SECTION 1.0 GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

- A. On April 25, 2002, the Los Angeles Port Police Command Officers Association (“Association”) was certified by the Employee Relations Board (“ERB”) as the certified representative of employees in the Port of Los Angeles Command Officers Unit (“Unit”). Accordingly, the City of Los Angeles (“City”) hereby recognizes the Association as the exclusive representative of the employees in said Unit in accordance with the provisions of Los Angeles Administrative Code (“LAAC”) Section 4.822.

- B. The term “employee” or “employees” as used herein shall refer only to an employee or employees employed by the City in classifications listed in Appendix A of this Memorandum of Understanding (“MOU”), as well as such classes that may be added hereafter by the ERB.

ARTICLE 1.2 PARTIES TO THIS MOU

This MOU is entered into by and between the City Administrative Officer (“CAO”) as the authorized management representative of the City, the authorized management representative of the Harbor Department (“Management”), and the Association as the authorized representative of the Unit.

ARTICLE 1.3 IMPLEMENTATION OF THIS MOU

- A. This MOU constitutes a joint recommendation of Management and the Association, and shall not be binding in whole or in part on the parties unless and until:
 - 1. The Association has notified the CAO in writing that it has approved this MOU in its entirety; and,
 - 2. The City Council has approved this MOU in its entirety.

- B. Where resolutions, ordinances, or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances, or amendments will become operative on the effective date of the resolutions, ordinances, or amendments unless otherwise specified.

ARTICLE 1.4 FULL UNDERSTANDING

- A. Management and the Association acknowledge that during the meet and confer process, each party had the unlimited right and the opportunity to make demands and proposals on any subject within the scope of representation and that this MOU constitutes the full and entire understanding of the parties regarding all such demands and proposals. The parties mutually understand that agreements contained in any prior or existing MOU are hereby superseded or terminated.
- B. The parties mutually understand and agree that any changes mutually agreed to shall not be binding upon the parties unless and until they have been implemented in accordance with the implementation provisions of this MOU.
- C. The waiver or breach of any term or condition of this MOU by any party hereto shall not constitute a precedent in the future enforcement of any of its terms and provisions.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions of its effectiveness, in accordance with the implementation provisions of this MOU, are fully met, but in no event shall the provisions of this MOU become effective prior to 0000 hours on July 1, 2014. This MOU shall expire and otherwise be fully terminated at 2359 hours on June 23, 2018.
- B. Notwithstanding the above, provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligation under the provisions of Article 1.6, Calendar for a Successor MOU, and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR A SUCCESSOR MOU

Prior to the expiration of this MOU, the Association or Management shall call for meet and confer negotiations sessions to discuss a successor MOU. The first meet and confer session shall begin no later than 90 calendar days prior to the expiration of this MOU, unless the Association and Management mutually agree otherwise.

ARTICLE 1.7 OBLIGATION TO SUPPORT

The parties agree that prior to the implementation of this MOU and during the period of time it is being considered by the Mayor, City Council, Council Committees, and the heads of various departments, offices, or bureaus for action, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council Committees, or department heads, nor meet or communicate with the Mayor, members of the City Council, or department heads individually to advocate any addition or deletion, or other change to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before or communicating with the Mayor, City Council, Council Committees, or department heads, nor meeting with the Mayor, individual members of the City Council, or department heads to advocate or urge the adoption and approval of this MOU.

ARTICLE 1.8 PROVISIONS OF LAW AND SEPARABILITY

- A. The parties to this MOU mutually understand and agree that this MOU is subject to all applicable Federal and State Laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, ERB, or similar independent Commissions of the City. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local laws or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulation and the remainder of this MOU shall not be affected thereby.
- B. If any term or provisions of this MOU is found to be in conflict with any City, State, or Federal law, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.9 ACTIONS BY THE ERB

If the ERB takes any action(s) prior to the expiration of this MOU that results in any significant change(s) to the composition of this Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.10 MANAGEMENT-ASSOCIATION MEETINGS

At the request of the President of the Association (or his/her designee) or the Management Representative of the department responsible for the implementation of this MOU, meetings may be scheduled at reasonable intervals for the purpose of informally discussing potential employer-employee relations problems.

