ARTICLE 1.2 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) constitutes a joint recommendation of Management and the Union. It shall not be binding in whole or in part on the parties hereto unless and until:

- A. The Union has notified the City Administrative Officer (CAO) in writing that it has approved this MOU in its entirety;
- B. The heads of those departments, offices or bureaus represented herein have taken such actions as might be required to fully implement the provisions of this MOU; and,
- C. The Los Angeles City Council (City Council) has: (1) approved this MOU in its entirety; (2) amended applicable provisions of the Los Angeles Administrative Code (LAAC); (3) amended departmental personnel ordinances and applicable codes; and, (4) appropriated the funds necessary to implement those provisions which require funding.

ARTICLE 1.3 FULL UNDERSTANDING

- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or

agreements by the parties, whether formal or informal, regarding these matters are hereby superseded or terminated in their entirety.

- B. Except as specifically provided for herein, the parties, voluntarily and unqualifiedly waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the articles, terms, or provisions, Letters of Agreement or Intent requiring approval of the City Council contained herein, shall in any manner be binding upon the Union or Management unless and until jointly recommended in writing to the City Council and approved and implemented in accordance with Article 1.2, Implementation of Memorandum of Understanding.
- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of any of its articles, terms and provisions.

ARTICLE 1.4 PROVISIONS OF LAW AND SEPARABILITY

This MOU is subject to all applicable Federal, State, and local laws, the Los Angeles City Charter, and any lawful rules and regulations enacted by the Civil Service Commission, the ERB, or similar independent City commission(s). If any article, part, or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such article, part, or provision shall be suspended and superseded by such applicable law or such regulations and the remainder of this MOU shall not be affected thereby.

ARTICLE 1.5 TERM

- A. The term of this MOU shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 1.2, Implementation of Memorandum of Understanding, are fully met, except to the extent that the parties have agreed in Letters of Agreement to continue to meet and confer after implementation, but in no event shall said MOU become effective prior to 12:00 a.m. on January 1, 2023. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on December 30, 2023. The MOU currently in effect will remain in effect until a successor MOU has been reached.

- B. Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed, as long as the parties have met their obligations under the provisions of Article 1.6, Calendar for Successor MOU, to their mutual satisfaction and are continuing to meet and confer in good faith.

ARTICLE 1.6 CALENDAR FOR SUCCESSOR MOU

In the event the Union or Management desires a successor MOU, said party shall serve upon the other no later than October 31, 2023, its written proposals for such successor MOU. Meet and confer sessions shall begin no later than thirty (30) calendar days following submission of the proposals. Upon written mutual consent by the parties, the time lines for both the written proposals and/or the meet and confer process may be extended.

ARTICLE 1.7 MANAGEMENT RIGHTS

Except as specifically set forth herein, no provision in this MOU shall be deemed to limit or curtail the City officials and department heads in any way in the exercise of the rights, powers and authority which they had prior to the implementation date of this MOU. The Union recognizes that these rights, powers, and authority include, but are not limited to, the right to determine the mission of its constituent departments, offices and boards; set standards of services to be offered to the public; exercise control and discretion over the City's organization and operations; take disciplinary action for proper cause; relieve employees from duty because of lack of work, lack of funds or other legitimate reasons; determine the methods, means and personnel by which the City's operations are to be conducted; take all necessary actions to maintain uninterrupted service to the community and carry out its mission in emergencies, provided, however, that the exercise of these rights does not preclude employees and their representatives from consulting or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 1.8 PEACEFUL RESOLUTION OF DISPUTES

During the term of this MOU, or any subsequent period when impasse resolution procedures are in progress, or recommendations stemming therefrom are being considered by the parties to this MOU, Management agrees it will not lock out employees in this Unit, and the Union agrees that it will neither advocate, encourage nor participate in any work stoppages, nor encourage said employees to abstain in whole or in part from the full, faithful and proper performance of their duties of employment.

ARTICLE 1.9 NON-DISCRIMINATION

- A. The parties mutually reaffirm their respective policies of non-discrimination in the treatment of any employee because of age (40 and above), ancestry, color, disability (physical and mental, including HIV and AIDS), gender identity and/or

expression, genetic information, LGBTQ+ identity, marital status, medical condition (genetic characteristics, cancer or a record or history of cancer), military or veteran status, national or ethnic origin, race, religion or creed (includes religious dress and grooming practices), sex or gender (includes pregnancy, childbirth, breastfeeding, and/or related medical conditions), reproductive health decision making, sexual orientation, political activities or political affiliation, or any other characteristic protected under applicable federal, state or local laws, or by denying Family and Medical Leave Care or by engaging in retaliation for having filed a discrimination complaint, for participating in a discrimination investigation or for opposing discrimination.

- B. Management and the Union agree that in accordance with policies, no employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of Union activity and/or the exercise of their rights granted pursuant to Employee Relations Ordinance Section 4.857.

ARTICLE 2.2 WORK ACCESS

- A. A full-time Union Staff Representative shall have access to the facilities of the departments, offices or bureaus represented herein during working hours for the purpose of assisting employees covered under this MOU, in the presenting of grievances when such Union assistance is requested by the grievant(s), or in investigating matters arising out of the application of the provisions of this MOU. Said representative shall request authorization for such visit by contacting the designated representative of the head of the department, office or bureau of the facility that the representative desires to visit. In the event immediate access cannot be authorized, the Union staff representative shall be informed as to the time when access can be granted.
- B. The Union shall give to all heads of departments, offices or bureaus represented herein a written list of its full-time Union Staff Representatives which list shall be kept current by the Union.
- C. This Article shall not be construed as a limitation on the authority of the head of a department, office or bureau to restrict access to areas designated as security or confidential.

ARTICLE 2.3 LEAVES OF ABSENCE TO ATTEND UNION FUNCTIONS

Subject to the staffing needs of a department, office or bureau, employees who have been officially appointed or elected by the Union to serve as officers or delegates may, upon written request of the Union, be granted temporary leave(s) of absence without pay not

to exceed an aggregate total of seven (7) calendar days annually to attend official Union conventions and/or conferences.

ARTICLE 2.4 USE OF CITY FACILITIES

- A. The Union may use City facilities with prior approval of Management for the purpose of holding meetings, to the extent that such facilities can be made available without interfering with normal departmental operations.
- B. If the use of a facility requires a fee for rental, special setup, security, and/or cleanup service, the Union will assume the cost.

ARTICLE 2.5 BULLETIN BOARDS

- A. Management will provide bulletin boards or space at locations reasonably accessible to Union members, which may be used by the Union for the following purposes:
 - 1. Notices of Union meetings.
 - 2. Notices of Union elections and their results.

 - 4. Reports of official Union business.
 - 5. Any other communication which has received the prior approval of the head of the department, office or bureau, of the facility where said material is to be posted.
- B. All notices or other communications prior to being posted shall be identified with an official stamp of the Union, initialed by a full-time Union Staff Representative and, if requested by Management, submitted to the Management Representative of a department, office or bureau for posting.
- C. The Union shall place a removal date on all materials to be posted.

ARTICLE 2.6 EMPLOYEE RELATIONS

- A. Meetings at reasonable intervals may be scheduled at the request of a full-time Union Staff Representative or the Management Representative of a department, office or bureau for the purpose of informally discussing potential employer-employee relations problems.
- B. I.U.O.E. Local 501, the Bureau of Sanitation, and the Office of Management Employee Services, Department of Public Works, have established a Work Issue Committee. The Committee's mission will be to cooperatively review and attempt to develop solutions to work issues and problems involving Bureau of Sanitation rules, policies, procedures, and practices affecting members of I.U.O.E. Local 501; provide advice, assistance and support to managers and employees that promote

the effectiveness, efficiency, and quality of work life; and provide an effective means of communication between Bureau officials, managers, and employees. It is understood that the Committee shall not meet and confer on any matters under discussion and that individual grievances or complaints shall not be considered at Committee meetings. The minutes of all meetings shall be prepared and posted on official bulletin boards in all wastewater treatment plants.

ARTICLE 2.7 EMPLOYMENT OPPORTUNITIES

- A. The Personnel Department will provide to the Union copies of all job bulletins. Tentative examination bulletins approved by the Personnel Department will be provided to the Union seven (7) calendar days prior to the date of the public posting of the final bulletin for the examination.

- B. Effective December 13, 2015, employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to their supervisor. Such time off with pay shall include travel time.

ARTICLE 2.8 PAYROLL DEDUCTIONS AND DUES

A. DUES

- 1. Payroll deductions as may be properly requested and lawfully permitted will be deducted from each employee's pay check by the Controller biweekly, in twenty-four (24) increments annually from the salary of each employee in the unit where the Union has provided in writing to the Controller a list or individual notice of those individuals from whom union-related deduction(s) should be lawfully taken. This list or notice shall constitute Union certification that the Union has and will maintain an authorization signed by the individual employee or employees from whose salary or wages the deductions are to be taken. Any amendment may be made by the Union in a complete list or individually.

Said payroll deductions shall not be assessed in any biweekly pay period in which the affected employee is not compensated for a minimum of twenty (20) hours.

