However, this Article shall neither preclude Management, the Union nor any of their authorized representatives from communicating with said public officials to advocate the adoption of this MOU.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.3, Implementation of MOU, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall this MOU become effective prior to 12:00 a.m. on July 1, 2018. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2021.

- B. Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for a Successor MOU, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU

If the Union or Management of the City desires a successor MOU, said party shall serve upon the other party a notice of intent to bargain no earlier than ninety (90) days prior to the expiration of this MOU and no later than the expiration date of this MOU. If any article, part, or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, local law, or the City Charter, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, the parties agree to meet promptly to expeditiously renegotiate the affected article, part, or provision and the remainder of this MOU shall not be affected thereby.

ARTICLE 1.11 NO STRIKE – NO LOCKOUT

- A. - B. The curtailing of operations by the City in whole or in part for operational or economic reasons shall not be construed as a lockout.

ARTICLE 2.2 UNION SECURITY

Management will disseminate to each new employee an informational booklet provided by the Union, which shall be approved by management prior to dissemination, and a printed card, supplied by the Union to each department, office or bureau, containing the following information only:

ARTICLE 2.3 PAYROLL DEDUCTION AND DUES

The following provisions shall apply to employees in classifications listed in the Appendices herein.

A. DUES

1. a. Payroll deductions as may be properly requested and lawfully permitted will be deducted by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the Unit where the Association identifies in writing to the Controller those individuals from whom Union-related deduction(s) should be lawfully taken. Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee is not paid a minimum of twenty (20) hours. Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.
- b. Employees who are members of the Union who previously elected to make union membership deductions prior to (1) starting an unpaid leave of absence, or (2) otherwise going on inactive status due to lack of scheduled hours, shall be reinstated as Union members with the automatic voluntary dues deductions immediately upon their return to work.
2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Association will not be accepted by the Controller. For the purpose of this provision, "qualified organization" means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Any employees in this Unit who have authorized Union dues deductions with the Union on the effective date of this MOU, or at any time subsequent to the effective date of this MOU, shall continue to have such dues deductions made by the City during the term of this MOU. Under current California law, the City has no input or control over the procedure for termination of union dues taken as payroll deductions from employees subject to this MOU, nor any legal ability to stop such deductions without the specific authorization of the Union. All procedures for termination of dues deductions outlined in this subsection are, therefore, the Union's statement of its unilateral dues termination procedures, the City's sole obligation is to process such dues cancellations received from the Union pursuant to this subsection, subject to any future court decisions applicable to dues termination procedures. Any employee in the Unit may terminate such Union dues during the first full payroll period that begins the period commencing ninety (90) days before the employee's anniversary date in the final year of the MOU or as disseminated by the Union by notifying the Union of their termination of Union dues deduction. Such notification shall be in

the form of a letter containing the following information: employee name, employee ID number, job classification, department name, and name of the Union from which dues deductions are to be cancelled. The Union will provide the City the appropriate documentation to process these membership dues cancellations within ten (10) business days after the close of the withdrawal period. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or other proper deductions to be deducted from twenty-four (24) biweekly payroll checks of each employee in this Unit as specified by Union under the terms contained herein. "Dues" shall be the result of Union certification that it has and will maintain an authorization signed by the individual employee from whose salary or wages the deductions are to be made provided in the form of a list by the Union to the City.
 - a. Remittance of the aggregate amount of all dues and other proper deductions taken from the salaries of employees covered hereunder shall be made to the Association by the Controller within thirty (30) working days after the conclusion of the month in which said dues and/or the deduction(s) were taken.
 - b. A fee of nine cents (\$.09) for the processing of each such deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.
3. Management will provide the Union with Unit membership information pursuant to the Unit Membership List Article of this MOU.
4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

C. UNION RESPONSIBILITIES

Except for claims resulting from errors caused by defective City equipment, the Association agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

D. CALIFORNIA GOVERNMENT CODE SECTION 1159 (a-b)

Existing California Government Code Section 1159 (a-b) states:

“(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.”

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

ARTICLE 2.4 WORK ACCESS

- A. A Union Staff Representative, with the prior approval of Management, shall be admitted to City facilities or work sites during working hours to assist Unit employees in adjusting their grievances, or to investigate complaints concerning working conditions.

If access cannot be permitted at the time requested, the Union Staff Representative will be given the date and time when such access will be permitted. It is mutually understood that only the minimum amount of time necessary to handle complaints or grievances will be utilized by the Union Staff Representative.

- B. A Union Staff Representative may also be admitted to City facilities or work sites at reasonable intervals, for the purpose of communicating with Unit members who are off duty. Such communications shall be limited to an exchange of information concerning the lawful and legitimate activities of the Union and/or its membership. Authorization to make such visits shall be obtained by contacting either the person that has been designated by Management to grant access to a specific City facility or work site, or the Management Representative of the department, office or bureau affected.
- C. Union shall provide Management with a list of its Union Staff Representatives. Management will provide Union with a list of persons designated to grant access to specific City facilities or work locations.
- D. The provisions of this Article shall not be deemed to be a limitation on the authority of Management to deny access to facilities or work sites designated "security" or "confidential."

ARTICLE 2.5 USE OF CITY FACILITIES

- A. City facilities may be used by the Union with the prior approval of Management for the purpose of holding meetings, if such facilities can be made available without disrupting the normal operations of the departments, offices, or bureaus affected.

- B. The Union will pay such usual and customary fee(s) and/or other charges as are required by the City. Such charges normally cover rentals, special set-ups, cleanups, and security services.

ARTICLE 2.6 BULLETIN BOARDS

- A. Each department, office or bureau agrees to provide a bulletin board or reasonable space at work locations which may be used by the Union for the following purposes:
 - 1. Notices of Union meetings.
 - 2. Notices of Union elections and their results.
 - 3. Notices of Union recreational and social events.
 - 4. Notices of official Union business.
 - 5. Any other communication which has received the prior approval of the Departmental Management Representative.

- B. It is agreed that copies of communications listed in 1 through 4 will be provided to the designated representative of Management at the time of posting.