ARTICLE 1.11 CITY MANAGEMENT RIGHTS

- A. Responsibility for management of the City and direction of its work force is vested in City officials and department heads whose powers and duties are specified by law. In order to fulfill this responsibility, City management has the exclusive right to: determine the mission of its constituent departments, offices, and boards; set standards of services to be offered to the public; exercise control and discretion over the City's organization and operations; select, promote, transfer, and/or discipline employees; relieve City employees from duty due to lack of work or other legitimate reasons; determine the methods, means, and personnel by which the City's operations are to be conducted; take all necessary actions to maintain uninterrupted service to the community; and, execute its mission in emergencies. However, the exercise of these rights by management shall not preclude employees or their representatives from consulting or grieving about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.
- B. Department management has the authority to transfer and assign employees of the department. The parties agree that such transfers and assignments are not grievable and are not arbitrable regardless of the reason.
- C. Nothing contained in this Article shall be deemed to amend the Articles in Section 3.0, Grievances.

ARTICLE 1.12 CITY-ASSOCIATION RELATIONSHIP

A. Continuity of Service to the Public

The City of Los Angeles is engaged in public services requiring continuous operations that are necessary to maintain the health and safety of all citizens. The obligation to maintain these public services is imposed both upon the City and the Association during the term of this MOU.

B. Mutual Pledge of Accord

1. Inherent in the relationship between the City and its employees is the obligation of the City to deal justly and fairly with its employees and of the employees to cooperate with their fellow employees and the City in the performance of their public service obligation.
2. The purpose of this MOU is to promote and ensure harmonious relations, cooperation and understanding between the City and the employees represented by the Association and to establish and maintain proper standards of wages, hours and other terms and conditions of employment.

C. No Strike-No Lockout

1. In consideration of the mutual desire of Management and the Association to promote and ensure harmonious relations and in consideration of continuity of service to the public and the Mutual Pledge of Accord, the City stipulates that there shall be no lockout, or the equivalent, of members of the Association, and the Association and its members stipulate that there shall be no strike or other concerted action resulting in the withholding of service by the members during the term of this MOU. Should such a strike or action by Association members occur, the Association shall immediately instruct its members to return to work. If they do not report to work immediately after Association instruction, they shall be deemed to have forfeited their rights under this MOU. The curtailing of operations by the City in whole or part for operational or economic reasons shall not be construed as a lockout.
2. The provisions of this paragraph shall not detract in any way from any restrictions imposed by law on strikes and other types of work stoppages by public employees.

SECTION 2.0 ASSOCIATION SECURITY/EMPLOYEE RELATIONS

ARTICLE 2.1 NON-DISCRIMINATION

The parties mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of race, color, national origin, religion, national origin, sex, age, disability, marital status, sexual orientation, creed, ancestry, medical condition, Acquired Immune Deficiency Syndrome (AIDS) acquired or perceived, political beliefs, union activity, LGBT identity, or retaliation for having filed a discrimination complaint.

ARTICLE 2.2 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will email to the Association copies of all recruitment bulletins. Tentative examination bulletins approved by the Head of the Examining Division of the Personnel Department will be emailed two calendar days prior to the date that said bulletins are scheduled to be approved by the Civil Service Commission.

- B. Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time to and from the employee's workplace.

ARTICLE 2.3 WORK ACCESS

- A. An authorized Association representative shall have access to City facilities or work sites during working hours for the purpose of assisting employees covered under this MOU relative to their identified role in addressing grievances when such Association assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this MOU. Said representative shall request authorization for such visit by contacting a designated management representative of the department, office, or bureau for the work site. In the event immediate access cannot be authorized, the designated representative shall inform the Association representative as to the earliest time when access can be granted.

- B. The Association shall provide Management a written list of its authorized Association representatives, which shall be kept current by the Association.

- C. This Article shall not be construed as a limitation on the power of Management to restrict access to areas designated as security or confidential.