Such amounts shall be determined by the Union and implemented by Management in the first payroll period which starts thirty (30) calendar days after written notice of the new amount from the Union is received by the Controller.

Employees who are members of the Union who previously elected to make union membership deductions prior to (1) starting an unpaid leave of absence, or (2) otherwise going on inactive status due to lack of scheduled hours, shall be reinstated as Union members with the automatic voluntary dues deduction immediately upon their return to work.

2. Notwithstanding any provisions of LAAC Section 4.203 to the contrary, during the term of this MOU, payroll deductions requested by employees in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than the Union will not be accepted by the Controller. For the purpose of this provision, qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
3. Any employees in this Unit who have authorized Union dues deductions with the Union on the effective date of this MOU or at any time subsequent to the effective date of this MOU shall continue to have such dues deductions made by the City during the term of this MOU as authorized by California Government Code Sections 1157.12 and 1159 (a) and (b).

The City shall direct employee requests to cancel or change payroll dues deductions to the Union. Deductions may be revoked or cancelled only pursuant to the terms of an employee's signed written authorization to deduct dues. The Union shall not be required by the City to provide a copy of any individual employee authorization for a dues deduction unless a dispute arises about the existence or terms of the individual employee's authorization. The City shall rely on the information provided by the Union, pursuant to Government Code Section 1157.12, in deducting dues, and the Union shall indemnify the City for any claims made by individual employees for deductions made in reliance on certification received from the Union that the Union has and will maintain a signed authorization from each individual employee. Employees with any questions relating to union membership dues shall direct those questions to the Union.

B. MANAGEMENT RESPONSIBILITIES

1. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, and/or deductions were deducted.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this Article, becomes a member of this Unit, within sixty (60) calendar days of such reassignment or transfer.
3. Management will provide the Union with the Unit Membership List Article of this MOU.
4. The Controller shall notify the Union within sixty (60) calendar days of any employee who, because of a change in employment status, is no longer a member of the Unit or subject to the provisions of this Article.

C. UNION RESPONSIBILITIES

Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City for any loss or damage arising from the operation of this Article.

D. CALIFORNIA GOVERNMENT CODE SECTION 1159 (a-b)

Existing California Government Code Section 1159 (a-b) states:

“(a) The Controller, a public employer, an employee organization, or any of their employees or agents, shall not be liable for, and shall have a complete defense to, any claims or actions under the law of this state for requiring, deducting, receiving, or retaining agency or fair share fees from public employees, and current or former public employees shall not have standing to pursue these claims or actions, if the fees were permitted at the time under the laws of this state then in force and paid, through payroll deduction or otherwise, prior to June 27, 2018.”

“(b) This section shall apply to claims and actions pending on its effective date, as well as to claims and actions filed on or after that date.”

This code section is subject to the Provisions of Law and Separability article of this MOU.

ARTICLE 2.9 CONTRACTING OF UNIT WORK

The parties agree that during the term of this 2023 amended MOU the following terms and conditions shall apply to the contracting of unit work:

- A. No bargaining unit employee shall be laid off, demoted or suffer loss of pay or benefits as a result of the contracting of unit work.
- B. If any employee subject to the provisions herein is displaced as a result of contracting, the employee shall be retained in a position within a classification represented by the Union.

- C. Notwithstanding any provision of this MOU to the contrary and excluding the provisions of subsection G below, the provisions of this article shall be subject to advisory arbitration only.
- D. In lieu of the meet-and-confer process prescribed by the Employee Relations Ordinance ("ERO"), the parties agree to meet and discuss, in accordance with the provisions outlined below, all contracts to perform unit work except for contracts required by bona fide emergencies.
- E. The parties agree that the following expedited procedure shall replace the impasse resolution provisions of the ERO for disputes arising out of the meet-and-discuss process specified above:
1. The City shall provide timely notice, through the existing "clearinghouse" procedure, of proposed contracts to perform unit work. In addition, the City shall provide the Union a list of individuals responsible for coordinating contracting information in each department.
 2. The Union may request to meet and discuss such proposed contracts within fifteen (15) calendar days of the Charter 1022 notification following notice as indicated in subsection 1 above. Failure by the Union to request such meeting(s) within the prescribed fifteen (15) calendar days shall constitute a waiver of the Union's right to continue this process.
 3. Meeting(s), if requested, shall begin within five (5) working days following notice to the City by the Union of its desire to discuss the proposed contract(s).
 4. If the parties cannot reach agreement through the meet-and-discuss process, the Union may request expedited advisory arbitration within five (5) working days following the last meet-and-discuss session. Failure by the Union to request arbitration within the specified five (5) working days shall constitute a waiver of the Union's right to continue in this process. The parties will attempt to establish a mutually agreeable, expedited process for selecting arbitrators. Absent any such agreement, arbitrators will be selected in accordance with ERB Rules 11.03 and 11.04.
 5. The parties agree that for contracts with a value of less than \$1 million, the hearing and issuance of the advisory decision by the arbitrator shall be concluded within thirty (30) calendar days following request for arbitration; and within ninety (90) calendar days for contracts of \$1 million or more.
 6. The arbitrator's advisory decision and recommendation shall be transmitted to the appropriate determining body simultaneously with the proposed contract.

7. The time limits in this process may be extended only by the mutual, written agreement of the parties.
 8. The expedited arbitration process herein shall be informal. Court reporters shall not be used; rules of evidence shall be informal; the production of witnesses and documentary evidence shall be at the discretion of each party; the arbitrator's notes, exhibits (if any), and the written advisory decision and recommendation shall constitute the record of the proceedings; post hearing briefs shall not be required or submitted.
 9. Arbitration fees shall be shared equally by the Union and the City.
- F. Disputes over the practical consequences of the contracting of unit work, other than those occurring under paragraphs 4 and 5 above, shall be resolved in accordance with the provisions of Article 3.1, Grievance Procedure, and shall not delay the implementation of the contract if all other provisions of this article have been met.
- The parties agree that the review of "practical consequence" grievances shall begin with the first formal level of review of the grievance procedure and that said grievances shall be subject to advisory arbitration, except as provided in the Arbitration step of Article 3.1, Grievance Procedure.
- G. The parties agree that, effective December 13, 2015, the Union may file a grievance regarding the Charter 1022 notification.
1. A grievance challenging the 1022 notification shall be filed within fifteen (15) calendar days of the Union's knowledge of the alleged deficient notification.
 2. The grievance will be submitted to an expedited informal arbitration process. The arbitration shall be conducted within thirty (30) days of filing of the Union's grievance. The arbitration fees shall be shared equally between the Union and the City.
 3. The arbitrator shall determine if the City has violated the 1022 notification procedures. The arbitrator's remedy shall be limited to ordering the City to reissue the 1022 notification. In no event will the arbitrator have the authority to void a Council-approved contract. The arbitrator's decision is binding on the parties.

ARTICLE 2.10 UNION-SPONSORED EDUCATIONAL DEVELOPMENT

- A. I.U.O.E. Local 501 may submit a request in writing to an appointing authority to release on paid leave an employee or employees it has designated to attend Union-sponsored training and development. When such leave is approved by an appointing authority, the designated employee(s) shall be released without loss of

seniority. Employees approved for leave under this Article shall be granted paid time off, not to exceed a total of forty (40) hours in a fiscal year. Under no circumstances shall any one employee be granted paid time off under this Article exceeding the aforementioned number of hours in a fiscal year.

- B. The Union shall submit its written request to the appropriate appointing authority for employee leave under this Article not less than thirty (30) calendar days in advance of the scheduled training. Management shall notify the Union of its decision within fourteen (14) calendar days, or as soon as practical.
- C. Upon receipt of a request for Union-sponsored educational development, Management will make a good faith effort to accommodate such request. However, any Management determination or decision pertaining to this Article shall not be subject to the grievance procedure under Article 3.1, Grievance Procedure, of this MOU.

SECTION 3.0 GRIEVANCES

ARTICLE 3.1 GRIEVANCE PROCEDURE

STATEMENT OF INTENT

Management and the Union have a mutual interest in resolving workplace issues appropriately, expeditiously and at the lowest level possible. In recognition of this mutual interest, the parties acknowledge that the grievance process is not a replacement for daily communication between the employee and the supervisor, nor is it inherently an adversarial process. Rather, it is a process to mutually resolve workplace issues to the maximum extent possible within the organization.

DEFINITION

A grievance is defined as a dispute concerning the interpretation or application of this written MOU, or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this MOU. The parties agree that the following shall not be subject to the grievance procedure:

- A. An impasse in meeting and conferring upon the terms of a proposed MOU.
- B. Any matter for which an administrative remedy is provided before the Civil Service Commission.
- C. Any issue that the parties agree to refer to another administrative resolution process.

GENERAL PROVISIONS

A. BINDING ELECTION OF PROCEDURE

Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the ERB, the employee must elect to pursue the matter under either the grievance procedure herein provided, or by action before the ERB. The employee's election of either procedure shall constitute a binding election of the procedure chosen and a waiver of the alternate procedure.