- C. It is further agreed that all communications to be posted, other than 1 through 4 above, shall be submitted for approval to the designated representative of Management twenty four (24) hours before posting.

- D. It is further agreed that the Union shall place a removal date on all communications to be posted.

All notices or other communications prior to being posted shall be identified with an official stamp of the Union, initialed by a full-time Union staff representative, and if requested by Management, submitted to the Management Representative of a department, office or bureau for posting.

ARTICLE 2.7 ACTIONS BY EMPLOYEE RELATIONS BOARD

Should any action(s) by the ERB, prior to the expiration of this MOU, result in any significant changes to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required to ensure that the interests of the employees are protected.

ARTICLE 2.8 EMPLOYEE RELATIONS

Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the Management Representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 2.9 POLITICAL ACTION COMMITTEE

- A. The Controller shall deduct fifty cents (\$.50) per pay period from the salary to be paid to each Union member, identified on a list prepared and submitted by the Union, as a contribution to the Local 721 Political Action Committee (PAC). Union members may voluntarily contribute an amount greater than fifty cents (\$.50) per pay period to the PAC provided the Union provides the Controller timely notice of the members' names and the additional amount they wish to contribute on a biweekly basis. Such contribution is to be deducted from twenty-four (24) biweekly payroll checks annually.
- B. Remittance of the amount of the PAC deductions shall be sent to the Union by the Controller within thirty (30) working days after the end of the month in which such deductions are made.
- C. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each PAC deduction taken. The Controller will deduct the aggregate amount of such fees on a biweekly basis.
- D. Neither an employee nor the Union shall have any claim against the City for a PAC deduction made or not made, as the case may be, unless a claim of error is presented to the Controller in writing within thirty (30) calendar days after the date such deduction was or should have been made.
- E. The Union indemnifies the City, its officers (present and former), and its employees (present and former) for, and holds them harmless against, any liability or expense (including without limitation any judgment, reasonable attorney's fees, and costs of suit) arising out of the adoption or implementation of this Article.

ARTICLE 2.10 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of Unit work:

- A. No Unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.

- B. If any employee subject to the provisions herein is displaced as a result of contracting, he/she shall be retained in a position within a classification represented by the Union.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of subsection G below, the provisions of this Article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance (ERO), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform Unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
 - 1. The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform Unit work. In addition, the City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.
 - 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days following notice as indicated in subsection (1) above. Failure by the Union to request such meeting(s) within the prescribed fifteen calendar days shall constitute a waiver of the Union's right to continue this process.
 - 3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 - 4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the ERB.
 - 5. The parties agree that for contracts with a value of less than \$1 million the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.

6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- F.
1. Disputes over the practical consequences of the contracting of Unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of Article 3.1, Grievance Procedure, and shall not delay the implementation of the contract if all other provisions of this Article have been met.
 2. The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of the Grievance Procedure.
- G.
- The parties agree that, effective during the term of this MOU the Union may file a grievance regarding the Charter 1022 notification.
 1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.
 2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
 3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

ARTICLE 3.0 GRIEVANCE

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to Unit employees. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.
- D. Assignment and scheduling of hours and personnel for intermittent and half-time employees, unless said assignment or scheduling is in violation of the departmental working rules or this MOU.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS AND WAIVERS

“Business days” shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 6.3, Holidays and Holiday Pay.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

D. MEDIATION

1. At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.
2. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
3. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
4. Notwithstanding the above, and ERO Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.

5. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

1. Suspensions without pay
2. Allegations of failure to accommodate medical restrictions
3. Allegations of retaliation
4. Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.
- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. If the issue is not resolved at this step, the immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2 GRIEVANCE INITIATION (FORMAL)

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of Management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3 GRIEVANCE APPEAL

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within thirty (20) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB, within ten (10) business days following receipt of said list. Failure of the Union to notify the ERB of the selected

arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.

- C. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- D. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
- E. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the grievance affect more employees than are identified as grievants, the parties agree that the remedy may be applied to those employees upon their consent, if needed

PROCEDURE:

STEP 1 GROUP GRIEVANCE INITIATION (FORMAL)

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.
- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures.

The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

STEP 2 GROUP GRIEVANCE APPEAL

If the grievance is not settled at Step 1, or by the Police Commission in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 3.2 UNION STEWARDS

- A.
1. The Union may designate a reasonable number of Union Stewards who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a grievant in the presentation of a grievance at all levels of the grievance procedure. A steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.
 2. An employee and his/her steward may have a reasonable amount of paid time off for the above-listed activities. However, a steward will receive paid time off only if he/she is the representative of record; is a member of the same Union as the employee is employed by the same department, office or bureau; and, is employed within a reasonable distance from the work location of the employee.
 3. If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor on a form provided for such purpose. Permission to leave will be granted unless such

absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

4. Before leaving his/her work location, the steward shall call the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the requested meeting.
 5. Time spent on grievances, or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or the steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.
- B.
1. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and Front-Line supervisors.
 2. No later than September 30, 2019 or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and Front-Line Supervisors will be certified.
 3. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.
 4. As is practicable, grievances will be heard by Certified Supervisors.

ARTICLE 4.0 ON THE JOB

ARTICLE 4.1 SAFETY

- A. Management will make every reasonable effort to provide safe working conditions, and the Union will encourage all employees in the Unit to perform their duties in a safe manner.
- B. Safety clothing and/or safety devices currently provided by Management will continue to be provided as long as the need exists. The Union will encourage every employee to utilize such safety clothing and safety devices to the extent possible.
- C. Each employee shall be responsible for reporting promptly to his/her immediate supervisor any unsafe practice or condition observed. The employee shall be advised immediately of the action that will be taken by the supervisor.

