BEHIND THESE NUMBERS...

are our neighbors

THAT'S why we count.

Thank you to the thousands of volunteers, partners, and community service providers who make the Homeless Count possible, and who have helped our homeless services system reach more people than ever before.

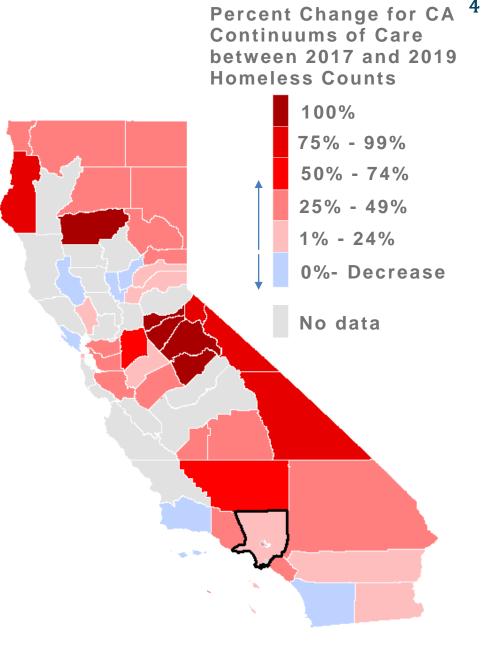

- Federally mandated PIT
 Count
- HUD approved methodology

However, economic factors are driving increases in homelessness

\$

Wages have not kept pace with rental cost

An LA renter earning minimum wage (\$13.25/hr) would need to work 79 hours per week to afford rent on a 1-bedroom apartment* 273,421 renter households in City of LA are severely rentburdened**

1/3 of LA renters spend more than 50% of their household income on rent LA County needs 516,946 new affordable housing units

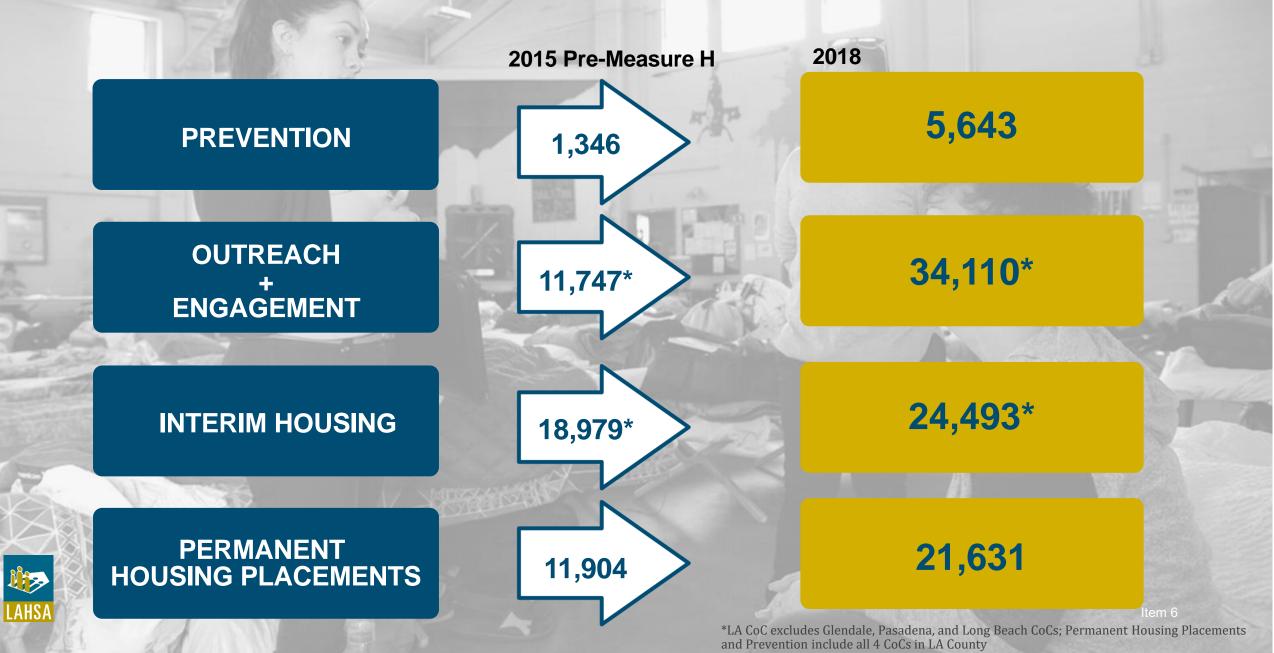

To meet the needs of lowincome renters*** 8