ARTICLE 2.4 USE OF CITY FACILITIES

- A. The Association may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time.
- B. The parties to this MOU mutually agree that if the use of a facility requires a fee for rental or special set-up, security, and/or cleanup service, the Association will provide or assume the cost of such service(s) or facility.

ARTICLE 2.5 BULLETIN BOARDS

The Harbor Department shall provide a bulletin board or dedicated space at each work location for use by the Association. All official communications from the Association shall be posted in the space provided. The Association shall clearly print a removal date on all posted materials. Management shall have the right to remove any material that is believed to be inappropriate for placement in the workplace.

ARTICLE 2.6 SERVICE FEES AND DUES

- A. During the term of this MOU, Association dues and such other deductions as may be properly requested and lawfully permitted will be deducted by the City Controller biweekly in twenty-four increments annually from the salary of each member in the Association who files with the City Controller a written authorization that such deductions be made.
- B. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of members covered hereunder shall be made to the Association by the City Controller within thirty working days after the conclusion of the month in which said dues and/or deductions were deducted.
- C. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.

SECTION 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE REPRESENTATION

- A. The Association may designate a reasonable number of grievance representatives who must be Unit members, and shall provide each affected department with a written list of employees who have been so designated. Management will accept changes to the list presented by the Association as they are made. An employee may select a non-City employee as a grievance representative in place of an Association Representative at the employee's own expense. A grievance or Association representative if so requested may represent a grievant in the presenting of grievances at all levels of the grievance procedure for which the grievant and his/her representative may have a reasonable amount of paid time off. However, said representative will receive paid time off only if he/she is a member of the Association and in the same Unit as the grievant, is employed by the same department as the grievant, and is employed within a reasonable distance from the grievant's work location.

- B. An Association Representative who must leave his/her work location to represent a grievant must first obtain permission from his/her supervisor on a form provided by his/her department for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Association Representative will be informed when time can be made available. Such time will not be more than 48 hours, excluding scheduled days off and/or legal holidays, after the time of the Association Representative's request unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

- C. Time spent on grievances outside of regular working hours of the grievant and/or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her Association Representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 3.2 GRIEVANCE PROCEDURE

A. Definitions

A grievance is defined as any dispute concerning the interpretation or application of this written MOU or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. An impasse in meeting and conferring upon the terms of a proposed Memorandum of Understanding is not a grievance.

B. Responsibilities and Rights

1. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided before the Civil Service Commission. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
2. No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.
3. The grievant is responsible for discussing his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor, in all formal review levels, and in arbitration; provided, however, that such representative may not be an employee or officer of another qualified organization except with the written consent of the organization granted exclusive representation.
4. By mutual agreement, the time limits between steps of the grievance procedure provided herein may be extended or the grievant and Management may waive one level of review from this grievance procedure.

5. Management shall notify the Association of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU, and an authorized Association Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If the authorized Association Representative elects to attend said grievance meeting, he/she shall inform the head of the department, office or bureau of his/her intention. The Association is to be notified of the resolution of all other formal grievances.

C. Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

1. The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance. Said grievance shall be considered waived if not so presented to the immediate supervisor within ten calendar days following the day during which the event upon which the grievance is based occurred. Said ten (10) calendar days may be waived by mutual consent of the parties involved.
2. The immediate supervisor shall respond within five calendar days following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at Step 2.

Step 2 - First Level of Review

3. If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the department, office or bureau upon the management designee to review the grievance at Step 2 within seven calendar days of receipt of the grievance response or, in the absence of a response by the immediate supervisor, at the expiration of the time limit for the immediate supervisor to respond at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
4. If such written notice is served, the management designee shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 3.

Step 3 - Second Level of Review

5. If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the management designee to review the grievance at Step 3 within seven calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.
6. If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within 15 calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at Step 4.

Step 4 - Third Level of Review

7. If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon his/her General Manager or designee within seven calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. If such notice is served, the grievance shall be heard by the General Manager or his/her designee. The General Manager or his/her designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance and shall render to the grievant and his/her representative, if any, a written decision within 30 calendar days from the date said arguments were submitted.

