In accordance with the above policy, Union agrees not to discriminate against an employee because of the exercise of his/her rights granted pursuant to Section 4.857 of the Employee Relations Ordinance, or with respect to admission to membership, and the rights of membership.

ARTICLE 6 BULLETIN BOARDS

Section I

Management will provide bulletin boards or space at locations reasonably accessible to Union members, which may be used by Union for the following purposes:

- C. Notices of Union recreational and social events.

All notices or other communications shall be identified with an official stamp of Union. Union shall place a removal date on all notices and other communications. If requested by Management all notices and other communications shall be submitted to the designated representative of management prior to posting; posting will occur within 24 hours of submission.

ARTICLE 7 AGENCY SHOP FEES - PAYROLL DUES AND DEDUCTIONS

The following agency shop provisions shall apply to employees in classifications listed in Appendices A through D, herein.

A. DUES/FEES

1. a. Each permanent employee* in this unit who is not on unpaid leave of absence shall, as a condition of continued employment, become a member of the appropriate local union represented in negotiations by the ACEA, Local 3090, American Federation of State, County and Municipal Employees (hereinafter referred to collectively as Union), or pay said Union a service fee in an amount not to exceed periodic dues and general assessments of the Union for the term of this MOU, or a period of three (3) years from the operative date of this article, whichever comes first; provided, however, that said fee shall not be assessed in any biweekly pay period in which the affected employee is not paid a minimum of 38 hours. Such amounts shall be determined by the Union and implemented by the City in the first payroll period, which starts 30 days after written notice of the new amount is received by the Controller. (*A permanent employee is defined as one who has completed six continuous months of City service from his/her original date of appointment.)
- b. Notwithstanding any provisions of Article 2, Section 4.203 of the Los Angeles Administrative Code (LAAC) to the contrary, during the term of this MOU, payroll deductions requested by an employee in this Unit for the purpose of becoming a member and/or to obtain benefits offered by any qualified organization other than Union, will not be accepted by the Controller. For the purpose of this provision qualified organization means any organization of employees whose responsibility or goal is to represent employees in the City's meet and confer process.
2. The CAO and the Union shall jointly notify all new members of the representation unit that they are required to pay dues or a service fee as a condition of continued employment and that such amounts will be

automatically deducted from their paychecks. The religious exclusion will also be explained. The cost of this communication and the responsibility for its distribution shall be borne by the City.

B. EXCEPTIONS

1. Management, Supervisory or Confidential Employees

In accordance with Section 3502.5(c) of the Government Code, the provisions of this article shall not apply to management, confidential, or supervisory employees.

- a. Management and confidential employees shall be as defined in Section 4.801 and designated in accordance with Section 4.830.d. of the LAAC.
- b. Supervisory employees shall be defined as follows:

"Supervisory employee" means any individual, regardless of the job description or title, having authority, in the interest of the employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them, or to adjust their grievances, or effectively to recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment. Employees whose duties are substantially similar to those of their subordinates shall not be considered to be supervisory employees.

Management shall designate supervisory employees. Said designation or claim shall be reviewed jointly by the City and the Union. Any dispute shall be referred to the Employee Relations Board for resolution.

2. Religious Objections

Any employee who is a member of a bonafide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations shall not be required to join or financially support the organization. Such employee shall in lieu of periodic dues or agency shop fees, pay sums equal to said amounts to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, which has been selected by the employee from a list of such funds designated by the parties hereto in a separate agreement. Such payments shall be made by payroll deduction as a

condition of continued exemption from the requirements of financial support to the Union and as a condition of continued employment.

C. MANAGEMENT RESPONSIBILITIES

1. The Controller shall cause the amount of the dues or service fee to be deducted from twenty-four (24) biweekly payroll checks of each employee in this unit as specified by the Union under the terms contained herein. "Dues," as distinct from "service fee," shall be the result of voluntary consent in the form of a payroll deduction card signed by the individual employee.
 - a. Remittance of the aggregate amount of all dues, fees and other proper deductions made from the salaries of employees hereunder shall be made to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said dues, fees and/or deductions were deducted.
 - b. A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.
2. The Controller shall also apply this provision to every permanent employee who, following the operative date of this article, becomes a member of this representation unit, within sixty (60) calendar days of such reassignment or transfer. Such deduction shall be a condition of continued employment.
3. Management will provide the Union with the name, home address, and employee number of each permanent employee.
4. The Controller shall provide the organization, at least monthly, a status report showing all changes in the employment status of employees in this unit which affect the applicability of the provisions of this Article to those employees.

D. UNION RESPONSIBILITIES

1. The Union shall keep an adequate itemized record of its financial transactions and shall make available annually to the City Clerk, and to all unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.

2. The Union certifies to the City that it has adopted, implemented and will maintain constitutionally acceptable procedures to enable non-member agency shop service fee payers to meaningfully challenge the propriety of the uses to which service funds are put. Those procedures shall be in accordance with the decision of the United States Supreme Court in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO, et al. v. Hudson, 106 S. Ct. 1066 (1986).
3. Except for claims resulting from errors caused by defective City equipment, the Union agrees to indemnify and hold harmless the City against all other claims, including costs of suits and reasonable attorney's fees and/or other forms of liability arising from the implementation of this Article. It is also agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

E. RESCISSION

The agency shop provisions herein may be rescinded in accordance with the procedures contained in Rule 12 of the Employee Relations Board adopted January 11, 1982.

In the event that this Article is overturned by the employees in this representation unit, all other Articles of the MOU shall remain in full force and the prior agreement, rules, regulations and past practices relating to organizational dues deductions authorizations shall be reinstated until a successor MOU or amendment shall have been approved.

ARTICLE 8 REST PERIOD

Each employee shall be granted a minimum of fifteen (15) minutes rest period in each four (4) hour period; provided, however, that no such rest period shall be taken during the first or last hour of any employee's working day nor in excess of fifteen (15) minutes without the express consent of the designated supervisor.

Management reserves the right to suspend the rest period or any portion thereof during an emergency. Any rest period so suspended or not taken at the time permitted shall not be accumulated or carried over from one day to any subsequent day, or compensated for in any form.

ARTICLE 9 EMPLOYMENT OPPORTUNITIES

The Personnel Department will e-mail to the Union copies of all recruitment bulletins. Tentative examination bulletins, approved by the Head of the Examining Division of the

Personnel Department will be e-mailed two (2) calendar days prior to the date that said bulletins are scheduled to be promulgated by the General Manager Personnel Department or approved by the Civil Service Commission.

ARTICLE 10 WORK ACCESS

Union Staff Representatives, Local Union Officers, Executive Board Members, and Local Union Stewards who are members of this Unit shall have access to the facilities of the departments, offices or bureaus represented herein during working hours for the purpose of assisting employees covered under this Memorandum of Understanding, in the adjusting of grievances when Union assistance is requested by the grievant(s), or investigating matters arising out of the application of the provisions of this Memorandum of Understanding. Said representatives shall request authorization for such visit by contacting the designated Management representative of the head of the department, office or bureau. In the event immediate access cannot be authorized, the designated Management representative shall inform the Union representative as to the earliest time when access can be granted.

Union shall give to all heads of departments, offices or bureaus represented herein and the City Administrative Officer a written list of its Union Staff Representatives, Local Union Officers, Executive Board Members and Local Union Stewards, which shall be kept current by the Union.

This Article shall not be construed as a limitation on the power of the head of a department, office or bureau to restrict access to areas designated as security or confidential.

ARTICLE 11 USE OF CITY FACILITIES

Union may use City facilities, on prior approval, for the purpose of holding meetings to the extent that such facilities can be made available, and to the extent that the use of a facility will not interfere with departmental operations. Participating employees will attend said meetings on their own time. If the use of a facility requires a fee for rental or special set-up, security, and/or cleanup service, Union will provide or assume the cost of such service(s) for the facility.

ARTICLE 12 SAFETY AND ERGONOMICS

Section I

Safety clothing and devices currently provided by Management shall continue to be provided, as long as the need exists; Union will encourage all members of the Unit to utilize said safety clothing and devices to the fullest extent possible.

Section II

Management will make every reasonable effort to provide safe working conditions. Union will encourage all members in the Unit to perform their work in a safe manner. Each employee should be alert to unsafe practices, equipment and conditions, and should report any hazardous condition promptly to his/her immediate supervisor. Said supervisor must:

- A. Correct or eliminate the hazardous condition if correction or elimination thereof is within the authority and capability of the supervisor; or
- B. Safeguard a hazardous condition in such a manner as to preclude injury to personnel and/or property damage, and promptly report the nature and location of the hazardous condition to the next level of supervision designated by departmental management for said purpose, if elimination of the hazardous condition is not within the immediate supervisor's capability.

If elimination of the hazardous condition is not within the capability of the second level of supervision to correct, he/she shall promptly report the problem to the next designated level of supervision or inform the Departmental Safety Coordinator about the problem.

Section III

If the procedures for handling a reported hazardous condition are not initiated, or if initiated, fail to effect a satisfactory solution of the problem within a reasonable time, the employee or his/her representative may call the City Occupational Safety Office and report such hazard. Unresolved complaints hereunder may be referred to the State Safety Engineer for processing under the CAL/OSHA rules and regulations.

Section IV

Any pregnant employee whose job duties require frequent and extended operation of a video display terminal (VDT) may request a temporary reassignment of duties, if the employee's treating physician certifies in writing that discontinuance or reduction of the employee's operation of such VDT's is medically indicated. In such event, Management will make a reasonable effort to realign the duties of the employee to perform other available and necessary duties, within the specifications of the employee's class in the department in order to avoid such operation of VDT's to the extent recommended by the treating physician.

Section V

Any employee in this Unit who is a frequent operator of VDT equipment may request Management to provide applicable accessories for the workstation (i.e. copy holder, separate lamp, non-reflective glare filter and/or a hood to be attached to the display unit

screen). Management will evaluate the request and will provide the necessary item(s) for the workstation, subject to availability from City Stores and budgeted funds for this purpose.

Section VI

The parties will conduct an ergonomics pilot study in the Police Department as detailed in Appendix G. At the conclusion of the study, the Ergonomics Review Subcommittee shall develop and transmit to the City Safety Administrator, CAO, and AFSCME Local 3090 recommended guidelines for the following:

- A. Preventive measures for employees performing jobs which involve repetitive motion for extended periods and which may result in cumulative trauma disorders (CTD's).
- B. Work site design, including but not limited to lighting, furniture and equipment type, arrangement and maintenance, and operator training.
- C. Work site evaluations.
- D. Purchase of equipment and determination of the most productive environment for that equipment.

ARTICLE 13 NOTICE OF CHANGES IN WORK RULES

Whenever written departmental working rules are established or changes are made to existing written departmental working rules which affect conditions of employment, Management shall, prior to the proposed implementation date, notify Union in writing and offer the opportunity for Union to meet and discuss the changes with Management.

