INTER-DEPARTMENTAL MEMORANDUM

TO: Proposition HHH Administrative Oversight Committee  
FROM: Los Angeles Housing Department  
DATE: December 7, 2023  
REGARDING: **Proposition HHH-Funded Project Homekey 2.0 Status Report**

**RECOMMENDATION**

That the Committee review this report, and Note and File.

**SUMMARY**

LAHD is finalizing loan and regulatory agreements with each Owner/Operator and preparing to transfer properties to their Owner/Operators by the end of 2023, on the schedule indicated in the table below. As of this report, two projects, Sepulveda and Florence, will have fully-executed loan documents and closing of these transactions is pending. Amended Standard Agreements with HCD, incorporating the new Owner/Operators, have been fully executed for all projects.

Exemptions from the Measure ULA transfer tax for the transfer of these projects to their non-profit Owner/Operators have been granted to four of five entities, with the remaining exemption anticipated to be issued no later than December 15.

Owner/operators have prepared plans and are undertaking the permitting process. As of December 1, 2023, five of the eight non-HACLA projects have submitted permit applications to LADBS. Permits for the Sepulveda and Florence projects are expected to be issued by December 31, 2023.

On October 27, 2023, LAHD received confirmation from HCD that additional extensions were granted for construction completion and 100% lease-up deadlines for two developer teams with three projects: Linc Housing's project at Florence; and ACOF's projects at Highland and Vanowen. Construction on other projects is to be completed by HCD's deadline of July 12, 2024. 100% lease-up is expected one month after the completion of construction but no later than HCD's deadline of three months after construction is completed, unless further extensions are granted.

Project Homekey 2.0 Timelines as of December 1, 2023						
Address	CD	Units	Anticipated Transfer	Anticipated Construction Completion for Accessibility	Anticipated Lease Up Ready	Anticipated 100% Lease Up
1654 W Florence	8	128	12/12/23	10/1/24	1/1/23	12/31/24

## **6531 S Sepulveda Blvd**

6531 S Sepulveda Blvd, Los Angeles, CA 90045

Extended Stay Hotel

133 Units (proposed reduction to 120 units pending Council approval in February 2024)

Council District 11

American Family Housing

The Extended Stay Hotel located at 6531 Sepulveda Blvd. was constructed in 1999. The developer plans to add one-bedroom units, community space, office space and space for supportive service staff, reducing the unit count to 101. The scope of work also includes meeting accessibility requirements for common areas, units fully accessible to mobility-impaired individuals, and units with communication features for hearing and visually impaired residents.

LAHD has worked with HACLA and its relocation consultant, ESA on relocation plans and for hotel guests currently staying on-site. HCD awarded relocation funds in the amount of \$818,750, and LAHD has negotiated with the sellers to set aside relocation funds in escrow in the amount of \$511,717. The total amount available for relocation is \$1,330,467 and the relocation consultant has estimated relocation benefits to total \$1,265,190.

**18602 S Vermont Ave**

18602 S Vermont Ave, Los Angeles, CA 90248  
Extended Stay Hotel  
136 Units  
Council District 15  
CRCD

18602 S Vermont Ave. is a 136-unit hotel built in 1998. The property includes a four-story building with guest rooms, a lobby, office, family room, and laundry facilities, and is surrounded by a surface parking lot. Each guest room features a kitchenette with a range, sink, refrigerator, countertops and cabinets. The ground level nonresidential spaces will be used for offices, supportive service delivery, and community space for residents and staff. Forty-four units will serve the Chronically Homeless, and 87 will serve those At Risk of Homelessness.

LAHD has worked with HACLA and its relocation consultant, ESA on relocation plans and for hotel guests currently staying on-site. HCD has awarded relocation funds in the amount of \$1,172,500 and LAHD has negotiated with the sellers to set aside relocation funds in escrow as needed in the amount of \$1,030,495. The total amount available for relocation is \$2,202,995. The relocation consultant has estimated relocation benefits to total \$1,587,396.

## HACLA SITES

Two sites to be owned and operated by HACLA will receive a \$15-million loan of HHH funds for their acquisition. HACLA's original proposal was for four sites, but in February 2022 they submitted a request that the loan be used to fund three sites. That request was approved by City Council in June 2023. Subsequently, in July 2023, HACLA withdrew its request for funding for 5050 Pico. A revision to the HHH PEP is pending AOC and City Council approval. The HHH funds allocated to 5050 Pico are not proposed to be reallocated to other Homekey projects.

An additional site, 7639 Van Nuys, will be owned and operated by HACLA and receive funding for both acquisition and rehabilitation.

### 7639 Van Nuys

7639 Van Nuys Blvd., Los Angeles, CA 90043  
New Construction  
36 Units  
Council District 6

The Van Nuys Boulevard property is a newly-constructed, four-story, 36-unit multifamily property located at 7639 Van Nuys Blvd, Van Nuys, CA 91405. The building will be adapted focusing on two areas: 1) repairs to ensure habitability, health and safety, and ADA improvements; and 2) repairs to improve functionality given the target population. The majority of the renovations will be focused on improving ADA accessibility at the property. Four ADA mobility units will be created as well as two audio/visual communication units, and the remainder of the units will be renovated to meet ADA adaptability standards. Additional ADA improvements in common areas are also planned, including an accessible path of travel throughout the building and grounds, installing fully ADA-compliant signage, and adding two-way communication upgrades at elevators on each floor.

The property currently consists of eight 1-bedroom units and 28 2-bedroom units. Two 2-bedroom units will be repurposed to serve as community/office space and as a property manager's unit. Additionally, an existing rooftop deck and interior courtyard will be modified to meet ADA and population-specific needs. Once completed, the project will offer a community room, case management offices and meeting rooms, and a property manager's office at the ground floor lobby as well as a community courtyard and rooftop patio for outdoor recreation. Parking is

available at the property via secured ground level and subterranean parking garages. Additional building amenities include an elevator, trash chutes, mail area, bike storage area, and security features including security cameras and an electronically secured front door. All units will contain a full kitchen including a range, refrigerator, and garbage disposal. All units will also include air conditioning and heating and in-unit washer and dryer. Half of the units on site will be set aside for homeless households and the remaining units will be designated for households who are at-risk of homelessness.
