1.0 ASSOCIATION RECOGNITION AND GENERAL PROVISIONS

ARTICLE 1.1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the City and applicable State law, the Los Angeles Fire Department Chief Officers Association (hereinafter referred to as "Association") was certified on February 17, 1977, by the Employee Relations Board as the majority representative of the City employees in the Fire Chief Officers Unit (hereinafter referred to as "Bargaining Unit"), previously found to be appropriate by the Employee Relations Board. Management hereby recognizes the Association as the exclusive representative of the employees in said Bargaining Unit, subject to the right of an employee to represent himself/herself. The term "employee," "employees," or "Chief Officer" as used herein, shall refer only to employees in the classifications listed in Appendix A, as well as such classes as may be added hereafter to the Bargaining Unit by the Employee Relations Board.

ARTICLE 1.2 IMPLEMENTATION OF MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU) constitutes a joint agreement of Management and the Association. It shall not be binding in whole or in part on the parties listed below unless and until:

1. The Association has notified the City Administrative Officer (CAO) in writing that it has approved this MOU in its entirety in the manner required by law; and
2. The administrative heads of those departments or offices represented herein have approved this MOU in the manner required by law; and
3. The City Council has approved this MOU in the manner required by law.

Where resolutions, ordinances or amendments to applicable codes are required, those Articles of this MOU which require such resolutions, ordinances or amendments will become operative on the effective date of the resolution, ordinance or amendment unless otherwise specified.

ARTICLE 1.3 OBLIGATION TO SUPPORT

The parties agree that prior to the implementation of this MOU and during the period of time it is being considered by the Mayor, Council, Council Committees, and heads of those departments represented herein for action, neither the Association nor Management, nor their authorized representatives, will appear before the Mayor, the Council, Council Committees, or said departmental heads, nor will the parties meet with the Mayor, members of the Council, or said department heads individually to advocate any addition or deletion to the terms and conditions of this MOU. However, this Article shall not preclude the parties from appearing before the Mayor, the Council, Council

Committees or department heads, nor from meeting with individual members of the Council or department heads, to advocate or urge adoption and approval of this MOU.

ARTICLE 1.4 PARTIES TO MEMORANDUM OF UNDERSTANDING

This MOU is entered into by the CAO, as authorized management representative of the Council, the authorized management representatives of the Los Angeles Fire Department (hereinafter referred to as "Management"), and the authorized representatives of the Los Angeles Fire Department Chief Officers Association, as the exclusive recognized employee organization for the Fire Chief Officers Bargaining Unit.

ARTICLE 1.5 PROVISIONS OF LAW AND SEPARABILITY

If any provision of this MOU or the application of such provision to any person or circumstance is ruled unlawful or in any way contrary to the City Charter or other applicable law by any Federal or State Court or duly authorized agency, the remainder of the MOU or the application of such provision to other persons or circumstances shall not be affected thereby.

ARTICLE 1.6 NON-DISCRIMINATION

The parties mutually recognize and agree that provisions of this MOU shall be applied equally to all employees in the Bargaining Unit without discrimination because of race, color, sex, sexual orientation, age, religious creed, Association activities, national origin, ancestry, marital status or disability.

ARTICLE 1.7 TERM

The term of this MOU shall commence on the date when the terms and conditions of its effectiveness, as set forth in Article 1.2, Implementation of Memorandum of Understanding, are fully met, but in no event shall said MOU become effective prior to 12:01 a.m. on July 1, 2009. This MOU shall expire and otherwise be fully terminated at 11:59 p.m. on June 30, 2010. By mutual agreement, the terms of this MOU may be extended.

ARTICLE 1.8 CALENDAR FOR SUCCESSOR MEMORANDUM OF UNDERSTANDING

In the event the Association or Management desires a successor MOU, said party shall serve upon the other during the period from March 1, 2010, through April 30, 2010, its written proposals for such successor MOU. Meet and confer sessions shall begin within fifteen (15) days following the receipt of the proposals.

ARTICLE 1.9 ASSOCIATION LIST

Management will provide the Association in writing, within ninety (90) days from the effective date of this MOU and each ninety (90) days thereafter, an alphabetized list of employees' names subject to this MOU, their employee number, class title, and location by payroll division, as applicable.

ARTICLE 1.10 PAYROLL DEDUCTIONS AND DUES

During the term of this MOU, Association dues and such other deductions as may be properly requested and lawfully permitted will be deducted by the City Controller biweekly in twenty-four (24) increments annually, from the salary of each employee in the Bargaining Unit who files with the City Controller a written authorization that such deductions be made. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Association by the City Controller within thirty (30) working days after the conclusion of the payroll period in which said dues and/or deductions were deducted.