Nothing contained in this Article shall be construed as a limitation of the right of Management to implement new written department working rules or make changes in such existing rules in cases of emergency. Provided, however, when such new work rules or changed existing work rules, as the case may be, must be adopted immediately, without prior notice to Union, notice shall be given and the opportunity for discussion shall be given at the earliest practical time following the adoption of such new work rules or changes in existing written department work rules, as the case may be.

Union agrees to notify Management promptly of its intent to exercise its rights granted under this Article.

ARTICLE 14 PERSONNEL FOLDERS

An employee shall be entitled to review the contents of his/her official departmental personnel folder at reasonable intervals, upon request, during hours when his/her personnel office is normally open for business. Such review shall not interfere with the normal business of the department, office or bureau.

No disciplinary document shall be placed in an employee's official departmental personnel folder without providing said employee with a copy thereof. This provision shall not apply to documents placed in said folder prior to April 17, 1979.

After a disciplinary or adverse document has been in an employee's personnel folder for a period of one year, Management will look favorably upon the employee's request to place a statement in the employee's personnel folder, showing that the employee's performance has improved.

A written reprimand or "Notice to Correct Deficiencies" may be sealed upon the written request of an affected employee if he/she has not been involved in any subsequent incidents that resulted in written corrective counseling or other management action for a period of four (4) years from the date the most recent notice was issued or management action taken. (It is mutually understood that in the Police Department a "Notice to Correct Deficiencies" is not considered a form of discipline and a copy is not placed in the departmental personnel folder. Written reprimands will not be sealed in the Police Department. Employees may request, instead of sealing, that such documents be stored separately from the official departmental personnel folder. These documents shall be accessible only to selected departmental personnel.)

If sealing or removal to separate storage is not approved, the reason for denial of the request shall be discussed with the employee. Written requests and responses, and the reasons for not sealing the document(s) shall not be placed in the personnel folder and shall not be grievable.

The existence of all documents, including sealed or separately stored documents, must be acknowledged by the department and be available upon subpoena or other appropriate request.

Any money received as compensation for mileage is not to be considered as a part of the employee's pay for these purposes.

ARTICLE 19 GRIEVANCE PROCEDURE

A grievance is defined as any dispute concerning the interpretation or application of this written Memorandum of Understanding or departmental rules and regulations governing personnel practices or working conditions applicable to employees covered by this Memorandum of Understanding. An impasse in meeting and conferring upon the terms of a proposed Memorandum of Understanding is not a grievance.

Section II - Responsibilities and Rights

- A. Nothing in this grievance procedure shall be construed to apply to matters for which an administrative remedy is provided by the City Charter. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair labor practice under the jurisdiction of the Employee Relations Board, the employee may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The employee's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
- B. No grievant shall lose his/her right to process his/her grievance because of Management-imposed limitations in scheduling meetings.
- C. The grievant has the responsibility to discuss his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor, and in all formal review levels provided, however, that when more than one employee is aggrieved and the facts and issues of the alleged grievance are the same and if all affected employees agree to waive their right to discuss the grievance with their immediate supervisor, a single immediate supervisor will be designated to discuss the grievance at the

informal level with one affected employee and the employee's representative. Such grievance will be processed as a single grievance through all formal levels of review.

All affected employees involved in the action must waive their respective right to discuss the grievance at the informal level with their immediate supervisor on a form provided by Management prior to the discussion with the designated supervisor.

- D. The time limits between steps of the grievance procedure provided herein may be extended by mutual agreement, or by mutual agreement, the grievant and Management may waive one level of review from this grievance procedure.
- E. Management shall notify Union of any formal grievance filed that involves the interpretation and/or application of the provisions of this Memorandum of Understanding, and a Union Staff Representative shall have the right to be present and participate in the discussion at any formal grievance meeting concerning such a grievance. If Union Staff Representative elects to attend said grievance meeting, he/she shall inform the head of the department, office or bureau of his/her intention. Union is to be notified of the resolution of all other formal grievances.

Section III - Procedure

The grievance procedure for employees covered by this Memorandum of Understanding shall be as follows:

Step 1 - Informal Discussion

The grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance and said grievance shall be considered waived if not so presented to the immediate supervisor within ten (10) calendar days following the day during which the event upon which the grievance is based occurred.

The immediate supervisor shall respond within five (5) calendar days following his/her meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at the next step.

Step 2 - First Level of Review

If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the department, office or bureau upon the person designated to review the grievance at Step 2 within seven (7) calendar days of receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her

representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 3 - Second Level of Review

If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on said form upon the person designated to review the grievance at Step 3 within seven (7) calendar days of receipt of the Step 2 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, said person shall meet with the grievant, and a written decision or statement of the facts and issues shall be rendered to the grievant and his/her representative, if any, within fifteen (15) calendar days from the date of service. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 4 - General Manager/Commission Review (Third Level of Review)

If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on said form upon his General Manager or designee within seven (7) calendar days following receipt of the grievance response at Step 3. Failure of the grievant to serve such notice shall constitute a waiver of the grievance. If such notice is served, the grievance shall be heard by the General Manager or his/her designee, or in the case of departments under the administrative control of a board of commissioners, by the Commission or the General Manager or their designee, as shall be determined by the head of the department involved. The General Manager/Commission or their designee will afford the parties an opportunity to present oral and/or written arguments on the merits of the grievance and shall render to the grievant and his/her representative, if any, a written decision within thirty (30) calendar days from the date said arguments were submitted.

Step 5 - Mediation

If the written decision at Step 4 does not settle the grievance, within ten (10) calendar days of receipt of such response, the grievant and Union jointly may request mediation by letter to the Employee Relations Officer. This step is optional. Either the grievant/Union or Management may waive mediation and proceed directly to arbitration. Within ten (10) calendar days of receipt of a request for mediation, the Employee Relations Officer shall either return the request without action or request that the Employee Relations Board appoint a mediator. The Employee Relations Board shall attempt to obtain the services of a mediator from the State Mediation and Conciliation Service. If a State mediator is unavailable, Union and Management may jointly agree to a mediator selected by the Executive Director of the Employee Relations Board. The fees of such mediator shall be shared equally by Union and Management.

The primary effort of the mediator should be to assist the parties in settling the grievance in a mutually satisfactory fashion. The mediation procedure shall be informal. Court reporters shall not be allowed to be present, the rules of evidence shall not apply and no record shall be made. The mediator shall determine whether witnesses are necessary in the conduct of the proceedings.

If settlement is not possible, the mediator may be requested to provide the parties with an immediate oral opinion as to how the grievance would be decided if it went to arbitration. Such opinion shall be advisory only. Upon mutual agreement of the parties, the mediator may be requested to furnish such opinion in writing, along with a brief statement of the reasons for the opinion. Such opinion as well as anything said by the parties during mediation shall not be used during any subsequent arbitration. Notwithstanding the above, and Section 4.865 of the Employee Relations Ordinance, the parties may, upon mutual agreement, agree to accept the opinion of the mediator as binding, in lieu of arbitration.

Step 6 - Arbitration

If the written decision at Step 4 or mediation does not settle the grievance, the grievant and Union jointly may serve upon the head of the department, office or bureau a written notice that a written request for arbitration has been filed with the Employee Relations Board. The request for arbitration must be filed with the Employee Relations Board within fifteen (15) calendar days following the date of service of the written decision of the General Manager/Commission or their designee. Failure of the grievant and Union jointly to serve a written request for arbitration with the Employee Relations Board within said period shall constitute a waiver of the grievance.

If such written notice is served, the parties shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within seven (7) calendar days following receipt of said list.

- A. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the parties hereto agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being mutually understood that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party incurring same.
- B. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the parties concerned, except for grievances involving the Harbor Department and Department of Pensions, which shall be advisory only.

- C. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

ARTICLE 20 UNION STEWARDS

Union may designate a reasonable number of union stewards who must be members of the Unit. The Union shall provide all departments, offices or bureaus with a written list of employees who have been so designated. Management will quarterly accept changes to the list presented by the Union. A union steward may represent an employee in the presenting of grievances at all levels of the grievance procedure, or in pre-disciplinary meetings (Skelly) or pre-disciplinary interviews where there is a reasonable expectation that disciplinary action will follow.

The employee and his/her steward may have a reasonable amount of paid time off for presentation of grievances or participation in pre-disciplinary meetings or interviews. However, said steward will receive paid time off only if he/she is the representative of record, a member of the Union and the same Unit as the employee; is employed by the same department, office or bureau as the employee; and is employed within a reasonable distance from the work location of the employee.

If a steward must leave his/her work location to represent an employee, he/she shall first obtain permission from his/her supervisor. Permission to leave will be granted unless such absence would cause an undue interruption of work. If such permission cannot be granted promptly, the steward will be informed when time can be made available. Such time will not be more than forty-eight (48) hours, excluding scheduled days off and/or legal holidays, after the time of the steward's request unless otherwise mutually agreed to. Denial of permission to leave at the time requested for representation of a grievance will automatically constitute an extension of time limits provided in the grievance procedure herein, equal to the amount of the delay. No time limit extensions will be provided for presentation of Skelly packages when a delay would affect the department's ability to preserve a statute of limitations.

Before leaving his/her work location, the steward shall call the requesting employee's supervisor to determine when the employee can be made available. Upon arrival, the steward will report to the employee's supervisor who will make arrangements for the meeting requested.

Time spent on grievances or Skelly meetings outside of regular working hours of the employee and/or his/her steward shall not be counted as work time for any purpose. Whenever these activities occur during the working hours of the employee and/or his/her steward, only that amount of time necessary to bring about a prompt disposition of the matter will be allowed. City time, as herein provided, is limited to the actual representation of employees and does not include time for investigation, preparation or any other preliminary activity.

ARTICLE 21 EMPLOYEE RELATIONS

Meetings at reasonable intervals will be scheduled at the request of a designated Union representative (paid Union staff representative or executive board member) or the Management representative of a department, office, or bureau, for the purpose of informally discussing employer-employee relations problems.

The Union shall give to all heads of departments, offices or bureaus represented herein and the City Administrative Officer a written list of its paid Union staff representatives and executive board members, which list shall be kept current by the Union.

ARTICLE 22 ACTIONS BY EMPLOYEE RELATIONS BOARD

If any action by the Employee Relations Board prior to the expiration of this Memorandum of Understanding results in any significant changes to the composition of this representational Unit, the parties to this Memorandum of Understanding will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 23 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING

In the event Union or Management desires a successor Memorandum of Understanding, said party shall serve upon the other during the period from February 15, 2007, through March 15, 2007, its written proposals for such successor Memorandum of Understanding with the exception of Union's salary proposals, which shall be presented to Management no later than April 1, 2007. Meet and confer sessions shall begin no later than thirty (30) calendar days following the receipt of Union's request for such meetings.

