ARTICLE 1 RECOGNITION

The American Federation of State, County and Municipal Employees, (AFSCME), Council 36, AFL-CIO, was certified on July 9, 1990, by the Employee Relations Board, as the majority representative of City employees in the Executive Administrative Assistants Unit. Management hereby recognizes AFSCME, Local 3672 (hereinafter referred to as "Union") as the exclusive representative of the employees in the Unit.

The term "employee" or "employees" as used herein shall refer only to employees in the classifications listed in the Appendices, as well as such classes as may be added hereafter to the Unit by the Employee Relations Board.

ARTICLE 2 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) constitutes a joint recommendation of Management and AFSCME. It shall not be binding in whole or in part on the parties listed below unless and until:

- A. AFSCME has notified the City Administrative Officer (CAO) in writing that it has approved this MOU in its entirety, and

- B. The City Council has approved this MOU in its entirety.

Where resolutions, ordinances or amendments to applicable codes are required, those articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of the resolution, ordinance or amendment unless otherwise specified.

ARTICLE 3 PARTIES TO MEMORANDUM OF UNDERSTANDING

This MOU is entered into on December 4, 2015, between the CAO, as authorized management representative of the City, and the authorized management representatives of the Departments employing members of this bargaining unit, (hereinafter referred to as "Management"), and authorized representatives of the American Federation of State, County and Municipal Employees, Local 3672 (hereinafter referred to as "Union" or "AFSCME") as the exclusive recognized employee organization for the Executive Administrative Assistants Unit.

ARTICLE 4 UNIT MEMBERSHIP LIST

Management will provide Union in writing, within thirty (30) days from the effective date of this MOU and each 30 days thereafter, an alphabetized list of employees subject to this MOU, of such employee's name, employee number, class title, class code, Union membership status, and location by department and division, as applicable. Home

addresses shall be provided within 60 days from the effective date of this MOU and each 90 days thereafter.

ARTICLE 5 NONDISCRIMINATION

The parties mutually reaffirm their respective policies of nondiscrimination in the treatment of any employee because of race, religion, color, gender, sexual orientation, marital status, age, disability, union activity, national origin, creed or ancestry.

In accordance with this policy, Management agrees that no employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of his/her rights granted pursuant to Section 4.857 of the Employee Relations Ordinance.

In accordance with the above policy, Union agrees not to discriminate against an employee because of the exercise of his/her rights granted pursuant to Section 4.857 of the Employee Relations Ordinance, or with respect to admission to membership, and the rights of membership.

ARTICLE 6 DISTRIBUTION OF UNION NOTICES

Management will distribute to Unit members the following types of notices:

- A. Notices of Union meetings.
- B. Notices of Union elections and their results.
- C. Notices of Union recreational and social events.
- D. Notices of official Union business.
- E. Any other communication which has received the prior approval of the head of the department, office or bureau or his/her designated representative.

ARTICLE 7 AGENCY SHOP FEES - PAYROLL DEDUCTIONS AND DUES

A. DUES/FEES

- 1. a. Each employee in this Unit who is not on unpaid leave of absence shall, as a condition of continued employment, after the first thirty (30) calendar days of employment become a member of Local 3672, American Federation of State, County and Municipal Employees (hereinafter referred to collectively as Union), or pay said Union a service fee in an amount not to exceed periodic dues

and general assessments of the Union for the term of this MOU, provided, however, that said fee shall not be assessed in any biweekly pay period in which the affected employee is not paid a minimum of 20 hours. Such amounts shall be determined by the Union and implemented by the City in the first payroll period, which starts thirty (30) calendar days after written notice of the new amount is received by the Controller.

- b. Employees who are members of the Union prior to (1) starting an unpaid leave of absence, or (2) otherwise going on inactive status due to lack of scheduled hours, shall be reinstated as a Union member with automatic dues deductions immediately upon their return to work.
2. Notwithstanding any provisions below and of Article 2, Section 4.203 of the Los Angeles Administrative Code (LAAC) to the contrary, during the term of this MOU, payroll deductions requested by an employee in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than Union, will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Any employees in this Unit who have authorized Union dues deductions on the effective date of this MOU or at any time subsequent to the effective date of this MOU shall continue to have such dues deductions made by the City during the term of this MOU; provided, however, that any employee in the Unit may terminate such Union dues during the thirty-day period commencing ninety (90) days before the expiration of the MOU by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: department name and name of Union from which dues deductions are to be cancelled. The Union will provide to the City with the appropriate documentation to process these membership dues cancellations within then (10) business days after the close of the withdrawal period.
4. The CAO and the Union shall jointly notify all new members of the Unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be automatically deducted from their paychecks. The religious exclusion will also be explained.

B. EXCEPTIONS

Religious Objections

Any employee who is a member of a bonafide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall, in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this unit as specified by the Union under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this representation unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
3. Management will provide the Union with the name, home address, and employee number of each permanent employee.

4. The Controller shall provide the organization, at least monthly, a status report showing all changes in the employment status of employees in this unit which affect the applicability of the provisions of this Article to those employees.