ARTICLE 4.2 PERSONNEL FOLDERS

- A. Upon request, an employee shall be entitled to review the contents of his/her official departmental personnel file at reasonable intervals during the hours his/her personnel office is open for business. Such review shall not interfere with the normal business of the department, office or bureau.
- B. No disciplinary document shall be placed in an employee's official departmental personnel file without providing said employee with a copy; however, the Police Department may decide in lieu thereof to notify the employee that such a document has been placed in the employee's file and that it is available for review. This provision shall not apply to documents placed in said file prior to July 1, 1975.
- C. A "Notice to Correct Deficiencies" may be sealed upon the request of an affected employee if he/she has not been involved in any subsequent incidents that resulted in written corrective counseling or other management action for a period of four (4) years from the date the most recent notice was issued or management action taken; however, it is mutually understood that a "Notice to Correct Deficiencies" is not considered a form of discipline by the Police Department and a copy is not placed in the departmental personnel folder; therefore, the Police Department is excluded from the provisions of this paragraph.

ARTICLE 4.3 REST PERIODS

- A. Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of an employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

- B. Management reserves the right to suspend any rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, nor compensated for in any form.

ARTICLE 4.4 PERFORMANCE EVALUATIONS

- A. The supervisor who signs an employee's performance evaluation shall have been in a position to review the employee's work for a reasonable period of time during the evaluation period. If the employee has worked under more than one supervisor for a significant period of time during an evaluation period, the rating shall reflect the opinion of each such supervisor.
- B. An annual performance evaluation that has been appealed shall not be placed in an employee's personnel file until it has been determined whether the evaluation will be changed.

ARTICLE 4.5 CREDIT FOR TRAINING

- A. Whenever Management approves, an employee may be permitted to assume tasks which are outside the scope of the normal duties of his/her position for the purpose of gaining experience in the performance of duties in higher level positions, or learning to operate such City equipment as is used by his/her department in order to gain work experience on such job or equipment. A qualified person shall be designated and shall be available to instruct and supervise the employee in the performance of such tasks or in the safe and proper operation of said equipment. Any dispute concerning the person's qualifications to instruct and supervise shall be decided by the employee's Departmental Management Representative.
- B. If the employee requests:
 - 1. The employee and his/her supervisor will jointly log the successful performance of such tasks on a form provided by Management. The form will be kept updated; and,
 - 2. The employee's department will provide confirmation of such performance on a form titled "Verification of Work Experience" (Personnel Department form PD 21R #11-74), so that it may be utilized by the employee whenever such verification is required to establish eligibility to take an examination.

ARTICLE 4.6 PART-TIME EMPLOYMENT

SECTION I – EMPLOYMENT

Notwithstanding the provisions of LAAC Section 4.110, the following provisions shall apply to part-time employees covered by this MOU.

- A. Except as provided in LAAC Section 4.117 and/or any Departmental Personnel Ordinance to the contrary, a work schedule of less than the number of hours of full-time employment shall be considered part-time employment. The following categories of part-time employment are hereby defined and shall be controlling for purposes of this Article:
 - 1. Half-time: Half-time employees are those who are regularly assigned to a work schedule of one thousand and forty (1,040) hours or more in a calendar year, but less than full-time. Compensation shall be prorated on the basis of the total number of hours of work in relation to the total number of hours required for full-time employment. Benefits provided in this MOU for half-time employees also shall apply on a prorated basis, as defined.
 - 2. Intermittent: Intermittent employees are those who are assigned to a regular or on-call work schedule of less than the number of working hours required for half-time employment (less than 1,040 hours) in a calendar year. The hourly rates provided in the Appendices to this MOU shall be considered full compensation for intermittent employees. Employees who concurrently hold more than one intermittent position still shall be considered intermittent, as herein defined, irrespective of the total number of hours scheduled.
- B. Intermittent and half-time employees shall receive Compensated Personal Time Off (CPTO) that may be accumulated for up to a maximum of forty-eight (48) hours. Any time accumulated in excess of such amount shall be deemed waived and lost.
 - 1. Intermittent employees with accrued CPTO hours and/or paid sick leave hours who become full-time or half-time employees, shall be allowed to carry-over into their 100% sick leave bank a maximum of 48 hours of unused CPTO, paid sick leave, or any combination of such unused time and shall be eligible immediately as a full-time or half-time employee to accrue and use sick leave at the appropriate rate.
 - 2. The City shall not provide compensation to an intermittent employee for accrued or unused sick days upon termination, resignation, retirement, or other separation from employment.
- C. Part-time employees shall be notified of their status as half-time or intermittent at the time of hire. Half-time employees shall be notified of their eligibility for prorated benefits.

- D. Intermittent and half-time employees must request permission from their primary employing department to hold more than one position concurrently. Employees must designate a primary employing department in writing with their primary and secondary employing departments and with the Controller's Office. Temporary Elections workers are exempt from this requirement.
1. If an employee fails to designate a primary employing department the Controller's Office will designate the first department to hire the employee as the primary employing department.
 2. Employees may change their designated primary department during the Open Enrollment period of October 1-31.
 3. If an employee changes departments outside the Open Enrollment period, the Controller's Office will designate the first department to hire the employee as the primary employing department, unless the employee notifies the Controller's Office otherwise within thirty (30) calendar days of the effective date of the change.
 4. Employees who hold concurrent positions shall request permission to continue to do so within sixty (60) days of the adoption of this MOU by City Council.
- E. Intermittent employees, except those employees who were hired before February 1, 1990, who continue to accrue vacation hours shall be eligible to accrue CPTO at the rate of 2.75 minutes for every hour compensated. Employees must complete a period of six (6) consecutive months of City service and must have been compensated for at least five hundred (500) hours before qualifying to use CPTO. This benefit may be used in no less than one-half hour increments for the following:
1.
 - a. Urgent personal business, subject to approval of the supervisor;
 - b. Holidays, upon the request of the employee. The holiday must fall on the employees' regularly assigned schedule, and the employees must not be required to work on that holiday. If the qualifying employees choose not to use compensated personal time off for the holiday, the employees may be allowed, subject to approval of the supervisor, to adjust their work schedules and make up the time in full not later than the next succeeding payroll period.
 2. There shall be no payment of any form for unused CPTO upon separation from City service for any reason.

