ARTICLE 1 RECOGNITION

The All City Employees Association (ACEA) was certified on June 5, 1975, by the Employee Relations Board as the majority representative of City employees in the Professional Medical Services Unit (hereinafter referred to as "Unit"). Management hereby recognizes ACEA, Local 2006, American Federation of State, County and Municipal Employees (AFSCME), Council 36, AFL-CIO (hereinafter referred to as "Union") as the exclusive representative of the employees in the Unit, subject to the right of an employee to represent himself/herself.

The term "employee" or "employees" as listed herein, shall refer only to employees in the classifications listed in the Appendices, as well as such classes as may be added hereafter to the Unit by the Employee Relations Board.

ARTICLE 2 PARTIES TO MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) is entered into on December 4, 2015, by the City Administrative Officer (CAO), as authorized Management representative of the City Council, and the authorized management representatives of the Departments of Aging, Animal Services, Fire, Personnel, Police, Zoo, (hereinafter referred to as "Management") and authorized representatives of the ACEA, Local 2006, AFSCME, as the exclusive recognized employee organization for the Professional Medical Services Unit.

ARTICLE 3 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This MOU constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties listed below unless and until:

- A. The Union has notified the CAO in writing that it has approved this MOU in its entirety, and
- B. The City Council has approved this MOU in its entirety.

Where resolutions, ordinances or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of the resolution, ordinance or amendment unless otherwise specified.

ARTICLE 4 TERM

The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation of MOU, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall said MOU become effective prior to 12:01 a.m. on July 1, 2015. This MOU shall expire and otherwise be fully terminated at

11:59 p.m. on June 30, 2018. The MOU in effect on June 29, 2014 shall have remained in effect through June 30, 2015.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed as long as the parties have met their obligations under the provisions of Article 47, Calendar for Successor Memorandum of Understanding, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 5 HIGHER LEVEL ASSIGNMENT AND ACTING PAY

Section I – Higher Level Assignment

A higher level assignment is the temporary reassignment of an employee to a position that involves higher level responsibilities or duties in the same class. Such assignment is intended to be temporary in nature and is intended to address an immediate staffing need, usually arising from a position vacancy or the temporary absence of an employee.

An employee temporarily assigned higher level duties shall continue to receive the rate of pay for his/her regular classification and pay grade, unless or until he/she has been appointed to a higher classification or pay grade. In the event that said assignment exceeds twenty (20) consecutive calendar days, Management shall initiate the necessary action to fill the position at the proper level.

Section II – Acting Pay

Effective July 1, 2105, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

(1) Absence at Higher Level Position

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 11th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of assignment. Additional compensation is non-pensionable.

Approved leave time off taken during a qualifying period shall extend the 10-day (or 80 hour) qualifying period by the length of absence. All other absences shall

constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to his/her regular assignment shall not require completion of a new qualifying period.

(2) Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment. Additional compensation is non-pensionable.

(3) Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment, and, effective December 13, 2015, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

Section III - Waivers and Exceptions

- A. Nothing in this Article shall be construed as limiting Management's authority to make temporary higher level assignments of qualified personnel during emergencies or unusual operating conditions. However, such assignments shall not be extended beyond the period of emergency or unusual operating conditions.
- B. Whenever an employee performs duties outside of the normal duties of his/her position for the purpose of training or providing experience, written confirmation of such performance will be placed in the employee's personnel file upon request by the employee. Management shall designate a knowledgeable person to supervise said training or experience.

ARTICLE 6 MILEAGE

Each employee who is authorized to use his/her own vehicle, pursuant to Division 4, Chapter 5, Article 2 of the LAAC, in the performance of his/her duties shall be reimbursed for transportation expenses at the rate of fifty-seven and one-half cents (57.5¢) (effective January 1, 2015) per mile for all miles traveled in any biweekly period,

in addition to any and all salaries and other compensation otherwise provided for by law.