D. **UNION RESPONSIBILITIES**

1. The Union shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.
2. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put. Those procedures shall be in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 475 U.S. 292 (1986).
3. Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City against all other claims, including costs of suits and reasonable attorney's fees and/or other forms of liability arising from the implementation of this Article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. **RESCISSION**

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this Article is overturned by the employees in this representation unit, all other Articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 8 REST PERIOD

Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day or compensated for in any form.

ARTICLE 9 EMPLOYMENT OPPORTUNITIES

The Personnel Department will e-mail to the Union copies of all job bulletins. Tentative examination bulletins, approved by the Head of the Selection Division of the Personnel Department, will be e-mailed seven (7) calendar days in advance of the final bulletin for the examination.

ARTICLE 10 WORK ACCESS

Union Staff Representatives, Local Union Officers, Executive Board Members and Local Union Grievance Representatives who are members of this Unit shall have access to the facilities of the departments, offices or bureaus represented herein during working hours for the purpose of assisting employees covered under this MOU, in the adjusting of grievances when Union assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this MOU. Said representatives shall request authorization for such visit by contacting the designated Management representative of the head of the office, department or bureau. In the event immediate access cannot be authorized, the designated Management representative shall inform the staff representative as to the earliest time when access can be granted.

Union shall give to all heads of departments, offices or bureaus represented herein and the City Administrative Officer a written list of its Union Staff Representatives, Local Union Officers, Executive Board Members and Local Union Grievance Representatives which list shall be kept current by Union.

This Article shall not be construed as a limitation on the power of the head of a department, office or bureau to restrict access to areas designated as secure or confidential.

ARTICLE 11 USE OF CITY FACILITIES

Union may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time.

If the use of a facility requires a fee for rental or special set-up, security, and/or cleanup service, Union will provide or assume the cost of such service(s) for the facility.

ARTICLE 12 SAFETY AND ERGONOMICS

Section I

Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists; Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Section II

Management will make every reasonable effort to provide safe working conditions. Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said supervisor must:

- A. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
- B. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.

If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.

Section III

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution of the problem within a reasonable time, the

employee or his/her representative may call the City Occupational Safety Office and report such hazard.

Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

Section IV

Any pregnant employee whose job duties require frequent and extended operation of a video display terminal (VDT) may request a temporary reassignment of duties, if the employee's treating physician certifies in writing that discontinuance or reduction of the employee's operation of such VDT's is medically indicated. In such event, Management will make a reasonable effort to realign the duties of the employee to perform other available and necessary duties, within the specifications of the employee's class in the department in order to avoid such operation of VDT's to the extent recommended by the treating physician.

Section V

Any employee in this Unit who is a frequent operator of VDT equipment may request Management to provide applicable accessories for the workstation (i.e., copy holder, separate lamp, non-reflective glare filter and/or a hood to be attached to the display unit screen). Management will evaluate the request and will provide the necessary item(s) for the workstation, subject to the availability from City Stores and budgeted funds for this purpose. The Union shall expend up to \$10,000 from the VDT Trust Fund (Article 42) to provide ergonomic equipment for Unit members if a department does not have funding available for such equipment.

Section VI

Management and the Union agree to form a Joint Labor Management Committee on Health and Safety to review ergonomics, safety, and employee welfare issues pertaining to members of this Unit. The Committee will include four (4) members of the Unit, a representative of the Personnel Department, and representatives of operating departments as needed. The Committee shall determine the meeting schedule and the topics for review, discussion, and recommendation.

Section VII

The City agrees to allocate \$10,000 to the Personnel Department's contractual services account within 30 days of the date of Council approval of this MOU for ergonomics training and assessment for Unit members.

ARTICLE 13 PERSONNEL FOLDERS

An employee shall be entitled to review the contents of his/her official departmental personnel folder at reasonable intervals, upon request, during hours when his/her personnel office is normally open for business. Such review shall not interfere with the normal business of the department, office or bureau.

No disciplinary document shall be placed in an employee's official departmental personnel folder without providing said employee with a copy thereof.

An employee may submit a written rebuttal to any disciplinary or adverse document placed in his/her departmental personnel folder. Such rebuttal shall identify the disciplinary or adverse document and shall be filed in the employee's departmental personnel folder for as long as the disciplinary or adverse document remains. This provision shall not apply to documents placed in said folder prior to the effective date of this MOU. (It is mutually understood that in the Police Department, a "Notice to Correct Deficiencies" is not considered a form of discipline and a copy is not placed in the departmental personnel folder.)

Upon request of the employee, adverse documents in the employee's departmental personnel folder shall be sealed after three (3) years, provided that there have been no other adverse documents placed in the folder since that time and upon recommendation of the General Manager. Employee evaluations are not considered adverse documents for the purposes of this paragraph.

If sealing is not recommended, the reasons for denial of the request shall be discussed with the employee. The reasons for the denial of the request shall not be grievable.

ARTICLE 14 JURY SERVICE

An employee duly summoned to attend any court of competent jurisdiction for the purpose of performing jury service shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive his/her regular salary. The absence of any employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of Section 4.75 of the LAAC.