A fee of nine cents (\$.09) per deduction shall be assessed by the City Controller for the processing of each payroll deduction taken. The City Controller will deduct the aggregate amount of said fees on a biweekly basis.

ARTICLE 1.11 ACTIONS BY THE EMPLOYEE RELATIONS BOARD

It is mutually understood that should any action(s) by the Employee Relations Board result in any significant changes to the composition of this representational unit, the parties to this MOU will meet as soon as possible thereafter to consider any revisions or amendments thereto that may be required.

ARTICLE 1.12 USE OF CITY FACILITIES

The Association may use City facilities on prior approval for the purpose of holding meetings to the extent that such facilities are made available to the public, and to the extent that such use of the facility will not interfere with normal City operations. Participating employees will attend said meetings on their own time.

It is understood that if the facility requires a fee for rental or special set-up, security, and/or cleanup service, the Association will provide or assume the cost of such service(s) or facility.

2.0 GRIEVANCES

ARTICLE 2.1 GRIEVANCE PROCEDURE

Section I - Definition

A grievance is defined as any dispute concerning the interpretation or application of a written MOU or of departmental rules and regulations governing personnel practices or working conditions. An impasse in meeting and conferring upon the terms of a proposed MOU is not a grievance.

Section II - Responsibilities and Rights

1. Nothing in this grievance procedure shall be construed to apply to matters for which a remedy is provided by provisions of Section 1060 of the City Charter. Where a matter within the scope of this grievance procedure is alleged to be both a grievance and an unfair employee relations practice under the jurisdiction of the Employee Relations Board, the member may elect to pursue the matter under either the grievance procedure herein provided, or by action before the Employee Relations Board. The member's election of either procedure shall constitute a binding election of the remedy chosen and a waiver of the alternative remedy.
2. No grievant shall lose his/her right to process his/her grievance because of Management imposed limitations in scheduling meetings.
3. The grievant has the responsibility to discuss his/her grievance informally with his/her immediate supervisor. The immediate supervisor will, upon a specific request of a grievant, discuss the grievance with him/her at a mutually satisfactory time. The grievant may be represented by a representative of his/her choice in the informal discussion with his/her immediate supervisor and in all formal review levels.
4. The steps and time limits between steps of the grievance procedure provided herein may be extended or waived only by mutual agreement except that the rank of the grievant may require that the defined steps be reduced as to number. In any event, Steps 1 and 4 will not be waived without mutual consent.
5. Management shall notify the Association of any formal grievance filed that involves the interpretation and/or application of the provisions of this MOU. The Association shall have the right to be present in each formal review level. The Association will be notified of the filing and resolution of all formal grievances.

Section III - Procedure

The grievance procedure for employees covered by this MOU shall be as follows:

Step 1 - Informal Discussion

Within fifteen (15) calendar days of presentation to the immediate supervisor, the grievant shall discuss his/her grievance with his/her immediate supervisor on an informal basis in an effort to resolve the grievance. Said grievance shall be considered waived if not so presented to the immediate supervisor within fifteen (15) calendar days following the day during which the event upon which the grievance is based occurred.

The immediate supervisor shall respond within fifteen (15) calendar days following the meeting with the grievant. Failure of the immediate supervisor to respond within such time limit shall entitle the grievant to process his/her grievance at the next step.

Step 2 - First Level of Review

If the grievance is not settled at Step 1, the grievant may serve written notice of the grievance on a form provided by the Department, to the Department Management Representative, either in person or by registered mail. This form must be completed and served within fifteen (15) calendar days of receipt of the grievance response at Step 1. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance. The Department Management Representative shall date and time-stamp the form and deliver one copy to the designated Chief Officer within the grievant's chain of command.

All forms shall contain clear and concise statements of pertinent information, with no attempt to expand or conceal facts.

If such written notice is served, said Chief Officer shall meet with the grievant and his/her representative, if any, within fifteen (15) calendar days of service. A written decision or statement of the facts shall be rendered within fifteen (15) calendar days (excluding weekends and holidays) from the date of the grievance meeting. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 3 - Second Level of Review

If the grievance is not settled at Step 2, the grievant may serve written notice of the grievance on a form provided by the Department, to the Department Management Representative, in person or by registered mail. The Department Management Representative shall date and time-stamp the form and deliver one copy to the appropriate Operations Deputy Chief who shall review the grievance at Step 3. Said notice must be served within fifteen (15) calendar days of receipt of the Step 2

grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, the Operations Deputy Chief shall meet with the grievant, and his/her representative, if any, within fifteen (15) calendar days of service. A written decision or statement of the facts shall be rendered within fifteen (15) calendar days (excluding weekends and holidays) from the date of the grievance meeting. Failure of Management to respond within such time limit shall entitle the grievant to process his/her grievance at the next level of review.