3. Employees who hold more than one intermittent position concurrently shall be eligible to accrue CPTO in only one position in their primary employing department.
4. Employees who are receiving benefits as a full-time or half-time employee in another department or capacity, or are a retired member of Los Angeles City Employees' Retirement Systems (LACERS), shall not be eligible to receive CPTO benefits as an intermittent employee.
5. Notwithstanding paragraph 2 above, an employee hired on an intermittent basis who, following two consecutive years of City service, has been compensated for 1,000 or more hours during each of the two (2) consecutive service years shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Effective July 26, 2015, after 1,000 compensated hours in one service year, intermittent part-time employees shall qualify for half-time status benefits, shall be certified to LACERS, and shall be eligible to receive pro-rated benefits as of the date they reach 1,000 hours of service.
6. Upon designation as half-time under these circumstances, such employees shall be allowed to carry over into the 100% sick leave bank up to a maximum of forty-eight (48) hours of unused CPTO. Any unused personal time in excess of forty-eight (48) hours shall be deemed waived and lost.

Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use vacation, sick leave and holiday benefits at the appropriate prorated rate. Their anniversary date shall be based upon the date they are designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

7. Upon designation to half-time status, part-time employees shall continue to be eligible to use accrued CPTO until they receive the annual vacation credit. When they receive the annual vacation credit, a maximum of forty-eight (48) hours of unused CPTO shall be carried over into the 100% sick leave bank. Employees shall be eligible to use vacation time one year after they have been designated as half-time. Any unused CPTO in excess of forty-eight (48) hours shall be deemed waived and lost.
8. Half-time employees who immediately prior to such appointment were intermittent status, and who completed six consecutive months of City service and were compensated for less than 2,000 hours during the preceding two years, shall be allowed to carry over into the 100% sick leave bank up to a maximum of forty-eight (48) hours of unused compensated personal time. Any unused personal time in excess of forty-eight (48) hours

shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use sick leave and holiday benefits at the appropriate prorated rate. Employees shall not be eligible to use vacation benefits until one year from their anniversary date. Their anniversary date shall be based upon the date they were designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

- F. The part-time benefits provided herein shall apply prospectively from the effective date of the MOU. However, part-time employees who were receiving benefits at the level provided herein prior to said effective date shall continue to receive such benefits as long as they retain their qualifying status without a break in service.
- G. It is understood that Management has the right to determine the work schedules and hours of all intermittent and half-time employees. However, when an employee has been working a consistent half-time schedule, departments will provide reasonable opportunities for the employee to make up unpaid absences due to authorized leave or holidays in order to maintain half-time status. Such accommodation shall be subject to budgetary and workload considerations.
- H. Part-time Hours Report

During the term of this MOU, the Department of Recreation and Parks shall provide bi-annual reports to the Union listing hours worked by part-time employees. Other departments which employ part-time workers shall provide such reports at least annually.

- I. Rosters

Part-time employees will be placed on a roster in the following order:

1. Part-time employees who have worked 600 hours or more in any one of the last three (3) service years; this roster will be ranked in order of the total number of hours worked in the last two (2) service years.
2. Part-time employees who have worked 599 or less hours in any of the last three (3) service years will be ranked in the order of the total number of hours worked in the last two (2) service years.
3. Seasonal employees.

Rosters will be purged regularly of employees who have not been compensated in 365 days.

- J. The City and the Union agree to the following principles in the employment of part-time workers:
1. Whenever possible, departments will develop and assign intermittent employees schedules in a manner that facilitates the creation of half-time positions.
 2. Departments will make every attempt to schedule employees in a manner that provides continued part-time employment for existing part-time employees prior to hiring new part-time workers.
 3. In the development of half-time positions, it is agreed that no employee will be laid off or have his/her schedule reduced so that half-time positions may be created.
 4. Wherever possible, additions in part-time hours will be used to facilitate the creation of exempt half-time positions.

SECTION II – DISCIPLINE APPEAL PROCEDURE

The following appeal procedure for intermittent part-time and Civil Service-exempt half-time employees shall be as follows:

- A. An intermittent part-time or Civil Service-exempt half-time employee who has worked a total of at least 2,000 cumulative hours from his/her initial hire date who is subject to discipline shall be provided with the following:
1. A written description of the action(s) to be taken and the expected effective date(s).
 2. A written statement of the specific grounds upon which the disciplinary action is based.
 3. A copy of the materials upon which the action is based.
 4. A written statement informing the employee of his/her right to appeal the disciplinary decision within five business days to an advisory Hearing Officer.
 5. The City and the Union will jointly develop a list of hourly Hearing Officers knowledgeable in employee relations. Discipline cases for intermittent part-time and Civil Service exempt half-time employees who have worked a total of at least 2,000 cumulative hours from his/her initial hire date will be heard by a Hearing Officer from this list.

6. The hearings shall take no more than four (4) hours, which the Hearing Officer will divide as equally as possible between the Parties. The hearing shall be scheduled within five (5) business days of the notice of appeal filed by the employee, unless another date is mutually agreed upon by the Department and the employee. The cost of the Hearing Officer shall be shared equally by the Union and the City.
7. The Hearing Officer shall determine if the discipline or level of discipline is based on a reasonable good faith conclusion that the employee engaged in misconduct.
8. The Hearing Officer shall issue a written decision the same day, which shall be advisory to the Department head, whose decision shall be final.

ARTICLE 4.7 PROCUREMENT OF MATERIALS

- A. At no time shall any Unit employee be required to use his/her own money to purchase parts or materials used to repair or maintain City vehicles or equipment, or for any other City-related purpose regardless of whether such money is intended to be reimbursed. Examples include, but are not limited to: (1) parts or materials used in vehicle repairs (not including tools); (2) field or office supplies; and, (3) consumables.
- B. Parking fees and road tolls shall be paid by the employee and reimbursed by the employing department.

ARTICLE 5.0 COMPENSATION

ARTICLE 5.1 OVERTIME

A. DISTRIBUTION OF OVERTIME

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work.

Nothing herein is intended to abridge or limit the right of Management to determine the means and methods for the delivery of public services, including but not limited to decisions regarding staffing requirements and the use of overtime.