During the time the employee is actually reporting for jury service, the head of the department, office or bureau, or his/her designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on

any day of his/her converted shift that he/she is not required by the court to perform jury service.

Compensation for mileage paid by the courts for jury service shall be retained by the employee.

Employees performing jury service on a designated City holiday shall be compensated for the designated City holiday; additional time off for that holiday shall not be provided.

ARTICLE 15 CIVIC DUTY

Any employee, who is served with a subpoena by a court of competent jurisdiction or an administrative body to appear as a witness during his/her scheduled working period, unless he/she is a party to the litigation or an expert witness, shall receive his/her regular salary. Provided, however, that any witness fees received by the employee who receives regular salary pursuant to these provisions, except those fees received for services performed on a regular day off or holiday, shall be paid to the City and deposited in the General Fund. The absence of any employee for the purpose of serving as a witness during his/her scheduled working period shall be deemed an authorized absence with pay. Any money received as a compensation for mileage is not to be considered as a part of the employee's pay for these purposes.

A court of competent jurisdiction is defined as a court within the county in which the employee resides or if outside the county of residence, the place of appearance must be within 150 miles of the employee's residence.

ARTICLE 16 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

1. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.
2. Any matter for which an administrative remedy is provided before the Civil Service Commission.
3. Any issue that the parties agree to refer to another administrative resolution process.

GENERAL PROVISIONS

1. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

2. GRIEVANCE PROCESS RIGHTS

No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.

3. TIME, TIME LIMITS AND WAIVERS

"Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as defined in Article 28 of this MOU.

The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.

4. MEDIATION

At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer. Within ten (10) business days of receipt of a request for mediation, the receiving party shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the

services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.

Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may mutually agree to accept the opinion of the mediator as binding.

If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

5. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

- Suspensions without pay
- Allegations of failure to accommodate medical restrictions
- Allegations of retaliation
- Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the union and management.

GRIEVANCE PROCESS

STEP 1 - ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.

The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2

If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.

The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall

meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the employee.

STEP 4 - ARBITRATION

If the written response at Step 3, or mediation, does not settle the grievance, or management fails to provide a written response within thirty (30) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the Employee Relations Board. A copy of this notice shall be served upon the department's personnel officer. The request for arbitration must be filed with the Employee Relations Board within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within ten (10) business days following receipt of said list. Failure of the Union to notify the Employee Relations Board of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.

1. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The

fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.

2. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.
3. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same.

PROCEDURE:

STEP 1

The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.

The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the union may process the grievance to the next level. The union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within 30 business days from the date of meeting with the union.

STEP 2

If the grievance is not settled at Step 1 in the Police Department, the Union may file for arbitration pursuant to the procedure in Step 4 – Arbitration, above.

ARTICLE 17 UNION STEWARDS

- A. The Union may designate a reasonable number of union stewards who must be members of the Union. The Union shall provide all departments, offices or bureaus with a written list of employees who have been so designated, and revised lists within thirty (30) calendar days of any changes in said designations. A steward may represent a grievant in the presenting of grievances at all levels of the grievance procedure or in pre-disciplinary meetings (Skelly), or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.

An employee and his/her steward may have a reasonable amount of paid time off for presentation of grievances or participation in pre-disciplinary meetings or interviews. However, a steward will receive paid time off only if he/she is the representative of record, a member of the same Union as the employee; is employed by the same department, office, or bureau, and, is employed within a reasonable distance from the work location of the employee.

If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested for representation of a grievance will automatically constitute

an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay.

Before leaving his/her work location, the steward shall call the employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor, who will make arrangements for the meeting requested.

Time spent on grievances or Skelly meetings outside of regular working hours of the employee and/or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the grievant and/or his/her steward, only that amount of time necessary to bring about a prompt disposition of the issue will be allowed. City time as herein provided is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.

- B. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for stewards and front-line supervisors.

No later than March 18, 2016, the Union and City representatives will have established a curriculum and training program that will provide skills for both stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both union stewards and front-line supervisors will be certified. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.

As is practicable, grievances will be heard by certified supervisors.

ARTICLE 18 EMPLOYEE RELATIONS

Meetings at reasonable intervals will be scheduled at the request of designated paid Union Staff Representatives, Local Union Officers, or the Management Representative of a department, office, or bureau, for the purpose of informally discussing employer-employee relations problems.

The Union shall give to all heads of departments, offices or bureaus represented herein and the CAO a written list of its paid Union Staff Representatives and Local Union Officers, which shall be kept current by the Union.

ARTICLE 19 ACTIONS BY EMPLOYEE RELATIONS BOARD

If any action by the Employee Relations Board prior to the expiration of this MOU results in any significant changes to the composition of this representational Unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

In the event Union or Management desires a successor MOU, said party shall serve upon the other between April 1, 2018 and April 30, 2018, its written proposals for such successor MOU. Meet and confer sessions shall begin no later than thirty (30) calendar days following submittal of the proposals.

ARTICLE 21 TIME OFF FOR ORAL AND WRITTEN PROMOTIONAL EXAMINATIONS

Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time.