During the term of this MOU, the cents per mile reimbursement shall be adjusted to an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service. The CAO shall certify to the Controller appropriate changes, if required, to become effective the beginning of the pay period in which January 1 falls, or on such other date as the IRS may determine.

ARTICLE 7 TRAVEL ALLOWANCE

- A. Notwithstanding Section 4.222 of the LAAC, whenever an employee is required to travel directly between his/her home and place of temporary assignment, as provided in Section 4.221 of the LAAC, he/she shall receive payment at the rate of four dollars (\$4.00) for each day that such travel occurs. The parties agree that all other provisions of Section 4.221 - 4.226 of the LAAC which relate to payment for travel of certain employees from their home to temporary job locations remain unchanged.
- B. Notwithstanding Section 4.222.1 of the LAAC, whenever an employee is required to travel from one job site to another within a work day, he/she shall receive payment at the rate of four dollars (\$4.00) for each day that such travel occurs.
- C. Where an employee qualifies under both Sections A and B above, such employee shall be entitled to receive six dollars (\$6.00) per day.
- D. Where an employee is required to report to court during his/her assigned work schedule because of duties arising out of City employment or required to appear in court during hours outside his/her assigned work schedule in accordance with Article 22 of this MOU, he/she shall be compensated as provided above.

ARTICLE 8 REIMBURSEMENT FOR CONTINUING EDUCATION REQUIREMENTS

To be eligible for this benefit, an employee must have completed six months of full-time City service.

ARTICLE 9 PART-TIME EMPLOYMENT

Notwithstanding the provisions of Section 4.110 of the LAAC, the following provisions shall apply to part-time employees covered by this MOU.

- A. Except as otherwise provided in Section 4.117 of the LAAC and in any Departmental Personnel Ordinances to the contrary, a work schedule of less than the number of hours of full-time employment shall be considered part-time employment. The following categories of part-time employment are hereby defined:
 - 1. Half-time: Half-time employees are employees regularly assigned to a work schedule of half-time (1,040 hours) or more in any calendar year, but less than full-time. Compensation shall be prorated on the basis of the total number of hours scheduled to be worked in relationship to the total number of hours required for full-time employment in the class of position. Benefits for such half-time employees provided in this MOU shall apply to these employees on a prorated basis.
 - 2. Intermittent: Intermittent employees are employees assigned to a regular or on-call work schedule of less than half of the available working time (less than 1,040 hours) in a service year. Compensation as established in the Salary Appendices of this MOU shall be considered full remuneration for intermittent employees defined by this Article. Employees who are compensated by the session, and employees who hold more than one intermittent position concurrently, regardless of total number of hours scheduled, shall be considered intermittent employees.
- B. All part-time employees hired into classifications in this bargaining unit shall be notified at the time of hire whether such appointment is half-time or intermittent. Half-time employees shall be advised of their eligibility for prorated benefits, and intermittent employees shall be notified that they shall not be entitled to benefits, except under circumstances described in paragraph C below.

- C. Notwithstanding the above, an employee hired on an intermittent basis who, following two consecutive years of City Service, has been compensated for 1,000 or more hours during each of the two years shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Effective July 26, 2015, an employee hired on an intermittent basis, who, following 1,000 or more compensated hours in one service year shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Upon designation as half-time under these circumstances such employees shall immediately begin accruing vacation and sick leave and become eligible for holiday benefits at the appropriate prorated rate. Their anniversary date shall be based upon the date they are designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.
- D. It is understood that Management has the right to determine the work schedules and hours of all intermittent and half-time employees. However, when an employee has been working a consistent half-time or more work schedule, departments will provide reasonable opportunities for the employee to make up unpaid absences due to authorized leave or holidays in order to maintain half-time status. Such accommodation shall be subject to budgetary and workload considerations.
- E. Any changes to sick leave, vacation and holiday benefits for part-time employees contained in this MOU shall apply to employees hired subsequent to the effective date of this MOU. Intermittent employees receiving such benefits prior to the effective date of this MOU shall be eligible to continue to receive them, as long as these employees retain their intermittent status without a break in service.