B. NON-EMERGENCY OVERTIME

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours' notice.

C. WORK SCHEDULES

Pursuant to the Fair Labor Standards Act (FLSA), employees shall have a fixed workweek that consists of a regular recurring period of one hundred and sixty-eight (168) consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the FLSA. Management may assign employees to work a five/forty, four/ten, nine/eighty, or other work schedule. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty, or other modified work schedule, and to require the reversion to a five/forty work schedule, providing that the exercise of such right is not arbitrary, capricious or discriminatory. The parties further agree that Management may require employees to change their work schedules (change days off, except the split day, or working hours) within the same FLSA workweek.

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as the nine-eighty (9/80) day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of management or the employee are prohibited unless it is intended for the employee to work additional hours (overtime).

D. ASSIGNMENT OF OVERTIME

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. However, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime, "white time," is absolutely prohibited. FLSA non-exempt employees may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

E. RATE AND METHOD OF OVERTIME COMPENSATION - (FLSA) NON-EXEMPT EMPLOYEES

Compensation for overtime shall be for all hours worked in excess of forty (40) hours in a workweek including all absences with pay authorized by law. Overtime compensation for all employees in this Unit shall be in time off at the rate of one and one-half hours for each hour of overtime worked or in cash at one and one-half times the employee's regular rate of pay, at the discretion of management.

F. COMPENSATED TIME OFF

Employees shall be permitted to accumulate up to eighty (80) hours of compensated time and take such accumulated time off for overtime worked upon request unless granting of such time would “unduly disrupt” the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime). On occasion, employees may accumulate hours in excess of eighty (80) hours for a temporary period of time. If an employee does not schedule and take time off over eighty (80) hours for overtime prior to the end of the fiscal year in which the overtime was worked, management may require employees to use accumulated overtime that exceeds eighty (80) hours prior to the end of the fiscal year; require employees to use such time in lieu of vacation or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the hours in excess of eighty (80), Management may extend the time limit for a period not to exceed one year. In accordance with FLSA, no employee shall lose accumulated time off.

Under no circumstances shall compensated time off in excess of two hundred and forty (240) hours be accumulated.

G. 1040/2080 PLAN

Management reserves the right to develop 26 Week/1040 or 52 Week/2080 hours work periods under FLSA Section 7(b) [29 U.S.C. Section 207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the ERB.

ARTICLE 5.2 OVERTIME MEAL ALLOWANCE

Whenever an employee is held over from a scheduled work shift and is required to work more than four (4) hours on an unscheduled overtime work shift the employee shall be paid an overtime meal allowance of twelve dollars (\$12.00). (Non-pensionable)

ARTICLE 5.3 CALL BACK PAY

- A. Whenever Management orders an employee to return to duty following the termination of his/her work shift and departure from his/her work location, the employee shall receive a minimum payment equivalent to four hours of work at the rate of time and one-half (1.5) the employee's regular rate of pay. (Non-pensionable)
- B. Compensated time shall begin at the time the employee is called out and end upon completion of the job. This compensated time includes a maximum of one (1) hour travel time to the job location.

ARTICLE 5.4 ACTING PAY

Time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

A. Absence at Higher Level Position

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 11th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 consecutive hours of assignment.

Approved leave time off taken during a qualifying period shall extend the 10-day (or 80 hour) qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to his/her regular assignment shall not require completion of a new qualifying period.

B. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

C. Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment and, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

At the Union's request, Management will provide a list of employees in acting positions on a yearly basis. The list will include: name of employee; date of appointment to acting position; department; assigned class; acting class.

D. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level above the appropriate step rate of the salary range prescribed for his/her class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned. (Non-pensionable)

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

ARTICLE 5.5 OUT-OF-CLASS ASSIGNMENT

It is the intent of Management to avoid out-of-class assignments. However, nothing herein shall limit Management's authority to temporarily assign employees to duties and responsibilities not specifically included in the employee's class specifications whenever emergencies or operational necessities require. If said assignment exceeds thirty (30) working days, Management will initiate the necessary action to fill the position at the proper level or otherwise prevent the occurrence of an out-of-class assignment.

ARTICLE 5.6 TRAVEL ALLOWANCE

- A. Notwithstanding LAAC Section 4.222, whenever an employee is required to travel directly between his/her home and place of temporary assignment, as provided in LAAC Section 4.221, he/she shall receive payment at the rate of four dollars (\$4.00) for each day that such travel occurs. Such compensation may be made in either cash or compensatory time off at the discretion of Management. (Non-pensionable)
- B. Management maintains its authority to retain employees who are called in before the start of their regular starting time for their full, regularly scheduled shift. Hours worked prior to an employee's regularly scheduled starting time qualify the employee to receive Early Report Pay. Consistent with any department procedures that may exist, employees may or may not be retained beyond eight hours, subject to operational needs.
- C. In the event an employee receives Early Report Pay and is required to work his/her full regularly scheduled shift in addition to the Early Report Pay hours, the employee shall not receive overtime for working his/her full, regular shift. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the JLMBC, the Flex Program benefits will take precedence.

B. Accumulation of Vacation Time

Effective September 1, 2019, notwithstanding LAAC, Section 4.254, employees shall be permitted to accumulate vacation time not to exceed a maximum of three (3) annual vacation accrual periods.

Utilization of vacation time must have the approval of the appointing authority; such approval shall not be unreasonably upheld.

C. Vacation Accrual During Active Military Service - Cash Out of Accrued Vacation at Commencement of Leave

Unit members called into active military service (other than temporary military leave) shall, following their qualifying year of service for vacation continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. In order to avoid reaching maximum accrual during an extended leave, employees may request cash payment of accrued but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of their leave of absence and verified by military orders or other evidence of call-up into the armed forces of the United States.