Step 4 - Third Level of Review

If the grievance is not settled at Step 3, the grievant may serve written notice of the grievance on a form provided by the Department, to the Department Management Representative, either in person or by registered mail. The Department Management Representative shall date and time-stamp the form and deliver one copy to the Fire Chief who shall review the grievance at Step 4. Said notice must be served within fifteen (15) calendar days of receipt of the Step 3 grievance response. Failure of the grievant to serve such written notice shall constitute a waiver of the grievance.

If such written notice is served, the Fire Chief shall meet with the grievant, and his/her representative, if any, and a written decision or statement of the facts and issues shall be rendered within fifteen (15) calendar days from the date of the grievance hearing.

Step 5 - Arbitration

If the written decision at Step 4 does not settle the grievance, the grievant and the Association may jointly file a written request for arbitration with the Employee Relations Board. The request for arbitration must be filed with the Employee Relations Board within fifteen (15) calendar days following the date of receipt of the Step 4 grievance response. Failure of the grievant and Association jointly to serve such written request within said period shall constitute a waiver of the grievance.

If such notice is served, the grievant and Management shall meet for the purpose of selecting an arbitrator from a list of seven arbitrators furnished by the Employee Relations Board, within seven (7) calendar days following receipt of said list.

- a. Arbitration of a grievance shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. The proceedings shall be conducted in accordance with applicable rules and procedures adopted or specified by the Employee Relations Board, unless the grievant and Management agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the grievant and Management, it being mutually understood that all other expenses including, but not limited to, fees for witnesses,

transcripts, and similar costs incurred by the grievant and Management during such arbitration, will be the responsibility of the party incurring same.

- b. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall be binding upon the grievant and Management.
- c. The decision of an arbitrator resulting from any arbitration of a grievance hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this MOU.

Section IV - Procedures Following a Board of Rights

Notwithstanding Section 4.865 of the Los Angeles Administrative Code, a grievance filed following a decision by a Board of Rights may be submitted for arbitration. The request for arbitration must be filed within fifteen (15) calendar days following the decision of the Board of Rights. Failure of the grievant to serve such written notice within said time period shall constitute waiver of the grievance.

ARTICLE 2.2 GRIEVANCE REPRESENTATION

The Association may designate a reasonable number of grievance representatives and will provide Management with a current list of such representatives.

Management recognizes the right of each employee represented herein to represent himself/herself, or to be represented by a representative of his/her choice in the presentation of a grievance in the informal discussion with his/her immediate supervisor and in all review levels.

The grievant and his/her representative may have a reasonable amount of paid time off for this purpose. However, said representative will receive paid time off only if he/she is a member of the same Bargaining Unit as the grievant and has been designated as a grievance representative.

Time spent on grievances outside of regular working hours of the grievant or his/her representative shall not be counted as work time for any purpose. Whenever a grievance is to be presented during the working hours of the grievant and/or his/her representative, only that amount of time necessary to bring about a prompt disposition of the grievance will be allowed.

ARTICLE 2.3 PERSONNEL FOLDERS

A Chief Officer shall be entitled to review the contents of his/her official departmental personnel folder during hours when the Personnel Services office is normally open for business. Such review shall not interfere with the normal business of the department.

Any member of the Association may designate a representative to review his/her departmental personnel folder, under the condition above, by signing a Designation and Release from Liability Form that will be provided by the Department.

ARTICLE 2.4 INVESTIGATION NOTIFICATION

Section I Notice of Investigation

Upon assignment as a Department Advocate, that officer shall apprise the concerned employee(s) that an official Department investigation involving that employee(s) has been initiated unless the Fire Chief, at his sole discretion, has determined that the charge is of such a nature and seriousness that, in the Fire Chief's opinion, it warrants placing the employee(s) under investigation without such notification being made. It is intended that instances of investigation without notification will not become common practice.

Section II Right to Representation

Management representatives, prior to conducting any investigatory interview with any employee covered by this MOU, shall inform the member of the nature of the interview. The management representatives shall also inform the member of his/her right to representation and shall grant the member a reasonable amount of time to obtain representation.

Section III Search and Seizure Procedures

Any locker, desk or other locked storage place used exclusively by an employee covered by this MOU, shall not be searched without consent of the member or without reasonable cause, except that:

- a. A search may be conducted without the member's presence providing that the member was given reasonable notice;
- b. A member may authorize a representative to be present as a witness if the member is unable to be present;
- c. A search may be conducted without the member's presence if the member refuses or fails to be present during said search;
- d. The member must be informed prior to the search as to the purpose of the search.