Appeal Procedure for Intermittent Part-time / Civil Service-Exempt Half Time Employees

Effective December 13, 2015, the following appeal procedure for intermittent part-time and Civil Service-exempt half-time employees shall be as follows:

The hearings shall take no more than four (4) hours, which the Hearing Officer will divide as equally as possible between the Parties. The hearing shall be scheduled within five business days of the notice of appeal filed by the employee, unless another date is mutually agreed upon by the Department and the employee. The costs of the Hearing Officer shall be shared equally by the Union and the City.

The Hearing Officer shall determine if the discipline or level of discipline is based on a reasonable good faith conclusion that the employee engaged in misconduct.

The Hearing Officer shall issue a written decision the same day, which shall be advisory to the Department head, whose decision shall be final.

The Controller shall have power at any time to require such additional evidence as is satisfactory to him/her of the entry of such employee into active service in such armed forces and of the actual performance by him/her of ordered military duty during all or any part of such leave.

- B. In determining whether any employee has been in the service of the City for a period of not less than one year immediately prior to the date on which the absence begins, continuous service as that term is defined in Section 4.42(t) of this Code shall be required, provided, however, that service in any department having control of its own funds shall be counted in making such determination.

ARTICLE 17 FAMILY AND MEDICAL LEAVE

A. Authorization for Leave

Up to four (4) months (nine [9] pay periods [720 hours]) of family or medical leave shall be provided for the purpose of childbirth, adoption, foster care of a child, or serious health condition of an immediate family member (as defined in Article 15), upon the request of the employee, or the designation of Management in accordance with applicable Federal or State law, notwithstanding any other provisions of this MOU or the LAAC to the contrary.

An employee may take leave under the provisions of this Article if he/she has a serious health condition that makes him/her unable to perform the functions of his/her position.

Leave under the provisions of this Article shall be limited to four (4) months (nine [9] pay periods [720 hours]) during a twelve (12) month period, regardless of the number of incidents. A 12-month period shall begin on the first day of leave for each individual taking such leave. The succeeding 12-month period will begin the first day of leave taken under the provisions of this Article after completion of the previous 12-month period.

Exception: Under the provisions of this Article, a pregnant employee may be eligible for up to four (4) months (nine [9] pay periods [720 hours]) for childbirth disability and up to an additional four (4) months (nine [9] pay periods [720 hours]) for purposes of bonding. (See Section IV of this Article.)

B. **Definitions**

The following definitions are included to clarify family relationships as defined in the Family and Medical Leave Act and California Family Rights Act.

1. **Spouse** means a husband or wife as defined or recognized under State law for purposes of marriage in this State.
2. **Domestic partner** means a named domestic partner in a confidential affidavit declaring the existence of said domestic partner and signed by the City employee, which is on file in the Employee Benefits Division, Personnel Department.
3. **Parent** means a biological, step-, adoptive or foster parent, an individual who stands or stood *in loco parentis* to an employee or a legal guardian. This term does not include parents "in law". Persons who are *in loco parentis* include those with day-to-day responsibilities to care for or financially support a child or, in the case of a parent of an employee, that person who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.
4. **Child** means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

C. **Eligibility**

1. The provisions of this Article shall apply to all employees in this Unit in all City departments who have been employed by the City for at least 12 months and who have worked for at least 1,040 hours (half-time employees may include all compensated time off except IOD) during the 12 months immediately preceding the beginning of the leave.

Exception: In accordance with Pregnancy Disability Leave under the California Fair Employment and Housing Act (FEHA), on the first day of employment with the City, pregnant employees are eligible up to four (4) months (nine [9] pay periods [720 hours]) of leave if disabled due to pregnancy.

2. Parents (including those who are domestic partners) who both work for the City may take leave under the provisions of this Article at the same time to care for a new child by birth, adoption or foster care of a child. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee. Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to take care of a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.