ARTICLE 24 TIME OFF FOR ORAL AND WRITTEN PROMOTIONAL EXAMINATIONS

Employees shall be granted reasonable time off with pay for the purpose of taking oral promotional examinations when such examinations are given by the City and scheduled during the employee's normal working period; provided, however, that each employee entitled to such time off with pay shall give reasonable advance notice to his/her supervisor. Such time off with pay shall include travel time.

Management agrees that any employee covered by this MOU, who may be assigned to work on a day that a written promotional examination is administered by the Personnel Department, and for which an employee has applied, shall be given priority in the scheduling of days off for that day.

ARTICLE 25 SHIFT DIFFERENTIAL

Notwithstanding the provisions of Note N of Schedule A of Section 4.61 of the LAAC, any employee who is assigned a work schedule that ends at 9:00 p.m. or later shall receive for each such day worked salary at the second premium level rate above the appropriate step rate of his/her salary range. The procedure for the payment of adjusted compensation for work performed under the provisions of this Article shall be in accordance with Sections 4.72, 4.74 and 4.75 of the LAAC.

ARTICLE 26 VACATIONS

Management's present practices with regard to vacations will be continued during the term of this Memorandum of Understanding. Such practices shall be in accordance with Sections 4.244-4.256 of the LAAC.

Each employee in this unit who has completed his/her qualifying year shall be entitled to the following number of vacation days with full pay, based on the number of years of City service completed, accrued and credited at the rates indicated:

Years of Service Completed	Number of Vacation Days	Monthly Accrual Rate In Hours/Minutes
1	11	7.20
5	17	11.20
13	18	11.20
14	19	11.20
15	20	11.20
16	21	11.20
17	22	14.40
18	23	14.40
19	24	16.00
25	25	16.40

At the completion of the fifth year of City service, employees receive 48 additional hours of vacation as a lump sum. At the completion of each year from the thirteenth through nineteenth year, and at the completion of the twenty-fifth year of City service, employees receive eight additional hours of vacation as a lump sum.

Vacation Accrual During Active Military Service

Employees called into active military service following their qualifying year of service for vacation shall continue to accrue vacation during their military service, subject to the same maximum accrual requirements as active City employees. To avoid reaching maximum

accrual during an extended leave, employees may request cash payment of vacation hours accrued as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of the accrued time. The request shall be made prior to the employee's first day of their leave of absence and shall be accompanied by orders or other evidence of entry into the armed forces of the United States. If an employee desires to cash out vacation during the period of the military leave, a signed authorization must be provided by the employee to his/her Department Personnel Section prior to the start of the leave allowing the Department to cash out specified amounts of vacation.

ARTICLE 27 VACATION SCHEDULES

Vacations will be scheduled in accordance with Section 4.250 of the LAAC and as far in advance as possible. Consideration shall be given to the efficient operation of the department, office or bureau, the desires of the employees, and seniority in grade of the employees represented herein.

ARTICLE 28 BILINGUAL DIFFERENTIAL

Management's present practices with regard to premium pay for employees required to use a language other than English will be continued during the term of this Memorandum of Understanding. Such practices of additional compensation for employees required to use a language other than English shall be in accordance with Section 4.84 of the LAAC.

Such compensation shall be retroactive to the employee's first day in a bilingual position. However, such compensation shall not be paid unless the employee has been properly certified in accordance with the provisions of Section 4.84 of the LAAC.

ARTICLE 29 SIGN LANGUAGE PREMIUM

Any qualified employee who is covered by the provisions of this Memorandum of Understanding and is requested by the Communications Assistance Center to utilize sign language shall receive compensation equal to the first premium level rate above the appropriate step rate of the salary range prescribed for his/her class for each business day the skill is used. Such practices of additional compensation shall be in accordance with Section 4.84.1 of the LAAC.

ARTICLE 30 CIVILIAN MODIFIED FLEXIBLE BENEFITS PROGRAM

During the term of this MOU, the City will provide benefits in accordance with the Civilian Modified Flexible Benefits Program (hereinafter Flex Program) and any modifications thereto as recommended by the Joint Labor-Management Benefits Committee and approved by the City Council.

If there are any discrepancies between the benefits described herein and the Flex Program approved by the Joint Labor-Management Benefits Committee, the Flex Program benefits will take precedence.

Section I - Health Plans

The health plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with LAAC Section 4.303.

Effective January 1, 2004, Management agrees to contribute a monthly sum not to exceed \$680.02 per month per full-time employee, effective the beginning of the pay period in which the Kaiser yearly premium rate change is implemented, toward the cost of a City-sponsored health plan for employees who are members of the Los Angeles City Employees' Retirement System (LACERS).

Effective January 1, 2005, Management agrees to contribute for each full-time employee who is a member of LACERS a subsidy equal to the cost of his/her medical plan, not to exceed \$747.40.

Management will apply the subsidy first to the employee's coverage. Any remaining balance will be applied toward the coverage of the employee's dependents under the plan.

During the term of this MOU, Management's monthly subsidy for full-time employees shall increase by the increase in the Kaiser Permanente family rate. Increases in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Management agrees to contribute for each half-time employee, as defined by Article 49 of this MOU, who became a member of LACERS following July 24, 1989, and for each employee who transfers from full-time to half-time status following July 24, 1989, a monthly subsidy not to exceed \$261.54, effective January 1, 2004. Half-time employees who, prior to July 24, 1989, were receiving the same subsidy as full-time employees shall continue to receive that subsidy and shall be eligible to receive any increases applied to that subsidy as provided in this Article.

Effective January 1, 2005, Management agrees to contribute for each half-time employee a monthly subsidy not to exceed \$287.46 per employee.

During the term of this MOU, Management's monthly subsidy for half-time employees shall increase by the increase in the Kaiser Permanente single-party rate. Increases in this monthly subsidy shall be effective at the beginning of the pay period in which the Kaiser Permanente yearly premium rate change is implemented.

Any employee who was receiving a full health subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy and shall be subject to any adjustments applied to that subsidy as provided in this Article. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989, shall be subject to the partial subsidy provisions in this Article.

Employees who transfer from full-time to half-time under the provisions of Article 51, Family and Medical Leave, shall continue to receive the same subsidy as full-time employees and shall be subject to any adjustments applied to that subsidy as provided in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Health Plans.

Section II - Dental Plans

The dental plans offered and benefits provided by those plans shall be those approved by the City's Joint Labor-Management Benefits Committee and administered by the Personnel Department in accordance with LAAC Section 4.303.

Management will expend for full-time employees in the classifications listed in this Unit, who are members of LACERS, the monthly sum necessary to cover the cost of the employee-only coverage under the City-sponsored Dental Plan Program. Coverage for dependents of eligible employees may be obtained in a City-sponsored plan at the employee's expense, provided that such sufficient enrollment is maintained to continue to make such coverage available.

For each half-time employee, as defined by Article 49 of this MOU, who becomes a member of LACERS and for each employee who transfers from full-time to half-time status following July 24, 1989, Management will expend an amount equivalent to one-half of the cost of the employee-only coverage of the most expensive plan under the City-sponsored Dental Program. Half-time employees who, prior to July 24, 1989, were receiving the full employee-only subsidy shall continue to receive the full employee-only subsidy.

Any employee who was receiving a full employee-only dental subsidy as of July 24, 1989, in accordance with this Article, who transfers to half-time status following that date shall continue to be eligible for the full subsidy. This provision shall apply providing that such employee does not have a break in service subsequent to July 24, 1989. Any half-time employee with a break in service after July 24, 1989 shall be subject to the partial subsidy provisions in this Article.

Further, any half-time employee receiving either a full or partial subsidy in accordance with this Article who, subsequent to July 24, 1989, becomes an intermittent employee shall not be eligible for such subsidy, notwithstanding his/her status as a member of LACERS.

During the term of this MOU, the Joint Labor-Management Benefits Committee will review all rate changes and their impact on the Dental Plans.

Section III - Definition of Dependent

The definition of a dependent shall include the domestic partner of an employee and the dependents of such domestic partner. Any employee claiming a domestic partner and/or the dependents of such domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership.

By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the dependents of such domestic partner.

Section IV - General Provisions

An open enrollment period of at least 30 days shall be declared by the Personnel Department each year. During this open period, employees may enroll themselves and, at their option, their dependents in the City-sponsored plan. Employees who fail to enroll during this open period will be ineligible to participate in a City-sponsored plan unless another open enrollment period is subsequently declared by the Personnel Department. Management will retain all duties and responsibilities it has had for the administration of the City's Health and Dental Plans.

Section V - Subsidy During Family and Medical Leave

For an employee who is on family or medical leave, under the provisions of Article 51 of this MOU, Management shall continue the City's medical and dental plan subsidies. Employees shall be eligible for such continued subsidy for a maximum of nine (9) pay periods from the qualifying date of the family or medical leave, including the paid and the unpaid portions of the leave. The continuation of the subsidies will be provided only under the following conditions:

- A. The employee shall have been employed continuously by the City for a one-year period prior to the beginning of the leave.
- B. The employee shall have been enrolled in a City health plan prior to the beginning of the leave to continue the health plan subsidy. The employee shall have been

Dependents may be added only within 30 days of becoming dependents or during the City's annual open enrollment period.
- E. In accordance with the Family and Medical Leave Act of 1993 (FMLA), employees on unpaid family or medical leave shall not be required to repay the City subsidy (1) upon return to work, or (2) if they terminate City employment following the leave due to a continuing serious health problem or other extenuating circumstances beyond the control of the employee. Should an employee fail to return to work for any other reason, then he/she shall be required to reimburse the City for the subsidy provided during the unpaid portion of his/her leave. Such reimbursement shall be deducted from any compensation owed to the employee upon termination of City employment.

Harbor Department – Port Pilot Dispatchers

Regular Hours of Work

Effective the first full payroll period following the approval of this MOU by the City Council, the Union and Management agree that, pursuant to FLSA Section 7(b)(2) [29USC §207(b)(2)] (see Appendix H), the Harbor Department may elect to employ Senior Clerk Typists assigned to the Port Pilot Dispatcher positions to work a 52-week work period. Such employees will work no more than 2,240 hours in any 52 consecutive week period beginning July 1 and ending June 30.

ARTICLE 33 OVERTIME

A. Assignment of Overtime

Management will attempt to assign overtime work as equitably as possible among all qualified employees in the same classification, in the same organizational unit and work location. In the assignment of overtime under this provision, however, Management may consider special skills required to perform particular work. The parties understand that no employee shall work overtime without prior approval from his or her supervisor and that unofficial overtime “white time” is absolutely prohibited; all hours worked by employees in this Unit shall be recorded on their time sheet. Employees in this Unit may not work outside of scheduled working hours, or during unpaid meal periods, without the prior approval of a supervisor consistent with department policy. Failure to secure prior approval may result in discipline.

B. Non-emergency Overtime

Whenever Management deems it necessary to perform non-emergency work on an overtime basis, employees required to work will be given at least forty-eight (48) hours notices whenever possible.