3.0 TIME OFF

ARTICLE 3.1 HOLIDAYS

- A. Each employee covered by this MOU shall receive thirteen (13) days off in lieu of holidays each fiscal year. These days off will be scheduled by the Fire Chief.
- B. Each employee assigned to Special Duty shall receive, in addition to the above, an additional one-half day holiday Christmas Eve (a.m.), and an additional one-half day holiday New Year's Eve (a.m.).
- C. Any Battalion Chief who works on one of the holidays specified below, shall receive, in addition to the employee's regular compensation for that day, \$7.50 per hour for each hour worked:

Thanksgiving
Christmas Eve
Christmas Day
New Year's Eve

Any Assistant Chief who works on one of the above specified holidays shall receive additional compensation of \$180 for the shift.

- D. Notwithstanding the above sections of this article, whenever a special holiday is declared by proclamation of the Mayor with concurrence of the Council, the Board of Fire Commissioners is hereby authorized to grant each employee a day off duty with full pay. Such day off thus granted shall be in addition to any other day off granted each employee under provisions of this MOU and may be allowed either on the same day that is declared a special holiday by the Mayor and the Council or on any subsequent day at the discretion of the Fire Chief.

ARTICLE 3.2 VACATIONS

Each member of the Bargaining Unit shall be entitled to sixteen (16) calendar days vacation annually with full pay. Each member, upon the completion of ten (10) years of service in the aggregate, shall be entitled to twenty-four (24) calendar days vacation annually with full pay and each member, upon the completion of thirty (30) years of service in the aggregate, shall be entitled to twenty-five (25) calendar days annually with full pay. On January 1 of each year, vacation time accrued during the previous year shall be credited to each member.

Subject to the approval of the Fire Chief, or his/her designee, any Bargaining Unit member who has served less than ten (10) years may be permitted to defer vacation, thereby accumulating unused vacation time to total not more than thirty-two (32) calendar days; any Bargaining Unit member who has completed ten (10) years of service in the aggregate may be permitted to defer vacation, thereby accumulating

unused vacation time to total not more than forty-eight (48) calendar days; and any Bargaining Unit member who has completed thirty (30) years of service in the aggregate may be permitted to defer vacation, thereby accumulating unused vacation time to total not more than fifty (50) calendar days.

The following provisions shall apply for the purpose of computing years of service in the aggregate in determining eligibility for calendar days vacation accrual:

- a. Any member shall be deemed to have been in the service of the Fire Department during any period of military service performed by the member if the member was entitled to reinstatement as a member of the Fire Department or Police Department after such military service and was, in fact, so reinstated.
- b. Service of a member prior to service retirement shall be counted if the member is reactivated pursuant to either Charter Section 1306 or Charter Section 1410.
- c. Service of a member prior to resignation from any department of the City shall be counted if the member resigned from that department and was reemployed in the Fire Department within seven (7) days following the effective date of the resignation and if the member is not eligible for a pension under the provisions of any applicable Fire and Police Pension Plans contained in the City Charter or the Administrative Code.

Any employee in this Bargaining Unit may elect to work and receive cash payment for all but one segment (or two weeks) of his/her vacation time during a calendar year.

Bargaining Unit members called into active military service (other than temporary military leave) shall continue to accrue vacation as other members of this Bargaining Unit during their military service, subject to the same maximum accrual requirements as other members of this Bargaining Unit. In order to avoid reaching a maximum accrual during an extended leave, employees may request cash payment of accrued but unused vacation time as of the date of the commencement of their military leave. Such request may be for all accrued time or a portion of their accrued time. The request for any cash payment must be made prior to the employee's first day of their leave of absence and verified by military orders or other evidence of call-up into the armed forces of the United States.

ARTICLE 3.3 SICK LEAVE BENEFITS

Management's present practice with regard to allowances for sick leave will be continued. Such practices of allowance for sick leave for current employees shall be in accordance with Section 4.176 of the Los Angeles Administrative Code.

An employee who becomes separated from the service by reason of retirement or death will be compensated for any balance of accumulated full pay sick leave remaining unused at the date of separation. Such compensation will be paid to the individual or

his/her estate by cash payment at fifty percent (50%) of the employee's salary rate current at the date of separation, except however, accumulated sick leave hours at full pay and the salary rate shall be computed on a platoon duty basis for employees in the ranks of Battalion Chief and Assistant Chief.

Notwithstanding the above provision, the City Council may, by resolution, authorize cash payment to the legal beneficiaries of a member of the Fire Department, who suffers a duty-related death, for the balance of the member's accumulated full-pay sick leave at 100% of the member's salary rate on the date of his/her death. In no instance shall a member or his/her beneficiaries be compensated more than once for accumulated sick leave upon retirement and/or death of the member.

Notwithstanding LAAC Section 4.176, employees shall be allowed to accumulate a maximum of 136 working days of sick leave at full pay. Payment for any unused sick leave will be made for hours in excess of 136 working days. The amount of payment will be in accordance with the provisions of LAAC Section 4.176 and this article.