Each employee must notify his/her employing department at the time the leave is requested of the name and department of the other City employee who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitation for spouses or domestic partners does not apply to leave taken by one employee to care for the other who is seriously ill, or to care for a child with a serious health condition.

D. **Conditions**

1. **Pregnancy** - The start of leave for a pregnant employee shall be at the beginning of the employee's pregnancy-related disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.

In accordance with Pregnancy Disability Leave (PDL) under the California FEHA, pregnant employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine (9) pay periods [720 hours]) of leave with medical certification certifying the employee as unable to work due to a pregnancy-related condition. PDL under the FEHA may be taken before or after the birth of the child, and shall run concurrently with pregnancy leave under the federal Family and Medical Leave Act of 1993, which must be concluded within one year of the child's birth.

Employees (either parent) are also eligible for family leave ("bonding") under the California Family Rights Act, which shall be limited to four months (nine (9) pay periods [720 hours]) and must be concluded within

one year of the child's birth. Whereas bonding leave for the pregnant employee may be taken before or after deliver, bonding leave for the non-pregnant employee shall be taken on or after the anticipated delivery or placement date of the child except as may be necessary under Subsection D.(2) "Adoption". (The administration of such leave shall be in accordance with Sections C.2. and D.6 of this Article.)

2. **Adoption** - The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may be granted prior to placement if an absence from work is required.
3. **Family Illness** - The start of a family leave for a serious health condition of a family member shall begin on the date requested by the employee or designated by Management.
4. **Employee's Own Illness** - The start of a leave for the employee's own serious health condition shall begin on the date requested by the employee or designated by Management.
5. **A Serious Health Condition** is defined as an illness, injury, impairment, or physical or mental condition that involves:
 - a. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice or residential medical care facility; or
 - b. A period of incapacity requiring an absence of greater than three days involving continuing treatment by or under the supervision of a health care provider; or
 - c. Any period of incapacity (or treatment therefor) due to a chronic serious health condition; or
 - d. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
 - e. Any absences to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity for more than three consecutive days if left untreated; or
 - f. Any period of incapacity due to pregnancy or for prenatal care.
6. **Continuous, Intermittent, and Reduced Work Schedule Leave** - All leave granted under this Article shall normally be for a continuous period of time for each incident.

An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified to accommodate recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the LAAC during the duration of their part-time schedule.

In accordance with the California Family Rights Act (CFRA), leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the basic minimum duration of bonding leave is two weeks, and on any two occasions an employee is entitled to such bonding leave for a time period of not less than one day but less than two weeks' duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. Bonding leave must be concluded within one year of the birth or placement of the child.

7. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.
8. A personal leave beyond the four (4) month (nine [9] pay period [720 hours]) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
9. Management has the right to request and verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
10. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

E. **Notice Requirements**

1. Employee

When an employee requests family or medical leave, he/she must state the reason for the requested leave (e.g., childbirth, to care for an

immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least 30 days' notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.

2. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates paid or unpaid leave as qualifying time taken by an employee as family or medical leave qualifying, regardless of whether or not the employee initiates a request to take family or medical leave.

F. **Applicable Time Off**

Employees who are granted leave in accordance with this Article shall take time off in the following order:

1. **Childbirth (Mother)**

- a. Accrued sick leave (100% and 75%) or vacation for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth) may be taken at the employee's discretion.
- b. For the non-disability portion of childbirth leave (before delivery or after ["bonding"]), accrued vacation available at the start of the leave shall be used prior to the use of time under c, d, e and f below.
- c. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
- d. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
- e. Unpaid leave.
- f. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (c above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay

period [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

2. Childbirth (Father or Domestic Partner), Adoption, Foster Care or Family Illness

- a. Annual family illness sick leave up to fifteen (15) days may be used at the employee's discretion. Such leave may be taken before or after the vacation time described in b below.
- b. Accrued vacation available at the start of the leave shall be taken. Such time must be used prior to the use of time under c,d,e and f below.
- c. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
- d. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
- e. Unpaid leave.
- f. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (c above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay period [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

3. Personal Medical Leave

- a. Accrued 100% sick leave may be used at the employee's discretion. Such leave may be taken before or after the vacation described in c below.
- b. Accrued 75% sick leave may be used following use of all 100% sick leave at the employee's discretion. Such leave may be taken before or after the vacation described in c below.
- c. Accrued vacation time.