ARTICLE 22 SHIFT DIFFERENTIAL

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the LAAC, any employee who is assigned a work schedule that ends at 9:00 p.m. or later shall receive for each such day worked salary at the second premium level rate above the appropriate step rate of his/her salary range. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74 and 4.75 of the LAAC.

Additional compensation is pensionable when regularly assigned and non-pensionable when assigned on a daily basis.

Employees called into active military service following their qualifying year of service for vacation shall continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. To avoid reaching maximum accrual during an extended leave, employees may request cash payment of vacation hours accrued as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of the accrued time. The request shall be made prior to the employee's first day of their leave of absence and shall be accompanied by orders or other evidence of entry into the armed forces of the United States. If an employee desires to cash out vacation during the period of the military leave, a signed authorization must be provided by the employee to his/her Department Personnel Section prior to the start of the leave allowing the Department to cash out specified amounts of vacation.

ARTICLE 24 VACATION SCHEDULES

Vacations will be scheduled in accordance with Section 4.250 of the LAAC and as far in advance as possible. Consideration shall be given to the efficient operation of the

ARTICLE 27 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program ("Flex Program") and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee ("JLMBC") and approved by the City Council.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU. Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the JLMBC, the Flex Program benefits will take precedence.

Health and Wellness Bonus

Effective December 25, 2016, employees who are eligible for and participate in the Flex Program shall receive a non-pensionable biweekly health and wellness bonus of 1.5% of base salary.

Health and Wellness Contribution

Effective December 25, 2016, employees who are eligible for and participate in the Flex Program without regard to whether an employee opts out of medical coverage shall make a pre-tax contribution equal to 1.5% of base salary to cover the cost of health care.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department, in accordance with LAAC Section 4.303.

Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser Permanente family rate ("maximum monthly health care subsidy") per full-time employee toward the cost of a City-sponsored health plan for employees who are members of LACERS. During the term of this MOU, Management's monthly subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly contribution shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management will apply the subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

Half-Time Employees

Effective January 1, 2015, Management agrees to contribute for each half-time employee, as defined by Section 4.110 of the LAAC, who became a member of LACERS following July 24, 1989 and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of his/her Flex Program medical plan. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article.

During the term of this MOU, Management's monthly subsidy for half-time employees shall increase by the increase in the Kaiser Permanente single party rate. Increases in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Full-time employees who work a temporary reduced scheduled under the provisions of Article 44 Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article as well as the required Health and Wellness bonus and contribution toward the cost of health care as described in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Section 4.110 of the LAAC, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the

City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. This provision shall apply providing that such employee does not have a break in service subsequent to February 1, 1990. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the JLMBC will review all rate changes and their impact on the Dental Plans.

Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

Section IV - General Provisions

An open enrollment period of at least thirty (30) days shall be declared by the Personnel Department each year. During this open enrollment period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open enrollment period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family and Medical Leave

For employees who are on family or medical leave, under the provisions of Article 44 of this MOU, Management shall continue the City's medical and dental plan subsidies for

employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 44 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to 4 months), Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.

Section VI - Benefit Protection Plan

For employees who have approved disability claims (excluding those for work-related injuries) under the City's Flex disability insurance carrier, management shall continue the City's medical, dental, and basic life insurance plan subsidies for a maximum of two years or at the close of claim, whichever is less. Employees must have been enrolled in a Flex medical, dental and/or basic life plan prior to the beginning of the disability leave. Coverage in this program will end if the employee retires (service or disability) or leaves City service for any reason.

Any employee who fails to meet these requirements will be paid at the rate of one hour for each hour worked. Employees shall not receive both overtime and holiday premium pay for the same hours.

- L. Management shall have the sole authority and responsibility to determine whether the compensation for any holidays worked shall be in cash or paid leave time off.
- M. The unspecified holiday shall be taken in accordance with the following requirements:
 - 1. The holiday must be taken in one full normal working day increment of eight (8) hours during the calendar year in which it is credited or it will be forfeited. The request for such time off, if timely submitted by the employee, will be promptly approved by Management subject to the operating needs of the employee's department, office or bureau. If an unforeseen operating requirement prevents the employee from taking such previously approved holiday, Management will reschedule the holiday so that it may be taken on some other reasonably satisfactory date within the calendar year.

Upon completion of said qualifying

period, a half-time employee will be allowed prorated benefits as described herein.

ARTICLE 29 OVERTIME

A. Assignment of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime “white time” is absolutely prohibited; all hours worked by employees in this Unit shall be recorded on their time sheet. Employees in this Unit may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

B. Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours’ notice whenever possible.

C. Rate and Method of Overtime Compensation

Compensation for overtime for employees in this Unit shall be for all hours worked in excess of 40 hours in a workweek including all absences with pay authorized by law. All employees in this Unit shall be compensated in time off at the rate of one and one half (1½) hours for each hour of overtime worked or in cash at one and one-half times the employee’s regular rate of pay, at the discretion of Management.

D. Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). On occasion, employees may accumulate CTO in excess of 80 hours for a temporary period of time. If an employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not

available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period unduly disrupts the operations of the City Department. This standard does not apply to non-FLSA overtime (i.e., overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off (CTO) in excess of 240 hours be accumulated.

