CITY ADMINISTRATIVE OFFICER

---

Date: July 24, 2020

CAO File No. 0590-00098-5183

Council File No. 20-0600

Council District: All

To: Eric Garcetti, Mayor  
Nury Martinez, Council President  
Paul Krekorian, Chair, Budget and Finance Committee

From: Richard H. Llewellyn, Jr., City Administrative Officer 

Reference: 2020-21 Budget

Subject: **JULY 1, 2020, BUDGET ADJUSTMENTS**

---

### SUMMARY

Consistent with the City Council's budget instruction for this Office to report frequently on the City's financial status (C.F. 20-0600), this Office is transmitting restatements of various 2020-21 Budget exhibits. These restated exhibits reflect actions that the City Council and Mayor took subsequent to the 2020-21 Budget going into effect and retroactive to July 1, 2020. Thus, they reflect the initial appropriation for each stated line item. These changes include, but are not limited to, adjustments to the Los Angeles Police Department's operating budget, assumptions for a Separation Incentive Program to offset furlough savings, reimbursements to various funds that front-funded COVID-19 expenditures, actions to bolster the City's reserves, and an update on the City's Reserve Fund balance as of July 1, 2020.

Historically, the Adopted Budget reflects the City Council's changes to the Mayor's Proposed Budget. As the City Council did not approve or modify the Mayor's Proposed Budget before June 1, 2020, the Mayor's Proposed Budget becomes the 2020-21 City Budget pursuant to Charter Section 313. The City Council and the Mayor, however, approved various adjustments to the Budget on July 1, 2020. As the 2020-21 Budget does not reflect these interim changes, we are transmitting the attached budget documents to illustrate the adjusted City Budget as of July 1, 2020. When presenting future Financial Status Reports, this Office will use these adjusted amounts as the initial budget appropriation for each line item.

The impacts of COVID-19 on the City's economically sensitive revenues are still unknown. This revenue uncertainty is a major source of risk to the 2020-21 Budget. Updated data is not available at this time, but as it becomes available we will present our analysis regarding the City's fiscal condition as related to the 2020-21 Budget through Financial Status Reports. In light of the COVID-19 related risk, it is imperative for departments to manage within their existing budgets.

### RECOMMENDATION