Notwithstanding LAAC Section 4.176(e) any employee assigned to special duty may be allowed sick leave with full pay not to exceed an aggregate of sixteen (16) hours in any one calendar year for the purpose of securing preventive medical treatment.

ARTICLE 3.4 FAMILY ILLNESS

Upon the effective date of this MOU, each employee in this Bargaining Unit shall be entitled to the following family illness leave provisions:

1. Each employee who is absent from work by reason of the illness or injury of a member of his/her immediate family and who has accrued any unused sick leave at full pay shall be allowed a leave of absence with full pay not to exceed in the aggregate twelve (12) days in any one calendar year.
2. Each employee shall furnish, if required by the Fire Chief, satisfactory documentation to sufficiently justify the absence.
3. "Immediate Family" shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, stepchild, foster child, grandchild, current stepparent, domestic partner of the employee or other dependent residing in the employee's household (any person residing in the immediate household of the employee at the time of illness or injury) and the following relatives of an employee's domestic partner: child, grandchild, mother, father.
4. The aggregate number of days of absence for which pay may be allowed under this Article shall be included in the number of days for which sick leave with full pay is allowed.

5. Any employee claiming a domestic partner for purposes of this Article shall complete a confidential affidavit to be filed in the Employee Benefits Office, Personnel Department, which shall be signed by the City employee and the domestic partner, declaring the existence of a domestic partnership. No affidavit is required to secure family illness benefits arising from the illness or injury of a household member (any person residing in the immediate household of the employee at the time of the illness or injury). By extending to an employee the specific benefits defined by this Article, the City does not intend to confer or imply any other unspecified benefits to such employee, employees, or to the employee's domestic partner, or to the employee's household members, or to any other person.

ARTICLE 3.5 BEREAVEMENT LEAVE

Each special duty employee shall be entitled to three (3) days' leave of absence with full pay for a death in the employee's immediate family. Each platoon duty employee shall be entitled to two (2) 24-hour shifts leave of absence with full pay for such death(s).

Each employee shall furnish, if required by the Fire Chief, a death certificate or other satisfactory proof of the death to justify the absence.

"Immediate family" shall include the father, father-in-law, mother, mother-in-law, brother, sister, spouse, child, stepchild, foster child, grandchild, current stepparent, grandparents, grandchildren, domestic partner of the employee or any dependent or any relative who resided in the employee's household immediately prior to death, and the following relatives of an employee's domestic partner: child, grandchild, mother, father. (The same affidavit requirements for employees claiming a domestic partner as described in Article 3.4 shall apply for benefits provided under this Article). Simultaneous, multiple family deaths will be considered as one occurrence.

ARTICLE 3.6 JURY DUTY

Employees covered by this MOU who are duly summoned to attend any court for the purpose of performing jury service, may, for those days on which they are scheduled to work, be released from duty with pay for the period of time necessary to perform the jury service. Reasonable travel time will be permitted for the employee to travel to and from his/her place of assignment and the location of the jury service.

Any jury attendance fees received by the employee, except for those fees received for jury service performed on a regular day off, shall be paid to the City and deposited in the General Fund. Transportation fees paid by the Court will be retained by the employee.

If an employee becomes involved in an extended trial for 30 days or more, then the Fire Chief may assign him/her to an administrative detail.

ARTICLE 3.7 EXECUTIVE LEAVE

Each Chief Officer assigned to special duty who is covered by this MOU shall be entitled to forty (40) hours of executive leave for professional development with full pay to be taken at the discretion of the employee's supervisor.

Each Chief Officer assigned to platoon duty who is covered by this MOU shall be entitled to twenty-four (24) hours of executive leave for professional development with full pay to be taken at the discretion of the employee's supervisor.

ARTICLE 3.8 FAMILY AND MEDICAL LEAVE

It is the intent of the parties that the provisions and administration of this Article be in compliance with the Family and Medical Leave Act (FMLA) of 1993, the California Family Rights Act (CFRA) of 1993, and the Pregnancy Disability Leave (PDL) provisions of the California Fair Employment and Housing Act (FEHA). The following family leave provisions shall be operative during the term of this MOU:

A. Authorization for Leave

Up to four (4) months (nine (9) pay periods) of family or medical leave shall be provided for the purpose of childbirth, adoption or foster care of a child, or serious health condition of an immediate family member as defined in Article 3.4, upon the request of the employee or designation by Management in accordance with applicable Federal or State law, notwithstanding any other provisions of this MOU or the Los Angeles Administrative Code to the contrary.

An employee may take leave under the provisions of this Article if the employee has a serious health condition that makes the employee unable to perform the functions of the employee's position.