C. Rate and Method of Overtime Compensation

Compensation for overtime for employees in this Unit shall be for all hours worked in excess of 40 hours in a workweek including all absences with pay authorized by law. All employees in this Unit shall be compensated in time off at the rate of one and one half (1½) hours for each hour of overtime worked or in cash at one and one-half times the employee’s regular rate of pay, at the discretion of Management.

D. Compensated Time Off

Employees may, subject to Management discretion, be permitted to accumulate up to 80 hours of compensatory time off (CTO). On occasion, employees may accumulate CTO in excess of 80 hours for a temporary period of time. If an

employee does not schedule and take CTO over 80 hours prior to the end of the fiscal year, Management may require employees to use CTO prior to the end of the fiscal year; require employees to use such time in lieu of vacation (unless the mandatory use of CTO would result in the loss of vacation accumulation) or other leave time; or authorize cash payment. In the event sufficient funds are not available to provide cash compensation for all or a portion of the CTO hours in excess of 80, Management may extend the time limit for a period not to exceed one year.

In accordance with FLSA, no employee shall lose CTO. An employee who has requested the use of CTO must be permitted by Management to use such time within a reasonable time period after making the request unless the use of the CTO within a reasonable period unduly disrupts the operations of the City department. This standard does not apply to non-FLSA overtime (i.e. overtime earned pursuant to this agreement that does not meet the FLSA definition of overtime).

Under no circumstances shall compensated time off (CTO) in excess of 240 hours be accumulated.

E. **1040/2080 Plan**

Management reserves the right to develop 26 week/1040 hour or 52 week/2080 hour work periods under FLSA Section 7(b) [29 USC §207(b)(1) and (2)] during the term of this MOU for the purpose of increasing scheduling flexibility. Implementation of this work schedule is subject to agreement by the parties.

F. **Police Department - Police Service Representative (PSR) Only**

1. 2080 Plan (Deployment Period)

Pursuant to FLSA Section 7(b)(2) [29 USC §207(b)(2)] (see Appendix H), the Police Department may elect to employ Clerical Unit employees known as PSR's, Code 2207-1-2-3, for no more than 2240 hours in any 52 consecutive week period beginning January 1 and ending December 31. In accordance with Section 7(b)(2) and notwithstanding LAAC Sections 4.113-4.116, compensation for overtime worked, whether in cash or compensatory time off, will be paid after an employee has worked one hundred and sixty (160) hours during such deployment period, excluding overtime work, but including all absences with pay authorized by law.

2. Police Service Representative

If Management is aware that any employee(s) in the class of Police Service Representative, Code 2207-1-2-3, will be required to "hold over" at the end of watch to work overtime, and Management has this knowledge for more than two hours before end of watch and fails to provide at least two hours

notification before end of watch to the Police Service Representative(s) who is/are required to work the overtime, then said Police Service Representative(s) will receive the sum of twenty dollars (\$20) in addition to all other compensation.

G. Harbor Department – Port Pilot Dispatchers Only

2080 Plan

In accordance with FLSA Section 7(b)(2) and notwithstanding the above and LAAC Sections 4.113 - 4.116, overtime compensation for these employees shall be in time off at the rate of one and one-half hours for each hour of overtime worked or in cash at one and one-half times the employee's regular rate of pay, at the discretion of management. FLSA overtime shall be paid in accordance with FLSA Section 7(b)(2) [29 USC §207(b)(2)] (see Appendix H) for all hours worked. Compensation for MOU overtime shall be for all hours worked in excess of 80 hours in a pay period including all absences with pay authorized by law and less FLSA overtime.

ARTICLE 34 TRAVEL ALLOWANCE

Section I

Notwithstanding Section 4.222 of the LAAC, whenever an employee is required to travel directly between his/her home and place of temporary assignment, as provided in Section 4.221 of the LAAC, he/she shall receive payment at the rate of two dollars (\$2.00) for each day that such travel occurs. Effective July 1, 2005, the rate shall increase to three dollars (\$3.00) for each day that travel occurs. The parties agree that all other provisions of Section 4.220 - 4.226 of the LAAC, which relate to payment for travel of certain employees from their homes to temporary job locations remain unchanged.

Section II

Notwithstanding Section 4.22.1 of the LAAC, whenever an employee is required to travel from one job site to another within a workday, he/she shall receive payment at the rate of two dollars (\$2.00) for each day that such travel occurs. Effective July 1, 2005, the rate shall increase to three dollars (\$3.00) for each day that travel occurs.

Section III

Where an employee qualifies under both Sections I and II above, such employee shall be entitled to receive three dollars (\$3.00) per day. Effective July 1, 2005, the rate shall increase to four dollars (\$4.00) per day.

ARTICLE 35 SICK LEAVE BENEFITS

Management's practices with regard to sick leave benefits will be continued during the term of this Memorandum of Understanding. Such practices shall be in accordance with Sections 4.126, 4.126.2, and 4.128 of the LAAC.

A. Preventive Medical Treatment

Notwithstanding Section 4.126(d) of the LAAC, twenty-four (24) hours of one hundred percent (100%) sick leave may be used to secure preventive medical treatment for the employee and for the members of the employee's immediate family.

B. Sick Leave Benefit - Part-Time Employees

Half-time employees as defined by Article 49.1.A. of this Memorandum of Understanding must complete a period of six consecutive months of service, and have been compensated for at least 500 hours before qualifying for sick leave. Upon completion of said qualifying period, a half-time employee will be allowed sick leave prorated on the basis of total number of hours scheduled in relationship to the total number of hours required for full-time employment.

Intermittent employees as defined by Article 49.1.B. of this MOU shall not be entitled to accrue or use sick leave benefits.

When a full-time or half-time employee becomes an intermittent employee, all accrued and accumulated sick leave for which he/she has been credited shall remain credited to the employee but frozen in the amounts so accrued and accumulated without increase or decrease because of the change in work schedule. Such benefits may only be used if the employee becomes a half-time or full-time employee.

An intermittent employee who becomes a full-time or half-time employee, who has not previously qualified for sick leave benefits as a full or half-time employee, shall be required to complete the six month qualifying period and to have been compensated for at least 500 hours in accordance with this Article.

C. Sick Leave Benefit for Pregnancy

Every full-time and half-time employee in any Department of the City shall be entitled to use sick leave accrued pursuant to this Article if that employee is unable to work on account of her pregnancy, childbirth or related medical conditions.

D. Discontinuance of 50% Sick Leave

Beginning January 1, 1998, employees shall be allowed 12 working days leave at full pay and five working days at 75% of full pay each calendar year plus the days of sick leave accrued and accumulated as provided herein. As of January 1, 1998, any unused balance of sick leave at 50% of full pay shall be frozen with no further credits or withdrawals permitted.

If an employee becomes separated from the service of the City by reason of retirement on or after January 1, 1997, any balance of accumulated sick leave at 50% of full pay remaining unused at the date of separation shall be compensated by cash payment at 25% of the employee's salary rate current at such date of separation. In no instance will an employee be compensated more than once for accumulated full pay sick leave and 50% sick leave upon retirement.

ARTICLE 36 FAMILY ILLNESS

Management's present practices of allowances for leave for illness in family will be continued during the term of this Memorandum of Understanding. The aggregate number of working days allowed in any one calendar year with full pay shall not exceed twelve (12) days. Such practice of allowance for leave for illness in family shall be in accordance with Section 4.127 of the LAAC. Upon the adoption of a child, an employee will be permitted to use twelve (12) days of family illness sick leave.

The definition of "immediate family" shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, foster child, grandparents, grandchild, step-parents, step-children of any employee of the City, the domestic partner of the employee, a household member (any person residing in the immediate household of the employee at the time of the illness or injury) and the following relatives of an employee's domestic partner: child, grandchild, mother, father.

Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership with a named domestic partner. No affidavit is required to secure family illness benefits arising from the illness or injury of a household member (any person residing in the immediate household of the employee at the time of the illness or injury). By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or to imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the employee's household members, or to any other person.

ARTICLE 37 BEREAVEMENT LEAVE

Management's present practices with regard to allowances for leave because of family deaths will be continued during the term of this Memorandum of Understanding. Such practices of allowances for leave because of family deaths shall be in accordance with Section 4.127.1a-d of the LAAC. Upon the approval of department management, an employee will be allowed leave with pay for a maximum of three working days for each occurrence of a death in the employee's immediate family.

For the purposes of this Article, the definition of an immediate family member, as defined in Section 4.127.1 of the LAAC, shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, grandparents, grandchildren, step-parents, step-children, great-grandparents, foster parents, foster children, a domestic partner, any relative who resided in the employee's household, a household member (any person residing in the immediate household of the employee at the time of death) and the following relatives of an employee's domestic partner: child, grandchild, mother, father. For purposes of this Article, simultaneous, multiple family deaths will be considered as one occurrence.

Intermittent employees as defined by Article 49.1.B. of this MOU shall not be entitled to compensated leave because of family deaths.

Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership with a named domestic partner. By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or to imply any other unspecified benefits to such employee, or to the employee's domestic partner, or to the employee's household members, or to any other person.

In addition to the bereavement leave granted under this Article, upon the approval of the appointing authority, any employee who has accrued unused sick leave at full pay shall be allowed sick leave with full pay not to exceed two working days per occurrence for the purpose of bereavement leave if it is necessary for the employee to travel a minimum of 1,500 miles one way, as calculated by the Automobile Association of America (AAA). Employees requesting the use of sick leave under this provision shall furnish satisfactory proof to the appointing authority of the distance traveled. Use of sick leave hours for bereavement leave shall not be counted as sick leave in any department Sick Leave Use Monitoring Program.

ARTICLE 38 MILITARY LEAVE

Management's present practices with regard to military leave with pay will be continued during the term of this Memorandum of Understanding. Such practices shall be in accordance with Section 4.123 of the LAAC.

For employees hired January 1, 1983, and thereafter, the Beta Retirement Formula and a flat-rated employee retirement contribution of six percent (6%) shall be continued.

B. Procedure for Benefits Modifications

Proposals for major retirement benefit modifications will be negotiated in joint meetings with the certified employee organizations whose memberships will be directly affected. Agreements reached between Management and organizations whereby a majority of the members in the LACERS are affected shall be recommended to the City Council by the CAO as affecting membership of all employees in the LACERS. Such modifications need not be included in the MOU in order to be considered appropriately negotiated.

Proposals for minor benefit modifications and technical changes will be considered and reported on as appropriate, but no more than once a year, in a report from the CAO to the City Council. Affected organizations shall be given the opportunity to review the proposed minor changes prior to the release of the report, and their views shall be included in the report.

If agreement is not reached between Management and the organizations representing a majority of the members in the LACERS as to whether a particular proposal constitutes either a major or a minor modification, the proposal shall be treated as a major modification.