- d. Unpaid leave.
- e. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (a above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay period [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

(Note: An employee under 1, 2, or 3 above may use compensated time off after depletion of accrued sick leave and vacation to continue paid leave during the four-month family and medical leave period.)

G. **Sick Leave Rate of Pay**

Payment for sick leave usage under F1, F2 and F3 shall be at the regular accrued rate of 100%, or 75% as appropriate.

H. **Monitoring**

Management shall maintain such records as are required to monitor the usage of leave as defined in this Article. Such records are to be made available to the Union upon request.

To avoid reaching maximum accrual during an extended leave, employees may request cash payment of accrued, but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of his/her leave of absence. Compensation for these employees shall be in time off at the rate of one and one-half (1½) the employees' regular rate of pay. The form of compensation shall be at the discretion of Management. These employees shall be subject to deductions from salary or any leave banks for any absence from work for less than a full workday.

B. Occupational Psychologists, Police Psychologists, Fire Psychologists, Veterinarians, Zoo Veterinarians, and Physicians not assigned to the City Jails

Employees who are employed in the classifications and pay grades of Occupational Psychologist, Police Psychologist, Fire Psychologist, Veterinarian, Zoo Veterinarian, and Physician not assigned to City Jails shall not receive overtime compensation and shall be paid a predetermined salary for each biweekly pay period. These employees shall not be subject to any deductions from salary or any leave banks for any absence from work for less than a full workday.

C. Physicians and Nurses Assigned to City Jails

1. Physicians

- a. Any person in the class of Physician I, Code 0651, when regularly assigned to work in City Jails, shall be paid a predetermined salary for each biweekly pay period, and shall not receive paid overtime compensation but may accrue compensatory time off (CTO) in the manner described below. These employees shall not be subject to any deductions from salary or any leave banks for any absence from work for less than a full workday except for the current practice regarding deductions from salary and leave banks for absences from work resulting from personal illness, family illness and paid holidays.
- b. Whenever a physician is required to work an additional shift at the jails in addition to his/her regular work schedule including all absences with pay authorized by law such excess hours shall be recorded at the rate of one hour for each full hour worked. The record thereof maintained in the Personnel Department provided that no period of less than one hour shall be accrued and recorded on any particular day. No additional compensation for excess hours

- c. Notwithstanding the above, the number of hours which may be accrued for any employee during the calendar year shall be limited to 200 hours at any given time during the calendar year.
 - d. Any balance of accrued but unused hours, up to the amount of 200 hours, remaining at the end of a calendar year will be carried over to the next calendar year. However, any hours in excess of 200 remaining unused at the end of a calendar year shall be deemed waived and lost. At no point shall any employee be allowed to keep a balance of more than 200 hours on the books.
 - e. With the consent of management, any employee having excess hours accrued may take compensatory time off in an amount equal to the number of hours so recorded; but in no event shall an employee be permitted to take more than 200 hours of compensatory time off in a calendar year.
 - f. The request for such time off will be promptly approved by Management subject to the operating needs of the Jails if the request is made at least two weeks prior to the requested date. If an emergency prevents the employee from taking such previously approved time off, Management shall reschedule the time off so that it can be taken on some other mutually satisfactory date.
 - g. No employee shall be paid in cash for any accumulated excess hours, either during the period of employment or at the time of separation from City service.
2. Physicians Assigned to Medical Services Division – Any Physician I or II, regularly assigned to the Medical Services Division, Occupational Health Section, who agrees to work at the City Jails outside of and in addition to his or her regularly scheduled hours of work, shall be allowed to accrue and use compensatory time in the manner described above.

