From: Richard H. Llewellyn, Jr., Interim City Administrative Officer

Subject: **2015-2018 PROFESSIONAL ENGINEERING AND SCIENTIFIC UNIT
APPENDIX F – REGISTRATION BONUSES – TECHNICAL CORRECTION**

The following revision to Appendix F *Registration Bonuses for the Professional Engineering and Scientific Unit* (Bargaining Unit No. 8) are requested to correct an inadvertent omission as indicated herein.

Appendix D – Registration Bonuses – Item B.

To reflect the intent and agreement previously reached by the parties, add back to the existing paragraph the classification of **Risk Management and Prevention Program Specialist** (RMPPS) which was removed from the prior language under the belief that the position of was no longer occupied. The new language should reflect the bold underlined classification as shown below:

*“A person employed as an Engineering Associate II, a Fire Protection Engineering Associate II or III, or as a **Risk Management and Prevention Program Specialist**, in an engineering position for which registration as a Civil Engineer, Professional Engineer or Professional Geologist with the Consumer Affairs State Board of Professional Engineers...is not required...”*

The inclusion of the previously omitted classification of RMPPS is effective as of July 1, 2016. If you have any questions regarding this matter, please contact Errol Griffin at (213) 978-7633.