C. Half-Time Employees

1. Half-time employees in this Unit eligible for membership in LACERS shall, upon written request to the appointing authority, be certified as LACERS members upon appointment, or anytime thereafter. During the term of this MOU, the cents per mile reimbursement rate shall be in accordance with an amount equal to the annual standard car mileage allowance as determined by the Internal Revenue Service. The City Administrative Officer shall certify to the Controller appropriate changes, if required, to become effective the beginning of the pay period in which January 1 falls.

ARTICLE 41 OBLIGATION TO SUPPORT

The parties agree that prior to the implementation of this Memorandum of Understanding and during the period of time it is being considered by the Mayor, City Council, Council Committees and the heads of those departments represented herein for action, neither Union nor Management, nor their authorized representatives, will appear before the Mayor, City Council, Council Committees or said department heads, nor meet with the Mayor, members of the City Council or said department heads individually to advocate any addition or deletion to the terms and conditions of this Memorandum of Understanding. However, this Article shall not preclude the parties from appearing before the Mayor, City Council, Council Committees or department heads nor meeting with individual members of the City Council or department heads to advocate or urge the adoption and approval of this Memorandum of Understanding.

ARTICLE 42 PROVISIONS OF LAW AND SEPARABILITY

It is understood and agreed that this Memorandum of Understanding is subject to all applicable Federal and State laws, City ordinances and regulations, the Charter of the City of Los Angeles, and any lawful rules and regulations enacted by the City's Civil Service Commission, Employee Relations Board, or the Library Commission. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State, or local law or regulations, or is otherwise held to be

The parties understand that many of the employees covered by this Memorandum of Understanding may also be covered by the Fair Labor Standards Act of 1938, as amended, 29 U.S.C. Section 201 et seq. The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation of Memorandum of Understanding, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on July 1, 2004. This Memorandum of Understanding shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2007.

Notwithstanding the above, the provisions of this MOU shall remain in effect until a successor MOU is implemented or impasse proceedings are completed as long as the parties have met their obligations under the provisions of Article 23, Calendar for Successor Memorandum of Understanding, to their mutual satisfaction and are continuing to meet and confer in good faith.

It is mutually understood that each employee whose class is listed in Appendices A through D and who is a member of LACERS, will be enrolled in the Union's life insurance and optical programs.

A. Basic Compensation

An employee, at the employee's option, may report to court when subpoenaed or remain on call. If the employee elects to appear in court, the division supervisor must be notified, at the latest, one administrative day prior to the scheduled court appearance. If the employee wishes to remain on call, the employee must be able to appear in court not more than one hour after being notified that the employee's appearance is required in court. 1. An off-duty employee shall receive a minimum of two (2) hours overtime compensation for any court day he/she is subpoenaed to be on call or required to appear.
2. An off-duty employee shall receive hour-for-hour overtime compensation for each additional hour of actual attendance in excess of the two (2) hour minimum provided for in Paragraph A (1) above, with the following noontime recess exceptions:

Note: An employee shall not receive court on call overtime compensation and hour-for-hour overtime compensation for the same time period.

B. Multiple Cases

An off-duty employee who receives morning and afternoon subpoenas for separate cases on a court day shall receive overtime compensation as in Paragraph A(1) above, for each case for a total of four (4) hours. In addition, he/she shall receive

hour-for-hour overtime compensation for each additional hour of actual court attendance in excess of two (2) hours.

C. Exceptions to the Two-Hour Minimum

1. Court appearances or on call status commencing two (2) hours or less before the employee's regularly assigned shift begins

Compensation will be for the actual time between the commencement of the court appearance or on call and the beginning of the employee's assigned shift with the same noon recess provisions as outlined in Paragraph A(2) above.

2. Court appearances commencing two (2) hours or less after the employee's regularly assigned shift ends

Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance with the same noon recess provisions as outlined in Paragraph A(2) above.

Compensation will be for the actual time between the end of the employee's assigned shift and the termination of the court appearance or on call status with the same noon recess provisions as outlined in Paragraph A(2) above.

Note: 1. Compensation for on call status shall not exceed two (2) hours.

Note: 2. Past practices relating to compensation for court appearances shall apply to all departments, offices or bureaus other than the Police Department.

During the term of this MOU, Management agrees to provide an appropriation of \$120,000 to the Personnel Department for the exclusive purpose of funding training programs for members of this Unit. 2. Cost of training will include, but not be limited to, instructor fees, training aids and materials, training site rentals, and other training-related costs;
3. Once contracts are signed for training, the necessary payments will be charged to this account;
4. Any leftover funds at the end of the MOU term will be encumbered for this special use;
5. The provisions of this article are not grievable;
6. Release time for employees to attend approved programs will be subject to departmental workload and operating needs.

ARTICLE 47 FEDERAL POLITICAL ACTION CHECK-OFF

During the term of this MOU, a payroll deduction will be continued by the Union for the purpose of allowing employees in this Unit to contribute towards the Union's federal election activities.

Said contributions shall be deducted by the Controller from twenty-four (24) biweekly payroll checks of each employee in this Unit who voluntarily consents to said contribution by submitting a payroll deduction card signed by the individual employee. Remittance of the amount of said deductions shall be sent to the Union by the Controller within thirty (30) working days after the conclusion of the month in which said deductions were deducted. Contributions shall be made payable as directed by the Union to the Political Action Committee, P.E.O.P.L.E., of the Union.

A fee of nine cents (\$.09) per deduction shall be assessed by the Controller for the processing of each payroll deduction taken. The Controller will deduct the aggregate amount of said fees on a biweekly basis.

It is agreed that neither any employee nor the Union shall have any claim against the City for any deductions made or not made, as the case may be, unless a claim of error is made in writing to the Controller within thirty (30) calendar days after the date such deductions were or should have been made.

ARTICLE 48 VDT OPTICAL PLAN

The City of Los Angeles and the All City Employees Association, Local 3090, AFSCME, AFL-CIO recognize that employees of this Unit who operate Video Display Terminal (VDT) equipment should have a complete eye exam by an optometrist trained in the VDT field.

The Union shall contract with a VDT Optical Plan provider. The service provider shall employ qualified professional staff to provide an optometric exam containing these elements:

1. Unaided Visual Acuity (letter chart test)
2. Refractive Findings (are glasses required?)
3. Corrected Visual Acuity (using glasses if required)
4. Amplitude Accommodation (fine focus)
5. Suppression (squint or "lazy eye")
6. Distance Muscle Balance (Maddox Rod)
7. One Metre Muscle Balance (Maddox Rod)
8. Near Muscle Balance (Maddox Wing)
9. Slit Lamp Biomicroscopy - For lens and lens capsule changes (cataracts, opacities, roughening, thickening)

The service provider shall also provide to each employee special glasses for VDT work, when necessary.

The Union shall have the responsibility to ensure that only the employees of this Unit who operate City VDT equipment shall be eligible for this optometric exam and the special glasses. Each eligible employee may be examined by the service provider only once every two years. The Union shall also have the responsibility to notify the employees of this Unit as to the availability of the VDT Optical Plan.

Thirty days after the effective date of this MOU, the City Controller will pay to the Union the sum of \$167,000 for fiscal years 2004-05 and 2005-06 to cover the cost of the VDT Optical Plan. The City Controller will pay the sum of \$91,000 on or about July 1, 2006 for fiscal year 2006-07 to cover the cost of the VDT Optical Plan.

The Union may expend a portion of these funds to contract for VDT ergonomics training for employees of this Unit. Any training to be provided must be approved by the Safety Administrator and the CAO. An employee may attend the training course on City time, subject to the approval of the supervisor.

The VDT Optical Plan shall perform an annual audit of its expenditures, to be conducted by an independent qualified CPA firm. The VDT Optical Plan shall provide copies of said audit report to the City Administrative Officer.

The VDT Optical Plan shall also provide an annual report listing the following information:

1. Names of City employees that were examined.
2. Social Security number of the employee.
3. Date of examination.

These reports shall be submitted to the City Administrative Officer by July 31, 2005, for the 2004-05 fiscal year, and by July 31, 2006, for the 2005-06 fiscal year. The payments made for the 2004-05, 2005-06 and 2006-07 fiscal years will be limited to funding the cost of VDT optometric exams, glasses and ergonomic training.

The Union agrees to indemnify, defend and hold harmless the City against all claims, demands, suits, including costs of suits and reasonable attorney fees, and/or other forms of liability arising from the implementation of these provisions and the operation of the VDT Optical Plan.

If, in the City's opinion, the Union and/or the VDT Optical Plan commits a major breach of the provisions of this agreement, the City may, at its discretion, discontinue further payments in support of the VDT Optical Plan. Reasons for discontinuing payments include, but are not limited to: (1) failure of the Union and/or the VDT Optical Plan to cooperate with the reasonable requests of City representatives regarding annual audit information; (2) failure of the Union to indemnify the City of any and all liability arising from the implementation of these provisions and from the operation of the VDT Optical Plan; or (3) failure of the Union and/or the VDT Optical Plan to comply with the restrictions placed on its operations by this agreement.

Any disputes between the parties concerning compliance with the provisions of this agreement, or the reasonableness of requests by City representatives, may be appealed to binding arbitration unless some other forum for resolution is agreed upon. The costs of any such appeal shall be shared equally by the Union and the City.

ARTICLE 49 PART-TIME EMPLOYMENT

Notwithstanding the provisions of Section 4.110 of the LAAC, the following provisions shall apply to part-time employees covered by this MOU.

General Provisions

1. Except as otherwise provided in Section 4.117 of the LAAC and in any Departmental Personnel Ordinances to the contrary, a work schedule of less than the number of

hours of full-time employment shall be considered part-time employment. The following categories of part-time employment are hereby defined:

- A. Half-time: Half-time employees are employees regularly assigned to a work schedule of half-time (1040 hours) or more in any calendar year, but less than full-time. Compensation shall be prorated on the basis of the total number of hours scheduled to be worked in relationship to the total number of hours required for full-time employment in the class of position. Benefits for such half-time employees provided in this MOU apply to these employees on a prorated basis.

Note: Only civil service half-time employees are eligible to work more than a half-time schedule in any calendar year.

- B. Intermittent: Intermittent employees are employees assigned to a regular or on-call work schedule of less than half-time of the available working time (less than 1040 hours) in a service year. Compensation as established in Appendices A through D of this MOU shall be considered full remuneration for intermittent employees defined by this Article. Employees who are compensated by the session and employees who hold more than one intermittent position concurrently, regardless of total number of hours scheduled, shall be considered intermittent employees.
2. It is hereby agreed that all part-time employees that are hired after July 24, 1989, into classifications in this bargaining unit shall be notified at the time of hire whether such appointment is half-time or intermittent. Half-time employees shall be advised of their eligibility for prorated benefits, and intermittent employees shall be notified that they shall not be entitled to benefits, except as described in paragraph 7b below.
3. It is understood that Management has the right to determine the work schedules and hours of all intermittent and half-time employees. However, when an employee has been working a consistent half-time or more work schedule, departments will provide reasonable opportunities for the employee to make up unpaid absences due to authorized leave or holidays in order to maintain half-time status. Such accommodation shall be subject to budgetary and workload considerations.
4. Any changes to sick leave, vacation, and holiday benefits for part-time employees contained in this MOU shall apply to employees hired subsequent to July 24, 1989. Intermittent employees receiving such benefits prior to July 24, 1989, shall be eligible to continue to receive them, as long as these employees retain their intermittent status without a break in service.