ARTICLE 7.0 TIME OFF

ARTICLE 7.1 JURY SERVICE

- A. An employee duly summoned to attend any court for the purpose of performing jury service shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive his/her regular salary. The absence of the employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of LAAC Section 4.75.
- B. During the time the employee is actually reporting for jury service, the head of the department, office, or bureau, or his/her designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of his/her converted shift that he/she is not required by the Court to perform jury service.
- C. Compensation for mileage paid by the courts for jury service shall be retained by the employee.
- D. Employees performing jury service on a designated City holiday shall be compensated for the designated City holiday; additional time off for that holiday shall not be provided.

ARTICLE 7.2 CIVIC DUTY

- A. Whenever an employee is served with a subpoena by a court of competent jurisdiction which compels his/her presence as a witness during his/her normal working period, unless he/she is a party to the litigation or an expert witness, such employee shall be granted time off with pay in the amount of the difference between the employee's regular earnings and any amount he/she receives for such appearance. This Article is not applicable to appearances for which the employee receives compensation in excess of his/her regular earnings.
- B. A court of competent jurisdiction is defined as a court within the county in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.
- C. The Parties agree that the Police Department may reschedule an employee so that his/her subpoena does not conflict with his/her hours of work; arrange with the subpoenaing authority to place the employee in an "on call" status; or reschedule an employee subpoenaed to appear during off duty hours to alternate hours; and,

further agree that all Departments other than the Police Department may so reschedule with the consent of the subpoenaed employee.

ARTICLE 7.3 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will provide to the Union copies of all job bulletins. Tentative examination bulletins approved by the Personnel Department will be provided to the Union seven (7) calendar days prior to the date of the public posting of the final bulletin for the examination.
- B. Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time.
- C. Management agrees that any employee covered by this MOU who may be assigned to work on a day that a written promotional examination is administered by the Personnel Department, and for which an employee has applied, shall be given priority in the scheduling of days off for that day.

ARTICLE 8.0 RETIREMENT

ARTICLE 8.1 RETIREMENT BENEFITS

A. BENEFITS

- 1. Effective July 1, 2011, for all Tier I employees regardless of their date of hire, the Tier I retirement formula and a flat-rated employee retirement contribution of seven percent (7%) was implemented and shall be continued. The employee retirement contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program (ERIP) agreement dated October 26, 2009, and LAAC Section 4.1033, which provides that this seven percent (7%) employee retirement contribution will continue until June 30, 2026 or until the ERIP cost obligation is fully paid, whichever comes first.
- 2. For employees hired on or after the date of adoption of the Ordinance implementing LACERS Tier 3, the retirement formula for LACERS Tier 3 and a flat-rated employee retirement contribution of seven percent (7%) shall be continued during the term of the MOU.

B. RETIREE HEALTH BENEFITS

- 1. There is currently in effect a retiree health benefit program for retired members of LACERS under LAAC Division 4, Chapter 11. All covered

employees who are members of LACERS, regardless of retirement tier, shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits as provided by this program. The retiree health benefit available under this program is a vested benefit for all covered employees who make this contribution, including employees enrolled in LACERS Tier 3.

2. With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).
3. Additionally, with regard to Tier 1 members who made the additional contribution authorized by LAAC Section 4.1003(c), the maximum amount of the annual increase authorized in LAAC Section 4.1111(b) is a vested benefit that shall be granted by the LACERS Board.
4. With regard to LACERS Tier 3, the Implementing Ordinance shall provide that all Tier 3 members shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits, and shall amend LAAC Division 4, Chapter 11 to provide the same vested benefits to all Tier 3 members as currently are provided to Tier 1 members who make the same four percent (4%) contribution to LACERS under the retiree health benefit program.
5. The entitlement to retiree health benefits under this provision shall be subject to the rules under LAAC Division 4, Chapter 11 in effect as of the effective date of this provision, and the rules that shall be placed into LAAC Division 4, Chapters 10 and 11, with regard to Tier 3, by the Implementing Ordinance.
6. As further provided herein, the amount of employee contributions is subject to bargaining in future MOU negotiations.
7. The vesting schedule for the Maximum Medical Plan Premium Subsidy for employees enrolled in LACERS Tier 1 and LACERS Tier 3 shall be the same.
8. Employees whose Health Service Credit, as defined in LAAC Division 4, Chapter 11, is based on periods of part-time and less than full-time employment, shall receive full, rather than prorated, Health Service Credit for periods of service. The monthly retiree medical subsidy amount to which these employees are entitled shall be prorated based on the extent to which their service credit is prorated due to their less than full time status.

C. PROCEDURE FOR BENEFITS MODIFICATIONS

1. Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the City Council by the CAO as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.
2. Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.
3. If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

D. PART-TIME EMPLOYEES

1. Part-time employees in this Unit eligible for membership in LACERS shall be certified as LACERS members under the following conditions:
 - a. Half-time employees, upon written request to the appointing authority, shall be certified as LACERS members upon their date of hire to a half-time position, or anytime thereafter, if elected.
 - b. Intermittent part-time employees in this Unit shall, after 1,000 compensated hours in one service year, be designated as half-time employees and certified as LACERS members, upon written request to the appointing authority.
2. Employees certified as LACERS members prior to the effective date of this MOU shall retain their LACERS membership.
3. For employees not eligible for LACERS membership, a flat-rated employee contribution of four and one-half percent (4.5%) into the Pension Savings Plan shall be applied for each plan year. The City shall contribute an amount equal to three percent (3%) of each employee's compensation for each plan year.
4. Retiree health benefits are provided as defined in B above.

ARTICLE 9.0 MISCELLANEOUS

ARTICLE 9.1 DEFINITION OF EMERGENCY

For the purpose of administering the provisions of this MOU, an emergency shall be defined as an occurrence, situation, or condition that could not have been reasonably foreseen or anticipated.

ARTICLE 9.2 LICENSE FEES

Employees covered by the provisions of this MOU who are required by their appointing authority to obtain and maintain a valid class A or B California Driver License, not otherwise required as a condition of employment, i.e., not specified in the job Bulletin or class specifications, shall be reimbursed by his/her appointing authority for fees required to obtain and renew such license(s).