B. GRIEVANCE PROCESS RIGHTS

1. For the purpose of presenting grievances each employee has the right to represent themselves or to be represented by a representative of their choice at the informal discussion level with the employee's immediate supervisor, in all formal review levels and in arbitration if so approved by the Union.
2. No grievant shall lose their right to process their grievance because of Management-imposed limitations in scheduling meetings.

C. TIME, TIME LIMITS, AND WAIVERS

1. "Business days" shall be defined as Monday through Friday, exclusive of City Holidays, as enumerated in Article 7.6, Holidays and Holiday Pay.
2. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, not to exceed sixty (60) business days. In addition, the grievant and Management may jointly waive one level of review from this grievance procedure.
3. The time limit within each step of the grievance procedure for meeting and/or responding may be extended by written mutual agreement (except for the Los Angeles Police department provision for submissions to the Police Commission).
4. Arbitration - The time limit for the Union to submit a written request for arbitration may be extended by written mutual agreement.

D. MEDIATION

1. At any step following the Informal Discussion in the grievance process, the Union or Management may request mediation, by letter to the department's personnel officer or designated union representative. Within ten (10) business days of receipt of a request for mediation, the receiving party shall

either return the request without action or request that the ERB appoint a mediator. The ERB shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the ERB. The fees of such mediator shall be shared equally by Union and Management.

2. The primary effort of the mediator shall be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal, i.e., court reporters shall not be allowed, the rules of evidence shall not apply, and no formal record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.
3. If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion shall not be used during any subsequent arbitration.
4. Notwithstanding the above, and Employee Relations Ordinance Section 4.865, the parties may mutually agree to accept the opinion of the mediator as binding.
5. If mediation does not resolve the issue, the grievant has ten (10) business days to file an appeal to the next level in the procedure.

E. EXPEDITED ISSUES

To resolve issues at the appropriate level, the following issues will be automatically waived to the General Manager level of the grievance process.

1. Suspensions without pay

3. Allegations of retaliation
4. Whistleblower complaints

Additional issues may be waived to the General Manager level upon mutual agreement of the Union and Management.

GRIEVANCE PROCESS

STEP 1 ISSUE IDENTIFICATION AND INFORMAL DISCUSSION

- A. The employee shall discuss the issue with the immediate supervisor on an informal basis to identify and attempt resolution of the employee's issue within ten (10) business days following the day the issue arose. The employee shall have the affirmative responsibility to inform the supervisor that the issue is being raised pursuant to this grievance procedure.
- B. The immediate supervisor shall meet with the employee, secure clarification of the issue, consider the employee's proposed solution, and discuss possible alternative solutions and/or other administrative remedies. The immediate supervisor shall inform the department's personnel office, and the personnel director shall inform the Union of the grievance. The immediate supervisor shall respond verbally within ten (10) business days following the meeting with the employee. Failure of the supervisor to respond within the time limit shall entitle the employee to process the issue to the next step.

STEP 2 GRIEVANCE INITIATION

- A. If the issue is not resolved at Step 1, or jointly referred to another administrative procedure for resolution, the employee may, within ten (10) business days of receiving the response from the immediate supervisor, serve a grievance initiation form with the immediate supervisor (or another member of Management if the immediate supervisor is not available within the ten day filing period), who will accept it on behalf of Management and immediately forward it to the next level manager above the immediate supervisor who is not in the same bargaining unit as the employee.
- B. The manager, or appropriate designee, shall meet with the employee within ten (10) business days of the date of service of the grievance form at this Step to discuss the facts and solicit information on possible solutions or other appropriate administrative procedures. The manager will provide a written response to the employee within ten (10) business days of meeting with the employee. Failure of Management to respond within the time limit shall entitle the grievant to process the grievance to the next step.

STEP 3 GRIEVANCE APPEAL

If the grievance is not resolved at Step 2, the employee may serve a written appeal to the General Manager, or designee, within ten (10) business days following (a) receipt of the written response at Step 2, or (b) the last day of the response period provided for in Step 2. The General Manager or designee shall meet with the employee within ten (10) business days of the date of service of the appeal, discuss the facts, and solicit

information on possible alternative solutions. A written response will be provided to the employee within twenty (20) business days from the date of meeting with the employee.

Los Angeles Police Department only:

If the grievance is not resolved at Step 2, or the Chief of Police, or designee, fails to respond within the time limit, the grievant may process the grievance to the next level. The employee may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 3, or (b) the last day of the response period provided for in Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the employee.

STEP 4 ARBITRATION

- A. If the written response at Step 3, or mediation, does not settle the grievance, or Management fails to provide a written response within thirty (30) business days of the Step 3 meeting, the Union may elect to serve a written request for arbitration with the ERB. A copy of this notice shall be served upon the department's personnel officer or the department's designee. The request for arbitration must be filed with the ERB within twenty (20) business days following (a) the date of service of the written response of the General Manager/Commission or the designee, or (b) the last day of the response period provided for in Step 3. Failure of the Union to serve a written request for arbitration with the ERB within said period shall constitute a waiver of the grievance.
- B. If such written notice is served, the parties shall jointly select an arbitrator from a list of seven arbitrators furnished by the ERB. Failure of the Union to notify the ERB of the selected arbitrator within sixty (60) business days of receipt of said list shall constitute a waiver of the grievance.
 - 1. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the ERB, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
 - 2. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned.

3. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

PROCEDURE FOR GRIEVANCES AFFECTING A GROUP OF EMPLOYEES

The Union may elect to file a grievance on behalf of two or more employees. The facts and issues of the grievance must be the same. In cases where the issues identified in the grievance affect more employees than are identified as grievants, the parties agree that the remedy may be applied to those employees upon their consent, if needed.

PROCEDURE:

STEP 1 GROUP GRIEVANCE INITIATION

- A. The Union shall file the grievance in writing with the General Manager, or designee, of the affected department within twenty (20) business days following the day the issue arose. To the extent possible, the filing shall include the issue of the grievance, proposed solution(s), the names of the employees impacted by the issue, and the specific facts pertaining to each grievant. All employees participating in the grievance must waive their respective rights to file an individual grievance on the same issue by completing an individual grievance waiver form prior to the meeting with the General Manager.
- B. The General Manager, or designee, shall provide written notification to the Employee Relations Division of the CAO of the receipt of the grievance. The General Manager, or designee, shall meet with the Union within twenty (20) business days of receipt of the grievance to review the facts, solicit information on the proposed solution(s), or consider other appropriate administrative procedures. The General Manager, or designee, may include department managers who have knowledge of the grievance issues and/or representatives from the CAO's Employee Relations Division in the meeting with the Union. The General Manager, or designee, shall prepare a written response within twenty (20) business days of the meeting.

Los Angeles Police Department only:

If the grievance is not resolved at Step 1, or the Chief of Police, or designee, fails to respond within the time limit, the Union may process the grievance to the next level. The Union may serve written notice of the grievance to the Police Commission, or designee, within ten (10) business days following (a) receipt of the written response at Step 1, or (b) the last day of the response period provided for in Step 1. Failure of the Union to serve such notice shall constitute a waiver of the grievance. The grievance shall be heard by the Commission, or designee, within ten (10) business days of the receipt of the appeal, and a written decision shall be rendered within thirty (30) business days from the date of meeting with the Union.

STEP 2 GROUP GRIEVANCE APPEAL

ARTICLE 3.2 UNION STEWARDS

- A.
1. The Union may designate a reasonable number of Union Stewards who must be members of the Union, and shall provide all departments, offices, or bureaus with a written list of employees who have been so designated and revised lists within thirty (30) calendar days of any changes in said designations. A Steward may represent a grievant(s) in the presentation of a grievance at all levels of the grievance procedure. A Steward may represent an employee in pre-disciplinary hearings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.
 2. An employee and/or their Steward may have a reasonable amount of paid time off for the above-listed activities. However, a Steward will receive paid time off only if the representative Steward is the representative of record; is a member of the same Union as the employee; is employed by the same department, office or bureau as the employee; and, is employed within a reasonable distance from the work location of the employee.
 3. If a representative Steward must leave their work location to represent a grievant the Steward shall first obtain permission from their supervisor on a form provided for such purpose. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the Steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours after the time of the Steward's request, excluding scheduled days off and/or legal holidays, unless otherwise mutually agreed to. Denial of permission to leave at the time requested will automatically constitute an extension of the time limits provided in the grievance procedure herein equal to the amount of the delay.
 4. Before leaving their work location, the Steward shall contact the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the Steward will report to the employee's supervisor, who will make arrangements for the meeting requested.
 5. Time spent on grievances or the pre-disciplinary representation activities described above, outside of regular working hours of the employee or their Steward shall not be counted as time worked for any purpose. Whenever these activities occur during the working hours of the employee and/or the

Steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.