Benefits for Half-time Employees

5. Benefits of half-time employees are normally calculated on the basis of the number of hours an employee is regularly assigned to work. Civil service half-time employees may be assigned to work and be compensated for hours in excess of those regularly assigned. Such hours are referred to as extra-time hours. Half-time employees shall receive prorated benefits for extra-time hours under the following conditions:
 - A. Prorated extra-time benefits are additional sick and vacation leave for regular civil service half-time employees who are compensated in excess of their regularly assigned 1040 hours during the year but less than full-time. The year is defined as the Controller's 12-month W-2 calendar year.
 - B. Extra-time benefits shall only be calculated for employees who remain in half-time status for the entire year. Employees who change between half-time and full-time during the W-2 year shall not be eligible for extra-time benefits.
 - C. Employees shall not receive more than ninety-six (96) hours of 100% sick leave and forty (40) hours of 75% sick leave in any W-2 calendar year, regardless of status or number of hours worked.
 - D. In accordance with Administrative Code Section 4.254, employees are permitted to accumulate vacation not to exceed two (2) annual vacation periods, and all accumulated vacation not to exceed two (2) annual vacation periods, and all accumulated vacation leave in excess of such amount shall be deemed waived and lost. Employees will be notified of their extra-time vacation two pay periods prior to the actual accrual.

Employees who are awarded additional vacation time benefits as a result of extra-time worked will be responsible for the monitoring of their time. All awards in excess of maximum accumulation will be lost and cannot be reinstated.
 - E. All prorated sick and vacation leave benefits will be determined by reports prepared by the Controller's Office following the end of the Controller's W-2 calendar year. The implementation of all benefits will be subject to the receipt of the required reports from the Controller's Office to determine the appropriate benefits for all affected employees.
 - F. Extra-time benefits shall become effective upon the date the MOU is implemented. Under no circumstances will there be any benefits provided for extra-time hours worked prior to that date. Prorated extra-time vacation and sick leave benefits will not be awarded until the Controller has provided

sufficient documentation for the departments to verify extra time vacation and sick leave benefits.

6. Half-time employees who immediately prior to such appointment were on intermittent status, and who completed six consecutive months of City service and were compensated for less than 2,000 hours during the preceding two years, shall be allowed to carry over into the 100% sick leave bank up to a maximum of 16 hours of unused compensated personal time off (CPTO). Any unused CPTO in excess of 16 hours shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave and become eligible to use sick leave and holiday benefits at the appropriate prorated rate. Employees shall not be eligible to use vacation benefits until one year from their anniversary date. Their anniversary date shall be based upon the date they were designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment.

Benefits for Intermittent Employees

7. A. Intermittent employees, except those employees who are receiving benefits in accordance with Section 5f of this Article, shall be eligible to accrue compensated personal time off (CPTO) at a rate of 2.75 minutes for every hour compensated. Employees must complete a period of six consecutive months of City service and must have been compensated for at least 500 hours before qualifying to use the CPTO. This benefit may be used in no less than one-hour increments for the following:
- 1.) Sick leave;
 - 2.) Personal business, subject to approval of the supervisor;
 - 3.) Holidays assigned off. When a holiday falls on an employee's assigned schedule and the employee is not required to work on that holiday, an employee may request to use CPTO. If the qualifying employees choose not to use CPTO for the holiday, the employees may be allowed, subject to the approval of the supervisor, to adjust their work schedules and make up the time in full not later than the next succeeding payroll period.

CPTO may be accumulated for up to a maximum of 48 hours. Any time accumulated in excess of such amount shall be deemed waived and lost.

There shall be no payment of any form for unused personal time upon separation from City service for any reason.

Employees who hold more than one intermittent position concurrently shall be eligible to accrue CPTO in only one position. Employees should designate a primary employing department in writing with their primary and secondary employing departments and with the Controller's Office. If an employee fails to designate a primary employing department, the Controller's Office will designate the first department to hire the employee as the primary employing department. Employees may change their designated primary department during the Open Enrollment period of October 1 – 31. If an employee changes departments outside the Open Enrollment period, the Controller's Office will designate the first department to hire the employee as the primary employing department, unless the employee notifies the Controller's Office otherwise within 30 calendar days of the effective date of the change.

Employees who are paid per diem or by the session shall not be eligible to accrue CPTO.

7. B. Notwithstanding paragraph 2 above, an employee hired on an intermittent basis who, following two consecutive years of City service, has been compensated for 1000 or more hours during each of the two consecutive service years shall be considered a half-time employee and become entitled to qualify for prorated benefits provided to half-time employees. Upon designation as half-time under these circumstances, such employees shall be allowed to carry over into the 100% sick leave bank up to a maximum of 16 hours of unused CPTO. Any unused CPTO in excess of 16 hours shall be deemed waived and lost. Such employees shall immediately begin accruing vacation and sick leave, and become eligible to use vacation, sick leave and holiday benefits at the appropriate prorated rate. Their anniversary date shall be based upon the date they are designated as half-time employees. No such benefits shall be provided retroactively. This paragraph shall not preclude an appointing authority from changing an intermittent employee's status to half-time anytime following appointment to an intermittent position.

ARTICLE 50 SCHEDULE CHANGES FOR PERSONAL BUSINESS

Management may allow an employee time off with pay, not to exceed eight hours in any one payroll period for personal business (except for changes on the 9/80 day off or the split day) provided that such time off so allowed shall either be made up in full within the same workweek that time is taken or charged against the employee's accrued and unused vacation or overtime bank on an hourly basis. Employees on a FLSA 7(b) work period shall either make up this time in full within the same pay period that the time is taken (as long as hours worked do not exceed 56 hours in a workweek or 12 hours in a day) or charged against the employee's accrued and unused vacation or overtime bank on an hourly basis.

ARTICLE 51 FAMILY AND MEDICAL LEAVE

I. Authorization for Leave

Up to four (4) months (nine [9] pay periods) of family or medical leave shall be provided for the purpose of childbirth, adoption, foster care of a child, or serious health condition of an immediate family member (as defined in Article 36), upon the request of the employee, or the designation of Management in accordance with applicable Federal or State law, notwithstanding any other provisions of this MOU or the LAAC to the contrary.

An employee may take leave under the provisions of this Article if he/she has a serious health condition that makes him/her unable to perform the functions of his/her position.

Leave under the provisions of this Article shall be limited to four (4) months (nine [9] pay periods) during a twelve (12) month period, regardless of the number of incidents. A 12-month period shall begin on the first day of leave for each individual taking such leave. The succeeding 12-month period will begin the first day of leave taken under the provisions of this Article after completion of the previous 12-month period.

II. Definitions

The following definitions are included to clarify family relationships as defined in the Family and Medical Leave Act and the California Family Rights Act.

- A. Spouse means a husband or wife as defined or recognized under State law for purposes of marriage in this State.
- B. Domestic partner means a named domestic partner in a confidential affidavit declaring the existence of said domestic partner and signed by the City employee, which is on file in the Employee Benefits Office, Personnel Department.
- C. Parent means a biological, step-, adoptive or foster parent, an individual who stands or stood *in loco parentis* to an employee or a legal guardian. This term does not include parents "in law".
- D. Son or daughter means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

- E. Persons who are *in loco parentis* include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

III. Eligibility

- A. The provisions of this Article shall apply to all employees in this Unit in all City departments who have been employed by the City for at least 12 months and who have worked for at least 1,040 hours (half-time employees may include all compensated time off except IOD) during the 12 months immediately preceding the beginning of the leave.

Exception: In accordance with Pregnancy Disability Leave under the California Fair Employment and Housing Act (FEHA), on the first day of employment with the City, pregnant employees are eligible for six (6) weeks (three [3] pay periods) of leave if not disabled due to pregnancy and up to four (4) months (nine [9] pay periods) of leave if disabled due to pregnancy, inclusive of the aforementioned six-week, non-disability leave.

- B. Parents (including those who are domestic partners) who both work for the City may take leave under the provisions of this Article at the same time to care for a new child by birth, adoption or foster care of a child. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee. Spouses or domestic partners who both work for the City may take leave under the provisions of this Article at the same time to take care of a sick parent. However, the aggregate period of time to which both are entitled is limited to the time allowed for only one employee.

Each employee must notify his/her employing department at the time the leave is requested of the name and department of the other City employee who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitation for spouses or domestic partners does not apply to leave taken by one employee to care for the other who is seriously ill, or to care for a child with a serious health condition.

IV. Conditions

- A. The start of leave for a pregnant employee shall be:
1. During or after the employee's pregnancy where there is no disability, at the employee's discretion; or

2. At the beginning of the employee's pregnancy-related disability that a doctor certifies as necessary.
- B. The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may be granted prior to placement if an absence from work is required.
 - C. The start of a family leave for a serious health condition of a family member shall begin on the date requested by the employee.
 - D. The start of a leave for the employee's own serious health condition shall begin on the date requested by the employee.
 - E. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:
 1. Any period of incapacity or treatment connected with inpatient care in a hospital, hospice or residential medical care facility; or
 2. A period of incapacity requiring an absence of greater than three calendar days involving continuing treatment by or under the supervision of a health care provider; or
 3. Any period of incapacity (or treatment therefore) due to a chronic serious health condition: or
 4. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective; or
 5. Any absences to receive multiple treatments (including any period of recovery therefrom) by, or on referral by, a health care provider for a condition that likely would result in incapacity for more than three consecutive days if left untreated; or
 6. Any period of incapacity due to pregnancy or for prenatal care.
 - F. All leave granted under this Article shall normally be for a continuous period of time for each incident.

An employee shall be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the

employee is qualified that accommodates recurring periods of leave better than the employee's regular position. Employees who elect a part-time schedule shall receive prorated compensated time off benefits in accordance with Section 4.110 of the LAAC during the duration of their part-time schedule.

Intermittent leave or work on a reduced work schedule for the birth, adoption or foster care of a child shall only be permitted at the discretion of Management.

- G. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.
- H. In accordance with Pregnancy Disability Leave under the California FEHA, pregnant employees not disabled by pregnancy are entitled to six (6) weeks (three [3] pay periods) of leave. Employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four (4) months (nine [9] pay periods) of leave, inclusive of the aforementioned six-week, non-disability leave, with medical certification certifying the employee as unable to work due to a pregnancy-related condition. Pregnancy Disability Leave under the FEHA may be taken before or after the birth of the child. Pregnancy leave under the federal Family and Medical Leave Act shall run concurrently with Pregnancy Disability Leave under the FEHA, and must be concluded within one year of the child's birth.