Nothing herein shall obligate the City to pay for licenses which may be mandated by the State or other regulatory agency subsequent to an employee's date of employment or the operative date of this MOU, whichever is applicable.

ARTICLE 10.0 UNION RELEASE TIME

ARTICLE 10.1 UNION RELEASE TIME

The appointing authority may grant to elected officers or appointed representatives of the Union time off for Union representation activities. Release time under this Article shall be allowed for no more than one (1) employee in a department or Public Works Bureau, with a total of no more than eleven (11) employees for all SEIU bargaining units (4, 8, 14, 15, 17, 18, 36, 63 and 64).

The Union shall submit a written request for release of an employee to that employee's Department Management, which shall include a list of all employees currently on release time for these Units. Such request shall be submitted at least 21 calendar days prior to the effective release date, specifying the starting and ending dates of release. The Union shall provide a copy of said request to the CAO. The employee shall fill out any necessary paperwork required by Management for his/her release.
- B. Whenever operationally feasible, the Department shall grant the time off request. When it is not possible to immediately grant the request, the Department shall provide an explanation in writing and specify a date when the employee can be released.
- C. Release time shall be granted for a maximum of one year in any three-year period unless additional time is approved by the CAO and the affected department.

- D. Employees shall be paid the employee's current salary by the City while the employee is performing these duties for the Union.
- E. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.

The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the CAO as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the JLMBC that become effective during this period.
- G. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- H. The CAO shall bill the Union and Union shall make payments to the CAO of all reimbursable costs identified in Section F above.
- I. An employee on release time shall submit weekly timesheets signed by the employee and the Union (General Manager or his/her designee) to their respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- J. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the Union during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the eleven (11) employee maximum, as provided for above. The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- K. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
- L. The employee must have passed probation in his/her current class to be eligible for release time.
- M. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.

The CAO shall maintain a list of employees who have been approved for release time and the approved duration.

LETTER OF AGREEMENT

2018-2021 MEMORANDUM OF UNDERSTANDING NO. 15

WORKING CONDITIONS (LOS ANGELES WORLD AIRPORTS)

The undersigned parties agree that further discussion and review of working conditions will be undertaken by the Los Angeles World Airports (LAWA) to evaluate the working conditions of Custodians (Class Code 3156-A) and Senior Custodians (Class Code 3157-A) assigned to the Custodial Outlying Crew who work on, near, and/or around airfield operations at LAWA.

The purpose of the review will be to determine if noise decibels present a potential adverse working condition for employees assigned to the referenced work locations. If necessary, the findings may result in a meet and confer session between the department, the Union and the CAO as well as the possibility of reopening the MOU to address compensation for excessive noise conditions when assigned to specific work locations.

The parties shall meet within 60 days following City Council adoption of this MOU or another date mutually agreed upon by the parties.

LETTER OF AGREEMENT
BETWEEN
THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

RELEASE TIME PILOT PROGRAM

The City of Los Angeles has determined there are specific Union activities that confer a public benefit for which bargaining unit members (Released Employees) of the Coalition of Los Angeles City Unions (Coalition) should be released from their official duties (City work) in order to perform the specific Union activities. The Coalition agrees to ensure performance, supervise, and manage the activities of the Released Employees. Full-Time and Part-Time employees shall be eligible to be designated as a Released Employee.

The parties agree that during the term of the 2018-2021 MOU, a reasonable number of bargaining unit members shall be designated by individual Coalition Unions for the purpose of directly communicating, sharing, and collecting information from all bargaining unit members. Furthermore, as a means of controlling administrative and litigation costs associated with employee matters in a large and complex City, and with the goal of resolving matters at the earliest possible stage, Released Employees will assist bargaining unit employees, the Union, and Management during the following processes and procedures:

1. Union approved work-site meetings of the bargaining unit membership.
2. Membership meetings in order to assist with communicating issue(s) relevant to the work-force.

Reporting and Accountability of Released Employee Time

In order to ensure the City maintains control over public resources, a designee of each Coalition Union will notify Management in advance in writing of the need to release an employee and confirm the employee has been released. The Union shall provide advance notice no less than 48 hours prior to the commencement of union release time.

Each Coalition Union shall designate employees and notify Management in advance in writing when a Released Employee is designated by the Union. The designated employees shall be released for only the time necessary to bring about the efficient outcome(s) contemplated in this Agreement and/or identified going forward. Permission to leave official duties (City work assignment) will be granted unless the absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Union will be informed when time can be made available. Release of an employee shall not be unreasonably withheld.

The payroll code "UB" shall be entered for all release time used under this Program. No employee shall be paid overtime or accrue Compensated Time Off (CTO) while released under this Program.

Bank of Hours

Each Union shall be afforded a bank of hours equaling two (2) hours for each full-time bargaining unit member and one (1) hour for each part-time bargaining unit member.

The total number of calculated release time hours for each Union in accordance with this Agreement is as follows:

Union	Total Hours/ Calendar Year
AFSCME	15,566
SEIU	20,351
LIUNA	1,656
Building Trades	2,216
IUOE	582
Teamsters	360

The bank of hours shall reset July 1st of each year and not carryover or be shared between Unions. Unused hours shall be deemed waived and lost. This provision shall remain in full-force and effect during the term of this MOU.

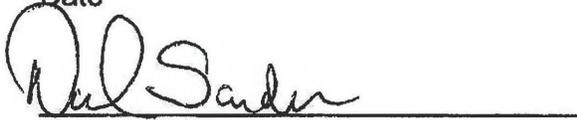

LETTER OF AGREEMENT
BETWEEN THE COALITION OF LOS ANGELES CITY UNIONS
AND THE CITY OF LOS ANGELES

UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

A. PARTIES

This Agreement is made and entered into by and between the Coalition of Los Angeles City Unions (Unions) and the City of Los Angeles (City) for the following Memoranda of Understanding (MOU) for bargaining units 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 34, 36, 37, 63, and 64.

B. PURPOSE

The purpose of this Agreement is to establish a procedure for access to City new employee orientations by the exclusive representative of newly hired employees. This Agreement supersedes any MOU language or prior practice with regard to new employee orientations. Nothing in this Agreement is intended to delay, impede, or otherwise interfere with any City hiring process.