E. 1040/2080 Plan

Management reserves the right to develop 26 week/1040 hour or 52 week/2080 hour work periods under FLSA Section 7(b) [29 USC §207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility.

Implementation of this work schedule is subject to agreement by the parties and certification of the Union as bona fide by the National Labor Relations Board (NLRB).

Notwithstanding Sections 4.126 and 4.126.1 of the LAAC, half-time employees as defined by LAAC Section 4.110 must complete a period of six (6) consecutive months of service, and have been compensated for at least 500 hours before qualifying for sick leave, unless said employees had already completed six consecutive months of service and were compensated for at least 500 hours as an intermittent employee prior to becoming half-time, in which case they will become eligible immediately upon designation to half-time status to accrue and use sick leave at the appropriate pro-rated amount.

An intermittent employee who becomes a full-time or half-time employee, who has not previously qualified for sick leave benefits as a full or half-time employee, or who has not completed six months of City service and been compensated for 500 hours as an intermittent employee, shall be required to complete the six-month qualifying period and to have been compensated for at least 500 hours in accordance with his Article. Upon completion of said qualifying period, a half-time employee will be allowed sick leave prorated on the basis of total number of hours scheduled in relationship to the total number of hours required for full-time employment.

Intermittent employees as defined by LAAC Section 4.110(b) shall not be entitled to accrue or use sick leave benefits.

When a full-time or half-time employee becomes an intermittent employee, all accrued and accumulated sick leave for which he/she has been credited shall remain credited to the employee but frozen in the amounts so accrued and accumulated without increase or decrease because of the change in work schedule. Such benefits may only be used if the employee becomes a half-time or full-time employee.

C. Benefits for Sick Leave for Pregnancy

In accordance with LAAC Section 4.126.2, every full-time and half-time employee in any Department of the City shall be entitled to use sick leave accrued pursuant to this Article if that employee is unable to work on account of her pregnancy, childbirth or related medical conditions (see Article 44 "Family and Medical Leave").

D. Discontinuance of 50% Sick Leave

Beginning January 1, 1998, employees shall be allowed 12 working days leave at full pay and five working days at 75% of full pay each calendar year plus the days of sick leave accrued and accumulated as provided herein. As of January 1, 1998, any unused balance of sick leave at 50% of full pay shall be frozen with no further credits or withdrawals permitted.

If an employee becomes separated from the service of the City by reason of retirement on or after January 1, 1997, any balance of accumulated sick leave at 50% of full pay remaining unused at the date of separation shall be compensated by cash payment at 25% of the employee's salary rate current at such date of separation. In no instance will an employee be compensated more than once for accumulated full pay sick leave and 50% sick leave upon retirement.

The aggregate number of working days allowed in any one calendar year with full pay shall not exceed twelve (12) days. Effective December 27, 2015, the aggregate number of working days allowed in any one calendar year with full pay shall not exceed fifteen (15) days. Such practice of allowance for leave for illness in family shall be in accordance with Section 4.127 of the LAAC. Upon the adoption of a child, an employee will be permitted to use fifteen (15) days of family illness sick leave.

The definition of "immediate family" shall include: the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, foster child, grandparents, grandchildren, step-parents, step-children of any employee of the City, the domestic partner of the employee, a household member (any person residing in the immediate household of the employee at the time of the illness or injury) and the following relatives of an employee's domestic partner: child, grandchild, mother, father.

Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner..

ARTICLE 33 BEREAVEMENT LEAVE

Management's present practices with regard to allowances for leave because of family deaths will be continued during the term of this MOU. Such practices of allowances for leave because of family deaths shall be in accordance with Section 4.127.1a-d of the LAAC.

For the purposes of this Article, the definition of an immediate family member, as defined in Section 4.127.1 of the LAAC, shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparents, grandchildren, step-parents, step-children, great-grandparents, foster parents, foster children, a domestic partner, any relative who resided in the employee's household, a household member (any person residing in the immediate household of the employee at the time of death), and the following relatives of an employee's domestic partner: child, grandchild, mother, father. Any employee claiming a domestic partner for purposes of this Article shall have an approved Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

In addition to the bereavement leave granted under this Article, upon the approval of the appointing authority, any employee who has accrued unused sick leave at full pay shall be allowed sick leave with full pay not to exceed two working days per occurrence for the purpose of bereavement leave if it is necessary for the employee to travel a minimum of 1,500 miles one way, as calculated by the Automobile Association of America (AAA). Employees requesting the use of sick leave under this provision shall furnish satisfactory proof to the appointing authority of the distance traveled. Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.

Members of this Unit shall be entitled to use the bereavement leave granted under this Article (or the sick leave used for purposes of bereavement leave as described in this Article), up until 370 calendar days from the date of the death of the qualifying immediate family member. The employee retirement contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program (ERIP) agreement dated October 26, 2009 and LAAC Section 4.1033, which provides that this seven percent (7%) employee retirement contribution will continue until June 30, 2026 or until the ERIP cost obligation is fully paid, whichever comes first.
2. For employees hired on or after the date of adoption of the Ordinance implementing LACERS Tier 3, the retirement formula for LACERS Tier 3 and a flat-rated employee retirement contribution of seven percent (7%) shall be continued during the term of the MOU.