In addition, employees (either parent) are also eligible for family leave ("bonding") under the California Family Rights Act, which shall be limited to four months (nine [9] pay periods) and must be concluded within one year of the child's birth. (The administration of such leave shall be in accordance with Section III.B. of this Article.)

- I. A personal leave beyond the four (4) month (nine [9] pay period) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
- J. Management has the right to verify the certification of a serious health condition by a health care provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
- K. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

V. Notice Requirements

A. Employee

When an employee requests family or medical leave, he/she must state the reason for the requested leave (e.g., childbirth, to care for an immediate family member with a serious health condition, etc.). When the necessity for a leave is foreseeable, the employee must provide at least 30 days notice. However, if the leave must begin in less than 30 days, the employee must provide as much advance notice as is practicable.

B. Management

In response to an employee's request for family or medical leave, Management shall indicate whether or not the employee is eligible for such leave, if such leave will be counted against the employee's annual family or medical leave entitlement, and any requirement for the employee to furnish medical certification. Management shall also notify an employee if it designates paid or unpaid leave as qualifying time taken by an employee as family or medical leave qualifying regardless of whether or not the employee initiates a request to take family or medical leave.

VI. Applicable Time Off

Employees who are granted leave in accordance with this Article shall take time off in the following order:

A. Childbirth (Mother)

1. Accrued sick leave (100% and 75%) or vacation for the entire period of disability that a health care provider certifies is necessary (including prenatal care or the mother's inability to work prior to the birth) may be taken at the employee's discretion.
2. For the non-disability portion of childbirth leave (before delivery or after ["bonding"]), accrued vacation available at the start of the leave shall be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.

6. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay period) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

B. Childbirth (Father or Domestic Partner), Adoption, Foster Care or Family Illness

1. Annual family illness sick leave up to twelve (12) days may be used at the employee's discretion. Such leave may be taken before or after the vacation described in 2 below.
2. Accrued vacation available at the start of the leave shall be taken. Such time must be used prior to the use of time under 3, 4, 5 and 6 below.
3. Accrued 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
4. Accrued 75% sick leave, following use of all 100% sick leave. The use of sick leave under this subsection is at the employee's discretion.
5. Unpaid leave.
6. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (No. 3 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay period) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

C. Personal Medical Leave

1. Accrued 100% sick leave may be used at the employee's discretion. Such leave may be taken before or after the vacation described in No. 3 below.

2. Accrued 75% sick leave may be used following use of all 100% sick leave at the employee's discretion. Such leave may be taken before or after the vacation described in No. 3 below.
3. Accrued vacation time.
4. Unpaid leave.
5. Accrued compensatory time off may be used at the employee's discretion, with management approval, after exhaustion of 100% sick leave (No. 1 above). However, FLSA compensatory time off shall not be counted against the employee's four (4) month (nine [9] pay period) family or medical leave entitlement. Therefore, any use of FLSA compensatory time off under this Section shall extend the employee's family or medical leave by the total amount of FLSA compensatory time off used.

(Note: An employee under A, B or C above may use compensatory time off after depletion of accrued sick leave and vacation to continue paid leave during the four-month family and medical leave period.)

VII. **Sick Leave Rate of Pay**

Payment for sick leave usage under VI.A, B and C shall be at the regular accrued rate of 100% or 75% as appropriate.

VIII. **Monitoring**

Management shall maintain such records as are required to monitor the usage of leave as defined in this Article. Such records are to be made available to the Union upon request.

It is the intent of the parties that the provisions and administration of this Article be in compliance with the Family and Medical Leave Act of 1993, the California Family Rights Act of 1993, and the Pregnancy Disability Leave provisions of the California Fair Employment and Housing Act.

ARTICLE 52 ACTING PAY ASSIGNMENT

A. **Absence at Higher Level Position**

Whenever Management assigns an employee to perform the full range of duties of a higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*) due to the temporary absence of the higher level incumbent, such employee shall become

eligible for additional compensation upon completion of a qualifying period of fifteen (15) consecutive working days in such assignment at his/her regular rate of compensation. Management shall not divide or alternate the assignment of higher level duties during the qualifying period. Such additional compensation shall begin on the 16th consecutive working day in such assignment. For employees assigned to a modified work schedule, such as 9/80 or 4/10, compensation shall begin on the next day following the completion of 120 consecutive hours of assignment.

Approved leave time off taken during a qualifying period shall extend the 15-day (or 120 hour) qualifying period by the length of absence. All other absences shall constitute a disqualifying break in the qualifying period requirement, necessitating the initiation and completion of a new qualifying period.

Each subsequent acting assignment following the employee's return to his/her regular assignment, shall require completion of a new qualifying period, except when Management reassigns the same employee to the same acting assignment due to the absence of the regular incumbent within the same fiscal year. In such cases, the employee shall become eligible for such compensation on the first day of the reassignment.

B. Vacant Higher Level Position

Whenever Management assigns an employee on a temporary basis to perform the full range of duties of a vacant higher level position (in a class for which the duties and responsibilities of the current class would provide qualifying experience for the higher level class*), such employee shall become eligible for additional compensation on the first day of said assignment. In the event that said assignment exceeds 30 consecutive calendar days, Management will initiate action to appoint a qualified employee to said position.

*Management will not assign higher level duties to an employee who does not meet the criteria.

C. Compensation

An employee qualifying for additional compensation as stated above shall receive salary at the second premium level above the appropriate step rate of the salary range prescribed for his/her class, for each day on duty (present for 50% or more of the work day) in an acting assignment. However, the maximum pay rate for such duty shall be limited to the top step of the salary range that has been established as compensation for the higher level position to which the employee has been assigned.

ARTICLE 53 SALARIES

- A. The parties to this Memorandum of Understanding jointly recommend to the City Council approval of the salary ranges set forth in Appendices A through D, Salaries.
- B. The salaries for employees within the Unit, as set forth in Appendix A, shall become operative July 1, 2004; and as set forth in Appendix B, shall become operative July 1, 2005; and as set forth in Appendix C, shall become operative July 1, 2006; and as set forth in Appendix D, shall become operative January 1, 2007.

ARTICLE 54 DISABILITY INSURANCE PROGRAM

During the term of this MOU, Management agrees to maintain a Disability Insurance Plan for employees who are members of the Los Angeles City Employee's Retirement System (LACERS), provided that sufficient enrollment is maintained to continue to make the plan available. The City's Joint Labor-Management Committee shall determine the benefits and provider of the plan.

Management shall expend for active employees of this unit who are members of LACERS the sum necessary to cover the cost of a basic disability insurance plan. Management shall also maintain a Supplemental Disability Insurance Plan, enrollment in which is at the discretion of each employee. The full cost of the Supplemental Disability Insurance Plan premiums shall be paid by the individual employees who enroll in the plan.

ARTICLE 55 DEPENDENT CARE REIMBURSEMENT ACCOUNT

During the term of this MOU, Management agrees to maintain a Dependent Care Reimbursement Account (DCRA), qualified under Section 129 of the Internal Revenue Code, for employees who are members of the Los Angeles City Employee's Retirement System (LACERS), provided that sufficient enrollment is maintained to continue to make the account available. Enrollment in the DCRA is at the discretion of each employee. All contributions into the DCRA and related administrative fees shall be paid by employees who are enrolled in the plan.

As a qualified Section 129 plan, the DCRA shall be administered according to the rules and regulations specified for such plans by the Internal Revenue Service.

ARTICLE 56 EMPLOYEE ASSISTANCE PROGRAM

Management will expend for employees who are members of the Los Angeles City Employee's Retirement System (LACERS), and their eligible dependents, the sum necessary to cover the cost of an Employee Assistance Program (EAP). The benefits and services of the EAP provider shall be determined by the City's Joint Labor-Management Benefits Committee.

ARTICLE 57 WORKERS' COMPENSATION

Management shall provide Workers' Compensation benefits in accordance with Section 4.104 of the LAAC, except that salary continuation payments during absences for temporary disability conditions shall be in an amount equal to the employee's regular biweekly, take-home pay at the time of incurring the disability condition. For purposes of this Article, take-home pay shall be defined as an employee's biweekly gross salary rate less the mandatory deduction for Federal and State income tax withholding and employee retirement contributions. The employee will be able to make adjustments in his/her voluntary deductions while on temporary disability leave but will not be able to change the amount normally deducted for State and Federal income taxes, unless the employee has changed those deductions to those which he/she is legally entitled to take within ten (10) days of the commencement of any disability leave, or within ten (10) days of any change in dependents.

ARTICLE 58 EXPANDED SERVICE HOURS - LIBRARY DEPARTMENT

The Library Department will expand hours of operation on an agency-by-agency basis and maintain the expanded hours in a manner consistent with the terms as set forth in the agreement. The resources that will be used on a system-wide basis may include, but not be limited to, agency regular staffing, use of substitutes, part-time employees working extra time, and the use of overtime for regular full-time employees. Under the expanded hours of service proposed for the Los Angeles Public Library, all Clerical and Support Services Unit employees will be required to work no more than a one-in-four rotation of Sunday work assignments, except for emergency situations.

It is the understanding of the parties to this MOU that the Sunday work shift shall normally consist of five hours of work and that full-time employees scheduled to work the Sunday shift shall be compensated for a full workday (8 hours). Employees who work the reduced 72 hours per pay period schedule for the purpose of this agreement shall be considered full-time employees. Part-time employees shall be compensated for only the hours that they work. Sunday compensation shall not be considered as a premium or bonus compensation, unless it results in overtime as defined in Article 33 of this MOU, and the employee's hourly rate shall not change as a result of the reduced hour shift. It is also understood that if an employee is required to work more than five hours on Sunday, no additional compensation for full-time employees will be provided, as long as the Sunday shift does not exceed eight hours.

The Board of Library Commissioners is committed to providing the fairest work schedules possible to its employees, while providing the highest level of public service possible with the resources available. However, notwithstanding any of the above stated terms and conditions, nothing contained in this MOU shall be construed to limit the Board or the Library Department's ability to adequately staff and provide public service at all of its agencies. Nor shall it be construed that, by entering into this agreement, the Board or the Department will relinquish any of its management rights to assign staff as required to serve

the needs of the City during the term of this MOU or after it has expired. Nor by this agreement shall it be construed that the Clerical and Support Services Unit has relinquished any of its rights under the City's Employee Relations Ordinance or applicable law during the term of this MOU or after it has expired.

ARTICLE 59 AMENDMENT OF MOU TO INCLUDE NEW CLASSES

Upon written notification from the CAO to the Controller, this MOU shall be amended to incorporate the class and salary of any class accreted to this bargaining unit after the adoption of the MOU.