- B. 1. Any Wastewater Treatment Operator at the Hyperion Treatment Plant who is designated Senior Grievance Representative by the Union will be regularly assigned to a Monday through Friday, Tuesday through Saturday, or Sunday through Thursday daytime shift during the period that the employee so serves. Should the Union designate an employee other than a Wastewater Treatment Operator, the employee will have first priority to be assigned to one of the above shifts as soon as an opening for their classification occurs.
- 2. At such time as an employee is no longer designated Senior Grievance Representative the employee will be reassigned to whatever shift their seniority entitles the employee to. This assignment may not result in the reassignment of another employee to create a vacancy nor result in an over-strength assignment.
- C. 1. In order to facilitate the expeditious resolution of workplace disputes at the lowest possible level, the parties agree to establish a joint Labor-Management training program for Stewards and front-line supervisors.
- 2. No later than September 30, 2019, or another date mutually agreed upon by the parties, the Union and City representatives will have established a curriculum and training program that will provide skills for both Stewards and front-line supervisors in the processing and resolution of grievances and other workplace issues in a cooperative, problem-solving manner. Upon completion of the program, both Union Stewards and front-line supervisors will be certified. Stewards certified through this training shall be authorized to spend up to two (2) hours of City time to investigate each dispute raised under the Grievance Procedure of this MOU.
- 3. As is practicable, grievances will be heard by certified supervisors.

 - 3. Correct or eliminate a hazardous condition if able, or promptly report the nature and location of the hazardous condition to the departmental safety coordinator.
- D. Additionally, the Departmental Safety Coordinator or designee shall immediately report to the Personnel Department Occupational Safety Office all uncorrected conditions, which involve an imminent safety hazard.

- B. This section (B) shall not apply to shift employees as defined in Subsection D. below.

Management may assign employees to work a four/ten, five/forty, nine/eighty or other work schedule provided that such assignment is not arbitrary, capricious or discriminatory. Management shall have the right to refuse an employee's request to work a four/ten, nine/eighty or other work schedule and to require the reversion to a five/forty work schedule, provided that the exercise of such right is not arbitrary capricious or discriminatory. Employees on a nine/eighty (9/80) work schedule shall have designated a regular day off, which shall remain fixed. Temporary changes to the designated 9/80 day off is prohibited unless it is intended for the employee to work additional hours which may result in payment overtime.

- D. Eight (8) consecutive hours of work shall constitute the workday of shift employees. Shift employees will be expected to properly relieve the prior shift. Said employees shall be permitted to eat while on duty when conditions permit.
- E. Each employee shall have a minimum of twelve (12) hours off before the start of their next work shift. Any time worked during said minimum twelve (12) hours off is considered overtime and shall be compensated at the overtime rate for the class as established in accordance with Article 6.2, Overtime. Such compensation shall not be paid more than once for any hours worked, and there shall be no pyramiding of overtime. An employee may at their option and with the approval of Management waive, in writing, such minimum twelve (12) hours off before the start of their next work shift.
- F. Overtime shall be computed in accordance with FLSA for all employees.

ARTICLE 5.2 WORK SCHEDULES

Supervisors and employees may mutually agree to waive the notification requirements for a change in schedule.

*For the purpose of administering the provisions of this MOU, an emergency shall be defined in accordance with LAAC Section 8.22, as any occurrence which by reason of its magnitude is or is likely to become beyond the control of the normal services, personnel, equipment and facilities of the regularly constituted branches and departments of the City government, or any emergency declared by the Mayor per Charter Section 231(i).

- 2. Management will give favorable consideration to a temporary shift and/or days off swap mutually agreed upon by employees where such swap will not result in overtime or payment in (1) above and does not affect the operating efficiency of the facility or quality of service to the public. Such swaps, if approved, are not intended to be for an extended period of time and shall not exceed the period of time necessary to complete the activity that prompted the request. Requests shall be submitted by the employee requesting the swap in writing and shall indicate the day(s) involved and the employee with whom the swap is to be made. Such swaps are understood to be an accommodation for the convenience of the requesting employee, which Management is under no obligation to grant. Such requests, if denied, shall not be grievable. No swaps granted pursuant to this provision shall result in additional compensation or benefits to any employee in excess of that which would have been applicable if the swap had not taken place. Such swaps must be reconciled by both parties within the same pay period.
- 3. No work schedule shall be changed unless it is predicated entirely upon the operating needs of the Bureau or Department, and shall not be for the purpose of avoiding the payment for overtime work.
- 4. Employees assigned to temporary assignments under this Article shall be notified of the approximate duration of the assignment.

However, overtime will be ordered and worked only when required to meet the City's public service obligations. All overtime worked must be approved in advance by Management.

B. DISTRIBUTION OF OVERTIME

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however,

Management may consider special skills required to perform particular work. Overtime records of said employees may be inspected at reasonable times and intervals by a full-time Union Staff Representative, a representative designated by the Union, who shall be a member of the Unit and employed at said work location.

Management shall determine whether compensation shall be in cash or time off based on the availability of overtime funds. (Non-pensionable)
2. Effective December 13, 2015, no more than one hundred and sixty (160) hours of compensatory time off (CTO) may be accumulated at any time and employees may use this compensatory time upon request, unless granting of such time would unduly disrupt the operations of the department. Employees may accumulate hours in excess of one hundred and sixty (160) hours for a temporary period of time.
3. If CTO over one hundred and sixty (160) hours cannot be taken within one (1) year after such overtime was worked, Management may direct employees to use the accumulated time that exceeds one hundred and sixty (160) hours prior to the end of the fiscal year; require employees to use such time in lieu of vacation or other leave time; or authorize compensation in cash. No employee shall lose accumulated time off.
4. Upon an employee's request, Management may compensate the employee in cash or all or part of the employee's compensatory overtime bank at any time, subject to the availability of funds.
5. Under no circumstances shall CTO in excess of two hundred and forty (240) hours be accumulated. Unless funds are available to pay overtime in cash, no additional overtime shall be approved until the employee's accumulated overtime balance is reduced below two hundred and forty (240) hours.
6. Overtime shall not be paid more than once for any hours worked, and there shall be no pyramiding of overtime.

D. OVERTIME MEAL ALLOWANCE

Whenever the City requires an employee to work at least four (4) hours in excess of the employee's regularly scheduled work shift on a normal work day, or at least four (4) hours in excess of a scheduled overtime work shift on a normal work day off or at least four (4) hours on an unscheduled overtime work shift the employee shall be paid an overtime meal allowance in the amount of ten dollars (\$10.00). (Non-pensionable)

ARTICLE 6.3 CALL BACK PAY, STANDBY AND DISTURBANCE CALL PROVISIONS

A. CALL BACK PROVISIONS

Whenever an employee is required by Management to immediately return to duty following the termination of the employee's work shift and departure from the employee's work location, the employee shall receive a minimum payment equivalent to four (4) hours of work at the regular overtime rate for the class as set forth in Article 6.2, Overtime. Effective March 26, 2023, an employee who earns additional compensation under this provision shall have the right to request, when the time is recorded for payment, that time worked be paid in cash or banked as compensated time off, the actual payment method of which shall be at the sole discretion of the Department. Compensated time shall begin at the time the employee is called out and end upon completion of the job. It is agreed that this compensated time includes a maximum of one (1) hour travel time to the job location. (Non-pensionable)

Effective July 7, 2019, whenever an employee at LAWA is required by Management to immediately return to duty following the termination of the employee's work shift and departure from the employee's work location, such call back shall not occur more than four (4) hours after the end of the employee's work shift.

B. STANDBY PROVISIONS

1. Designation of and Responsibilities of Employees

Management may designate certain employees to be on standby duty. Standby lists will be established using the following method:

- a. Volunteers in the classification required.
- b. In class seniority in classification required.
- c. Special skills required.

2. While each plant/facility will have a separate standby list, an employee may be called to report to any plant/facility.

3. Standby duty will rotate among eligible employees a minimum of every two (2) payroll periods as long as there are at least two (2) eligible employees. New employees and/or employees, who had opted off of standby provisions and desire to return, will be added to the bottom of the list.
4. Management may supply eligible employees with electronic "beepers". When a "beeper" call is made to an employee, that employee shall return the call promptly, by telephone, and report to the required plant within an hour of the telephone response. Failure to respond by telephone promptly and to show at the designated plant within an hour may result in deletion from the standby list.
5. Standby Pay

Employees will be paid two dollars and twenty-five cents (\$2.25) for each hour assigned to standby. When called, the employee will be paid at the regular overtime rate for the class from the time of the telephone response through to the end of the job. A minimum of four (4) hours of overtime is guaranteed for each call. However, employees will not receive pay of two dollars and twenty-five cents (\$2.25) per hour for any time the employee is receiving pay pursuant to this MOU, including the four (4) hour overtime guarantee described herein as "Call Back Provisions." (Non-pensionable.)

Notwithstanding the provisions of Article 6.2, Overtime, all overtime earned on standby will be paid in cash, and standby time shall not count as hours worked for the purpose of computing overtime pay.

Effective March 26, 2023, employees will be paid seven and one-half minutes of straight-time compensation for each hour when assigned to standby. An employee shall receive compensation in hourly increments only, rounded to the next highest hour. For example, if an employee is placed on standby for one and one-half hours (90 minutes), the employee would be compensated for 15 minutes of straight-time compensation (7.5 X 2 hours).