B. Retiree Health Benefits

All covered employees who are members of LACERS, regardless of retirement tier, shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits as provided by this program. The retiree health benefit available under this program is a vested benefit for all covered employees who make this contribution, including employees enrolled in LACERS Tier 3.
2. With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).

Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in the LACERS are affected shall be recommended to the City Council by the CAO as affecting membership of all employees in the LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.

Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given

the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

It is understood and agreed that this MOU is subject to all applicable Federal and State laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, Employee Relations Board, or the Library Commission. If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be invalid or unenforceable by any court of competent jurisdiction, such part or provisions shall be suspended and superseded by

such applicable law or regulations and the remainder of this MOU shall not be affected thereby; the parties agree to negotiate promptly a replacement for such part or provision.

The parties understand that many of the employees covered by this MOU may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 201 et seq. (FLSA). To the extent that any provision herein conflicts with the FLSA, employees covered by the FLSA shall receive benefits required thereunder and any additional benefits set forth herein if compatible with the FLSA.

ARTICLE 39 TERM

This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2018. The MOU in effect on June 29, 2014 shall have remained in effect through June 30, 2015.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed as long as the parties have met their obligations under the provisions of Article 20, Calendar for Successor Memorandum of Understanding, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 40 UNION-SPONSORED OPTICAL PROGRAM

It is mutually understood that each employee whose class is listed in the Appendices, and who is a member of LACERS will be enrolled in the Union's optical program.

The City will forward four dollars (\$4.00) biweekly for each such employee on City paid status to the Union to finance this program.

Union agrees to indemnify and hold harmless the City against all claims, including costs of suits and reasonable attorney fees and/or other forms of liability arising from the implementation of the provisions of this Article.

ARTICLE 41 FEDERAL POLITICAL ACTION CHECK-OFF

During the term of this MOU, a payroll deduction will be continued by the Union for the purpose of allowing employees in this Unit to contribute towards the Union's federal election activities.

Said contributions shall be deducted by the Controller from twenty-four (24) biweekly payroll checks of each employee in this Unit who voluntarily consents to said contribution by submitting a payroll deduction card signed by the individual employee. A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

It is agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

ARTICLE 42 COMPUTER VISION CARE (CVC) PLAN

The City of Los Angeles and the American Federation of State, County and Municipal Employees (AFSCME), AFL-CIO recognizes that employees of this Unit who operate computer equipment or other digital devices should have a complete eye exam by an optometrist who can detect Computer Vision Syndrome symptoms, such as neck and shoulder pain, headaches, fatigue, irritated eyes, blurred or double vision and loss of focus through a Computer Vision Care eye exam.

The service provider shall also provide to each employee the appropriate computer vision eyewear, when necessary.

The Union shall have the responsibility to ensure that only the employees of this Unit who operate City CVC equipment shall be eligible for this optometric exam and the computer vision glasses. Each eligible employee may be examined by the service provider only once every two years. The Union may expend a portion of the funds in the CVC Plan to conduct an ergonomic training course, should one not be available through the Personnel Department. The training will be conducted on City time, subject to approval of the supervisor.

The parties agree to reopen this article during the term of this MOU, if necessary, to discuss additional funding for the plan.

The CVC Optical Plan shall perform an annual audit of its expenditures, to be conducted by an independent qualified CPA firm. The CVC Plan shall provide copies of said audit report to the City Administrative Officer.

The CVC Plan shall also provide an annual report listing the following information:

1. Names of City employees that were examined.
2. Social Security number of the employee.
3. Date of examination.

The Union agrees to indemnify, defend and hold harmless the City against all claims, demands, suits, including costs of suits and reasonable attorney fees, and/or other forms of liability arising from the implementation of these provisions and the operation of the CVC Plan.

If, in the City's opinion, the Union and/or the CVC Plan commits a major breach of the provisions of this agreement, the City may, at its discretion, discontinue further payments in support of the CVC Plan. Reasons for discontinuing payments include, but are not limited to: (1) failure of the Union and/or the CVC Optical Plan to cooperate with the reasonable requests of City representatives regarding annual audit information; (2) failure of the Union to indemnify the City of any and all liability arising from the implementation of these provisions and from the operation of the CVC Plan; or (3) failure of the Union and/or the CVC Plan to comply with the restrictions placed on its operations by this agreement.

Any disputes between the parties concerning compliance with the provisions of this agreement, or the reasonableness of requests by City representatives, may be appealed to binding arbitration unless some other forum for resolution is agreed upon. The costs of any such appeal shall be shared equally by the Union and the City.

ARTICLE 43 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow an employee time off with pay, not to exceed eight (8) hours in any one payroll period for personal business (except for changes on the 9/80 day off or the split day) provided that such time off so allowed shall either be made up in full within the same workweek that time is taken or charged against the employee's accrued and unused vacation or overtime bank on an hourly basis.

However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee. Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to take care of a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.

Each employee must notify his/her employing department at the time the leave is requested of the name and department of the other City employee

who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitation for spouses or domestic partners does not apply to leave taken by one employee to care for the other who is seriously ill, or to care for a child with a serious health condition.