ARTICLE 60 WORK SCHEDULES

Pursuant to FLSA, employees shall have a fixed workweek that consists of a regular recurring period of 168 consecutive hours (seven 24-hour periods) which can begin and end on any day of the week and at any time of the day. The designated workweek for an employee may be changed only if the change is intended to be permanent and not designed to evade overtime requirements of the Fair Labor Standards Act.

Management may assign employees to work a five/forty, four/ten, nine/eighty, or other work schedule. Employees may request modified work schedules, if such schedules are generally available in the employee's department/work group. Management may refuse such requests, or require employees to revert to a five/forty work schedule, provided the exercise of this right is not arbitrary, capricious or discriminatory. In the event Management's actions are shown to be arbitrary, capricious, or discriminatory before an arbitrator, the award of the arbitrator shall be to reverse the action of Management. However, the decision of the arbitrator shall be binding or advisory, in accordance with Article 19 (Grievance Procedure).

Employees on a nine/eighty modified work schedule shall have designated a regular day off (also known as a 9/80 day off) which shall remain fixed. Temporary changes to the designated 9/80 day off at the request of Management or the employee is prohibited unless it is intended for the employee to work additional hours (overtime).

ARTICLE 61 UNION RELEASE TIME

The appointing authority may grant to elected officers or appointed representatives of the Union time off for employee organization representation activities. No more than one employee in a Department or Bureau of the Department of Public Works unless approved by the CAO and affected departments, and no more than 4 employees for this MOU shall be allowed release time under this Article.

- A. The employee shall submit the request for release at least 21 calendar days prior to the effective release date, specifying the starting and ending dates of release.

- B. Release time shall be granted for a maximum of one year in any three-year period unless approved by the CAO and the affected departments.
- C. The employee shall be paid the employee's current salary by the City while the employee is performing these duties for the Union.
- D. Employees shall retain all of their existing benefits, including, but not limited to medical, dental, deferred compensation plan, retirement benefits and seniority accrual in their civil service class.
- E. The Union shall reimburse the City for all salary and benefits costs incurred as a result of release time, including but not limited to, vacation, sick leave, compensated time off, retirement, short-term disability, life insurance, medical, dental and workers' compensation. The benefits cost shall be based on the benefits rates established by the City Administrative Officer as contained in the City Budget in effect during the period of release time, and the cost of other benefits approved by the Joint Labor Management Benefits Committee that become effective during this period.
- F. Payment of any overtime worked while on release time shall be the responsibility of the Union.
- G. The Union shall make quarterly payments to the Controller of all reimbursable costs identified in Section E above.
- H. Employees on release time shall submit weekly timesheets signed by the employee and the Union (Executive Director or his/her designee) to their respective Departmental Personnel Officer specifying the number of hours worked and use of any sick leave, vacation time or compensated time off.
- I. Should an employee incur a work-related injury while on release time, he/she shall remain on release time with the Union during the period of injury-on-duty (IOD), or until the release time has ended, and shall continue to be counted in determining the 4 employee maximum, as provided for above. The Union will reimburse the City for all IOD and Workers' Compensation related costs.
- J. When the employee returns from release time, he/she shall return to his/her civil service classification and pay grade at the time of release.
- K. The employee must have passed probation in his/her current class to be eligible for release time.
- L. The Union shall indemnify, defend and hold the City and its officers and employees harmless against any and all claims, suits, demands or other forms of liability that might arise out of or result from any action taken by an employee in the service of the Union.

- M. The City Administrative Officer shall maintain a list of employees who have been approved for release time and the approved duration.

ARTICLE 62 FULL UNDERSTANDING

- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.
- B. Except as specifically provided for herein, the parties to this MOU, voluntarily and unqualifiedly waive their respective rights to meet and confer in good faith during the term of this MOU, with respect to any subject or matter covered herein, or with respect to any other matters within the scope of the meet and confer in good faith process. However, this Article shall not be deemed to preclude mutually agreed upon meet and confer in good faith sessions for the purpose of altering, waiving, modifying, or amending this MOU.

Notwithstanding the foregoing:

- C. No alteration, variation, waiver, modification or amendment of any of the Articles, terms or provisions requiring approval of the Council contained herein, shall in any manner be binding upon Union or Management unless and until jointly recommended in writing to the Council and approved and implemented in accordance with Article 2.
- D. The waiver of any breach, term or condition of this MOU by any party to this MOU shall not constitute a precedent in the future enforcement of all its Articles, terms and provisions.

ARTICLE 63 CONTINUATION OF MERIT PRINCIPLES

1. *Statement of Intent.* At the time of execution of this MOU, applications for special reorganization of the City of Los Angeles have been filed in regard to the San Fernando Valley and Harbor Area and are being processed by the Los Angeles County Local Agency Formation Commission ("LAFCO"). The completion of these proceedings could result in bargaining unit employees being transferred to another public entity during the term of this MOU (hereinafter referred to as "Transferred Employees"). Former California Government Code §56844.2 provides:

Status of public employees under special reorganization; Collective bargaining agreement; Retiree benefits; Representation

- (a) This section shall only apply to a special reorganization.

- (b) All public employees to which Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 applies shall continue to be deemed public employees of the original local agency or of the newly incorporated local agency for all the purposes of that chapter, including, but not limited to, the continuation and application of any collective bargaining agreement that applies to these employees, and all representational and collective bargaining rights under that chapter.
- (c) Any existing collective bargaining agreement shall remain in effect and be fully binding on the original local agency or on the newly incorporated local agency, and on the employee organizations that are parties to the agreement for the balance of the term of the agreement, and until a subsequent agreement has been established.
- (d) Any existing retiree benefits, including, but not limited to, health, dental, and vision care benefits, shall not be diminished.
- (e) Notwithstanding any other provision of law, an employee organization that has been recognized as the exclusive representative of local agency public employees affected by a special reorganization shall retain exclusive representation of the unit employees of the original local agency, or of the newly incorporated local agency.

In consideration of this provision of law, it is the intent of the parties to this MOU to provide in this article, to the extent permitted by law, that Transferred Employees will enjoy certain substantially similar civil service and other protections for the term of the MOU, as described in paragraph 2 below, as they would have enjoyed if they had not been transferred, without unduly constraining the operations of the new jurisdiction. In the event that this article, or any part of this article is found invalid or unenforceable by a court of competent jurisdiction, that event shall not affect the validity of enforceability of the other articles of this MOU. However, if any provision of this article is judicially determined to be invalid, said provision or part shall be deemed invalid and unenforceable but the remainder shall not be affected thereby.

2. *Merit Principles.* If a new jurisdiction that has become subject to this MOU pursuant to former California Government Code §56844.2 fails to adopt or enforce laws which provide, in substance for the employment principles listed below, or those laws do not remain in effect for Transferred Employees during the entire term of this MOU, the following provisions shall apply to Transferred Employees:

- A. Examinations: All appointments shall be based on merit. All candidates taking a competitive examination shall be given a score and placed in a rank based on the whole score. The appointing authority shall select from the top three ranks. Applicants who receive a passing score on the examination shall be given a 5% credit added to their whole score for military service, if such

persons have served in the armed forces of the United States during time of war or armed insurrection, or during any time when the United States engaged in active military operations against any foreign power, provided such person has been honorably discharged from active service during the five years preceding the examination. All candidates taking a competitive examination for promotion shall receive a credit for past service, the amount of which may be determined by the new jurisdiction prior to the examination.

- B. Probation: The probationary period for persons appointed in the class of Police Officer shall be eighteen months, measured from the commencement of recruit training. The probationary period for persons appointed in management classes shall be twelve months. The probationary period for persons appointed to entry level positions shall be six months, except that the new jurisdiction may establish a longer period, not to exceed 12 months, if the period is set in advance of the examination and after public hearing. The probationary period for all other non-entry level positions shall be six months, except that the new jurisdiction may establish a shorter period, if the period is set in advance of the examination and after public hearing.
- C. Transfer: An employee shall be allowed to transfer into an equal or lower paying class without further examination, provided he or she possesses the minimum qualifications and the capability of performing the required duties, in the following situations: (a) the employee is incapable of performing his or her duties because of injury, sickness, or disability; or (b) the employee has completed a probationary period.
- D. Layoffs: Any layoff shall be based on seniority in that the employee with the least amount of seniority within the class-group shall be laid off first. Seniority shall be calculated as including all service within the class-group plus any service in a higher class. Any employee laid off shall have the right to revert to a vacant position or displace ("bump") a person in a lower class-group if there are no vacant positions, provided the displacing employee has (a) prior service in the lower class-group and (b) greater seniority than the employee being displaced.
- E. Discipline: An appointing authority may suspend or discharge an employee but only for cause.
- F. Military Leave: An employee who leaves his or her position to serve in the armed forces of the United States shall be entitled to a leave of absence and, upon returning from military service, restoration to his or her position, subject to applicable state and federal law and as further provided by ordinance.

- G. Non-discrimination in benefits: There shall be no discrimination in the provision of employee benefits between employees with spouses and employees with domestic partners.

These provisions (A-G) shall be deemed to be modified to conform to Los Angeles City law in effect on the effective date of the special reorganization.

3. *Disputes*. The grievance procedure shall not apply to disputes concerning the interpretation or application of this article, unless any such dispute would be grievable by a Los Angeles City employee as a matter of law. The new city may directly and immediately incorporate the limitation in the preceding sentence into its Employee Relations Ordinance or Resolution. Such incorporation does not preclude the Union thereafter from seeking its modification or removal.
4. *No Waiver*. Except as provided in ¶3, this article shall not be construed as a waiver by the Union of any right it might have under law to meet and confer over the impact that any transfer of employees to another public entity may have on wages, hours, and other terms and conditions of employment.

The parties further agree that an economic emergency will be declared only after notifying the union. The declaration of an economic emergency shall not be subject to any grievance or arbitration procedure.

In the event the Mayor and Council declare an economic emergency the parties agree to immediately begin to meet and confer to address possible measures to help ameliorate the fiscal crisis. If, following a 90-day period, the parties are unable to reach agreement the meet and confer process shall be deemed to have been completed. The impasse shall then be presented to the City Council for final determination.

The parties further agree that if the economic circumstances of the City rapidly and dramatically improve, the City agrees to re-open the MOUs on economic issues to discuss possible enhancements, including wages. Specifically, if the City's reserve fund actual "Balance Available, July 1" (a combination of the Emergency Reserve and Contingency Reserve), as detailed in the Appendix III of the Budget Resolution prepared for the purpose of adopting a Budget for the City of Los Angeles, Reserve Fund Schedule, in any fiscal year during the term of this MOU reaches or exceeds \$275 million then the City will notify the Union and immediately begin to meet and confer. If, following a 90-day period, the parties are unable to reach agreement the meet and confer process shall be deemed to have been completed. The impasse shall then be presented to the City Council for final determination.