When called, the employee will be paid at the regular overtime rate for the class from the time of the telephone response through to the end of the job. A minimum of four (4) hours of overtime is guaranteed for each call. However, employees will not receive standby pay for any time the employee is receiving pay pursuant to this MOU, including the four (4) hour overtime guarantee described herein as "Call Back Provisions." (Non-pensionable.)

An employee who earns additional compensation under this provision shall have the right to request, when the time is recorded for payment, that time worked be paid in cash or banked as compensated time off, the actual

payment method of which shall be at the sole discretion of the Department and standby time shall not count as hours worked for the purpose of computing overtime pay.

C. DISTURBANCE CALLS

Whenever an employee is contacted while on off-duty status by the Department/City to furnish information or take action needed to maintain the continuity of City business without the necessity of having to personally report for duty, such employee shall receive a minimum of one hour of compensation at the overtime rate of "time and one-half" (1.5) in cash or compensated time off, as determined by the Department head or designee, for each such incident. Work in excess of one (1) hour shall be treated in accordance with the call back provisions of this MOU, except that any employee receiving stand-by pay for the same day shall not be eligible to receive compensation under this Article for that day. (Non-pensionable)

ARTICLE 6.4 ADJUSTED SALARY FOR SPECIFIED ASSIGNMENTS

- A. Premium pay shall be administered in accordance with the provisions of LAAC Sections 4.61 (Schedule A, Note H), 4.72, 4.74, and 4.75.
- B. Employees shall not be eligible for adjusted salary under the provision of LAAC Section 4.61, Schedule A, former Note K (repealed in 2004). In lieu thereof, employees shall receive additional salary as specified below in subsection E, Obnoxious Conditions, of this Article.

C. SHIFT DIFFERENTIAL

Effective December 13, 2015, any employee, when required to work more than fifty percent (50%) of any work shift, as defined under Article 5.1 subsection D, Workweek and Hours, between the hours of 5:00 p.m. and 8:00 a.m., shall receive for each such shift worked, five and one-half percent (5.5%) above the appropriate base rate of the employee's classification.

D. HAZARDOUS CONDITIONS (Note H)

Any employee, when required to perform duties more than fifty percent (50%) of their regular shift on any one day, shall receive for each such day worked, five and one-half percent (5.5%) above the appropriate base rate of the employee's classification when the duties consist of:

- 1. Working on a ladder, scaffolding, a hydraulic lift platform, or scaffold or other device that is suspended by ropes or cable; or

2. Operating compressed air spraying apparatus to spray emulsified asphalt or weed control chemicals from a moving vehicle or to spray paint, or using a steam cleaning apparatus employing a heavy-duty caustic soda as a detergent; or,
3. Working in a deep sewer over eight feet in depth consisting of timbering, shoring, tunneling, pipe laying and concreting.

E. OBNOXIOUS CONDITIONS

Employees shall not be eligible for adjusted salary under the provision of LAAC Section 4.61, Schedule A, former Note K (repealed in 2004). In lieu thereof, employees shall receive the following additional salary:

Any employee, when required to perform duties more than fifty percent (50%) of their regular shift on any one day, consisting of working on sewage/wastewater disposal facilities and equipment or cleaning catch basins or transporting sewage or catch basin debris, shall receive for each such day worked, five and one-half percent (5.5%) above the appropriate base rate for the employee's classification.

F. PROCEDURE FOR PAYMENT

The procedure for the payment of premium pay under this Article shall be in accordance with LAAC Sections 4.72, 4.74, and 4.75, which are summarized below:

1. Section 4.72: *Premium pay authorization* - Requires that premium pay must be authorized in the Department Personnel Ordinance for the affected department or ordered by resolution of the City Council and approved by the Mayor.
2. Section 4.74: *Excluded classifications* - Excludes certain classifications named in the Code (and their successor classes) from premium pay because the premium is built into the base salary or wage of these classifications. (Salary Note 8 of this MOU lists the classifications in this MOU with base wages containing such built in premiums.)
3. Section 4.75: *Regular assignment* - Entitles employees who are regularly assigned to work in the situations which qualify for premium pay (i.e., who perform the qualifying duties every work day) to receive the premium pay during absences such as vacation, holiday, sick leave, or other authorized absence with pay. This Section also provides that when employees are regularly assigned, cash compensation for overtime will include the premium. (Pensionable)

ARTICLE 6.5 ACTING PAY

Effective July 1, 2015, time served in the following higher level assignments shall be credited as qualifying experience for promotional purposes.

A. ABSENCE AT HIGHER LEVEL POSITION

Whenever Management assigns an employee to perform the duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become eligible for additional compensation upon completion of a qualifying period of ten (10) cumulative working days in such assignment at their regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the eleventh (11th) cumulative working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 80 cumulative hours of assignment.

Each subsequent acting assignment following the employee's return to their regular assignment shall not require completion of a new qualifying period.

B. VACANT HIGHER LEVEL POSITION

Whenever Management assigns an employee on a temporary basis to perform the duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment.

C. STATUS REVIEW

Acting pay is not intended as compensation for a long-term out-of-class assignment and, effective December 13, 2015, shall not extend past one (1) year. When an employee has filled an acting assignment for a period of three (3) months, Management will review the status of the vacancy to determine when the vacancy can be filled through appropriate measures. Upon request, Management will review the acting assignment with the employee. At that time, the employee may request to be removed from the acting assignment.

D. COMPENSATION

An employee qualifying for additional compensation under this Article shall receive five and one-half percent (5.5%) above the appropriate biweekly rate for their

classification for each day on duty (present for 50% or more of the work day) in an acting assignment. (Non-pensionable)

*Management will assign higher level duties to an employee who meets the criteria, to the extent practicable.

ARTICLE 6.6 JURY SERVICE

- A. Any employee duly summoned to attend any court of competent jurisdiction for the purpose of performing jury service shall, for those days during which jury service is actually performed and those days necessary to qualify for jury service, receive their regular salary. The absence of the employee for the purpose of performing jury service shall be deemed to be an authorized absence with pay within the meaning of LAAC Section 4.75.
- B. During the time the employee is actually reporting for jury service, the head of the department, office, or bureau, or their designee will convert the employee's usual shift to a regular five-day, Monday through Friday day shift. However, employees may choose to remain on an alternative work schedule (9/80, 4/10, or 3/12) or on an off-watch schedule during jury service with the understanding that jury service on a regularly scheduled day off (RDO) will not be compensated. Employees must report for work on any day of their converted shift that the employee is not required by the court to perform jury service.
- C. Compensation for mileage paid by the courts for jury service shall be retained by the employee.
- D. Employees performing jury service on a designated City holiday shall be compensated for the designated City holiday; additional time off for that holiday shall not be provided.

Any money received as compensation for mileage is not to be considered as a part of the employee's witness fees.
- B. This Article does not apply to any employee:
 - 1. Subpoenaed to appear in any proceeding as a litigant or as an expert witness;

- C. The Police Department may reschedule an employee so that their subpoena does not conflict with their hours of work; arrange with the subpoenaing authority to place the employee in an "on call" status; or reschedule an employee subpoenaed to appear during off duty hours to alternate hours.
- D. All departments other than the Police Department may, with the consent of the subpoenaed employee, reschedule that employee so that their subpoena does not conflict with their hours of work; arrange with the subpoenaing authority to place that employee in an "on call" status; or reschedule that employee subpoenaed to appear during off hours to alternate hours.
- E. The absence of an employee in this Unit for the purpose of serving as an expert witness during their scheduled working period, subject to the provisions of paragraphs A through D of this Article, shall be deemed an authorized absence with pay within the meaning of LAAC Section 4.75 with pay calculated pursuant to this MOU.

ARTICLE 6.8 MILEAGE

Each employee that is authorized to use their own vehicle, pursuant to LAAC Division 4, Chapter 5, Article 2, in the performance of their duties, shall be reimbursed for their transportation expenses at a rate equal to the standard mileage allowance determined by the Internal Revenue Service (IRS) for all miles driven in a biweekly pay period, in addition to any and all salaries and other compensation otherwise provided for by law.

SECTION 7.0 BENEFITS

ARTICLE 7.1 HEALTH AND DENTAL PLANS

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (Flex Program) and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee (JLMBC) and approved by the City Council.

During the term of this MOU, the City agrees that it will not unilaterally impose a reduction in plan design or benefits for any benefit plan applicable to employees covered by this MOU. Nothing in this MOU, however, shall prevent the parties from jointly reaching agreement on plan design or benefits applicable to employees covered by this MOU.

Additionally, nothing in this MOU constitutes a waiver by the Union or the City with respect to making changes to plan design or benefits.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the JLMBC, the Flex Program benefits will take precedence.

SECTION I HEALTH PLANS

- A. The health plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department in accordance with LAAC Section 4.303.
- B. Effective January 1, 2015, Management agrees to contribute a monthly sum not to exceed the Kaiser Permanente family rate ("maximum monthly health care subsidy") per full-time employee toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS). During the term of this MOU, Management's monthly health care subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly health care subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.
- C. Management will apply the subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.
- D. Management agrees to contribute for each half-time employee, as defined by LAAC Section 4.110, who became a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed the Kaiser employee-only rate, toward the cost of their Flex Program medical plan. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article. During the term of this MOU, Management's monthly health care subsidy for half-time employees shall increase by the increase in the Kaiser Permanente single party rate. Increases in this monthly health care subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.
- E. Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

- F. Full-time employees who work a temporary reduced schedule under the provisions of Article 7.10, Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and will be subject to any adjustments applied to that subsidy as provided in this Article.
- G. Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding their status as a member of LACERS.
- H. During the term of this MOU, the JLMBC will review all rate changes and their impact on the Health Plans.