IV. Conditions

- A. **Pregnancy** - The start of leave for a pregnant employee shall be at the beginning of the employee's pregnancy-related disability that a health care provider certifies as necessary. Leave for the non-disability portion of childbirth may be taken before or after delivery.

 6. Any period of incapacity due to pregnancy or for prenatal care.
- F. **Continuous, Intermittent and Reduced Work Schedule Leave** - All leave granted under this Article shall normally be for a continuous period of time for each incident. An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the LAAC during the duration of their part-time schedule.

- I. Management has the right to request and verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
- J. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

V. Notice Requirements

A. Employee

However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.

B. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates paid or unpaid leave as qualifying time taken by an

employee as family or medical leave qualifying regardless of whether or not the employee initiates a request to take family or medical leave.

VI. Applicable Time Off

Employees who are granted leave in accordance with this Article shall take time off in the following order:

A. Childbirth (Mother)

1. Accrued sick leave (100% and 75%) or vacation for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth), may be taken at the employee's discretion.

5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with Management approval, after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

B. Childbirth (Father or Domestic Partner), Adoption, Foster Care or Family Illness

1. Annual family illness sick leave up to fifteen (15) days may be used at the employee's discretion. Such leave may be taken before or after the vacation described in 2 below.

6. Accrued compensatory time off may be used at the employee's discretion, with Management approval, after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

C. Personal Medical Leave

1. Accrued 100% sick leave may be used at the employee's discretion. Such leave may be taken before or after the vacation described in No. 3 below.

3. Accrued vacation time.
4. Unpaid leave.
5. Accrued compensatory time off may be used at the employee's discretion, with Management approval, after exhaustion of 100% sick leave (No. 1 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay periods [720 hours]) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this

Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time of used.

(Note: An employee under A, B or C above may use compensated time off after depletion of accrued sick leave and vacation to continue paid leave during the four-month family and medical leave period.)

2. Current Steps 1 through 5 will be renumbered Steps 4 through 8. These steps will be separated by two premium levels (Step 4 will be one premium level above Step 3). Employees shall advance to each subsequent step after twelve (12) months.
 3. Current Steps 6 through 8 will be renumbered Steps 9 through 11. These steps will be separated by one premium level (Step 9 will be one premium level above Step 8). Employees shall advance to each subsequent step after twelve (12) months.
 4. A new Step 12 will be created which will be one premium level above Step 11. No employee shall be eligible to move to Step 12 sooner than January 7, 2018.

As provided in LAAC Section 4.91, any regularly assigned bonus or premium compensation amounts shall be included in calculating the step rate for the former position and added to the new salary, if applicable, after determining the appropriate salary step rate for the new position.

ARTICLE 46 ALTERNATIVE WORK SCHEDULES

Notwithstanding the provisions of the LAAC Section 4.108, Management may assign employees to work a four/ten, five/forty, nine/eighty, or other work schedule. The full cost of the Supplemental Disability Insurance Plan premiums shall be paid by the individual employees who enroll in the plan.

ARTICLE 48 DEPENDENT CARE REIMBURSEMENT ACCOUNT

During the term of this MOU, Management agrees to maintain a Dependent Care Reimbursement Account (DCRA), qualified under Section 129 of the Internal Revenue Code, for employees who are members of the LACERS, provided that sufficient enrollment is maintained to continue to make the account available. Enrollment in the DCRA is at the discretion of each employee. All contributions into the DCRA and related administrative fees shall be paid by employees who are enrolled in the plan.

As a qualified Section 129 plan, the DCRA shall be administered according to the rules and regulations specified for such plans by the Internal Revenue Service.

ARTICLE 49 EMPLOYEE ASSISTANCE PROGRAM

Management will expend for employees who are members of LACERS, and their eligible dependents, the sum necessary to cover the cost of an Employee Assistance Program (EAP). The benefits and services of the EAP and the EAP provider shall be determined by the City's JLMBC.

ARTICLE 50 WORKERS' COMPENSATION

Management agrees to adhere to the City's policies with regard to the Citywide Temporary Modified Duty (Return to Work) Program.

During the term of this MOU, Management shall provide Workers' Compensation benefits in accordance with Section 4.104 of the LAAC, except that salary continuation payments during absences for temporary disabilities arising from job-related injuries or illnesses shall be in an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For purposes of this Article, take-home pay shall be defined as an employee's biweekly gross salary rate less the mandatory deduction for Federal and State income tax withholding and employee retirement contributions.

ARTICLE 51 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Upon written notification from the CAO to the Controller, this MOU shall be amended to incorporate the class and salary of any class accreted to this bargaining unit after the adoption of the MOU.

ARTICLE 52 WORK SCHEDULES

Pursuant to FLSA, employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the Fair Labor Standards Act.

Management may assign employees to work a five/forty, four/ten, nine/eighty, or other work schedule. Employees may request modified work schedules, if such schedules are generally available in the employee's department/work group. Management may refuse such requests, or require employees to revert to a five/forty work schedule, provided the exercise of this right is not arbitrary, capricious, or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory, in accordance with Article 16 (Grievance Procedure).