Leave under the provisions of this Article shall be limited to four (4) months (nine (9) pay periods) during a twelve (12) month period, regardless of the number of incidents. A 12-month period shall be measured forward from the first day of leave for each individual taking a leave. The next 12-month period would begin the first day of leave taken under the provisions of this Article after completion of the previous 12-month period.

Exception: Under the provisions of this Article, a pregnant employee may be eligible for up to four months (nine (9) pay periods) for childbirth disability and up to an additional four months (nine (9) pay periods) for the purpose of bonding. (See Sections D.1 and D.6 of this Article).

B. Definitions

1. Spouse means a husband or wife as defined or recognized under State law for purposes of marriage in this State.
2. Domestic partner means a named domestic partner in a confidential affidavit declaring the existence of said domestic partner and signed by the City employee, which is on file in the Employee Benefits Office, Personnel Department.
3. Parent means a biological, step, adoptive or foster parent, an individual who stands or stood in *loco parentis* to an employee, or a legal guardian. This term does not mean parents-in-law. Persons who are in *loco parentis* include those with day-to-day responsibilities to care for and financially support a child, or in the case of an employee who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.
4. Child means a biological, adopted, or foster child, a stepchild, a legal ward or child of a person standing in *loco parentis*, who is either under age 18 or age 18 or older and incapable of self-care because of a mental or physical disability.

C. Eligibility

1. The provisions of this Article shall apply to employees who have been employed by the City for at least 12 months and who have worked at least 1,040 hours during the 12 months immediately preceding the beginning of the leave.

Exception: In accordance with PDL under the California FEHA, on the first day of employment with the City, pregnant employees are eligible for up to four months (nine (9) pay periods) of leave if disabled due to pregnancy.

2. Parents (including those who are domestic partners) who both work for the City may take leave under the provisions of this Article at the same time to care for a new child by birth or adoption, or foster care of a child or to care for a sick parent, but the aggregate period of time to which both are entitled is limited to the time normally allowed for only one employee. Each employee must notify his/her employing department at the time the leave is requested of the name and department of the second family member who is requesting leave for the same incident. Such notification must include the starting and ending dates of the time period for which each employee is requesting leave.

The time limitations described above do not apply to leave taken by one spouse or one domestic partner to care for the other who is seriously ill, or to care for a child with a serious health condition.

D. **Conditions**

1. **Pregnancy** – A leave for a pregnant employee shall start at the beginning of the period of disability that a health care provider certifies is necessary. Leave for the non-disability portion of childbirth (“bonding”) may be taken before or after delivery.

In accordance with the PDL under the California FEHA, employees who are disabled due to pregnancy, childbirth, or related medical conditions are eligible for up to four months (nine pay periods) of leave with medical certification certifying the employee is unable to work due to a pregnancy-related condition. PDL may be taken before or after the birth of a child, shall run concurrently with pregnancy leave under the federal FMLA, and must be concluded within one year of the child’s birth.

Employees (either parent) are also eligible for family leave (“bonding”) under the CFRA, which shall be limited to four months (nine pay periods) and must be concluded within one year of the child’s birth. (The administration of such leave shall be in accordance with Section C.2 of this Article).

2. **Adoption** – The start of a family leave for adoption or foster care of a child shall begin on a date reasonably close to the date the child is placed in the custody of the employee. Leave may also be granted prior to placement for adoption or foster care of a child if an absence from work is required (i.e., counseling, court appearance, consultation with an attorney, physical examination, etc.).
3. **Family Illness/Injury** – The start of a family leave for a serious health condition of a family member shall begin on the date requested by the employee or, if none is requested, on a day designated by Management.
4. **Employee’s Own Illness/Injury** – The start of a personal medical leave for the employee's own serious health condition shall begin on the date requested by the employee or, if none is requested, on a day designated by Management. Serious health conditions occurring during the course and scope of employment activities shall not apply to this Section.
5. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

 - f. Any period of incapacity due to pregnancy or for prenatal care.
6. All leave granted under this Article shall normally be for a continuous period of time for each incident. However, an employee may be permitted to take intermittent leave or work on a reduced schedule to take care of a family member with a serious health condition or for his/her own serious health condition when it is medically necessary. Employees needing intermittent leave or leave on a reduced leave schedule must attempt to schedule their leave as not to disrupt the Department's operations. Management may require the employee to transfer temporarily to an available alternative position with equivalent compensation for which the employee is qualified that accommodates recurring periods of leave better than the employee's regular position.

In accordance with the CFRA, leave for the birth, adoption or foster care placement of a child of an employee ("bonding" leave) does not have to be taken in one continuous period of time. Under CFRA, the minimum duration of bonding leave is two weeks, and on any two occasions an employee is entitled to such bonding leave for a time period of not less than one day but less than two weeks' duration. Any other form of intermittent leave, or work on a reduced schedule, for the purpose of bonding leave shall only be permitted at the discretion of Management. Bonding leave must be concluded within one year of the birth or placement of the child.