SECTION II DENTAL PLANS

- A. The dental plans offered and benefits provided by those plans shall be those approved by the City's JLMBC and administered by the Personnel Department in accordance with LAAC Section 4.303.
- B. For full-time employees who are members of LACERS, Management will expend the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that sufficient enrollment is maintained to continue to make coverage available.
- C. For each half-time employee, as defined by LAAC Section 4.110, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.
- D. Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

SECTION IV GENERAL PROVISIONS

An open enrollment period of at least thirty (30) days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

SECTION V SUBSIDY DURING FAMILY OR MEDICAL LEAVE

- A. For employees who are on Family or Medical Leave, under the provisions of Article 7.10 of this MOU, Management shall continue the City's medical and dental plan subsidies for employees who are enrolled in a City health and/or dental plan prior to the beginning of said leave. Employees shall be eligible for such continued subsidies while on a Family or Medical Leave in accordance with Article 7.10 herein. However, for any unpaid portion of Family or Medical Leave, health and/or dental plan subsidies shall be continued for a maximum of nine (9) pay periods, except while an employee is on a Pregnancy Disability Leave absence (up to 4 months) or under subsection (C) below, Management shall continue the City's subsidy for her pregnancy health coverage (medical plan subsidy) in compliance with the provisions of SB 299 and AB 592 enacted in 2011.
- B. The continuance of the health plan subsidy shall include coverage of any new dependent. Employees are responsible for notifying the Employee Benefits Office of any additional dependent(s). Dependents may be added only within 30 days of becoming dependents or during the City's annual open enrollment period.
- C. In accordance with the Family and Medical Leave Act of 1993 (FMLA), employees on unpaid family or medical leave shall not be required to repay the City subsidy (1) upon return to work, or (2) if they terminate City employment following the leave

due to a continuing serious health problem or other extenuating circumstances beyond the control of the employee. Should an employee fail to return to work for any other reason, then they shall be required to reimburse the City for the subsidy provided during the unpaid portion of their leave.

SECTION VI BENEFIT PROTECTION PLAN

For employees who have approved disability claims (excluding those for work-related injuries) under the City's Flex disability insurance carrier, Management shall continue the City's medical, dental, and basic life insurance plan subsidies for a maximum of two years or at the close of claim, whichever is less. Employees must have been enrolled in a Flex medical, dental and/or basic life plan prior to the beginning of the disability leave. Coverage in this program will end if the employee retires (service or disability) or leaves City service for any reason.

SECTION VII NON-KAISER FULL-NETWORK HMO OPTION

In addition to paying any difference between the maximum monthly health care subsidy and the non-Kaiser Narrow-Network HMO, each employee who chooses the non-Kaiser Full-Network HMO option shall be required to pay the difference between the monthly subsidy paid by the City for the non-Kaiser Narrow-Network HMO and the non-Kaiser Full-Network premium for the coverage level selected, as calculated by the Personnel Department.

SECTION VIII EMPLOYEES ELIGIBLE FOR AFFORDABLE CARE ACT COVERAGE

Effective January 1, 2015, (or a subsequent date if revised by federal regulations), pursuant to the federal Affordable Care Act (ACA), employees who do not receive a health care subsidy as described above, but meet the ACA eligibility requirements as determined by the Personnel Department, shall be referred to as "ACA Qualified Employees." For each ACA Qualified Employee, the City shall contribute a monthly health care subsidy equivalent to the Kaiser single-party (employee only) premium rate, toward the cost of the employee's City-sponsored medical plan, less the required employee contribution amount described above. Adjustments in the monthly health care subsidy for ACA Qualified Employees shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented. The amount of the adjusted subsidy shall be certified by the General Manager of the Personnel Department to the Controller.

ARTICLE 7.2 RETIREMENT BENEFITS

A. BENEFITS

1. Effective July 1, 2011, for all Tier I employees regardless of their date of hire, the Tier I retirement formula and a flat-rated employee retirement contribution of seven percent (7%) was implemented. The employee

retirement contribution rate shall return to six percent (6%) in accordance with the Early Retirement Incentive Program (ERIP), LAAC Section 4.1033, which provides that this seven percent (7%) employee retirement contribution will continue until June 30, 2026, or until the ERIP cost obligation is fully paid, whichever comes first.

2. For employees hired on or after the date of adoption of the Ordinance implementing LACERS Tier 3, the retirement formula for LACERS Tier 3 and a flat-rated employee retirement contribution of seven percent (7%) shall be continued during the term of the MOU.

B. RETIREE HEALTH BENEFITS

1. Current contributing Unit members

- a. There is currently in effect a retiree health benefit program for retired members of LACERS under LAAC Division 4, Chapter 11 under which employees contribute four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits as provided by this program.
- b. Unit members who are currently contributing the additional four percent (4%) of their pre-tax compensation to LACERS under subsection B.1.a. of this Article shall continue to do so.

2. Non-contributing Unit members before December 13, 2015

- a. Effective December 13, 2015, Unit members who are not contributing the additional four percent (4%) of their pre-tax compensation to LACERS under subsection B.1.a. of this Article shall begin making said contribution.
- b. Unit members in B.2.a. of this Article shall, in addition to the four percent (4%), also contribute an additional one-half percent (0.5%) to cover contributions retroactive to April 24, 2011, thereby resulting in a total flat rate employee retirement contribution rate of eleven and one-half percent (11.5%). The additional one-half percent (0.5%) retroactive contribution shall be made until each member separates from City service for any reason or has paid the retroactive contributions which will expire thirty (30) years from the date this provision begins.
- c. Unit members who contribute the additional one-half percent (0.5%) in subsection B.2.b. shall continue to make this additional retroactive contribution for the period specified so long as they are LACERS members, notwithstanding any subsequent transfer(s) to a

position(s) that does not require the payment of this additional contribution.

- d. Upon contribution of the eleven and one-half percent (11.5%) through January 1, 2016, Unit members will vest in all increases (above the frozen maximum monthly medical plan premium subsidy of \$1,190.00) determined by the LACERS Board since April 24, 2011, as well as future increases.
 - e. Notwithstanding the vesting period under LAAC Section 4.1003(c) as cited in this Article, the vesting period for Unit members in B.2. of this Article will be effective January 1, 2016 for those Unit members who make the additional four percent (4%) contribution without a break in City service between November 15, 2015, and January 1, 2016.
 - f. Unit members in subsection B.2. who leave City service for any reason before January 1, 2016, will maintain the frozen maximum monthly medical plan premium subsidy of \$1,190.00 and will not vest in any future increases.
3. With regard to LACERS Tier 1, as provided by LAAC Section 4.1111, the monthly Maximum Medical Plan Premium Subsidy, which represents the Kaiser 2-party non-Medicare Part A and Part B premium, is vested for all members who made the additional contributions authorized by LAAC Section 4.1003(c).
 4. Additionally, with regard to Tier 1 members who made the additional contribution authorized by LAAC Section 4.1003(c), the maximum amount of the annual increase authorized in LAAC Section 4.1111(b) is a vested benefit that shall be granted by the LACERS Board.
 5. With regard to LACERS Tier 3, the Implementing Ordinance shall provide that all Tier 3 members shall contribute to LACERS four percent (4%) of their pre-tax compensation earnable toward vested retiree health benefits, and shall amend LAAC Division 4, Chapter 11 to provide the same vested benefits to all Tier 3 members as currently are provided to Tier 1 members who make the same four percent (4%) contribution to LACERS under the retiree health benefit program.
 6. The entitlement to retiree health benefits under this provision shall be subject to the rules under LAAC Division 4, Chapter 11 in effect as of the effective date of this provision, and the rules placed into LAAC Division 4, Chapters 10 and 11, with regard to Tier 3, by the Implementing Ordinance.
 7. As further provided herein, the amount of employee contributions is subject to bargaining in future MOU negotiations.

8. The vesting schedule for the Maximum Medical Plan Premium Subsidy for employees enrolled in LACERS Tier 1 and LACERS Tier 3 shall be the same.
9. Employees whose Health Service Credit, as defined in LAAC Division 4, Chapter 11, are based on periods of part-time and less than full-time employment, shall receive full, rather than prorated, Health Service Credit for periods of service. The monthly retiree medical subsidy amount to which these employees are entitled shall be prorated based on the extent to which their service credit is prorated due to their less than full time status.