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as a 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee is prohibited unless it is intended for the employee to work additional hours (overtime).

ARTICLE 53 UNION RELEASE TIME

The appointing authority may grant to elected officers or appointed representatives of the Union time off for employee organization representation activities not to exceed 100 hours per year as provided below. No more than one employee in a Department or Bureau of the Department of Public Works unless approved by the CAO and affected departments, and no more than one employee for this MOU shall be allowed release time under this Article at the same time.

- A. The employee shall submit the request for release at least 21 calendar days prior to the effective release date, specifying the starting and ending dates of release.
- B. Release time shall be granted for a maximum of one year in any three-year period unless approved by the CAO and the affected departments.
- C. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for the Union.
- D. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.
- E. The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the City Administrative Officer as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the Joint Labor Management Benefits Committee that become effective during this period.
- F. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- G. The Union shall make quarterly payments to the Controller of all reimbursable costs identified in Section E above or in a manner prescribed by the CAO.

- H. Employees on release time shall submit weekly timesheets signed by the employee and the Union (Executive Director or his/her designee) to their respective Personnel Director specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- I. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the Union during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the one employee maximum, as provided for above. The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- J. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
- K. The employee must have passed probation in his/her current class to be eligible for release time.
- L. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.
- M. The City Administrative Officer shall maintain a list of employees who have been approved for release time and the approved duration.

ARTICLE 54 FULL UNDERSTANDING

- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.
- B. Except as specifically provided for herein, the parties to this MOU, voluntarily and unqualifiedly waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not be deemed to preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the Articles, terms or provisions requiring approval of the Council contained herein, shall in

any manner be binding upon Union or Management unless and until jointly recommended in writing to the Council and approved and implemented in accordance with Article 2.

- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

ARTICLE 55 HIGHER LEVEL DUTIES PAY

Effective July 1, 2015, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

- 1. Absence at Higher Level Position

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of two (2) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 3rd consecutive working day in such assignment.

Each subsequent acting assignment following the employee's return to his/her regular assignment shall require completion of a new two (2) day qualifying period.

- 2. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

- 3. Status Review

Acting pay is not intended as compensation for a long-term out-of-class assignment, and effective December 13, 2015, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to

determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

At the union's request, Management will provide a list of employees in acting positions on a yearly basis. The list will include: name of employee; date of appointment to acting position; department; assigned class; acting class.

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

4. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level above the appropriate step rate of the salary range prescribed for his/her class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned. Additional compensation is non-pensionable.

ARTICLE 56 ADDITIONAL DUTIES PAY

When Management assigns an Executive Administrative Assistant to perform the duties of a Commission Executive Assistant for 50% or more in any one day the Executive Administrative Assistant shall be compensated at the second premium level rate above their appropriate step rate for the class for each day so assigned.

ARTICLE 57 TUITION REIMBURSEMENT/SPECIALIZED TRAINING FUNDS

Funding for tuition reimbursement for college level courses related to careers in Los Angeles City service and specialized training courses shall be provided to employees of this Unit. \$25,000 shall be allocated for this purpose from Union Trust Funds. An additional amount of \$25,000 will be allocated by the City of Los Angeles for this purpose on July 1, 2015, July 1, 2016, and July 1, 2017.

Unspent funds shall revert to the City's General Fund at the end of each fiscal year.

The Personnel Department will administer tuition reimbursement in accordance with the standards for the City-wide Tuition Reimbursement Program and will work with Local 3672 to develop training plans and goals for use of the specialized training funds.

ARTICLE 58 SERVICE AND WORKFORCE RESTORATION

- A. The City and Union will mutually designate trainee-level positions in applicable bargaining units and design training programs for targeted entry-level Civil Service classifications.
- B. Trainee-level positions will only be used by mutual agreement of the parties, contingent and specifically conditioned on the City funding Civil Service positions in department budgets.

ARTICLE 59 CONTRACTING OF UNIT WORK

The parties agree that during the term of this MOU the following terms and conditions shall apply to the contracting of unit work:

- A. No bargaining unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, he/she shall be retained in a position within a classification represented by AFSCME, Local 3672.
- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of paragraph 6 below, the provisions of this article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance (ERO), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
 - 1. The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform unit work. In addition, the City shall provide the union a list of individuals responsible for coordinating contracting information in each department.
 - 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days of the Charter 1022 notification. Failure by the union to request such meeting(s) within the prescribed fifteen (15) days shall constitute a waiver of the union's right to continue this process.

3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with Rules 11.03 and 11.04 of the Employee Relations Board.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.
 7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- E. Disputes over the practical consequences of the contracting of unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of the Grievance Procedure, Article 16 of the MOU, and shall not delay the implementation of the contract if all other provisions of this article have been met.

The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step (Step 6) of the Grievance Procedure. Effective January 1, 2008, Arbitration is Step 4 of the Grievance Procedure.

- G. The parties agree that, effective December 13, 2015, the Union may file a grievance regarding the Charter 1022 notification.
1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.
 2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
 3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this MOU the day, month, and year first above written.