All employees in this Unit except Physicians, Occupational Psychologists, Police Psychologists, Fire Psychologists, Veterinarians, Zoo Veterinarians, and Physicians assigned to the Personnel Department City Jails may, subject to Management's discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). On occasion, employees may accumulate CTO in excess of 80 hours for a temporary period of time. If an employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation or other leave time; provided that an employee will not be subject the loss of vacation accrual or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one year.

Under no circumstances shall CTO in excess of 240 hours be accumulated.

Section IV Disciplinary Suspensions

Employees in this bargaining unit shall not be subject to disciplinary suspension for periods other than one or more full workweeks (half of the biweekly pay) unless based on violations of a safety rule of major significance. This requirement shall be superseded by the revised Department of Labor FLSA regulations, which took effect on August 23, 2004, pertaining to disciplinary suspensions of FLSA exempt employees. Salaried employees in this unit shall not be subject to disciplinary suspension for period of less than a workweek (seven days; half of the biweekly pay) unless the discipline is based on violations of a safety rule of major significance or misconduct.

Section V Emergencies and Unusual Occurrences

Effective January 1, 2008, notwithstanding LAAC Section 4.116(e), an appointing authority may, with the approval of the Mayor, grant additional compensation to salaried, FLSA-exempt employees in this Unit when an employee(s) is assigned by Management to work additional hours outside of an employee's regular work schedule, in increments of a full day (8) hours, in emergency or unusual situations (e.g. earthquake, flood, sewage spills, emergency construction response, etc.). Compensation for each additional day shall be an amount equivalent to 4.6% of the monthly rate of the employee's appropriate step rate, as indicated in the appropriate salary appendix of this MOU.

ARTICLE 28 REST PERIODS

Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 29 WORKERS' COMPENSATION

Management agrees to adhere to the City's policies with regard to the Citywide Temporary Modified Duty (Return to Work) Program.

During the term of the MOU, Management agrees to continue providing Workers' Compensation benefits in accordance with Section 4.104 of the LAAC, except that salary continuation payments during absences for temporary disabilities arising from job-related injuries or illnesses shall be in an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For purposes of this Article, take-home pay shall be defined as an employee's biweekly gross salary rate less the mandatory deduction for Federal and State income tax withholding and employee retirement contributions.

ARTICLE 30 SALARIES

The parties to this MOU jointly recommend to the City Council approval of the salaries set forth in the attached Salary Appendices. These appendices shall incorporate the agreement of the parties that effective December 13, 2015, employees will be subject to a new salary step structure and that effective June 25, 2017, employees covered by this MOU shall receive a two percent (2%) salary increase.

A. SALARY STEPS

Effective December 13, 2015, notwithstanding LAAC Section 4.92, a new 12-step salary structure will be established as follows:

1. Three additional salary steps will be added to the lower end of each salary range (Steps 1, 2, and 3). These new steps shall be separated by one premium level.*
 - a. Employees hired into trainee-level positions shall be hired at Step 1 and shall remain on Step 1 for the duration of a twelve (12) month probationary period. Trainee-level position hourly wages will begin one premium level below the entry level of the targeted Civil Service classification which will not be below \$15.00 per hour.
 - b. Employees hired into non-trainee positions shall be hired at Step 2 (or appropriate higher step in accordance with applicable MOU provisions or LAAC Section 4.90).

- c. Employees shall remain on Steps 2 and 3 for nine (9) months each.
2. Current Steps 1 through 5 will be renumbered Steps 4 through 8. These steps will be separated by two premium levels (Step 4 will be one premium level above Step 3). Employees shall advance to each subsequent step after twelve (12) months.
3. Current Steps 6 through 8 will be renumbered Steps 9 through 11. These steps will be separated by one premium level (Step 9 will be one premium level above Step 8). Employees shall advance to each subsequent step after twelve (12) months.
4. A new Step 12 will be created which will be one premium level above Step 11. No employee shall be eligible to move to Step 12 sooner than January 7, 2018.