C. PROCEDURE FOR BENEFITS MODIFICATION

1. Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in LACERS are affected shall be recommended to the City Council by the CAO as affecting the membership of all employees in LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.
2. Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.
3. If agreement is not reached between Management and the organizations representing a majority of the members in LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

D. PART-TIME EMPLOYEES

1. Part-time employees in this Unit eligible for membership in LACERS shall be certified as LACERS members under the following conditions:
 - a. Half-time employees, upon written request to the appointing authority, shall be certified as LACERS members upon their date of hire to a half-time position, or anytime thereafter, if elected.
 - b. Effective July 26, 2015, intermittent part-time employees in this Unit shall, after 1,000 compensated hours in one service year, be

designated as half-time employees and certified as LACERS members, upon written request to the appointing authority.

2. Employees certified as LACERS members prior to the effective date of this MOU shall retain their LACERS membership.
3. For employees not eligible for LACERS membership, a flat-rated employee contribution of four and one-half percent (4.5%) into the Pension Savings Plan shall be applied for each plan year. The City shall contribute an amount equal to three percent (3%) of each employee's compensation for each plan year.
4. Retiree health benefits are provided as defined in B above.

ARTICLE 7.3 SICK LEAVE BENEFITS

Management's practices with regard to sick leave benefits will be in accordance with Los Angeles Administrative Code Sections 4.126, 4.126.2, and 4.128, except as noted below.

Sick leave may be used for the following purposes: diagnosis, care, or treatment of a health condition, or preventive care, of an employee, or an employee's designated person, as defined in this Article, or an employee's immediate family member, as defined in the Family Illness article of this MOU.

For purposes of this Article, "designated person" means a person identified by the employee at the time the employee requests paid sick leave. Employees are limited to only one designated person per 12-month period.

A. SICK LEAVE ACCRUAL AND USAGE

1. Full-Time Employees
 - a. Full-time employees shall begin accruing sick leave on the first day of employment. Employees shall accrue a total of one (1) day (8 hours) of sick leave at the end of the first month (30 calendar days) of employment and shall accrue one (1) additional day at the end of each subsequent month (30-calendar day period) worked until January 1. Beginning January 1, employees shall accrue sick leave as provided in Subsection A.1.b. of this Article. Employees may use their accrued sick leave beginning on the 90th day of City employment (90 calendar days from the date of hire).
 - b. Beginning the January 1 subsequent to the date of their initial City employment, full-time employees shall be provided 96 hours at 100% of full pay and 40 hours at 75% of full pay each calendar year for sick

leave, plus the hours of sick leave accrued and accumulated as provided in this Article.

- c. Any unused balance of sick leave at 100% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours. However, any unused sick leave at 100% of full pay remaining at the end of any calendar year, which, if added to an employee's accumulated sick leave at 100% of full pay, will exceed 800 hours, shall be compensated by a cash payment of 50% of the employee's salary rate current at the date of payment as soon as practicable after the end of each calendar year.

Any unused balance of sick leave at 75% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours at 75% of full pay. No payment of sick leave accrual in excess of the maximum amount shall occur.

- d. Effective January 1, 1997, if a full-time employee retires from City service or, if a full-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 100% of full pay up to a maximum of 800 hours remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 50% of the employee's salary rate on the date of retirement or death.
- e. As of January 1, 1998, any unused balance of sick leave at 50% of full pay shall be frozen with no further credits or withdrawals permitted.

Effective January 1, 1997, if a full-time employee retires from City service or, if a full-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 50% of full pay remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 25% of the employee's salary rate on the date of retirement or death.

- f. If a full-time employee separates from City service and is rehired by the City within one (1) year from the date of separation, previously accrued and unused sick leave shall be reinstated.

2. Half-Time Employees

- a. Half-time employees, as defined by Section 4.110(a) of the LAAC, shall begin accruing prorated sick leave on the first day of employment. Sick leave for a half-time employee shall be prorated on the basis of total number of hours scheduled in relationship to the total number of hours required for full-time employment. Employees may use their accrued sick leave beginning on the 90th day of City employment (90 calendar days from the date of hire).
- b. Beginning the January 1 subsequent to the completion of 12 calendar months of employment following their date of hire, half-time employees shall be provided prorated sick leave hours based on the calendar year sick leave allotment for full-time employees of 96 hours at 100% of full pay and 40 hours at 75% of full pay, plus the hours of sick leave accrued and accumulated as provided in this Article. The prorated amount of 100% and 75% sick leave hours for half-time employees will be calculated on the basis of the total number of hours compensated in the previous 12-month calendar period (January 1 through December 31) in relationship to the total number of hours required for full-time employment.
- c. Any unused balance of sick leave at 100% of full pay at the end of any calendar year shall be carried over and accumulated from one (1) calendar year to the next up to a maximum of 800 hours. However, any unused sick leave at 100% of full pay remaining at the end of any calendar year, which, if added to an employee's accumulated sick leave at 100% of full pay, will exceed 800 hours, shall be compensated by a cash payment of 50% of the employee's salary rate current at the date of payment as soon as practicable after the end of each calendar year.
- d. Effective January 1, 1997, if a half-time employee retires from City service or, if a half-time employee who is eligible to retire on or after July 1, 1996, dies prior to retirement, any balance of accumulated sick leave at 100% of full pay up to a maximum of 800 hours remaining unused at the time of retirement or death shall be compensated to the employee or, in the event of the death of the employee, to the employee's legal beneficiary(ies) by a cash payment of 50% of the employee's salary rate on the date of retirement or death.
- e. If a half-time employee separates from City service and is rehired by the City within one (1) year from the date of separation, previously accrued and unused sick leave shall be reinstated.

3. Intermittent Employees

- a. Intermittent employees, as defined by Section 4.110(b) of the LAAC, shall begin accruing sick leave on the first day of employment. Employees shall accrue at a rate of one (1) hour for every 29 hours worked. Employees may use their accrued sick leave beginning on the 90th day of City employment (90 calendar days from the date of hire) up to a maximum of 48 hours each calendar year.
- b. Sick leave may be accumulated up to a maximum of 48 hours each calendar year. Any accrued, unused sick leave remaining at the end of the calendar year shall carry over to the following year. Any sick leave accumulated in excess of the maximum amount shall be deemed waived and lost.
- c. Intermittent employees with accrued CPTO and/or 100% sick leave hours, who become full-time or half-time employees, shall be allowed to carry over into their 100% sick leave bank a maximum of 48 hours of unused CPTO, 100% sick leave, or any combination of such unused time. Any unused CPTO and/or sick leave in excess of the 48 hours carried over shall be deemed waived and lost. Employees shall be eligible immediately as a full-time or half-time employee to accrue and use sick leave at the appropriate rate.
- d. Employees who hold more than one (1) intermittent position concurrently shall be eligible to accrue sick leave in only one (1) position.

B. PREVENTIVE MEDICAL TREATMENT

Notwithstanding LAAC Section 4.126(d), employees may use up to 48 hours of 100% of full pay sick leave to secure preventive medical treatment for the employee, the employee's designated person, or employee's immediate family member.

ARTICLE 7.4 FAMILY ILLNESS

- A. Management's present practices of allowances for leave for family illness will be continued during the term of this MOU. The aggregate number of working days allowed in any one calendar year with full pay shall increase from 12 working days to not exceed fifteen (15) days (120 hours). Such practice of allowance for leave of illness in family shall be in accordance with LAAC Section 4.127. Upon the adoption of a child, an employee will be permitted to use fifteen (15) days (120 hours) of family illness sick leave.

Effective January 1, 2020, employees shall be allowed to use 75% sick time for family illness after exhausting 100% sick time.

- B. The definition of “immediate family” shall include: the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, foster child, grandparents, grandchildren, step-parents, step-children of any employee of the City, great-grandparents, great-grandchildren, the domestic partner of the employee, a household member (any person residing in the immediate household of the employee at the time of the illness of injury), a designated person (as defined and limited in Article 7.10, Section II) and the following relatives of an employee’s domestic partner: child, grandchild, mother, father.
- C. Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee’s domestic partner.

ARTICLE 7.5 PERSONAL TIME OFF

- A. Management may allow an employee time off not to exceed the total hours of the employee’s regular workday in any one workweek for personal business. Subject to the approval of Management, such time off shall either be made up in full in the same workweek or charged against the employee's accrued and unused vacation credits on an hourly basis.
- B. Upon prior approval of the appointing authority, any employee who has accrued unused sick leave at full pay, may be allowed sick leave with full pay not to exceed an aggregate of twenty-four (24) hours in any one calendar year for the purpose of attending to personal business. Use of these hours for this purpose will not be counted as sick leave in any department Sick Use Monitoring Program.

- E. Standard Number of Hours for a Holiday - Whenever a holiday from 1 through 13 above occurs during an employee's regularly scheduled work week, eight (8) hours of paid leave shall be credited for the purpose of computing overtime pay for work performed after forty (40) hours.

Utilization of vacation time must have the approval of the appointing authority; such approval shall not be unreasonably withheld.

C. Vacation Accrual/Cash Out During Active Military Service

Employees called into active military service (other than temporary military leave) following their qualifying year of service for vacation shall continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. To avoid reaching maximum accrual during an extended leave, employees may request cash payment of unused vacation hours accrued as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of the accrued time. The request shall be made prior to the employee's first day of their leave of absence and shall be accompanied by orders or other evidence of call-up into the armed forces of the United States.

