STPOC Annual Rebaselining Inter-departmental Coordination Attestation

"Through the signature below, the Bureau of Street Lighting attests the following:

- That, for each project included on the project list and in the Gantt chart attached, we have notified all City departments whose cooperation is required to complete these projects that their assistance is required. Furthermore, project schedules presented here accurately and completely reflect input from these City departments; and,
- We have provided accurate and complete input to City projects lead by other City departments that require our assistance. It is our understanding that those project schedules reflect our input and we reasonably expect to be able to help keep those projects on schedule.