*On the City's salary range tables, each premium level is equal to approximately 2.75%.

B. SALARY ADJUSTMENTS

1. Effective January 7, 2018, each employee who is compensated on a salary range will advance one step on the salary range regardless of their step or step anniversary date.
2. Effective January 7, 2018, each employee who is employed in a flat-rated classification shall receive a salary adjustment of 2.75%.
3. Effective January 7, 2018, each employee in a classification on a salary range, who is on a fixed step (does not move up the salary range), shall receive a pensionable "adds to rate" salary adjustment of 2.75% while in that classification.

C. EXTENSION OF STEP ADVANCEMENT DATE

Uncompensated absences of sixteen days (128 hours for employees on a work schedule other than 5/40) or less during the qualifying period and during each subsequent qualifying period shall not extend the step advancement date. The step advancement date shall be extended one working day for each working day absence (or one hour for each hour of aggregated uncompensated absence in excess of 128 hours). Employees who are injured on duty and are compensated in accordance with Division IV of the Labor Code of the State of California and LAAC Division 4, Article 7 shall not have their step advancement date changed due to their workers' compensation status.

D. CONSECUTIVE APPOINTMENTS WITHIN A 12 MONTH PERIOD

Consecutive appointments or assignments to positions with the same top step salary rate in the 12 months (2,080 hours) following an appointment or assignment shall be treated as one appointment or assignment for step advancement purposes.

E. APPOINTMENTS TO NEW POSITIONS WITH THE SAME OR LOWER SALARY RANGE

An employee who is appointed or assigned to a new position on the same or lower salary range shall retain the step advancement date established for the former position.

F. INTERMITTENT AND CIVIL-SERVICE EXEMPT HALF-TIME EMPLOYEES

Intermittent employees and half-time employees exempted from Civil Service provisions by Charter Section 1001 shall be paid a salary rate corresponding to the entering step in the salary range for the classification in which the employee is employed. Full-time or half-time employees changing to intermittent status in the same Civil Service class shall continue to be paid at the same rate (excluding bonuses) they were last paid while a full- or half-time employee until such time as the entering step in the salary range for the class meets or exceeds the salary for the employee.

E. PROMOTIONAL DIFFERENTIAL

Notwithstanding the rate provided for in LAAC Section 4.91, effective December 13, 2015, employees who receive a promotion shall be moved to the salary step that provides a minimum 5.5% increase over the rate received in the former position. As provided in LAAC Section 4.91, any regularly assigned bonus or premium compensation amounts shall be included in calculating the step rate for the former position and added to the new salary, if applicable, after determining the appropriate salary step rate for the new position.

ARTICLE 31 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program ("Flex Program") and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee ("JLMBC") and approved by the City Council.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from

jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the JLMBC, the Flex Program benefits will take precedence.

Health and Wellness Bonus

Effective December 25, 2016, employees who are eligible for and participate in the Flex Program shall receive a non-pensionable biweekly health and wellness bonus of 1.5% of base salary.

Health and Wellness Contribution

Effective December 25, 2016, employees who are eligible for and participate in the Flex Program without regard to whether an employee opts out of medical coverage shall make a pre-tax contribution equal to 1.5% of base salary to cover the cost of health care.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department in accordance with LAAC Section 4.303.

Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser family rate ("maximum monthly health care subsidy") per full-time employee, toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS). During the term of this MOU, Management's monthly subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly health care subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management will apply this sum first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

Management agrees to contribute for each half-time employee, as defined by Section 4.110 of the LAAC, who become a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of his/her Flex Program medical plan.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Full-time employees who work temporary reduced schedule under the provisions of Article 17, Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article as well as the required Health and Wellness bonus and contribution toward the cost of health care as described in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article, who subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered shall be those approved by the City's JLMBC and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of employee only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee only subsidy shall continue to receive the full employee only subsidy.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Dental Plans.