ARTICLE 7.8 VACATION SCHEDULES

- A. Vacations will be scheduled as far in advance as Management deems advisable. Consideration shall be given to the efficient operation of each department, office or bureau, the desires of the employees and their seniority in grade. Each section or work location shall make its vacation scheduling policy known to the employee(s) who work therein.
- B. After taking a minimum of two weeks (eighty hours) vacation during a calendar year, an employee whose vacation accrual reaches the maximum level, as specified in Article 7.7, Vacations, and LAAC Section 4.254, may request to be paid at their current hourly rate for those accruing hours in excess of their maximum accrual level. An employee requesting this option rather than taking additional vacation time off, must notify appropriate administrative staff in writing within two working days from the time the employee is informed that their vacation accrual will exceed the maximum level. This procedure must be followed each month in which the employee wishes to be paid for excess vacation accrual. All final determinations relative to a vacation payoff rather than having the employee take time off shall reside with Management.

ARTICLE 7.9 BEREAVEMENT LEAVE

- A. Management's present practices with regard to allowances for leave because of family deaths will be continued during the term of this MOU. For purposes of this Article, simultaneous, multiple family deaths will be considered as one occurrence. Any employee claiming a domestic partner for purposes of this Article shall have an approved City Affidavit of Domestic Partnership form or a registered State of California Declaration of Domestic Partnership form on file in the Employee Benefits Office, Personnel Department, which identifies that individual as the employee's domestic partner.

- C. In addition to the bereavement leave granted under this Article, any employee who has accrued unused sick leave, vacation, personal leave, or compensatory time off, shall be allowed to use such leave, or unpaid leave, not to exceed two working days per occurrence for the purpose of bereavement leave. Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.
- D. Effective December 13, 2015, members of this Unit shall be entitled to use the bereavement leave granted under this Article (or the sick leave used for purposes of bereavement leave as described in this Article), up until three hundred and seventy (370) calendar days from the date of the death of the qualifying immediate family member. Bereavement leave days not used prior to three hundred and seventy (370) calendar days from the date of said death shall be deemed waived and lost.

I. AUTHORIZATION FOR LEAVE

- A. During the term of this MOU, up to four (4) months (nine [9] pay periods [720 hours]) of family or medical leave shall be provided for the purpose of childbirth, adoption, foster care of a child, or serious health condition of an immediate family member (as defined in Article 7.4, Family Illness), or designated person, upon the request of the employee, or the designation of Management in accordance with applicable federal or state law, notwithstanding any other provisions of this MOU or the LAAC to the contrary.

ARTICLE 1 PARTIES

This Agreement is made and entered into by and between the City of Los Angeles ("City") and the International Union of Operating Engineers, Local 501, AFL-CIO ("Union").

ARTICLE 2 PURPOSE

The purpose of this Agreement is to establish a Building Operating Engineer Apprenticeship Program designed to develop a practical and skilled engineer who, upon successful completion of the Program, will be eligible for appointment to the Civil Service classification of Building Operating Engineer with the City of Los Angeles. The provisions of this Agreement are intended to assist the parties in determining and performing their obligations under this Agreement.

ARTICLE 3 TERM

This Agreement shall be effective on the first full pay period following City Council adoption of MOU 9 and shall continue until such time as it is cancelled in accordance with the Program Cancellation article below or negotiated otherwise.

ARTICLE 4 PROGRAM OVERVIEW

The Building Operating Engineer Apprenticeship Program ("Program") is a five-year training program that combines classroom curriculum with on-the-job training for an Apprentice (Building Operating Engineer Trainee) to be eligible for appointment to the City Service classification of Building Operating Engineer with the City of Los Angeles. These engineers operate and maintain high pressure gas or oil fired boilers, gas or steam turbines, energy recovery boilers, heat exchangers and other heating systems as well as perform many other related duties. Apprentices (Building Operating Engineer Trainees) learn the building operating engineering trade through classroom attendance at the Operating and Maintenance Engineers Apprenticeship and Training Trust Fund for Southern California Joint Apprenticeship Training Committee Training Center, Local 501, normally, a minimum of twice a week in the evenings while working a minimum of forty (40) hours per week at the City. Classroom curriculum includes industry practices and skill set development that Apprentices (Building Operating Engineer Trainees) will apply to the City workplace under supervision.

This Program is subject to the Civil Service provisions of the City Charter and shall be operated and administered in accordance with those provisions. Successful completion of the Program requirements described in this Agreement will serve as an alternative

pathway for an Apprentice (Building Operating Engineer Trainee) to become eligible for appointment to the Civil Service classification of Building Operating Engineer.

ARTICLE 5 STATE REGISTERED PROGRAM

This Building Operating Engineer Apprenticeship Program is a registered program with the State of California, Department of Industrial Relations, Division of Apprenticeship Standards (DAS).

ARTICLE 8 SELECTION OF PARTICIPANTS

The City will determine the most appropriate method for selecting individuals to participate as an Apprentice in the Program for a City position. There are two (2) methods in which an individual may be selected to participate as an Apprentice (Building Operating Engineer Trainee) in the Program. The City may elect at any time to use either or both of the following selection methods:

Selection Method #1:

The City will recruit and select qualified candidates to participate in the Program who have met the minimum preliminary Trust requirements and refer the candidate to the Trust for testing and approval of admission to the Program.

Selection Method #2:

Approximately every two (2) years, the Trust shall create a list of applicants from the administration of a written test certified by the State of California containing basic English and mathematics.

The Trust shall rank applicants based on their overall scores. The City may contact the Trust for a list of qualified candidates and the Trust will provide the City a list of ranked individuals as requested by the City. The City may select candidates from that list or request additional names from the Trust if no selection is made. Once the City selects individuals from the Trust's list, the City may administer additional requirements.

If an additional selection method is desired by the City, the parties shall meet and mutually agree in writing to the additional selection method.

ARTICLE 9 PROBATION

Selected Apprentices will be appointed to the classification of Building Operating Engineer Trainee and are considered at-will employees during the entire five-year Program. These five years serves a working test period during which the Apprentice (Building Operating Engineer Trainee) is required to demonstrate their fitness by actual performance of the duties and responsibilities of the job while receiving on-the-job training. Apprentices (Building Operating Engineer Trainees) may be terminated from City employment at any time without right of appeal to the Board of Civil Service Commissioners.

Once appointed to the Building Operating Engineer Assistant classification, individuals serve the City's established probationary period.

ARTICLE 10 PAY SCHEDULE

Apprenticeship Program salaries are based on the following pay schedule in which Apprentices (Building Operating Engineer Trainees) are paid a percentage of the salary of the MOU 09 journey level Building Operating Engineer, Class Code 5923-0 (and 5923-A¹):

Following is the five-year pay schedule for an Apprentice (Building Operating Engineer Trainee) who successfully completes evaluations every six (6) months. Apprentice (Building Operating Engineer Trainee) salaries are percentages of City journey level civil service Building Operating Engineer salary:

BOE Apprentice (Building Operating Engineer Trainee) Pay Schedule

	<u>Year 1</u>	<u>Year 2</u>	<u>Year 3</u>	<u>Year 4</u>	<u>Year 5</u>
6 months	60%	70%	80%	90%	95%
6 months	65%	75%	85%	95%	95%

ARTICLE 11 EVALUATIONS

Upgrades between months and years are not automatic. The Trust will conduct apprentice (Building Operating Engineer Trainee) evaluations every six (6) months that includes the review of classroom records. The Trust will verify that the Apprentice (Building Operating Engineer Trainee) has met both the classroom requirements and on-the-job standards for the six (6)-month requirement for that rating period. Upon the Trust's determination the Apprentice (Building Operating Engineer Trainee) has satisfactorily completed the review, the Trust will send written notice to the City authorizing advancement to the next pay level consistent with the Apprentice (Building Operating Engineer Trainee) pay schedule. Such advancement will be effective in the next full pay period following Trust notification but not less than ten (10) business days following such notification. There will be no retroactive payments relating to Trust notifications.

In order to verify the on-the-job standards, the Trust requires a Chief BOE, Senior BOE, or other department designee assigned to complete and sign off on the six (6)-month evaluations.² This person will also be the contact person for the Trust responsible for reporting and interfacing with both the Apprentice (Building Operating Engineer Trainee) and the Trust. This person shall certify that the Apprentice (Building Operating Engineer Trainee) has met the requisite provisions before moving to the next pay level.

¹ Salaries for participants assigned to the Los Angeles World Airports are based on a percentage of the salaries of journey level BOEs at that department.

² The City may complete its own separate evaluation every six (6) months.

If overtime is available and appropriate for an Apprentice (Building Operating Engineer Trainee), as determined by department management, Apprentices (Building Operating Engineer Trainees) may work such available overtime. However, overtime assignments for Apprentices (Building Operating Engineer Trainees) shall be assigned in such a manner as to neither interfere with or impair the on-the-job training, classroom training, nor be detrimental to the health and safety of the Apprentice (Building Operating Engineer Trainee).

ARTICLE 15 PROGRAM COMPLETION AND TRANSITION/APPOINTMENT TO CIVIL SERVICE BUILDING OPERATING ENGINEER