Step 5 - Mediation (optional)

8. If the grievance is not resolved at Step 4, the Association or Management representative may, within ten calendar days following receipt of Management's response at Step 4, request that the grievance be submitted to a mediator prior to proceeding to arbitration. This step is optional and requires the concurrence of the Association and Management.
9. A request for mediation must be in writing and must be submitted to the affected department's personnel officer or the Association within the above-prescribed time limits. The personnel officer or Association representative shall, within ten calendar days following receipt of the mediation request, return the request to the Association or Management representative with a denial or an agreement that the parties jointly request the ERB to appoint a mediator.

10. The Executive Director of the ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, the Association and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees for mediation shall be shared equally by the Association and Management.
11. The mediation procedure shall be informal, the primary effort being to assist the parties in settling the grievance. Court reporters shall not be used, the rules of evidence shall not apply, and no record shall be made. The mediator shall determine whether witnesses are necessary.
12. If the grievance is resolved through mediation, notwithstanding the provisions of LAAC Section 4.865, the parties may, by mutual agreement, accept the results of mediation as binding.
13. If the grievance is not resolved in mediation, the mediator may be requested to provide an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. However, upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, including a brief statement of the reasons for the opinion. Such opinion, as well as confidential discussions by the parties in mediation, shall not be used during any subsequent arbitration.

Step 6 - Arbitration

14. If the grievance is not settled after the issuance of the written decision at Step 4 or the mediation efforts at Step 4, or if no written decision is rendered within the time limits set forth at Step 4, the grievant and the Association jointly may serve upon the General Manager or designee a written notice that a written request for arbitration has been filed with the ERB. The request for arbitration must be filed with the ERB within ten calendar days following the date of service of the written decision of the General Manager or his/her designee, or expiration of the time limits set forth in Step 4. Failure of the grievant and the Association jointly to serve the written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.

15. If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the ERB, within seven calendar days following receipt of said list.
16. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual incurring same.
17. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be advisory only.
18. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

SECTION 4.0 ON THE JOB

ARTICLE 4.1 PERSONNEL FOLDERS

- A. A Unit member shall be entitled to review the contents of his/her official departmental personnel folder at reasonable intervals, upon request, during hours when the office in which records are housed is open for business. Such review shall not interfere with the normal business of the department, office, or bureau.

- B. No evaluatory or disciplinary document may be placed in an employee's official departmental personnel folder without the employee reading and signing said document and being afforded the opportunity to attach a written response within 30 days from review. The employee's signature does not necessarily indicate agreement with the document. If after reading the evaluatory or disciplinary document, the employee refuses to sign the document, that fact shall be noted on the document by the employee's supervisor. It is mutually understood that an employee performance evaluation is not considered a disciplinary document. It may, however, be used to document behavior and/or performance deficiencies that have been brought to an employee's attention.

- C. A "Notice to Correct Deficiencies" may be sealed by Management upon the request of an affected employee if he/she has not been involved in any subsequent incidents of the same general nature and category as the Notice to Correct Deficiencies requested to be sealed that resulted in written corrective counseling or other management action for a period of two years from the date the most recent, related notice was issued or management action taken. However, such sealed documents can still be used to establish progressive discipline for similar offenses.

ARTICLE 4.2 SAFETY

- A. Safety clothing and devices provided by Management specified herein shall continue to be provided, as long as the need exists. The Association will require all Unit members to utilize said safety clothing and devices to the fullest extent possible.

- B. Management will make every reasonable effort to provide safe working conditions. Association will encourage all Unit members to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said supervisor should:

1. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor;
 2. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose if elimination of the hazardous condition is not within the immediate supervisor's capability; or,
 3. Promptly report the problem to the next level of supervision or inform the Department Safety Coordinator about the problem if elimination of the hazardous condition is not within the capability of the supervisor to correct.
- C. If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution to the problem within a reasonable time, the employee or his/her representative may call the City's Occupational Safety Office and report such hazard.
- D. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