C. TERM

This Agreement has been executed by the parties on the day, month, and year written above and shall continue until such time as the parties cancel or negotiate otherwise.

D. AMENDMENTS, MODIFICATIONS, OR OTHER CHANGES

The parties recognize the need to update this Agreement as the City automates and centralizes its new employee orientation process and as changes in employer culture occur. In the event either the Unions or the City desire(s) to amend, modify, or make any other changes to this Agreement, that party shall submit to the other, written notice of its desire to meet and confer. Meet and confer sessions shall begin no later than thirty (30) calendar days following receipt of the written notice or another date mutually agreed upon by the parties. If the parties are unable to reach agreement within thirty (30) calendar days, the matter shall be subject to the provisions of California Government Code Section 3557.

E. ENFORCEABILITY

The parties mutually agree that the intent of this Agreement is to ensure compliance with the provisions of State law requiring an employer to provide the exclusive representative ten (10) calendar days' of notice and mandatory access

to the employer's new employee orientations. To that end, the parties agree to the following resolution for insufficient notice and a failure to provide union access.

If the City fails to provide sufficient notice to the Union(s), except where allowed under this Agreement, and/or fails to provide Union access to the City's new employee orientations, and/or fails to provide release time in accordance with the provisions of this Agreement:

1. The Union and employing department shall discuss and arrange a new date and time for Union access. The discussion between the Union and employing department shall occur no later than one (1) day following the initially scheduled new employee orientation.
2. The Union and employing department shall mutually agree to a make-up date for Union access. Union access to new employees shall be provided not more than five (5) business days from the initial new employee orientation date or some other date mutually agreed upon by the Union and employing department.
3. After mutual agreement on a make-up date, the employing department shall confirm in writing to the Union the new union access date, time, and location.
4. The employing department shall require the subject new hires to attend the Union's presentation on the make-up date.
5. If a dispute remains after implementation of this provision or for any other matters relating to this Agreement, the parties agree that they may advance a grievance directly to the step just prior to arbitration, and continue processing in accordance with the applicable MOU grievance and arbitration provisions.

F. DEFINITIONS

For purposes of this Agreement, the following terms shall have the following meanings:

Union or Exclusive Representative – A qualified employee organization or joint council of qualified organizations which has been certified by the Employee Relations Board as the majority representative of employees in an appropriate employee representation unit in accordance with the provisions of Los Angeles Employee Relations Ordinance Section 4.822.

New Hire – Any new employee who is new to each Union regardless of job status (e.g., full-time, part-time, temporary, etc.).

New Employee Orientation – The onboarding process of a newly hired City employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

G. UNION ACCESS TO NEW EMPLOYEE ORIENTATIONS

1. The City shall provide the Union access to new employee orientations:
 - a. within thirty (30) calendar days of placing a new hire on the City payroll; or,
 - b. within forty-five (45) business days of the physical start date of a new hire; or,
 - c. on some other date and time mutually agreed upon by the Union and employing department.
2. Attendance at a new employee orientation by all new hires shall be mandatory.

H. NOTICE OF NEW EMPLOYEE ORIENTATION

1. The City shall provide written notice of new employee orientations to the impacted Union(s) no less than ten (10) calendar days prior to the event, regardless of the number of employees. [A single new hire is sufficient to require notice to the Union(s).]
2. Shorter notice than ten (10) calendar days may be provided to the Union(s) by the City in instances where there is an urgent hiring need critical to City operations that was not reasonably foreseeable, and where an employing department is awaiting the results of pre-employment information upon which hiring is contingent. This provision shall not be construed to regularly permit notice of less than ten (10) calendar days.
3. The written notice shall contain the anticipated number of new hires, their job class code and title, work location, and bargaining unit number and the designated time for the Unions' presentation.

I. UNION PRESENTATION DURING NEW EMPLOYEE ORIENTATION

1. Representatives of the Union shall be permitted to make a presentation of not more than thirty (30) minutes, and to present written materials during this period.

2. If more than one Union is presenting during a new employee orientation, not more than a total of thirty (30) minutes will be permitted for the Unions to use collectively.
3. Management will continue its practices of the dissemination of Union information to each new employee in accordance with applicable MOU provision(s), and any additional Union materials may be provided by the Union during the presentation.
4. Management shall determine the appropriate segment of the orientation for the Union presentation.
5. Both Union and Management representatives shall not interfere with the presentation of the other and shall at all times conduct themselves in a professional manner avoiding and refraining from any conduct that would tend to disparage the other during any new employee orientations.

J. RELEASE TIME FOR UNION STEWARDS TO ATTEND NEW EMPLOYEE ORIENTATIONS

1. At the request of the Union, paid City time off (release time) shall be granted for a union steward of record to participate in the Union presentation segment of a new employee orientation. The release time shall be granted for a maximum of thirty (30) minutes, not including reasonable travel time, during those hours that coincide with the union steward's regular work shift. The same union steward of record shall participate in no more than two (2) new employee orientations per month unless the employing department holds more than two orientations per month or permits otherwise.
2. Only one (1) union steward of record per individual Union shall be released to participate in a new employee orientation. The union steward shall be an employee of the employing department for which the new employee orientation is provided unless the parties agree otherwise.
3. Permission to leave work shall be granted by the employing department unless the absence would cause an undue interruption of work. If permission cannot be granted, the employing department shall provide the Union an alternative presentation date and time that is not more than five (5) business days beyond the initial new employee orientation date. This date will be specifically reserved for Union presentation up to the time limits prescribed in this Agreement. All new hires present for the initial new employee orientation shall be notified of the special date and time of the Union presentation and shall be required to attend on City time.

4. Union stewards shall not receive overtime for participating in or performing activities associated with the union presentation segment of any new employee orientation.
5. The Union shall provide the CAO with a written list of a reasonable number of employees who have been designated Union Stewards and revised lists within thirty (30) calendar days of any changes in these designations. The union stewards must be members of the Union.