Section III - Definition of Dependents

The definition of a dependent for health and dental plan coverage shall include the domestic partner of an employee and the dependents of such domestic partner. Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Division, Personnel Department, which identifies that individual as the employee's domestic partner.

Section IV - General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department.

The parties mutually understand that the City will expend the above noted funds only for those employees who enroll in these plans and remain on active payroll status with the City, and that the City retains all rights to any unused funds which may be allocated for the purpose of implementing this Article.

Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family and Medical Leave

For employees who are on Family or Medical Leave, under the provisions of Article 17 of this MOU, Management shall continue the City's health and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 17 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to 4 months), Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.

Section VI - Benefit Protection Plan

For employees who have approved disability claims (excluding those for work-related injuries) under the City's Flex disability insurance carrier, management shall continue the City's medical, dental, and basic life insurance plan subsidies for a maximum of two years or at the close of claim, whichever is less. Employees must have been enrolled in a Flex medical, dental and/or basic life plan prior to the beginning of the disability leave.

Coverage in this program will end if the employee retires (service or disability) or leaves City service for any reason.

ARTICLE 32 UNION-SPONSORED LIFE INSURANCE AND OPTICAL PROGRAMS

It is mutually understood that each employee whose class is listed in the Appendices, who is a member of LACERS, will be enrolled in the Union's life insurance and optical programs.

The City will continue to forward five dollars and sixty cents (\$5.60) biweekly for each such employee on City paid status to the Union to finance these programs.

The Union agrees to indemnify and hold harmless the City against all claims, including costs of suits and reasonable attorney fees and/or other forms of liability arising from the implementation of the provisions of this Article.

ARTICLE 33 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed MOU.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 19 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

A. Los Angeles Police Department only

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within 30 business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the department's

personnel officer. The request for arbitration must be filed with the Employee Relations Board within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3 or 3A. Failure of the Union to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within ten (10) business days following receipt of said list. Failure of the Union to notify the Employee Relations Board of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.

- A. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- B. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- C. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same.

PROCEDURE:

STEP 1

The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by

completing an individual grievance waiver form prior to the meeting with the General Manager.

The General Manager, or designee, shall provide written notification to the Employee Relations Division of the Office of the City Administrative Officer (CAO) of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

A. Los Angeles Police Department only

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the Union.

STEP 2

If the grievance is not settled at Step 1, or Step 1A in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 34 GRIEVANCE REPRESENTATION

A. The Union may designate a reasonable number of Union Stewards who must be members of the Union, and shall provide all departments, offices or bureaus with a written list of employees who have been so designated, and revised lists within thirty (30) calendar days of any changes in said designations. A steward, if so requested, may represent said grievant in the presenting of grievances at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.

An employee and his/her steward may have a reasonable amount of paid time off for this purpose. However, a steward will receive paid time off only if he/she is the representative of record; is a member of the same Union as the employee; is

employed by the same department, office or bureau as the employee; and, is employed within a reasonable distance from the work location of the employee.

If a steward must leave his/her work location to represent a grievant, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Union representative will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

Before leaving his/her work location, the steward shall call the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the meeting requested.

Time spent on grievances or the pre-disciplinary representation activities described above, outside of working hours of the employee or his/her representative shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or his/her steward, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation, or any other preliminary matter.

- B. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for stewards and front-line supervisors.

Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the Employee Relations Board.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- F. Disputes over the practical consequences of the contracting of unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of the Grievance Procedure, Article 33 of the MOU, and shall not delay the implementation of the contract if all other provisions of this article have been met.
- The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step (Step 6) of the Grievance Procedure. Effective January 1, 2008, Arbitration is Step 4 of the Grievance Procedure.
- G. The parties agree that, effective December 13, 2015, the Union may file a grievance regarding the Charter 1022 notification.

1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.
2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this MOU the day, month, and year first written above.