ARTICLE 4.3 A DRUG-FREE WORK PLACE

- A. The responsibilities inherent in the law enforcement profession require officers to undergo strict physical and psychological evaluations. Thorough pre-employment investigations into every facet of a Unit member's background are conducted to ensure that the member is an individual worthy of the public's trust. Once employed, those individuals who fail to abide by the Law Enforcement Code of Ethics are disciplined or even terminated when appropriate. All Unit members must be willing to accept a random drug test program as yet another test in which the employee is held to a higher standard than others in society.
- B. An employee who voluntarily apprises the Department of an addiction or other drug use-related problem caused by either a valid prescription prescribed for the employee (excluding marijuana) or an over-the-counter medication, will be allowed to become involved in a rehabilitation program. Assistance is available through most City health plans, including the City's Employee Assistance Program. The Department will take all possible steps to ensure that this disclosure and participation in rehabilitation by the employee is kept confidential. The Department will cooperate with the employee's participation in rehabilitation by allowing the employee to utilize sick leave or other available discretionary leave (i.e., accrued time off or vacation) as necessary.

C. As used in this Article, the term “voluntarily apprises the Department” shall mean that the employee brought the matter to the attention of the Department:

1. On his or her own initiative;
2. At a point in time not in conjunction with a drug test and when no administrative investigation has been initiated by the Department concerning the employee’s use of prescription or over-the-counter medication; and
3. No acts or omissions by the employee and related to the use of prescription or over-the-counter medication involves any criminality on the part of the employee.

ARTICLE 4.4 HOURS OF WORK

- A. Notwithstanding the provisions of LAAC Section 4.108 (Hours of Work) and 4.113 (Overtime), any Unit member in the class of Port Police Lieutenant who is assigned to a law enforcement function may be assigned by Management to a work schedule consisting of 20 days of work in each 28-day deployment period, with eight regular days off.
- B. An employee in the class of Port Police Lieutenant shall be in actual attendance on duty a minimum of eight hours every day he/she is assigned to work. The eight hours does not include time to consume a meal. Adjustments to an employee’s work schedule may be made in order to accomplish the objectives of the Department. In all cases, a regular full-time employee shall work a total of 160 hours in each 28-workday deployment period.

ARTICLE 4.5 MEAL PERIODS

The meal period for Port Police Lieutenants shall be 30 minutes and shall not be counted as time worked for any purpose. If a Port Police Lieutenant is called to duty during his/her meal period, at Management's discretion, he/she shall be:

- A. Given a 30-minute meal period at a later time during the same shift; or
- B. Compensated in cash at the rate of one and one-half times the employee's regular rate of pay if such meal period causes the employee to exceed 40 hours worked in an FLSA workweek.

ARTICLE 4.6 SUBPOENAED AS A WITNESS

When a Unit member is subpoenaed as a witness by a court of competent jurisdiction, he/she shall be compensated in accordance with LAAC Section 4.111.1 (Payment of Salary When Subpoenaed as a Witness).

ARTICLE 4.7 COMPENSATION FOR COURT APPEARANCES

The following provisions shall apply only for the payment of overtime for court appearances for Port Police Lieutenants outside of their normal duty hours.

A. Basic Compensation

Unit members shall be afforded the discretion of reporting to court when subpoenaed or remaining on-call. If the employee elects to appear in court, the employee must notify his/her supervisor as soon as practical prior to the scheduled court appearance. An employee who decides to remain on-call must be able to appear in court not more than one hour after being notified of their required court appearance time. To appear in court more than an hour after having been notified will void the employee's right to on-call compensation. An employee need not remain at home, but must be available for telephonic notification at a location where his/her supervisor knows the employee can be reached.

1. An off-duty employee shall receive a minimum of four hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the four hour minimum provided for in Paragraph A.1. above, with the exception that no compensation will be given for the initial 60 minutes of a noontime recess.

C. Procedure for Benefits Modifications

1. Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. The parties further agree that should any of the provisions of this Article, or of any subsequent MOUs which incorporate these sections, be enjoined or declared invalid or unlawful by a court of competent jurisdiction, the Maximum Medical Plan subsidy would revert to the provision of the LAAC in effect prior to April 24, 2011.
