LOOP CAPITAL
DIVERSITY POLICY STATEMENT

Loop Capital is committed to diversity both in its workforce and in its procurement activities. As a minority owned-business that has expanded from 6 employees to over 240 employees during the last 25 years, the firm has a keen interest in supporting the growth and establishment of other minority-owned, woman-owned and other emerging market businesses. Loop Capital regularly selects qualified minority and woman owned businesses as vendors and partners to support our business. Minority and woman owned businesses used as vendors and/or business partners by the firm include, but are not limited to, attorneys, insurance and real estate brokers, architects, consultants and photographers. Likewise, when an assignment necessitates the use of outside professionals, the firm seeks qualified minority and woman owned businesses who will allow us to provide comprehensive services and solutions to our clients. Even when considering firms who are not minority or woman owned, Loop Capital strives to support the development and growth of the minorities and women within those organizations by requesting minorities and women be given significant and substantive roles on the services to be performed.