7. If any employee requires another leave for a separate incident under the provisions of this Article during the same 12-month period, a new request must be submitted.

8. A personal leave of absence beyond the four (4) month (nine (9) pay period) leave provided in this Article may be requested, subject to the approval of the appointing authority and, if required, the Personnel Department, as provided under other City leave provisions.
9. Management has the right to request and verify the certification of a serious health condition by a healthcare provider for a leave under the provisions of this Article. Management shall allow the employee at least 15 calendar days to obtain the medical certification.
10. Upon return from family or medical leave, an employee shall be returned to his/her original job or to an equivalent job.

Such compensation shall also apply when a Special Duty Assistant Chief works in place of a platoon duty Assistant Chief, however, such compensation shall be in cash only, or during a recall.
- D. Accumulated time off earned by a platoon duty Assistant Chief under section C may be used at the employee's discretion, with management approval. This provision shall not preclude the City from converting banked time to cash at any time.
- E. No additional compensation shall be authorized for employees in these classes assigned to Special Duty except as provided in paragraph C. The Fire Chief may grant time off in unusual cases.

ARTICLE 6.4 ON-CALL PAY

Any Battalion Chief or Assistant Chief who elects to remain on call when subpoenaed for a court appearance must notify the Department of where he/she can be reached and must be reachable by telephone. If a Battalion Chief or Assistant Chief remains on call and is not required to report to court, he/she shall receive three (3) hours of straight time compensation. Unless notified that his/her designated on call is terminated, on call hours shall be from 0800 to 1600 hours. Such time shall be considered uncontrolled standby time and therefore not hours worked. Payment for such time shall be included when calculating the regular rate of pay for overtime purposes.

7.0 SALARIES

ARTICLE 7.1 SALARY STEP ADVANCEMENT

- A. Advancement in the salary rate of an employee on salary schedule 12 through 21 shall be made automatically at the beginning of the pay period following completion of one year of aggregate active service at each step rate until salary is received at the fifth step rate for schedule 12 through 16 and sixth step for schedule 18 through 21 within the salary schedule prescribed for the employee's class and pay grade.

B. Merit Pay Steps

Receipt of salary at the sixth and seventh steps in Schedules 12 through 21 shall be earned and retained on the basis of merit. No member of the Fire Department in a position compensated at Schedules 12 through 21 may receive salary above the fifth step until the Fire Chief certifies to the Controller that the member has completed services at that level as ascertained by an approved evaluation procedure, and for that minimum period as is required by the following table:

**SALARY MERIT STEP ADVANCEMENT
SCHEDULES 12 THROUGH 16**

Standard of Service	Minimum Service at Preceding Step for Advancement (In Calendar Years)
	Step 6
Excellent	2 years
Outstanding	1 year

**SALARY MERIT STEP ADVANCEMENT
SCHEDULES 18 THROUGH 21**

Standard of Service	Minimum Service at Preceding Step for Advancement (In Calendar Years)
	Step 7
Outstanding	2 years

If at any time the standard of service of a member falls below the minimum level required for his/her present merit step, as ascertained by an established procedure within the Department which provides for notice, hearing and appeal before the reduction is effective, the Fire Chief shall so certify to the Controller and in that event the salary of such member shall revert to the preceding step.

A member who has initially achieved the standard of service for the required minimum period, and who later reverts to a lower step because of failure to continue at the minimum level required for his/her merit step, shall be eligible for re-certification to each of higher merit steps within one-half the period of time required for initial certification until he/she has attained the merit step from which he/she reverted.

The Fire Chief shall certify to the Controller annually that a member is eligible to continue receiving salary at Step 6 or Step 7.

All certifications required by this section shall be made on forms prescribed by the Controller.

The Fire Chief shall establish procedures for rating and reviewing the standards of service required for merit increases. The procedures shall be approved by the General Manager of the Personnel Department and the City Administrative Officer. The procedures shall provide as follows:

1. Rating and reviewing of a member's performance at least annually.
2. Rating and reviewing of a member's performance at any time the member's standard of service falls below the minimum standard required for receiving his/her present merit step.
3. Rating by a supervisor at least one rank above the member being rated.
4. Review by the supervisor of the rater except for the rank immediately below the Fire Chief which shall not be subject to review.
5. Written documentation indicating the member is performing the standards of service required for a merit step and has sustained the level of performance for the required period.

The Fire Chief shall report not later than April 1 of each year to the General Manager of the Personnel Department and the City Administrative Officer the number of, excellent and outstanding ratings for each rank given for the purpose of determining if the system is working satisfactorily and to provide a basis for recommending changes if problems occur.

