NOTICE OF SPACE ASSIGNMENT – LA MALL SPACE #4 (FORMER CVS) FOR STORING DISASSEMBLED CUBICLES

The General Service Department (GSD) is providing a notice for a space assignment of approximately 3,000 sf of the 11,500 sf within LA Mall Space #4 (formerly CVS). The space will be used for temporary storage of disassembled cubicles being removed from City Hall Room 101 for potential use by another City department.

GSD is utilizing its authority for assigning space of fewer than 5,000 square feet for this temporary need.

BACKGROUND

The Office of Finance (OOF) plans to reconfigure their space located in City Hall in Room 101 and excess cubicles will be disassembled and replaced as part of that project.

The temporary space assignment and relevant discussions will be in an upcoming Space Optimization report by the CAO.

FISCAL IMPACT

No additional impact to the General Fund at this time.