ARTICLE 7.2 SALARIES

The operative dates of the salaries shown in Appendix A -1 is as follows:

<u>Appendix</u>	<u>Operative Date</u>
Appendix A-1	July 1, 2009

ARTICLE 7.3 SALARY STEP PLACEMENT UPON PROMOTION

Any member of the Fire Department promoted to a higher class or assigned to a higher pay grade within the class to which he/she was appointed shall be advanced to the lowest rate of the salary schedule for the higher class or pay grade, or the rate of compensation next higher to that received by him/her prior to such promotion, whichever is the greater. If the member is entitled to a step advance pursuant to Article 7.1 Section A on the same day as such promotion or assignment, the step advancement shall be considered to have occurred prior to such promotion or assignment. Provided, however, that if such person prior to promotion or assignment is receiving special or hazard pay as provided in this MOU, his/her salary rate prior to

promotion or assignment shall be deemed to be the rate which he/she would be receiving in the absence of such salary premium.

ARTICLE 7.4 SALARY STEP PLACEMENT UPON PROMOTION TO ASSISTANT CHIEF

Notwithstanding the above or any Los Angeles Administrative Code provision, employees who promote from Battalion Chief to Assistant Chief and are on step six of Schedules 12 or 13 at the time of the promotion shall be advanced to step 4 of Schedule 15.

ARTICLE 7.5 SALARY RATE UPON ASSIGNMENT TO A LOWER CLASS JOB

Any member of the Bargaining Unit reassigned to a lower pay grade within the class of position to which he/she was appointed shall receive the same compensation received by him/her prior to such reassignment, or be compensated at the top step of the schedule for the lowest pay grade, whichever is lower.

ARTICLE 7.6 SALARY RATE UPON LATERAL TRANSFER

Whenever any member of the Bargaining Unit is appointed to or displaces in a position in the same department in a different class and pay grade having the same salary schedule he/she shall be entitled to receive in the position in which he/she is appointed or in which he/she displaces, the same rate of compensation that he/she was receiving prior to such appointment or displacement less special hazard and longevity pay, unless he/she is entitled to receive such pay by applicable provision of this article in his/her new position.

ARTICLE 7.7 EMERGENCY MEDICAL TECHNICIAN CERTIFICATION AND SPECIAL PAY

All members of this Bargaining Unit may be assigned as incident commanders, medical group supervisors or other command functions at emergency medical incidents. Therefore, all Bargaining Unit members shall be expected to be trained and certified, and to maintain certification as an EMT-1 and/or EMT/P as a condition of employment. The Department will provide recertification training to all members of the Bargaining Unit.

Members of this Bargaining Unit at the rank of Deputy Chief shall receive special pay of three percent of regular pay for such certification. Members at the rank of Assistant Chief or Battalion Chief shall receive special pay of three percent of regular pay plus \$96 biweekly for such certification. Should any member of this Bargaining Unit lose EMT certification for any reason, EMT special pay shall be discontinued at the beginning of the pay period following loss of the certification.

ARTICLE 7.8 ARSON SECTION

The Battalion Chief assigned to the Arson Section, in addition to any other compensation authorized herein, shall receive additional compensation each month conditional upon qualifying in pistol or revolver shooting in accordance with the rules adopted by the Board of Fire Commissioners. Upon certification by said Board to the Controller any such member shall be entitled to receive additional compensation as set forth below:

<u>GRADE</u>	<u>RANGE</u>	<u>SCORE</u>	<u>BONUS</u>
MARKSMAN	SHERIFF'S	240 – 259	\$4.00 biweekly
	LAPD	300 – 339	\$4.00 biweekly

	LAPD	385 (avg. for 6 mos.)	\$32.00 biweekly

Such additional compensation shall be continued only while such member is assigned to the Arson Section, but shall not extend beyond a period of one year following the date of qualification and shall then cease, provided that after a lapse of one year from the date of qualification, a member shall be allowed to re-qualify and receive additional compensation accordingly. If the member qualifies in a lower grade he/she may re-qualify at any time in a higher grade and be paid accordingly. The member shall not at any time receive additional compensation for more than one grade.

ARTICLE 7.9 EDUCATION BONUS

- I. Operative July 1, 2006, the following education bonuses shall apply to all Bargaining Unit members who have submitted proof thereof to Management:

The above bonuses are not cumulative and a Bargaining Unit member can receive only one bonus under (a), (b), or (c) above.

2. A Fire Assistant Chief when assigned to a departmental special duty position authorized in the Budget or by interim position authority granted by the City Administrative Officer, shall be compensated at the corresponding step of Schedule 16.

Whenever a Chief Officer is detailed to a Deputy Chief position in excess of ninety (90) days, that member shall receive salary at the Deputy Chief level upon approval by the City Administrative Officer.
